Government Office,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

A DESPATCH,

Of which the following is a copy, has been received by the LIEUTENANT GOVERNOR, from HIS MAJESTY'S SECRETARY of STATE for the COLONIES:—

(CIRCULAR.)

DOWNING STREET,
2nd May, 1831.

SIR,—

MUCH inconvenience has, in several instances, arisen from the transmission of representations to this Department by subordinate Officers or private individuals in the Colonies, without the intervention of the respective Governors.

In such cases it often becomes necessary to return the Communications to the Colony, for the report or explanations of the Governor; and the decisions on the cases and the answers to the parties, are thus retarded, and prejudice occasioned to the objects which they had in view, as well as to the Public Service.

It is especially necessary that the regular channel for transmitting letters should be adhered to, or copies of them previously communicated to the Governor, when the object of the writers is to appeal to His Majesty or to the Secretary of State, against any proceeding of the Colonial Authorities, since it would of course be impossible to form any opinion upon such a subject, unless those authorities should have had ample opportunity of explaining the views by which they had been actuated.

I have, therefore, to request that you will take such measures as may appear to you to be most effectual for making it generally known in the Colony under your Government, that unless in cases where some especial and sufficient reason can be assigned for a contrary course, the Secretary of State will be under the necessity of declining to entertain the subject of any representation which shall not have been previously submitted to the Governor.

In order, however, that the notice for this regulation may not be misunderstood, you will, at the same time, explain that it is not intended to prevent any of His Majesty's Subjects from sending Memorials or Letters to His Majesty, or to the Secretary of State through any medium, other than that of the Governor, provided copies are previously communicated to him, it being fully understood, that if this is neglected, no steps will be taken upon them without that delay, which, unless in very peculiar cases, must ensue in the answer to be returned, owing to the necessity of referring the matter to the Governor, for his report upon it.

I have the Honor to be,
&c. &c. &c.
GODERICH

MAJOR GENERAL
SIR JOHN COLBORNE,
&c. &c. &c.

Government Office,
York, 18th November, 1830.

HIS Majesty's Government having authorised a certain proportion of the annual consumption of Hemp, throughout the King's Dock Yards in England, to be purchased in Canada, it is hereby notified, that, Hemp, bona fide, the growth of Canada, properly dressed, and of equal quality to St. Petersburgh, or to Riga Hemp, will be purchased by the Respective Officers of His Majesty's Dock Yard, at Kingston, if approved of by them, and delivered at the Dock Yard.

The value of Canadian Hemp "per Ton, will be always regulated by the price paid for St. Petersburgh or Riga Hemp," in the King's Dock Yards at home.

On an average, the quantity of Canadian Hemp, which can be purchased at Kingston, by the Respective Officers, will be from Six hundred to Seven hundred Tons Annually. The price which can this year be paid for clean Canadian Hemp, as above described, will be according to its quality, Forty or Forty-three pounds Halifax Currency per Ton.

Colonel Covert has erected Mills near Cobourg, for the purpose of preparing Hemp for Exportation, and will give any information to Farmers respecting the best method of dressing it, and the profit likely to be obtained from cultivating Hemp in Upper Canada.

Executive Council Office,
York, 20th November, 1830.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR in COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

An Act respecting the time and place of Sitting of the Court of Kings' Bench.

(Passed 23d December, 1831.)

WHEREAS by an Act of the Parliament of this Province, passed in the thirty-fourth year of the Reign of His late Majesty King George the Third, intituled "An Act to establish a Superior Court of Civil and Criminal Jurisdiction, and to regulate the Court of Appeal," it is provided "that His Majesty's Court of Kings Bench in this Province shall be holden in a place certain, that is, in the City, Town or Place, where the Governor, or Lieutenant Governor shall usually reside, and until such place be fixed the said Court shall be holden at the last place of meeting of the Legislative Council and Assembly," and whereas no Public Building has yet been erected for the accommodation of the Court of Kings' Bench, and it may be found convenient to allow the said Court to be holden at some eligible place in the immediate vicinity of the Seat of Government, although not within the actual limits of the City, Town or Place, in which the Governor or Lieutenant Governor shall usually reside.—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That such part of the said Act hereinbefore recited as appoints the place at which the Court of King's Bench shall be holden, shall be and the same is hereby repealed.

III. *And whereas*, It is expedient to alter the period of holding the term of Hilary;—*Be it therefore enacted by the authority aforesaid*, That the term of Hilary shall henceforth commence on the first Monday in February, and end on the Saturday of the week following, any law or usage to the contrary notwithstanding.

An Act to remove doubts respecting the Jurisdiction over offences committed upon the Lakes and Rivers in this Province.

(Passed 23d December, 1831.)

WHEREAS in the several Statutes passed for the division of this Province into Counties and Districts, express provision has not been made respecting the Navigation and other Waters lying within the limits of this Province, but not included within the boundaries of any Surveyed Township, and doubts may therefore arise respecting the jurisdiction over offences committed upon such Waters, and it is expedient to remove such doubts:—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That the Lakes, Rivers, and other Waters of this Province which are not comprehended within the defined limits of any Town, Township or County, shall and may be taken to be, and are hereby declared to be parts of that District respectively, within the exterior side lines of which any such Lake, River, or other Water would lie and be, if such exterior side lines were produced in that direction to the utmost limits of this Province.

II. *And be it further enacted by the authority aforesaid*, That all crimes and offences committed in or upon any of the said Waters may be enquired of and tried within any District lying adjacent to such Waters, and shall and may be laid and charged to have been committed within the jurisdiction of the Court, which shall try the same, and such Court shall and may proceed thereon to Trial, Judgment and Execution, or other punishment for such crime or offence in the same manner as if such crime or offence had been really committed within the District where such trial may be had, and law usage or custom to the contrary notwithstanding.

An Act to prevent the operation within this Province of an Act of Parliament made in England, in the twenty first year of the Reign of King James the First, entitled, "An Act to prevent the destroying and murthering of Bastard Children, and to make other provisions for the prevention and punishment of Infanticide." (Passed 23d Dec. 1831.

WHEREAS doubts have been entertained respecting the true meaning of a certain Act of Parliament made in England, in the twenty first year of the Reign of His late Majesty King James the First, entitled, "An Act to prevent the destroying and murthering of Bastard Children, and the same has been found difficult and inconvenient to be put in practice, for remedy thereof:—*Be it therefore enacted by the King's Most Excellent Majesty*, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That from and after the passing of this Act, no clause, matter, or thing in the said Act passed in the twenty-first year of the Reign of King James the First, shall extend to, and be in force in this Province.

II. *And be it further enacted by the authority aforesaid*, That from and after the passing of this Act, the trial of any woman charged with murder of any issue of her body, male or female, which being born alive, would by Law be Bastard, shall proceed and be governed by such and the like rules of evidence and presumption, as are by Law used and allowed to take place in respect to other trials for murder, and as if the said Act passed in the Reign of King James the First had never been made.

III. *And be it further enacted by the authority aforesaid*, That if any woman shall be delivered of a child, and shall, by secret burying or otherwise disposing of the dead body of the said Child, endeavour to conceal the birth thereof, every such offender shall be guilty of a misdemeanor, and being convicted thereof, shall be liable to be imprisoned with or without hard labour in the common Gaol or House of correction for any term, not exceeding two years, and it shall not be necessary to prove whether the Child died before, at, or after its birth;—*Provided always*, that if any woman tried for the murder of her Child shall be acquitted thereof, it shall be lawful for the Jury by whose Verdict she shall be acquitted, to find, in case it shall so appear in evidence that she was delivered of a Child, and that she did by secret burying, or otherwise disposing of the dead body of such Child, endeavour to conceal the birth thereof, and thereupon the Court may pass such sentence as if she had been convicted upon an Indictment for the concealment of the birth.

GOVERNMENT OFFICE,

HIS Majesty's Government having authorised a certain proportion of the annual consumption of Hemp, throughout the King's Dock Yards in England, to be purchased in Canada, it is hereby notified, that, Hemp, bona fide, the growth of Canada, properly dressed, and of equal quality to St. Petersburgh, or to Riga Hemp, will be purchased by the Respective Officers of His Majesty's Dock Yard, at Kingston, if approved of by them, and delivered at the Dock Yard.

The value of Canadian Hemp "per Ton, will be always regulated by the price paid for St. Petersburgh or Riga Hemp," in the King's Dock Yards at home.

On an average, the quantity of Canadian Hemp, which can be purchased at Kingston, by the Respective Officers, will be from Six hundred to Seven hundred Tons Annually. The price which can this year be paid for clean Canadian Hemp, as above described, will be according to its quality, Forty or Forty-three pounds Halifax Currency per Ton.

Colonel Covert has erected Mills near Cobourg, for the purpose of preparing Hemp for Exportation, and will give any information to Farmers respecting the best method of dressing it, and the profit likely to be obtained from cultivating Hemp in Upper Canada.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of HIS EXCELLENCY THE LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

JOHN SMALL,
27 *C.E.C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on

applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

UPPER CANADA.
J. COLBORNE.

WILLIAM the FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—

GREETING:

KNOW YE, that by and with the advice and consent of the Executive Council of the Province of Upper Canada, and in pursuance of the authority of an Act passed in the Parliament of Great Britain and Ireland in the sixth year of the Reign of His late Majesty King George the Fourth, entitled "An Act to Regulate the Trade of the British Possessions abroad," We have thought fit to appoint, and do hereby appoint, the Village of Maitland, on Lot number Twenty-nine, in the first Concession of the Township of Augusta, in the County of Grenville, in the District of Johnstown, to be a Port of Entry and Clearance, by the name of Port Maitland, for the Entry of Goods brought or Imported into the Province from any adjoining foreign country: and We do hereby declare, that the said Port Maitland shall extend one quarter of a mile from a Point in the centre of the said Lot number Twenty-nine to the Eastward, and one quarter of a mile to the Westward along the King's Highway near the River St. Lawrence, and thence in front of the said line—so extending along the King's Highway Three Hundred Yards Southerly into the said River Saint Lawrence.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed—WITNESS our trusty and well beloved SIR JOHN COLBORNE, K. C. A DESPATCH,

Of which the following is a copy, has been received by the LIEUTENANT GOVERNOR, from His MAJESTY'S SECRETARY of STATE for the Colonies:—

(CIRCULAR.)

DOWNING STREET,
2nd May, 1831.

SIR,—

MUCH inconvenience has, in several instances, arisen from the transmission of representations to this Department by subordinate Officers or private individuals in the Colonies, without the intervention of the respective Governors.

In such cases it often becomes necessary to return the Communications to the Colony, for the report or explanations of the Governor; and the decisions on the cases and the answers to the parties, are thus retarded, and prejudice occasioned to the objects which they had in view, as well as to the Public Service.

It is especially necessary that the regular channel for transmitting letters should be adhered to, or copies of them previously communicated to the Governor, when the object of the writers is to appeal to His Majesty or to the Secretary of State, against any proceeding of the Colonial Authorities, since it would of course be impossible to form any opinion upon such a subject, unless those authorities should have had ample opportunity of explaining the views by which they had been actuated.

I have, therefore, to request that you will take such measures as may appear to you to be most effectual for making it generally known in the Colony under your Government, that unless in cases where some especial and sufficient reason can be assigned for a contrary course, the Secretary of State will be under the necessity of declining to entertain the subject of any representation which shall not have been previously submitted to the Governor.

In order, however, that the notice for this regulation may not be misunderstood, you will, at the same time, explain that it is not intended to prevent any of His Majesty's Subjects from sending Memorials or Letters to His Majesty, or to the Secretary of State through any medium, other than that of the Governor, provided copies are previously communicated to him, it being fully understood, that if this is neglected, no steps will be taken upon them without that delay, which, unless in very peculiar cases, must ensue in the answer to be returned, owing to the necessity of referring the matter to the Governor, for his report upon it.

I have the Honor to be,
&c. &c. &c.
GODERICH.

MAJOR GENERAL
SIR JOHN COLBORNE,
&c. &c. &c.

GOVERNMENT OFFICE,
York, 18th November, 1830.

HIS Majesty's Government having authorised a certain proportion of the annual consumption of Hemp, throughout the King's Dock Yards in England, to be purchased in Canada, it is hereby notified, that, Hemp, bona fide, the growth of Canada, properly dressed, and of equal quality to St. Petersburgh, or to Riga Hemp, will be purchased by the Respective Officers of His Majesty's Dock Yard, at Kingston, if approved of by them, and delivered at the Dock Yard.

The value of Canadian Hemp "per Ton, will be always regulated by the price paid for St. Petersburgh or Riga Hemp," in the King's Dock Yards at home.

On an average, the quantity of Canadian Hemp, which can be purchased at Kingston, by the Respective Officers, will be from Six hundred to Seven hundred Tons Annually. The price which can this year be paid for clean Canadian Hemp, as above described, will be according to its quality, Forty or Forty-three pounds Halifax Currency per Ton.

Colonel Covert has erected Mills near Cobourg, for the purpose of preparing Hemp for Exportation, and will give any information to Farmers respecting the best method of dressing it, and the profit likely to be obtained from cultivating Hemp in Upper Canada.

Government Office,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot last above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Land are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

J. COLBORNE.

WILLIAM the FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—GREETING:

KNOW YE, that by and with the advice and consent of the Executive Council of the Province of Upper Canada, and in pursuance of the authority of an Act passed in the Parliament of Great Britain and Ireland in the sixth year of the Reign of His late Majesty King George the Fourth, entitled "An Act to Regulate the Trade of the British Possessions abroad," We have thought fit to appoint, and do hereby appoint, the Village of Maitland, on Lot number Twenty-nine, in the first Concession of the Township of Augusta, in the County of Grenville, in the District of Johnstown, to be a Port of Entry and Clearance, by the name of Port Maitland, for the Entry of Goods brought or Imported into the Province from any adjoining foreign country: and We do hereby declare, that the said Port Maitland shall extend one quarter of a mile from a Point in the centre of the said Lot number Twenty-nine to the Eastward, and one quarter of a mile to the Westward along the King's Highway near the River St. Lawrence, and thence in front of the said line—so extending along the King's Highway Three Hundred Yards Southerly into the said River Saint Lawrence.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed—WITNESS our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at York, this sixth day of June, in the Year of our Lord One Thousand Eight Hundred and Thirty-one, and in the first year of our Reign.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

A DESPATCH,

Of which the following is a copy, has been received by the LIEUTENANT GOVERNOR, from His MAJESTY'S SECRETARY of STATE for the Colonies:—

(CIRCULAR.)

DOWNING STREET,
2nd May, 1831.

SIR,—

MUCH inconvenience has, in several instances, arisen from the transmission of representations to this Department by subordinate Officers or private individuals in the Colonies, without the intervention of the respective Governors.

In such cases it often becomes necessary to return the Communications to the Colony, for the report or explanations of the Governor; and the decisions on the cases and the answers to the parties, are thus retarded, and prejudice occasioned to the objects which they had in view, as well as to the Public Service.

It is especially necessary that the regular channel for transmitting letters should be adhered to, or copies of them previously communicated to the Governor, when the object of the writers is to appeal to His Majesty or to the Secretary of State, against any proceeding of the Colonial Authorities, since it would of course be impossible to form any opinion upon such a subject, unless those authorities should have had ample opportunity of explaining the views by which they had been actuated.

I have, therefore, to request that you will take such measures as may appear to you to be most effectual for making it generally known in the Colony under your Government, that unless in cases where some especial and sufficient reason can be assigned for a contrary course, the Secretary of State will be under the necessity of declining to entertain the subject of any representation which shall not have been previously submitted to the Governor.

In order, however, that the notice for this regulation may not be misunderstood, you will, at the same time, explain that it is not intended to prevent any of His Majesty's Subjects from sending Memorials or Letters to His Majesty, or to the Secretary of State through any medium, other than that of the Governor, provided copies are previously communicated to him, it being fully understood, that if this is neglected, no steps will be taken upon them without that delay, which, unless in very peculiar cases, must ensue in the answer to be returned, owing to the necessity of referring the matter to the Governor, for his report upon it.

I have the Honor to be,
&c. &c. &c.
GODERICH.

MAJOR GENERAL
SIR JOHN COLBORNE,
&c. &c. &c.

GOVERNMENT OFFICE,
York, 18th November, 1830.

HIS Majesty's Government having authorised a certain proportion of the annual consumption of Hemp, throughout the King's Dock Yards in England, to be purchased in Canada, it is hereby notified, that, Hemp, bona fide, the growth of Canada, properly dressed, and of equal quality to St. Petersburgh, or to Riga Hemp, will be purchased by the Respective Officers of His Majesty's Dock Yard, at Kingston, if approved of by them, and delivered at the Dock Yard.

The value of Canadian Hemp "per Ton, will be always regulated by the price paid for St. Petersburgh or Riga Hemp," in the King's Dock Yards at home.

On an average, the quantity of Canadian Hemp, which can be purchased at Kingston, by the Respective Officers, will be from Six hundred to Seven hundred Tons Annually. The price which can this year be paid for clean Canadian Hemp, as above described, will be according to its quality, *Forty* or *Forty-three* pounds Halifax Currency per Ton.

Colonel Covert has erected Mills near Cobourg, for the purpose of preparing Hemp for Exportation, and will give any information to Farmers respecting the best method of dressing it, and the profit likely to be obtained from cultivating Hemp in Upper Canada.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Location shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Location, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

PUBLIC NOTICE.

A MEETING of the Stockholders of the *Port Hope Harbour and Wharf Company*, will be held at the Mansion House Hotel in Port Hope, on Monday the 12th day of March next, at 4 o'clock, P. M. for the purpose of appointing Directors, &c. for the ensuing year, in conformity with the Act of Incorporation of said Company.

By Order.
JOHN BROWN,
TREASURER.

Port Hope, Jan'y. 19th, 1832. L—36

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

YORK, UPPER CANADA, SATURDAY JANUARY 28, 1832.

BY AUTHORITY.

York, U. C. January 28, 1832.

At Four o'clock this day, HIS EXCELLENCY the LIEUTENANT GOVERNOR, being seated on the Throne in the Legislative Council Chamber, and the House of Assembly being present, HIS EXCELLENCY was pleased to Prorogue the present Session with the following

SPEECH:

Honorable Gentlemen of the Legislative Council, and—

Gentlemen of the House of Assembly:

IN relieving you from your Legislative duties, it is satisfactory to me to observe, that you have directed your attention to several objects of great interest to the Colony.

Gentlemen of the House of Assembly;

I thank you in His Majesty's name, for the sums voted for Public Institutions, and Works carrying on in the Province.

Honorable Gentlemen and Gentlemen:

The extent and fertility of the unoccupied Lands, will continue to attract to this Country large portions of the redundant Population of the Parent State.—I am, therefore, persuaded, that on your return to your respective Counties, your influence may be usefully exerted in organizing Societies for the purpose of affording the information to Emigrants which they so much require, at the Ports where they first disembark, and facilitating their dispersion in the Districts in which they may readily obtain employment.

The increasing value of Land—the Harbours, Canals, and Steam-Boats now constructing; the number of Acres brought into cultivation in most Districts; the projected internal Commerce by Steam Vessels on Lake Simcoe, and the Rice Lakes, are the favourable results of recent Emigration.

The exports of Staple Products of the Province last Season, amounted to a third more than those of the preceding Year; and the sales of Imported Articles have been doubled in three years.

Such are the proofs of the property and independence, which, in a few years, have been created wholly in the Province, by the industry and labour of the great body of Settlers; and also of the general prosperity and progressive advancement of the interests of the Colony.

An Act to afford means for attaching the Property of Absconding Debtors.

[Passed 28th January, 1832.]

WHEREAS it is necessary, for the protection of persons engaged in trade, to afford the means of attaching the Property of Absconding Debtors, that the same may be taken in Execution and sold for the benefit of their Creditors.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province;" and by the authority of the same, That if any person or persons, being indebted to an Inhabitant of this Province, shall, before the passing of this Act, have secretly departed from this Province, or if any person or persons so indebted shall, after the passing of this Act, secretly depart from this Province, or keep concealed within the same, it shall and may be lawful for any person or persons, their Servants or Agents, to whom such absconding or concealed person or persons is or are indebted in the sum of Five Pounds or upwards, to make application to the Court of King's Bench in this Province, in Term time, or to any Judge thereof, in vacation, or to any Judge of the District Court in the different Districts of this Province, either within or without the limits of the District for which such Judge is appointed, where the sum claimed is within the Jurisdiction of such District Court, and there make an Affidavit that the said absconding or concealed person or persons is or are indebted to him, her, or them, in the sum of Five Pounds or upwards, expressing the cause of Action, and that he, she, or they, do verily believe that the said absconding or concealed person or persons hath departed this Province, or is concealed within the same, (which Affidavit may also be taken before a Commissioner for taking Affidavits in the King's Bench,) with intent and design to defraud him, her, or them, and other Creditors, (if any there be) of their just dues, or to avoid being arrested and with process; which departure or concealment shall also be proved to the satisfaction of such Court, or Judges of such Court, by the Oath or Affidavit of at least two credible Witnesses; and upon such proof, the said Court of King's Bench, and District Court respectively, in Term time, or the Judges thereof in vacation, or any one of them, shall forthwith direct a Warrant or Warrants to be issued under the Seal of the said Courts respectively, and signed by the Clerk of the Crown or the Clerk of the said District Court, (as the case may be,) directed to the Sheriff of the District in which such absconding or concealed person or persons has been resident, or to the Sheriff or Sheriffs of any or every other District within the Province, commanding such Sheriff or Sheriffs respectively, to attach, seize, take, and safely keep, all the Estate, as well real as personal, found within his District, of the said absconding or concealed person or persons, of what kind or nature soever, together with all evidences of debt, books of account, vouchers and papers relating thereto, upon receipt of which Warrant the Sheriff to whom the same may be directed shall forthwith execute the same, and with the assistance of two substantial Freeholders, make a just and true inventory of all such Estate and Effects as he shall seize and take by virtue thereof, and shall return the same, signed by himself and the said Freeholders, to such Court from whence the Warrant issued.

II. *And be it further enacted by the authority aforesaid*, That immediately upon making the seizure of the Estate and Effects of the absconding or concealed person or persons, it shall be the duty of the Sheriff making such seizure, to cause a notice to be inserted in the Upper Canada Gazette, and also in some one or more of the Newspapers printed in his District, and continued therein weekly for at least three calendar months; which notice shall set forth, that by virtue of the said Writ he has seized all the Estate, real and personal, of such absconding or concealed person or persons; and unless such absconding or concealed person or persons (naming the same,) return within the Jurisdiction of the Court from whence such Warrant issued, and put in bail to the Action or cause, the claim or claims of such Plaintiff or Plaintiffs (naming the same,) to be discharged within three calendar months after such public notice, (to be computed from the first day of publishing the same in the Upper Canada Gazette) all his, her, or their Estate, real or personal, or so much thereof as may be necessary, will be held liable for the payment, benefit, and satisfaction of the claim or claims of such Plaintiff or Plaintiffs.

III. *And be it further enacted by the authority aforesaid*, That the Sheriff to whom any Warrant of attachment shall issue, shall take into his charge and keeping all the Property, Estate, and Effects of such absconding or concealed person or persons, and shall be allowed all necessary disbursements for keeping the same.

IV. *And be it further enacted by the authority aforesaid*, That if any person or persons, against whose Estate or Effects such Warrant or Warrants of attachment may have been issued, or any person or persons on his, her, or their behalf, shall at any time before the expiration of three calendar months from the first publication of the notice before mentioned, execute and tender to the Creditor or Creditors who sued out such Warrant or Warrants as aforesaid, a Bond, with good and sufficient sureties, binding the Obligors, jointly and severally, with a condition in double the amount of the sum claimed, that the person or persons aforesaid shall not depart the Province without satisfying the said claims in the event of the same being proved and Judgment recovered as in ordinary cases where proceedings have been commenced against the person, or that he, she, or they will render such absconding or concealed person or persons to the custody of the Sheriff of the District to whom such Writ shall have been directed, or that they will pay the amount of the claim of the party suing out such attachment, or the value of the Property or Estate so taken and seized to the said Claimants, it shall and may be lawful for such Court or Judge to order a Supersedeas to such Warrant or Warrants, and all and singular the Property which may have been attached shall be restored; and if it shall appear at any trial to be subsequently had, and shall be so certified by the Judge presiding at such trial, that the person or persons against whose Estate or Effects such Warrant or attachment was issued hath not been absconding or concealed at the time of issuing such Warrant, then such person or persons shall recover his, her, or their costs of the person or persons suing out the said Warrant, which costs may be taxed by the Court from

V. *And be it further enacted by the authority aforesaid*, That if after the period of three calendar months from the first publication of the notice above mentioned, the absconding or concealed party, or some one on his behalf, do not appear and give bonds, with sureties as before mentioned, for the payment of the claims of the party suing out the attachment as aforesaid, in the event of judgment being given against such absconding or concealed party, then the proceedings in the suit against the Estate, Property, and Effects of such absconding or concealed party, shall be the same as if the suit had been commenced in the usual manner against the person, and Judgment and Execution against the Goods and Lands of the said party, shall follow as hath been the custom of the Courts of this Province previous to the passing of this Act.

VI. *And be it further enacted by the authority aforesaid*, That in order to proceed in the recovery of any debt due by the person or persons against whose Property a Writ of attachment shall have been ordered under this Act, process may be served, by leaving a copy thereof at the last place of abode of such person within this Province, with any grown up person there dwelling, and also by affixing a copy of such process in the Crown Office, or in the Office of the Deputy Clerk of the Crown in the District where the absconding or concealed person was last resident, or in the Office of the Clerk of the District Court of such District, where the proceedings shall be in the District Court, eight days before the return thereof; and all subsequent proceedings necessary to be served on the Defendant in ordinary cases, shall be deemed to be served upon such absconding or concealed person, by filing a copy in the Crown Office, or in the Office of the Deputy Clerk of the Crown in which the declaration shall have been filed as aforesaid, or in the Office of the Clerk of the District Court, as the case may be.

VII. *And be it further enacted by the authority aforesaid*, That notwithstanding Judgment by default may be signed in any action in which the process and other proceedings may have been served, in the manner aforesaid, such judgment shall in no case be final. And it shall be incumbent on the Plaintiff nevertheless to prove his cause of action, in the same manner as if the general issue had been pleaded, or the deed denied in case the action shall have been brought on any specialty, and in case the Jury at any such Assessment of Damages, shall not find the Plaintiff's demand or any part thereof proved, the verdict shall be rendered for nominal damages only, and the Plaintiff shall recover no costs of suit.

VIII. *And be it further enacted by the authority aforesaid*, That in case any Sheriff or Sheriffs shall by virtue of any Warrant or Warrants to be issued in pursuance of this Act, seize and take any perishable Goods or Chattels, it shall and may be lawful for such Sheriff to have the same appraised and valued by two substantial Freeholders or Competent Judges, and upon the request of the person or persons suing out such Warrant or Warrants, to expose and sell the same at Public Auction to the highest bidder, giving at least eight days notice of the time and place of such sale, if the articles so seized will admit of such delay; but if otherwise, then the Sheriff shall proceed to sell the same at such time as in his discretion may seem meet;—*Provided also*, that it shall not be compulsory upon such Sheriff to seize or sell such perishable articles, until the person or persons suing out such Warrant or Warrants of attachment, shall have given a bond to the Defendant or Defendants, with good and sufficient Sureties in double the amount of the appraised value of such articles (ascertained as aforesaid,) conditioned that the person or persons directing such seizure and sale will repay the value of such articles so seized and sold to the owner thereof, together with all costs and damages that may have been incurred in consequence of such seizure and sale, in case judgment be not obtained for such person or persons so suing out such Warrant or Warrants of attachment.

IX. *And be it further enacted by the authority aforesaid*, That if any person or persons being indebted to or having the custody or possession of any property, or effects of any such absconding or concealed person or persons, shall after such public notice given as aforesaid, and a copy thereof duly served upon him, her or them, by the said Sheriff, pay any debt or demand, or deliver any such property or effects to any such absconding or concealed person or persons, or his, her, or their Attorney, Agents, Factors or Assigns, the person or persons so paying any such debt or delivering such property or effects, shall be deemed to have paid or done the same fraudently, and is, and are hereby made liable to answer the same, or the amount or value thereof to the person or persons suing out such warrant of attachment, in the event of such person or persons recovering Judgment and Execution against such absconding or concealed person or persons, and if any such person or persons being so indebted or having such custody as aforesaid, shall after such public notice, and being served with a copy thereof as aforesaid, be sued by such absconding or concealed person or persons for any such debt, or property or effects, he, she, or they so sued, may plead the general issue, and give this Act and the special matter in evidence.

X. *And be it further enacted by the authority aforesaid*, That the costs of such Sheriffs, either for seizing, securing or taking charge of property and effects so attached, under and by virtue of any Warrant or Warrants issued in pursuance of the provisions of this Act, shall be paid in the first instance, by the party or parties suing out such Warrant or Warrants as aforesaid, his, her, or their Attorney, or Agent, to the Sheriff to whom such writ may be directed, and may be recovered by such Sheriff by action, in any of His Majesty's Courts of Record in this Province, and in case such person or persons recover judgment against the person or persons so absconding or concealed, the same shall be allowed with costs of suit to be taxed by the proper Officer as the ordinary disbursements of the suit.

XII. *And be it further enacted by the authority aforesaid*, That if after Judgment and Execution by any Plaintiff or Plaintiffs against any absconding or concealed person or persons, obtained under and by virtue of the provisions of this Act, the Goods and Chattels, Lands and Tenements of such absconding or concealed person or persons, taken and seized by any Sheriff or Sheriffs by virtue of such execution or executions, shall not be sufficient to discharge the same, it shall and may be lawful for the Plaintiff or Plaintiffs to sue for, and recover of, and from any person or persons indebted to the absconding or concealed person or persons as aforesaid, the amount of the debt so owing by them to the absconding or concealed person or persons, or so much thereof as is necessary to satisfy the claim of such Plaintiff or Plaintiffs, and payment made by such person or persons to such Plaintiff or Plaintiffs shall be considered legal and valid to all intents and purposes, and shall operate as a discharge for the debt, or so much thereof (as the case may be) owing to the absconding or concealed person or persons:—*Provided always*, That the declaration in such action shall contain an introductory avermeat to this or the like effect, that is to say:—A. B. who sues under the provisions of an Act of the Parliament of this Province for attaching the property of absconding Debtors, in order to recover from C. D. Debtor to one E. F. an absconding or concealed person, such sum as C. D. may owe to the said E. F. or so much thereof as will discharge the sum of———, being the amount due by the said E. F. to him the said A. B. complains, &c.

XIII. *And be it further enacted by the authority aforesaid*, That before Execution shall issue upon any judgment obtained under this Act against an absconding or concealed Debtor, a Bond to the Defendant in double the sum to be levied, to be executed by the Plaintiff and two sufficient sureties, to be approved of by some one of the Judges of the Court in which the Action shall have been instituted, shall be filed among the papers of the cause, the condition of which Bond shall be to the effect, that if the Defendant, his Executors or Administrators, shall within the period allowed by Law contest the justice of the Plaintiffs demand, and succeed in reversing the recovery, the Plaintiff, his Executors, or Administrators, shall restore to the Defendant, his Heirs, Executors or Administrators, any further damage occasioned by the seizure and sale of real and personal estate in order to satisfy the judgment obtained against such absconding or concealed Debtor.

XIV. *And be it further enacted by the authority aforesaid*, That at any time within one year after the rendering of judgment against an absconding or concealed Debtor, such Debtor may, upon his personal appearance in Court in term time, apply through his Counsel, or in case of his death his Executors or Administrators may, within the same period, apply for a rehearing of the cause, which re-hearing shall be granted upon giving security for costs, and the cause may be again tried upon a Record to be prepared for that purpose, on which the entry of a new Venire may be made after the entry of issue joined, or of judgment by default without any continuance or alteration of the Record in consequence of the death of parties, but the title of any purchaser, other than the Plaintiff himself, at the Sheriff's Sale upon the execution which shall have previously issued in such cause shall not be affected by the Defendant obtaining a verdict or judgment upon such subsequent proceeding.

XV. *And be it further enacted by the authority aforesaid*, That nothing in this Act contained shall be construed to prevent one or more new trials being granted, either after the first verdict or after the verdict rendered upon the re-hearing, when the same shall appear necessary to the ends of Justice.

XVI. *And be it further enacted by the authority aforesaid*, That in case any re-hearing under this Act after the period shall have elapsed within which a new trial can be moved for, or in case a new trial shall be refused, the verdict shall be taken to be conclusive so far as respects the liability of the obligors in the Bond required to be filed previous to the suing out Execution, and it shall not be necessary for the Defendant succeeding on such re-hearing to enter final judgment for that purpose.

XVII. *And be it further enacted by the authority aforesaid*, That if after the period of one month from the return day of any Execution against the goods and chattels, lands and tenements of any absconding or concealed person or persons, (the same having been satisfied) no other warrant or warrants of attachment shall come into the hands of any such Sheriff against the property or effects of such absconding or concealed person or persons, all the property and effects then remaining in the hands of such Sheriff, together with all books of account, evidences of debt, vouchers and papers relating thereto, shall be delivered to the person or persons in whose custody the same were found, being the factor, agent or servant, of such absconding or concealed person, and the responsibility of such Sheriff as respects such property shall from thenceforth cease.

XVIII. *And be it further enacted by the authority aforesaid*, That this Act shall continue and be in force for the period of two years, and from thence to the end of the then next ensuing Session of Parliament and no longer: *Provided always*, That it shall nevertheless be lawful to proceed in any matter that may be depending under this Act until the same shall be brought to a final termination according to the provisions thereof.

EXECUTIVE COUNCIL OFFICE,
York, 20th *November*, 1830.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office,
York, 1*st December*, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable

to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as hereinbefore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

II. *And be it further enacted by the authority aforesaid,* That immediately upon making the seizure of the Estate and Effects of the absconding or concealed person or persons, it shall be the duty of the Sheriff making such seizure, to cause a notice to be inserted in the Upper Canada Gazette, and also in some one or more of the Newspapers printed in his District, and continued therein weekly for at least three calendar months; which notice shall set forth, that by virtue of the said Writ he has seized all the Estate, real and personal, of such absconding or concealed person or persons; and unless such absconding or concealed person or persons (naming the same,) return within the Jurisdiction of the Court from whence such Warrant issued, and put in bail to the Action or cause, the claim or claims of such Plaintiff or Plaintiffs (naming the same,) to be discharged within three calendar months after such public notice, (to be computed from the first day of publishing the same in the Upper Canada Gazette) all his, her, or their Estate, real or personal, or so much thereof as may be necessary, will be held liable for the payment, benefit, and satisfaction of the claim or claims of such Plaintiff or Plaintiffs.

III. *And be it further enacted by the authority aforesaid,* That the Sheriff to whom any Warrant of attachment shall issue, shall take into his charge and keeping all the Property, Estate, and Effects of such absconding or concealed person or persons, and shall be allowed all necessary disbursements for keeping the same.

V. *And be it further enacted by the authority aforesaid*, That the revenue arising, or which may be received under this Act, shall be subject to the disposition of Parliament, for the purpose of improving the Public Highways and Bridges in this Province, and shall not be applied to any other purpose whatsoever.

VI. *And be it further enacted by the authority aforesaid*, That this Act shall be and continue in force for the term of four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer.

An Act to continue in force for a limited time, an Act passed in the Fourth year of His late Majesty's Reign, entitled "An Act to restrain the selling of Beer, Ale, Cider, and other Liquors not Spirituous, in certain Towns and Villages in this Province, and to regulate the manner of Licencing the same."

[Passed 28th January, 1832]

WHEREAS an Act passed in the Fourth Year of the Reign of our late Sovereign Lord King George the Fourth, entitled "An Act to restrain the selling of Beer, Ale, Cider, and other Liquors not Spirituous, in certain Towns and Villages in this Province, and to regulate the manner of Licencing Ale-Houses within the same," is about to expire: *And whereas* it is expedient to continue the same: *Be it therefore enacted*, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and Assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That the said Act shall be and continue in force for four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer.

An Act to facilitate Summary proceedings before Justices of the Peace, and to afford to such Justices reasonable protection in the discharge of their duty.

[Passed 28th January, 1832.]

WHEREAS great inconvenience often arises in Summary Proceedings before Justices of the Peace from the want of a General Form of Conviction.—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That in all cases wherein a Conviction shall take place, and no particular form for the Record thereof hath been directed, the Justice or Justices duly authorised to proceed Summarily therein, and before whom the offender or offenders shall have been convicted, shall and may cause the Record of such conviction to be drawn up in the manner and form following, or in any words to the same effect, *mutatis mutandis*, that is to say:

II. *And be it further enacted by the authority aforesaid*, That in all cases in which two or more Justices of the Peace are authorised and required to hear and determine any complaint, one Justice shall be competent to receive the original information or complaint, and to issue the Summons or Warrant requiring the party to appear before two or more Justices of the Peace as the case may require, and after examination upon oath into the merits of the said complaint, and the adjudication thereon, by any two or more such Justices being made, as the case may require, all and every the subsequent proceedings to enforce obedience thereto, or otherwise, whether respecting the penalty, fine, imprisonment, costs, or other matter or thing now enacted, or to be hereafter enacted, may be enforced by either of the said Justices, or by any other Justice of the Peace for the same District, having before him or them a Record of such conviction, certified by the Justice or Justices who adjudged the case, in such and the like manner as if done by the same two or more Justices who so heard and adjudged upon the said complaint; and where the original complaint or information shall have been made to any other Justice than him, or them, before whom the same shall be afterwards heard and determined, the form of conviction shall be made conformable to the fact in that respect.

III. *And be it further enacted by the authority aforesaid*, That in all cases in which it shall appear by the conviction, that the Defendant has appeared and pleaded, and the merits have been tried, and that the Defendant has not appealed against the said conviction where an appeal is allowed, or that the conviction, if appealed against, has been affirmed, such conviction shall not afterwards be set aside, or vacated in consequence of any defect of form whatever.

IV. *And whereas*, in cases of Summary convictions, or the proceedings thereon, it may sometimes happen that Justices of the Peace, may by some irregularity or defect in the form of their proceedings render themselves liable to actions of trespass, when there was no disposition on their part to oppress the party, and when the guilt of the Defendant may have been manifest, and it is reasonable to protect Justices, wherever it shall appear that their proceedings have been grounded upon good cause, and where they have acted without malice; *Be it therefore enacted by the authority aforesaid*, That in all actions whatsoever, which shall at any time after the passing of this Act, be brought against any Justice or Justices of the Peace in this Province, for, or on account of any conviction by him or them, had, or made under or by virtue of any Statute in force in this Province, or for, or by reason of any Act, matter or thing whatsoever, done or commanded to be done by such Justice or Justices for the levying of any penalty, apprehending of any party, or otherwise carrying such conviction into effect, in case such conviction shall have been quashed, the Plaintiff or Plaintiffs, in such action or actions, besides the value and amount of such penalty or penalties which may have been levied upon the said Plaintiff or Plaintiffs, in case any levy thereof shall have been made, shall not be entitled to recover any more or greater damages than One Shilling, nor any costs of Suit, unless it shall be expressly alleged in the declaration in the action wherein the recovery shall be had, and which shall be in an action on the case only, that such Acts were done maliciously and without any reasonable or probable cause.

V. *And be it further enacted by the authority aforesaid*, That such Plaintiff shall not be entitled to recover against such Justice, any penalty which shall have been levied, nor any damages or costs whatever, in case such Justice shall prove at the trial that such Plaintiff was guilty of the offence whereof he had been convicted, or on account of which he had been apprehended, or had otherwise suffered, and that he had undergone no greater punishment than was assigned by law to such offence.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore enacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to

those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

An Act to afford means for attaching the Property of Absconding Debtors.

[Passed 28th January, 1832.]

WHEREAS it is necessary, for the protection of persons engaged in trade, to afford the means of attaching the Property of Absconding Debtors, that the same may be taken in Execution and sold for the benefit of their Creditors.—*Be it therefore enacted,* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province;" and by the authority of the same, That if any person or persons, being indebted to an Inhabitant of this Province, shall, before the passing of this Act, have secretly departed from this Province, or if any person or persons so indebted shall, after the passing of this Act, secretly depart from this Province, or keep concealed within the same, it shall and may be lawful for any person or persons, their Servants or Agents, to whom such absconding or concealed person or persons is or are indebted in the sum of Five Pounds or upwards, to make application to the Court of King's Bench in this Province, in Term time, or to any Judge thereof, in vacation, or to any Judge of the District Court in the different Districts of this Province, either within or without the limits of the District for which such Judge is appointed, where the sum claimed is within the Jurisdiction of such District Court, and there make an Affidavit that the said absconding or concealed person or persons is or are indebted to him, her, or them, in the sum of Five Pounds or upwards, expressing the cause of Action, and that he, she, or they, do verily believe that the said absconding or concealed person or persons hath departed this Province, or is concealed within the same, (which Affidavit may also be taken before a Commissioner for taking Affidavits in the King's Bench,) with intent and design to defraud him, her, or them, and other Creditors, (if any there be) of their just dues, or to avoid being arrested or served with process; which departure or concealment shall also be proved to the satisfaction of such Court, or Judges of such Court, by the Oath or Affidavit of at least two credible Witnesses; and upon such proof, the said Court of King's Bench, and District Court respectively, in Term time, or the Judges thereof in vacation, or any one of them, shall forthwith direct a Warrant or Warrants to be issued under the Seal of the said Courts respectively, and signed by the Clerk of the Crown or the Clerk of the said District Court, (as the case may be,) directed to the Sheriff of the District in which such absconding or concealed person or persons has been resident, or to the Sheriff or Sheriffs of any or every other District within the Province, commanding such Sheriff or Sheriffs respectively, to attach, seize, take, and safely keep, all the Estate, as well real as personal, found within his District, of the said absconding or concealed person or persons, of what kind or nature soever, together with all evidences of debt, books of account, vouchers and papers relating thereto, upon receipt of which Warrant the Sheriff to whom the same may be directed shall forthwith execute the same, and with the assistance of two substantial Freeholders, make a just and true inventory of all such Estate and Effects as he shall seize and take by virtue thereof, and shall return the same, signed by himself and the said Freeholders, to such Court from whence the Warrant issued.

II. *And be it further enacted by the authority aforesaid,* That immediately upon making the seizure of the Estate and Effects of the absconding or concealed person or persons, it shall be the duty of the Sheriff making such seizure, to cause a notice to be inserted in the Upper Canada Gazette, and also in some one or more of the Newspapers printed in his District, and continued therein weekly for at least three calendar months; which notice shall set forth, that by virtue of the said Writ he has seized all the Estate, real and personal, of such absconding or concealed person or persons; and unless such absconding or concealed person or persons (naming the same,) return within the Jurisdiction of the Court from whence such Warrant issued, and put in bail to the Action or cause, the claim or claims of such Plaintiff or Plaintiffs (naming the same,) to be discharged within three calendar months after such public notice, (to be computed from the first day of publishing the same in the Upper Canada Gazette) all his, her, or their Estate, real or personal, or so much thereof as may be necessary, will be held liable for the payment, benefit, and satisfaction of the claim or claims of such Plaintiff or Plaintiffs.

III. *And be it further enacted by the authority aforesaid,* That the Sheriff to whom any Warrant of attachment shall issue, shall take into his charge and keeping all the Property, Estate, and Effects of such absconding or concealed person or persons, and shall be allowed all necessary disbursements for keeping the same.

IV. *And be it further enacted by the authority aforesaid,* That if any person or persons, against whose Estate or Effects such Warrant or Warrants of attachment may have been issued, or any person or persons on his, her, or their behalf, shall at any time before the expiration of three calendar months from the first publication of the notice before mentioned, execute and tender to the Creditor or Creditors who sued out such Warrant or Warrants as aforesaid, a Bond, with good and sufficient sureties, binding the Obligors, jointly and severally, with a condition in double the amount of the sum claimed, that the person or persons aforesaid shall not depart the Province without satisfying the said claims in the event of the same being proved and Judgment recovered as in ordinary cases where proceedings have been commenced against the person, or that he, she, or they will render such absconding or concealed person or persons to the custody of the Sheriff of the District to whom such Writ shall have been directed, or that they will pay the amount of the claim of the party suing out such attachment, or the value of the Property or Estate so taken and seized to the said Claimants, it shall and may be lawful for such Court or Judge to order a Supersedeas to such Warrant or Warrants, and all and singular the Property which may have been attached shall be restored; and if it shall appear at any trial to be subsequently had, and shall be so certified by the Judge presiding at such trial, that the person or persons against whose Estate or Effects such Warrant or attachment was issued hath not been absconding or concealed at the time of issuing such Warrant, then such person or persons shall recover his, her, or their costs of the person or persons suing out the said Warrant, which costs may be taxed by the Court from

whence the said attachment may have issued.

V. *And be it further enacted by the authority aforesaid*, That if after the period of three calendar months from the first publication of the notice above mentioned, the absconding or concealed party, or some one on his behalf, do not appear and give bonds, with sureties as before mentioned, for the payment of the claims of the party suing out the attachment as aforesaid, in the event of judgment being given against such absconding or concealed party, then the proceedings in the suit against the Estate, Property, and Effects of such absconding or concealed party, shall be the same as if the suit had been commenced in the usual manner against the person, and Judgment and Execution against the Goods and Lands of the said party, shall follow as hath been the custom of the Court of this Province previous to the passing of this Act.

VI. *And be it further enacted by the authority aforesaid*, That in order to proceed in the recovery of any debt due by the person or persons against whose Property a Writ of attachment shall have been ordered under this Act, process may be served, by leaving a copy thereof at the last place of abode of such person within this Province, with any grown up person there dwelling, and also by affixing a copy of such process in the Crown Office, or in the Office of the Deputy Clerk of the Crown in the District where the absconding or concealed person was last resident, or in the Office of the Clerk of the District Court of such District, where the proceedings shall be in the District Court, eight days before the return thereof; and all subsequent proceedings necessary to be served on the Defendant in ordinary cases, shall be deemed to be served upon such absconding or concealed person, by filing a copy in the Crown Office, or in the Office of the Deputy Clerk of the Crown in which the declaration shall have been filed as aforesaid, or in the Office of the Clerk of the District Court, as the case may be.

VII. *And be it further enacted by the authority aforesaid*, That notwithstanding Judgment by default may be signed in any action in which the process and other proceedings may have been served, in the manner aforesaid, such judgment shall in no case be final. And it shall be incumbent on the Plaintiff nevertheless to prove his cause of action, in the same manner as if the general issue had been pleaded, or the deed denied in case the action shall have been brought on any specialty, and in case the Jury at any such Assessment of Damages, shall not find the Plaintiff's demand or any part thereof proved, the verdict shall be rendered for nominal damages only, and the Plaintiff shall recover no costs of suit.

VIII. *And be it further enacted by the authority aforesaid*, That in case any Sheriff or Sheriffs shall by virtue of any Warrant or Warrants to be issued in pursuance of this Act, seize and take any perishable Goods or Chattels, it shall and may be lawful for such Sheriff to have the same appraised and valued by two substantial Freeholders or Competent Judges, and upon the request of the person or persons suing out such Warrant or Warrants, to expose and sell the same at Public Auction to the highest bidder, giving at least eight days notice of the time and place of such sale, if the articles so seized will admit of such delay; but if otherwise, then the Sheriff shall proceed to sell the same at such time as in his discretion may seem meet:—*Provided also*, that it shall not be compulsory upon such Sheriff to seize or sell such perishable articles, until the person or persons suing out such Warrant or Warrants of attachment, shall have given a bond to the Defendant or Defendants, with good and sufficient Sureties in double the amount of the appraised value of such articles (ascertained as aforesaid,) conditioned that the person or persons directing such seizure and sale will repay the value of such articles so seized and sold to the owner thereof, together with all costs and damages that may have been incurred in consequence of such seizure and sale, in case judgment be not obtained for such person or persons so suing out such Warrant or Warrants of attachment.

IX. *And be it further enacted by the authority aforesaid*, That if any person or persons being indebted to or having the custody or possession of any property, or effects of any such absconding or concealed person or persons, shall after such public notice given as aforesaid, and a copy thereof duly served upon him, her or them, by the said Sheriff, pay any debt or demand, or deliver any such property or effects to any such absconding or concealed person or persons, or his, her, or their Attorney, Agents, Factors or Assigns, the person or persons so paying any such debt or delivering such property or effects, shall be deemed to have paid or done the same fraudently, and is, and are hereby made liable to answer the same, or the amount or value thereof to the person or persons suing out such warrant of attachment, in the event of such person or persons recovering Judgment and Execution against such absconding or concealed person or persons, and if any such person or persons being so indebted or having such custody as aforesaid, shall after such public notice, and being served with a copy thereof as aforesaid, be sued by such absconding or concealed person or persons for any such debt, or property or effects, he, she, or they so sued, may plead the general issue, and give this Act and the special matter in evidence.

X. *And be it further enacted by the authority aforesaid*, That the costs of such Sheriffs, either for seizing, securing or taking charge of property and effects so attached, under and by virtue of any Warrant or Warrants issued in pursuance of the provisions of this Act, shall be paid in the first instance, by the party or parties suing out such Warrant or Warrants as aforesaid, his, her, or their Attorney, or Agent, to the Sheriff to whom such writ may be directed, and may be recovered by such Sheriff by action, in any of His Majesty's Courts of Record in this Province, and in case such person or persons recover judgment against the person or persons so absconding or concealed, the same shall be allowed with costs of suit to be taxed by the proper Officer as the ordinary disbursements of the suit.

XI. *And be it further enacted by the authority aforesaid*, That the Freeholders and Appraisers authorized by this Act, shall be entitled to receive for each day they may be employed in carrying its enactments into effect, the sum of five shillings.

XII. *And be it further enacted by the authority aforesaid*, That if after Judgment and Execution by any Plaintiff or Plaintiffs against any absconding or concealed person or persons, obtained under and by virtue of the provisions of this Act, the Goods and Chattels, Lands and Tenements of such absconding or concealed person or persons, taken and seized by any Sheriff or Sheriffs by virtue of such execution or executions, shall not be sufficient to discharge the same, it shall and may be lawful for the Plaintiff or Plaintiffs to sue for, and recover of, and from any person or persons indebted to the absconding or concealed person or persons as aforesaid, the amount of the debt so owing by them to the absconding or concealed person or persons, or so much thereof as is necessary to satisfy the claim of such Plaintiff or Plaintiffs, and payment made by such person or persons to such Plaintiff or Plaintiffs shall be considered legal and valid to all intents and purposes, and shall operate as a discharge for the debt, or so much thereof (as the case may be) owing to the absconding or concealed person or persons:—*Provided always*, That the declaration in such action shall contain an introductory averment to this or the like effect, that is to say:—A. B. who sues under the provisions of an Act of the Parliament of this Province for attaching the property of absconding Debtors, in order to recover from C. D. Debtor to one E. F. an absconding or concealed person, such sum as C. D. may owe to the said E. F. or so much thereof as will discharge the sum of———, being the amount due by the said E. F. to him the said A. B. complains, &c.

XIII. *And be it further enacted by the authority aforesaid*, That before Execution shall issue upon any judgment obtained under this Act against an absconding or concealed Debtor, a Bond to the Defendant in double the sum to be levied, to be executed by the Plaintiff and two sufficient sureties, to be approved of by some one of the Judges of the Court in which the Action shall have been instituted, shall be filed among the papers of the cause, the condition of which Bond shall be to the effect, that if the Defendant, his Executors or Administrators, shall within the period allowed by Law contest the justice of the Plaintiffs demand, and succeed in reversing the recovery, the Plaintiff, his Executors, or Administrators, shall restore to the Defendant, his Heirs, Executors or Administrators, the amount that shall have been levied upon execution in such cause with interest, and shall make good to the Defendant, his Heirs, Executors or Administrators, any further damage occasioned by the seizure and sale of real and personal estate in order to satisfy the judgment obtained against such absconding or concealed Debtor.

XIV. *And be it further enacted by the authority aforesaid*, That at any time within one year after the rendering of judgment against an absconding or concealed Debtor, such Debtor may, upon his personal appearance in Court in term time, apply through his Counsel, or in case of his death his Executors or Administrators may, within the same period, apply for a re-hearing of the cause, which re-hearing shall be granted upon giving security for costs, and the cause may be again tried upon a Record to be prepared for that purpose, on which the entry of a new Venire may be made after the entry of issue joined, or of judgment by default without any countenance or alteration of the Record in consequence of the death of parties, but the title of any purchaser, other than the Plaintiff himself, at the Sheriff's Sale upon the execution which shall have previously issued in such cause shall not be affected by the Defendant obtaining a verdict or judgment upon such subsequent proceeding.

XV. *And be it further enacted by the authority aforesaid*, That nothing in this Act contained shall be construed to prevent one or more new trials being granted, either after the first verdict or after the verdict rendered upon the re-hearing, when the same shall appear necessary to the ends of Justice.

XVI. *And be it further enacted by the authority aforesaid*, That in case any re-hearing under this Act after the period shall have elapsed within which a new trial can be moved for, or in case a new trial shall be refused, the verdict shall be taken to be conclusive so far as respects the liability of the obligors in the Bon[illegible]ed to be filed previous to the suing out Execution, and it shall not be necessary for the Defendant succeeding on such re-hearing to enter final judgment for that purpose.

XVII. *And be it further enacted by the authority aforesaid*, That if after the period of one month from the return day of any Execution against the goods and chattels, lands and tenements of any absconding or concealed person or persons, (the same having been satisfied) no other warrant or warrants of attachment shall come into the hands of any such Sheriff against the property or effects of such absconding or concealed person or persons, all the property and effects then remaining in the hands of such Sheriff, together with all books of account, evidences of debt, vouchers and papers relating thereto, shall be delivered to the person or persons in whose custody the same were found, being the factor, agent or servant, of such absconding or concealed person, and the responsibility of such Sheriff as respects such property shall from thenceforth cease.

XVIII. *And be it further enacted by the authority aforesaid*, That this Act shall continue and be in force for the period of two years, and from thence to the end of the then next ensuing Session of Parliament and no longer: *Provided always*, That it shall nevertheless be lawful to proceed in any matter that may be depending under this Act until the same shall be brought to a final termination according to the provisions thereof.

An Act to remove doubts respecting the Jurisdiction of Commissioners of Customs in this Province.

[Passed 28th January, 1832.]

WHEREAS by an Act passed in the Fourth year of the Reign of His late Majesty King George the Fourth, entitled "An Act to repeal an Act passed in the Forty-first year of His late Majesty's Reign, entitled 'An Act for granting to His Majesty, His Heirs and Successors, to and for the uses of this Province, the like Duties on Goods and Merchandize brought into this Province from the United States of America, as are now paid on Goods and Merchandize imported from Great Britain and other places'"; and also an Act passed in the Forty-third year of His late Majesty's Reign, entitled "An Act to explain and amend an Act passed in the Forty-first year of His Majesty's Reign, entitled 'An Act granting to His Majesty, His Heirs and Successors, to and for the uses of this Province, the like Duties on Goods and Merchandize brought into this Province from the United States of America, as are now paid on Goods and Merchandize imported from Great Britain and other places,' and to provide more effectually for the collection and payment of Duties on Goods and Merchandize coming from the United States of America into this Province, and also to establish a fund for the erection and repairing of Light-Houses, and to make more effectual provision for the due collection of Duties on Goods imported into this Province," it is enacted, that the Commissioners of Customs to be appointed in each of the Districts of this Province under the authority of that Act, shall have power to hear and determine, in a summary way, all informations exhibited before them for the condemnation of any Goods, Wares, or Merchandize seized as forfeited under the provisions of the said Act, when the value thereof, together with the Vessel, Boat, Raft, or Carriage in or upon which the same shall be found or shall have been imported, shall not exceed forty pounds; and also to hear and determine in like manner all informations which may be exhibited before them for penalties to be recovered under and by virtue of the said Act: *And whereas* doubts may be entertained whether the said Commissioners, under the provisions above recited, can legally exercise Jurisdiction in cases of seizures made and penalties incurred under the Act passed in the Parliament of the United Kingdom of Great Britain and Ireland in the sixth year of His said late Majesty's Reign, entitled "An Act to regulate the Trade of the British Possessions Abroad," notwithstanding the said Act declares, that all such penalties and forfeitures shall and may be prosecuted, sued for and recovered, in any Court of Record having Jurisdiction in the Colony or Plantation where the cause of prosecution arises; and it is expedient that such doubts should be removed.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That the Commissioners of Customs acting in and for the several Districts of this Province respectively, shall be deemed to be, and to have been since the passing of the said Act of the Parliament of this Province, hereinbefore recited, a Court of Record, having Jurisdiction in cases of forfeiture and penalties not exceeding in value or amount the sum of Forty Pounds of lawful money of Upper Canada; and that such Jurisdiction shall be deemed to have extended, and shall hereafter extend, to cases of forfeitures and penalties, not exceeding the amount aforesaid, under the said Act passed in the sixth year of his said late Majesty's Reign, or under any other Act passed, or to be passed, in the Parliament of the United Kingdom of Great Britain and Ireland, or in the Parliament of this Province, and relating to the imposition or collection of Duties on Merchandize, unless in any such Act to be hereafter passed it shall be expressly otherwise provided.

An Act to provide for making Stock held in Companies having a joint transferable Stock, liable to the satisfaction of debts.

[Passed 28th January, 1832.]

WHEREAS it is just and expedient, that the Stock held by individuals, either in Banking Institutions or in other Companies lawfully created within this Province, and having a joint transferable Stock, should be subject to be taken and sold in satisfaction of debts, in the same manner as other personal property.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America', and to make further provision for the Government of the said Province;" and by the authority of the same, That the Stock held by any person in any Bank, or in any Corporation or Company in this Province having a joint transferable Stock, shall be liable to be taken and sold in Execution, in the same manner as other personal property of the Debtor.

II. *And be it further enacted by the authority aforesaid*, That it shall and may be lawful for the Cashier of any such Bank, or for the proper Officer of any other such Corporation or Company, upon the production of a Certificate under the Hand and Seal of Office of the Sheriff acting upon any Execution, declaring to whom any Stock taken upon such Execution shall have been sold by him, to transfer such Stock from the name of the original Stockholder to the name of the person or persons who may be named in such Certificate as the purchaser or purchasers under such Execution; and that such purchaser or purchasers shall from thenceforth be entitled to receive all demands and profits arising from such Stock, and shall in all other respects be considered in the place and stead of the former Stockholder.

An Act to confirm British Subjects in their Titles to Real Estates in this Province, derived through Aliens.

[Passed 28th January, 1832.]

WHEREAS it is expedient, except under certain circumstances hereinafter mentioned, to confirm British Subjects in such Titles to Real Estates in this Province as are liable to be impeached, on the ground of the person from or through whom such Titles have been derived having been Aliens.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An

Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the passing of this Act, no person shall be disturbed in the possession or purchase, from the recovery of any Lands, Tenements, or Hereditaments in this Province, on the ground that any person from or through whom he or she may claim by Title acquired or derived before the passing of this Act, was an Alien.

II. *Provided always, nevertheless, and be it further enacted by the authority aforesaid,* That in all cases where any person claiming as next entitled, on the ground that the person nearer in that line of descent was an Alien, shall, in virtue of such claim, have taken actual possession of any Real Estate before the passing of this Act, and have made improvements thereon; and also in all cases where any person claiming to hold as next entitled, on the ground that the person nearer in the line of descent was an Alien, shall have actually sold or departed with, or shall have actually contracted to sell or depart with his Real Estate before the passing of this Act, (no person being at the time in adverse possession thereof) the provisions of this Act shall not extend to render invalid any right or Title to such Estate so claimed on the ground aforesaid, but such right or Title shall be taken and adjudged to be, as if this Act had not been passed.

VI. *And be it further enacted by the authority aforesaid,* That this Act shall be and continue in force for the term of four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer.

An Act to continue in force for a limited time, an Act passed in the Fourth year of His late Majesty's Reign, entitled "An Act to restrain the selling of Beer, Ale, Cider, and other Liquors not Spirituous, in certain Towns and Villages in this Province, and to regulate the manner of Licencing the same."

An Act to facilitate Summary proceedings before Justices of the Peace, and to afford to such Justices reasonable protection in the discharge of their duty.

[Passed 28th January, 1832.]

WHEREAS great inconvenience often arises in Summary Proceedings before Justices of the Peace from the want of a General Form of Conviction.—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That in all cases wherein a Conviction shall take place, and no particular form for the Record thereof hath been directed, the Justice or Justices duly authorised to proceed Summarily therein, and before whom the offender or offenders shall have been convicted, shall and may cause the Record of such conviction to be drawn up in the manner and form following, or in any words to the same effect, *mutatis mutandis*, that is to say:

——District } Be it remembered, that on

II. *And be it further enacted by the authority aforesaid,* That in all cases in which two or more Justices of the Peace are authorised and required to hear and determine any complaint, one Justice shall be competent to receive the original information or complaint, and to issue the Summons or Warrant requiring the party to appear before two or more Justices of the Peace as the case may require, and after examination upon oath into the merits of the said complaint, and the adjudication thereon, by any two or more such Justices being made, as the case may require, all and every the subsequent proceedings to enforce obedience thereto, or otherwise, whether respecting the penalty, fine, imprisonment, costs, or other matter or thing now enacted, or to be hereafter enacted, may be enforced by either of the said Justices, or by any other Justice of the Peace for the same District, having before him or them a Record of such conviction, certified by the Justice or Justices who adjudged the case, in such and the like manner as if done by the same two or more Justices who so heard and adjudged upon the said complaint; and where the original complaint or information shall have been made to any other Justice than him, or them, before whom the same shall be afterwards heard and determined, the form of conviction shall be made conformable to the fact in that respect.

III. *And be it further enacted by the authority aforesaid,* That in all cases in which it shall appear by the conviction, that the Defendant has appeared and pleaded, and the merits have been tried, and that the Defendant has not appealed against the said conviction where an appeal is allowed, or that the conviction, if appealed against, has been affirmed, such conviction shall not afterwards be set aside, or vacated in consequence of any defect of form whatever.

IV. *And whereas*, in cases of Summary convictions, or the proceedings thereon, it may sometimes happen that Justices of the Peace, may by some irregularity or defect in the form of their proceedings render themselves liable to actions of trespass, when there was no disposition on their part to oppress the party, and when the guilt of the Defendant may have been manifest, and it is reasonable to protect Justices, wherever it shall appear that their proceedings have been grounded upon good cause, and where they have acted without malice; *Be it therefore enacted by the authority aforesaid,* That in all actions whatever, which shall at any time after the passing of this Act, be brought against any Justice or Justices of the Peace in this Province, for, or on account of any conviction by him or them, had, or made under or by virtue of any Statute in force in this Province, or for, or by reason of any Act, matter or thing whatsoever, done or commanded to be done by such Justice or Justices for the levying of any penalty, apprehending of any party, or otherwise carrying such conviction into effect, in case such conviction shall have been quashed, the Plaintiff or Plaintiffs, in such action or actions, besides the value and amount of such penalty or penalties which may have been levied upon the said Plaintiff or Plaintiffs, in case any levy thereof shall have been made, shall not be entitled to recover any more or greater damages than One Shilling, nor any costs of Suit, unless it shall be expressly alleged in the declaration in the action wherein the recovery shall be had, and which shall be in an action on the case only, that such Acts were done maliciously and without any reasonable or probable cause.

V. *And be it further enacted by the authority aforesaid,* That such Plaintiff shall not be entitled to recover against such Justice, any penalty which shall have been levied, nor any damages or costs whatever, in case such Justice shall prove at the trial that such Plaintiff was guilty of the offence whereof he had been convicted, or on account of which he had been apprehended, or had otherwise suffered, and that he had undergone no greater punishment than was assigned by law to such offence.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to

those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL, *C.E.C.*

Com'r. of Crown Lands Office, York, 1st December, 1831.

THE following summary of the Rules established by His MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

VOL. VI. YORK UPPER CANADA, THURSDAY FEBRUARY 23, 1832. NO. 40.

By Authority.

GOVERNMENT HOUSE,
10th February, 1832.

HIS EXCELLENCY the LIEUTENANT GOVERNOR, has been pleased to appoint John Bogart, Esquire, to be a Public Notary within this Province.

An Act to remove doubts respecting the Jurisdiction of Commissioners of Customs in this Province.

[Passed 28th January, 1832.]

WHEREAS by an Act passed in the Fourth year of the Reign of His late Majesty King George the Fourth, entitled "An Act to repeal an Act passed in the Forty-first year of His late Majesty's Reign, entitled 'An Act for granting to His Majesty, His Heirs and Successors, to and for the uses of this Province, the like Duties on Goods and Merchandize brought into this Province from the United States of America, as are now paid on Goods and Merchandize imported from Great Britain and other places'"; and also an Act passed in the Forty-third year of His late Majesty's Reign, entitled "An Act to explain and amend an Act passed in the Forty-first year of His Majesty's Reign, entitled 'An Act granting to His Majesty, His Heirs and Successors, to and for the uses of this Province, the like Duties on Goods and Merchandize brought into this Province from the United States of America, as are now paid on Goods and Merchandize imported from Great Britain and other places,' and to provide more effectually for the collection and payment of Duties on Goods and Merchandize coming from the United States of America into this Province, and also to establish a fund for the erection and repairing of Light-Houses, and to make more effectual provision for the due collection of Duties on Goods imported into this Province," it is enacted, that the Commissioners of Customs to be appointed in each of the Districts of this Province under the authority of that Act, shall have power to hear and determine, in a summary way, all informations exhibited before them for the condemnation of any Goods, Wares, or Merchandize seized as forfeited under the provisions of the said Act, when the value thereof, together with the Vessel, Boat, Raft, or Carriage in or upon which the same shall be found or shall have been imported, shall not exceed forty pounds; and also to hear and determine in like manner all informations which may be exhibited before them for penalties to be recovered under and by virtue of the said Act: *And whereas* doubts may be entertained whether the said Commissioners, under the provisions above recited, can legally exercise Jurisdiction in cases of seizures made and penalties incurred under the Act passed in the Parliament of the United Kingdom of Great Britain and Ireland in the sixth year of His said late Majesty's Reign, entitled "An Act to regulate the Trade of the British Possessions Abroad," notwithstanding the said Act declares, that all such penalties and forfeitures shall and may be prosecuted, sued for and recovered, in any Court of Record having Jurisdiction in the Colony or Plantation where the cause of prosecution arises; and it is expedient that such doubts should be removed.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province;" and by the authority of the same, That the Commissioners of Customs acting in and for the several Districts of this Province respectively, shall be deemed to be, and to have been since the passing of the said Act of the Parliament of this Province, hereinbefore recited, a Court of Record, having Jurisdiction in cases of forfeiture and penalties not exceeding in value or amount the sum of Forty Pounds of lawful money of Upper Canada; and that such Jurisdiction shall be deemed to have extended, and shall hereafter extend, to cases of forfeitures and penalties, not exceeding the amount aforesaid, under the said Act passed in the sixth year of his said late Majesty's Reign, or under any other Act passed, or to be passed, in the Parliament of the United Kingdom of Great Britain and Ireland, or in the Parliament of this Province, and relating to the imposition or collection of Duties on Merchandize, unless in any such Act to be hereafter passed it shall be expressly otherwise provided.

An Act to provide for making Stock held in Companies having a joint transferable Stock, liable to the satisfaction of debts.

[Passed 28th January, 1832.]

WHEREAS it is just and expedient, that the Stock held by individuals, either in Banking Institutions or in other Companies lawfully created within this Province, and having a joint transferable Stok, should be subject to be taken and sold in satisfaction of debts, in the same manner as other personal property.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America', and to make further provision for the Government of the said Province;" and by the authority of the same, That the Stock held by any person in any Bank, or in any Corporation or Company in this Province having a joint transferable Stock, shall be liable to be taken and sold in Execution, in the same manner as other personal property of the Debtor.

II. *And be it further enacted by the authority aforesaid*, That it shall and may be lawful for the Cashier of any such Bank, or for the proper Officer of any other such Corporation or Company, upon the production of a Certificate under the Hand and Seal of Office of the Sheriff acting upon any Execution, declaring to whom any Stock taken upon such Execution shall have been sold by him, to transfer such Stock from the name of the original Stockholder to the name of the person or persons who may be named in such Certificate as the purchaser or purchasers under such Execution; and that such purchaser or purchasers shall from thenceforth be entitled to receive all demands and profits arising from such Stock, and shall in all other respects be considered in the place and stead of the former Stockholder.

An Act to confirm British Subjects in their Titles to Real Estates in this Province, derived through Aliens.

[Passed 28th January, 1832.]

WHEREAS it is expedient, except under certain circumstances here-

another mentioned, to confirm British Subjects in such Titles to Real Estates in this Province as are liable to be impeached, on the ground of the person from or through whom such Titles have been derived having been Aliens.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the passing of this Act, no person shall be disturbed in the possession or purchase, from the recovery of any Lands, Tenements, or Hereditaments in this Province, on the ground that any person from or through whom he or she may claim by Title acquired or derived before the passing of this Act, was an Alien.

II. *Provided always, nevertheless, and be it further enacted by the authority aforesaid*, That in all cases where any person claiming as next entitled, on the ground that the person nearer in that line of descent was an Alien, shall, in virtue of such claim, have taken actual possession of any Real Estate before the passing of this Act, and have made improvements thereon; and also in all cases where any person claiming to hold as next entitled, on the ground that the person nearer in the line of descent was an Alien, shall have actually sold or departed with, or shall have actually contracted to sell or depart with his Real Estate before the passing of this Act, (no person being at the time in adverse possession thereof) the provisions of this Act shall not extend to render invalid any right or Title to such Estate so claimed on the ground aforesaid, but such right or Title shall be taken and adjudged to be, as if this Act had not been passed.

An Act to repeal part of an Act passed in the Fourth year of His late Majesty's Reign, entitled "An Act to divide the County of Carleton, in the Bathurst District."

[Passed 28th January, 1832.]

WHEREAS by an Act passed in the Fourth year of His late Majesty's Reign, entitled "An Act to divide the County of Carleton, in the Bathurst District," it was among other things provided, that nothing in the said Act contained should extend, or be construed to extend, to give to the Counties of Lanark and Carleton a greater increase of Representation in the House of Assembly of this Province than by Law these Counties would have been entitled to if the said District had not been divided into two Counties: *And whereas* the Population of these Counties renders it necessary that they should be represented in the House of Assembly by more than one Member each.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That so much of the said recited Act as limits the Representation of the Counties of Lanark and Carleton, be, and the same is hereby repealed.

II. *And be it further enacted by the authority aforesaid*, That after the passing of this Act, it shall and may be lawful for the Governor, Lieutenant Governor, or Person Administering the Government of this Province, to issue Writs for the Return of One Member for each of the said Counties, in addition to the Members now serving, in the same manner as the Governor, Lieutenant Governor, or Person Administering the Government, issues Writs for the Return of Members in cases of a General Election of Representatives to the Provincial Parliament.

An Act to impose an additional Duty on Licences to vend Wines, Brandy, and Spirituous Liquors.

[Passed 28th January, 1832.]

WHEREAS an Act passed in the Fifty-fourth year of the Reign of His late Majesty King George the Third, entitled "An Act to grant to His Majesty an additional Duty on Shop and Tavern Licences," hath expired, and it is expedient, for the purpose of raising a revenue for the improvement of the Roads and Bridges in this Province, to continue an additional Duty on Licences to Shop-Keepers for retailing Wine, Brandy, and other Spirituous Liquors: *And whereas* it is also expedient to require persons selling Wines or Spirituous Liquors on board of Steam-Boats to pay an additional Duty for a Licence to vend the same.—*Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That in addition to the sum of One Pound and Sixteen Shillings, Sterling, and the additional sum of Twenty Shillings, Currency, directed and required to be paid by Law, before the passing of this Act, upon every Licence hereafter to be granted by the Governor, Lieutenant Governor, or Person Administering the Government of this Province, to Shop-Keepers, for retailing Wine, Brandy, and other Spirituous Liquors within this Province, which shall still be, and continued to be levied, collected and paid, by the several Acts now in force for that purpose, there shall, from and after the passing of this Act, be raised, collected and paid, under the same restrictions and penalties as are in the said Acts contained, the further sum of Two Pounds, Currency.

II. *And be it further enacted by the authority aforesaid*, That each and every person who shall sell or vend Wine, Brandy, or other Spirituous Liquors, on board of any Steam Boat or Vessel in this Province, shall be entitled to receive a Licence for that purpose, without entering into Bonds or Recognizance to keep an Inn, according to the Laws of this Province, upon payment of the sum of Two Pounds, in addition to the sum of One Pound Sixteen Shillings, Sterling, and the additional sum of Twenty Shillings, Currency, now directed and required to be paid by Law.

III. *And be it further enacted by the authority aforesaid*, That any person or persons who shall, after the passing of this Act, vend or sell any Wines, or Spirituous Liquors, on board of any Steam Boat, without having previously obtained such Licence, such person or persons shall be subject to all the penalties now imposed by the Laws of this Province upon persons selling Wines or Spirituous Liquors without Licence.

IV. *And be it further enacted by the authority aforesaid*, That the money paid under the authority of this Act, shall be accounted for to His Majesty through the Lords Commissioners of His Majesty's Treasury, in such manner and form as His Majesty shall be graciously pleased to direct.

V. *And be it further enacted by the authority aforesaid*, That the revenue arising, or which may be received under this Act, shall be subject to the disposition of Parliament, for the purpose of improving the Public Highways and Bridges in this Province, and shall not be applied to any other purpose whatsoever.

VI. *And be it further enacted by the authority aforesaid*, That this Act shall be and continue in force for the term of four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer.

An Act to continue in force for a limited time, an Act passed in the Fourth year of His late Majesty's Reign, entitled "An Act to restrain the selling of Beer, Ale, Cider, and other Liquors not Spirituous, in certain Towns and Villages in this Province, and to regulate the manner of Licencing the same."

[Passed 28th January, 1832]

WHEREAS an Act passed in the Fourth Year of the Reign of our late Sovereign Lord King George the Fourth, entitled "An Act to restrain the selling of Beer, Ale, Cider, and other Liquors not Spirituous, in certain Towns and Villages in this Province, and to regulate the manner of Licencing Ale-Houses within the same," is about to expire: *And whereas* it is expedient to continue the same: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and Assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That the said Act shall be and continue in force

for four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer.

An Act to facilitate Summary proceedings before Justices of the Peace, and to afford to such Justices reasonable protection in the discharge of their duty.

[Passed 28th January, 1832.]

WHEREAS great inconvenience often arises in Summary Proceedings before Justices of the Peace from the want of a General Form of Conviction.—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That in all cases wherein a Conviction shall take place, and no particular form for the Record thereof hath been directed, the Justice or Justices duly authorised to proceed Summarily therein, and before whom the offender or offenders shall have been convicted, shall and may cause the Record of such conviction to be drawn up in the manner and form following, or in any words to the same effect, *mutatis mutandis*, that is to say:

——District } Be it remembered, that on

one (or more, as the case may be,) of His
Majesty's Justices of the Peace for the
said District of——, and informed me, (or
us, as the case may be) that E. F. of——

(or us, as the case may be) on the——day
of——in the year of our Lord——at——
in the said District of——, and having
heard the charge contained in the said information, declared that he was not guilty of
the said offence, (or as the case may happen

against the said charge, whereupon I, or

II. *And be it further enacted by the authority aforesaid*, That in all cases in which
two or more Justices of the Peace are authorised and required to hear and determine
any complaint, one Justice shall be competent to receive the original information or
complaint, and to issue the Summons or
Warrant requiring the party to appear before two or more Justices of the Peace as
the case may require, and after examination
upon oath into the merits of the said complaint, and the adjudication thereon, by
any two or more such Justices being made,
as the case may require, all and every the
subsequent proceedings to enforce obedience
thereto, or otherwise, whether respecting
the penalty, fine, imprisonment, costs, or
other matter or thing now enacted, or to be
hereafter enacted, may be enforced by
either of the said Justices, or by any other
Justice of the Peace for the same District,
having before him or them a Record of
such conviction, certified by the Justice or
Justices who adjudged the case, in such
and the like manner as if done by the same
two or more Justices who so heard and
adjudged upon the said complaint; and
where the original complaint or information shall have been made to any other
Justice than him, or them, before whom
the same shall be afterwards heard and
determined, the form of conviction shall
be made conformable to the fact in that
respect.

III. *And be it further enacted by the authority aforesaid*, That in all cases in
which it shall appear by the conviction,
that the Defendant has appeared and
pleaded, and the merits have been tried,
and that the Defendant has not appealed
against the said conviction where an appeal is allowed, or that the conviction, if
appealed against, has been affirmed, such
conviction shall not afterwards be set aside,
or vacated in consequence of any defect of
form whatever.

IV. *And whereas*, in cases of Summary
convictions, or the proceedings thereon, it
may sometimes happen that Justices of the
Peace, may by some irregularity or defect
in the form of their proceedings render
themselves liable to actions of trespass,
when there was no disposition on their
part to oppress the party, and when the
guilt of the Defendant may have been manifest, and it is reasonable to protect Justices, wherever it shall appear that their
proceedings have been grounded upon good
cause, and where they have acted without
malice; *Be it therefore enacted by the authority aforesaid*, That in all actions whatever, which shall at any time after the
passing of this Act, be brought against any
Justice or Justices of the Peace in the
Province, for, or on account of any conviction by him or them, had, or made under or by virtue of any Statute in force in
this Province, or for, or by reason of any
Act, matter or thing whatsoever, done or
commanded to be done by such Justice or
Justices for the levying of any penalty, apprehending of any party, or otherwise carrying such conviction into effect, in case
such conviction shall have been quashed,
the Plaintiff or Plaintiffs, in such action or
actions, besides the value and amount of
such penalty or penalties which may have
been levied upon the said Plaintiff or
Plaintiffs, in case any levy thereof shall
have been made, shall not be entitled to
recover any more or greater damages than
One Shilling, nor any costs of Suit, unless
it shall be expressly alleged in the declaration in the action wherein the recovery
shall be had, and which shall be in an action on the case only, that such Acts were
done maliciously and without any reasonable or probable cause.

V. *And be it further enacted by the authority aforesaid*, That such Plaintiff shall
not be entitled to recover against such Justice, any penalty which shall have been
levied, nor any damages or costs whatever,
in case such Justice shall prove at the trial
that such Plaintiff was guilty of the offence
whereof he had been convicted, or on account of which he had been apprehended,
or had otherwise suffered, and that he had
undergone no greater punishment than was
assigned by law to such offence.

EXECUTIVE COUNCIL OFFICE,
York, 20th November, 1830.

NOTICE is hereby given, by order of HIS EXCELLENCY THE LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low, that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three

years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL,
C.E.C.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Executive Council Office,
York, 14th February, 1832.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless James Green, or his Heirs, do make good any claim they may have to Lots numbers Six and Seven, in the Fifth Concession of the Township of Edwardsburgh, in the District of Johnstown, within six months from this date, the same will be otherwise disposed of.

JOHN BEIKIE,

HIS Majesty's Government having authorised a certain proportion of the annual consumption of Hemp, throughout the King's Dock Yards in England, to be purchased in Canada, it is hereby notified, that, Hemp, bona fide, the growth of Canada, properly dressed, and of equal quality to St. Petersburgh, or to Riga Hemp, will be purchased by the Respective Officers of His Majesty's Dock Yard, at Kingston, if approved of by them, and delivered at the Dock Yard.

The value of Canadian Hemp "per Ton, will be always regulated by the price paid for St. Petersburgh or Riga Hemp," in the King's Dock Yards at home.

On an average, the quantity of Canadian Hemp, which can be purchased at Kingston, by the Respective Officers, will be from Six hundred to Seven hundred Tons Annually. The price which can this year be paid for clean Canadian Hemp, as above described, will be according to its quality, Forty or Forty-three pounds Halifax Currency per Ton.

Colonel Covert has erected Mills near Cobourg, for the purpose of preparing Hemp for Exportation, and will give any information to Farmers respecting the best method of dressing it, and the profit likely to be obtained from cultivating Hemp in Upper Canada.

A DESPATCH,

Of which the following is a copy, has been received by the Lieutenant Governor, from His Majesty's Secretary of State for the Colonies:—

(CIRCULAR.)

Downing Street,
2nd May, 1831.

SIR,—

MUCH inconvenience has, in several instances, arisen from the transmission of representations to this Department by subordinate Officers or private individuals in the Colonies, without the intervention of the respective Governors.

In such cases it often becomes necessary to return the Communications to the Colony, for the report or explanations of the Governor; and the decisions on the cases and the answers to the parties, are thus retarded, and prejudice occasioned to the objects which they had in view, as well as to the Public Service.

It is especially necessary that the regular channel for transmitting letters should be adhered to, or copies of them previously communicated to the Governor, when the object of the writers is to appeal to His Majesty or to the Secretary of State, against any proceeding of the Colonial Authorities, since it would of course be impossible to form any opinion upon such a subject, unless those authorities should have had ample opportunity of explaining the views by which they had been actuated.

I have, therefore, to request that you will take such measures as may appear to you to be most effectual for making it generally known in the Colony under your Government, that unless in cases where some especial and sufficient reason can be assigned for a contrary course, the Secretary of State will be under the necessity of declining to entertain the subject of any representation which shall not have been previously submitted to the Governor.

In order, however, that the notice for this regulation may not be misunderstood, you will, at the same time, explain that it is not intended to prevent any of His Majesty's Subjects from sending Memorials or Letters to His Majesty, or to the Secretary of State through any medium, other than that of the Governor, provided copies are previously communicated to him, it being fully understood, that if this is neglected, no steps will be taken upon them without that delay, which, unless in very peculiar cases, must ensue in the answer to be returned, owing to the necessity of referring the matter to the Governor, for his report upon it.

I have the Honor to be,
&c. &c. &c.
GODERICH.

Major General
Sir John Colborne,
&c. &c. &c.

York 20th ... 1832.

NOTICE is hereby given by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the clsain in front of the Lot, as above mentioned.

27 JOHN SMALL,
C.E.C.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

Indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

EXECUTIVE COUNCIL OFFICE,
York 20th November, 1830.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR in COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning totally removing all the Timber, and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL,
C.E.C.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

NOW KNOW YE, that we taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Tuesday, the Fifteenth day of May, next ensuing, you meet us in our Provincial Parliament at our Town of York, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

Executive Council Office,
York 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

27 JOHN SMALL,
C.E.C.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid

in three equal instalments, interest to commence after three [illegible] from the purchase.

Free Grants are [illegible] to any but U. E. Loyalists, or [illegible] sons as have served His Majesty in [illegible] or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

EXECUTIVE COUNCIL OFFICE,
York 20th November, 1830.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

PROCLAMATION.
UPPER CANADA.

J. COLBORNE,
Lieutenant Governor.

WILLIAM the FOURTH, by the Grace of GOD of the United Kingdom of Great Britain and Ireland, King defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament at our Town of York, on the Seventh day of March, instant, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS on the twenty-eighth day of January last, we thought fit to prorogue our Provincial Parliament to the Seventh day of March, instant, at which time at our Town of York you were held and constrained to appear.

NOW KNOW YE, that we taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Tuesday, the Fifteenth day of May, next ensuing, you meet us in our Provincial Parliament at our Town of York, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

In testimony whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed—Witness our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein at York, this seventh day of March, in the year of our Lord One Thousand Eight Hundred and Thirty-two, and in the second year of our Reign.

Medical Board,
York, 6th April, 1832.

THE Medical Board are deeply impressed with the conviction that the success of the Medical Candidate must essentially depend upon the proper direction of his early studies, and the systematic pursuit of the various branches of science belonging to his profession.

Under this conviction, they wish earnestly to impress on the minds of Parents and others, how very important it is to the interests of the public, and to the future credit and respectability of the practitioner, that all who desire to become candidates for the profession should avail themselves of the increasing advantages afforded by the Province for a liberal education.

The public it is hoped, will fairly appreciate their anxiety to improve the education and qualifications of those who are hereafter to have the care of the health of the community committed into their hands; while the student who is actuated by honorable and conscientious motives must feel, that the due observance of the regulations and advice urged upon him is necessary to enable him to enter upon the duties of his profession, with credit to himself and justice to the public.

They are inclined to hope that medical practitioners in every part of the Province will be disposed to second their endeavors, by encouraging the young men who are placed under their care, or who may apply to them for advice, in the study of the languages, and of general science. The high character which the profession has acquired in the world, and the arduous duties imposed upon its members, justify the expectations of the Board and of the public, that the future qualifications of candidates will be commensurate to the means of education within their reach.

The Board, therefore, must hereafter require that each candidate, at the commencement of his examination, shall translate into English some portion of a Latin Author, that they may be satisfied he has acquired a competent knowledge of a language in which the formula of Medical Authors, and the extemporaneous prescriptions of practitioners are written, and from which are derived so many of the terms used in all the sciences with which he must be conversant.

That for the attainment of a Licence to practice medicine, the candidate will be required to understand Anatomy; Physiology; the practice of Physic; Chemistry; Materia Medica and Pharmacy; Medical Botany and Medical Jurisprudence.

The candidate for Surgery will be required to understand Relative and Surgical Anatomy; Physiology; the principles and practice of Surgery; Materia Medica and Pharmacy, and Medical Jurisprudence.

The candidate for Midwifery will be required to understand the Anatomy of the Pelvis, its contents and their appendages, and Physiology as far as it is connected with the same; a knowledge of the nature and treatment of diseases of parturient women, and of children; and the necessary acquaintance with Materia Medica and Pharmacy.

The York Hospital is now in successful operation, and affords to students daily opportunities of observing diseases and their treatment: and they feel it a duty to point out to students that it is at such Institutions they can best acquire, at the bed side of the patient, under experienced practitioners, the practical information most especially befitting them to render professional services to their fellow creatures.

By order of the Board.
C. WIDMER,
President.

EXECUTIVE COUNCIL OFFICE,
York 20th November, 1830.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned. To all our loving and faithful Subjects in Our Province of Upper Canada—

MEDICAL BOARD,
York, 6th April, 1832.

THE MEDICAL BOARD are deeply impressed with the conviction that the success of the Medical Candidate must essentially depend upon the proper direction of his early studies, and the systematic pursuit of the various branches of science belonging to his profession.

Under this conviction, they wish earnestly to impress on the minds of Parents and others, how very important it is to the interests of the public, and to the future credit and respectability of the practitioner, that all who desire to become candidates for the profession should avail themselves of the increasing advantages afforded by the Province for liberal education.

The public it is hoped, will fairly appreciate their anxiety to improve the education and qualifications of those who are hereafter to have the care of the health of the community committed into their hands; while the student who is actuated by honorable and conscientious motives must feel, that the due observance of the regulations and advice urged upon him is necessary to enable him to enter upon the duties of his profession, with credit to himself and justice to the public.

They are inclined to hope that medical practitioners in every part of the Province will be disposed to second their endeavors, by encouraging the young men who are placed under their care, or who may apply to them for advice, in the study of the languages, and of general science. The high character which the profession has acquired in the world, and the arduous duties imposed upon its members, justify the expectations of the Board and of the public, that the future qualifications of candidates will be commensurate to the means of education within their reach.

The Board, therefore, must hereafter require that each candidate, at the commencement of his examination, shall translate into English some portion of a Latin Author, that they may be satisfied he has acquired a competent knowledge of a language in which the formula of Medical Authors, and the extemporaneous prescriptions of practitioners are written, and from which are derived so many of the terms used in all the sciences with which he must be conversant.

That for the attainment of a Licence to practice medicine, the candidate will be required to understand Anatomy; Physiology; the practice of Physic; Chemistry; Materia Medica and Pharmacy; Medical Botany and Medical Jurisprudence.

The candidate for Surgery will be required to understand Relative and Surgical Anatomy; Physiology; the principles and practice of Surgery; Materia Medica and Pharmacy, and Medical Jurisprudence.

The candidate for Midwifery will be required to understand the Anatomy of the Pelvis, its contents and their appendages, and Physiology as far as it is connected with the same; a knowledge of the nature and treatment of diseases of parturient women, and of children; and the necessary acquaintance with Materia Medica and Pharmacy.

The York Hospital is now in successful operation, and affords to students daily opportunities of observing diseases and their treatment; and they feel it a duty to point out to students that it is at such Institutions they can best acquire, at the bed side of the patient, under experienced practitioners, the practical information most especially befitting them to render professional services to their fellow creatures.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Executive Council Office,
York 20*th November*, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

MEDICAL BOARD,
York, 6th April, 1832.

THE MEDICAL BOARD are deeply impressed with the conviction that the success of the Medical Candidate must essentially depend upon the proper direction of his early studies, and the systematic pursuit of the various branches of science belonging to his profession.

Under this conviction, they wish earnestly to impress on the minds of Parents and others, how very important it is to the interests of the public, and to the future credit and respectability of the practitioner, that all who desire to become candidates for the profession should avail themselves of the increasing advantages afforded by the Province for a liberal education.

The public it is hoped, will fairly appreciate their anxiety to improve the education and qualifications of those who are hereafter to have the care of the health of the community committed into their hands; while the student who is actuated by honorable and conscientious motives must feel, that the due observance of the regulations and advice urged upon him is necessary to enable him to enter upon the duties of his profession, with credit to himself and justice to the public.

They are inclined to hope that medical practitioners in every part of the Province will be disposed to second their endeavours, by encouraging the young men who are placed under their care, or who may apply to them for advice, in the study of the languages, and of general science. The high character which the profession has attained in the world, and the arduous duties imposed upon its members, justify the expectations of the Board and of the public, that the future qualifications of candidates will be commensurate to the means of education within their reach.

The Board, therefore, must hereafter require that each candidate, at the commencement of his examination, shall translate into English some portion of a Latin Author, that they may be satisfied he has acquired a competent knowledge of a language in which the formula of Medical Authors, and the extemporaneous prescriptions of practitioners are written, and from which are derived so many of the terms used in all the sciences with which he must be conversant.

That for the attainment of a Licence to practice medicine, the candidate will be required to understand Anatomy; Physiology; the practice of Physic; Chemistry; Materia Medica and Pharmacy; Medical Botany and Medical Jurisprudence.

The candidate for Surgery will be required to understand Relative and Surgical Anatomy; Physiology; the principles and practice of Surgery; Materia Medica and Pharmacy, and Medical Jurisprudence.

The candidate for Midwifery will be required to understand the Anatomy of the Pelvis, its contents and their appendages, and Physiology as far as it is connected with the same; a knowledge of the nature and treatment of diseases of parturient women, and of children; and the necessity acquaintance with Materia Medica and Pharmacy.

The York Hospital is now in successful operation, and affords to students daily opportunities of observing diseases and their treatment; and they feel it a duty to point out to students that it is at such Institutions they can best acquire, at the bed side of the patient, under experienced practitioners, the practical information most especially befitting them to render professional services to their fellow creatures.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Executive Council Office,
York 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

JOHN SMALL,
27 *C.E.C.*

Government Office,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed an Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of labourers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

PETER ROBINSON.
29

Executive Council Office,
York 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

York 24th April, 1832. 49

THE Co-partnership heretofore existing under the Firm of *Haggart & Buchanan,* was this day dissolved, by mutual consent.—All debts due or owing to the said Firm to be paid to *John Haggart,* who is alone authorised to receive the same and grant acquittances, and by whom all debts due by the concern are to be liquidated.—All persons having claims are requested to present them without delay.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Executive Council Office,
York 20th November, 1830.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council; that in lieu of the Settlement Duties heretofore exacted, the following Settlement Duties shall be required in respect of all Locations made after this date, viz:—

The Locatee shall clear thoroughly the half of the Road in width, opposite to the front of his Lot, by burning or totally removing all the Timber, Wood and underwood of every kind therefrom. He shall cut down the stumps for the space of ten feet from the centre of the Road, so low that a Waggon Wheel may easily pass over any thing that stands within that space, and he shall sow with Grass-seed the Road so cleared.

Upon proof that this has been done, and that some person has been constantly resident upon the Lot for the space of two years, a Patent may issue without other condition of Settlement Duty.—But in cases where the Lot has not been so occupied, a Patent shall not issue until the Locatee, in addition to the Road Duties, above prescribed, shall have wholly cleared the Timber from the front of his Lot for the space of one chain.

If proof of Settlement Duties, as above required, with, or without residence, be not produced to the Surveyor General within two years and a half, the Lot shall be again open to Location.

It is further ordered, that the above Regulation shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this Regulation, or to the Regulations which were in force before the making of this Order.

Lastly, it is ordered, that where a Grantee has a Grant of more than one Lot in a Township, and resides upon one of them, the Settlement Duties in respect to those Lots, on which he does not reside, shall consist of the Road Duty, and the clearing the chain in front of the Lot, as above mentioned.

JOHN SMALL,

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Heard, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.
