The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

2 PETER ROBINSON.
Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

2 PETER ROBINSON.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

2 PETER ROBINSON.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York Emigrant Committee.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has appointed as Committee, consisting of a Chairman and nine Members, in this Town, for the purpose of assisting Emigrants who may arrive this season with information as to the places where they may settle or obtain employment, as well also as for taking a certain measure of Superintendance over the sick and destitute of the Emigrants in co-operation with the Society for the relief of the sick and destitute of York.

The Committee appointed by His Excellency have an Office in the dwelling-house of Mr. Prentice, in Palace Street, where Mr. C. Hearn, the Superintendant appointed by them is in attendance from nine A. M. till twelve, and from two till six o'clock P. M, at which Office printed papers shewing the terms on which Land may be had by capitalists, or indigent Settlers, and also information as to the different sections of the Country where labourers can find employment, and current rate of wages for the same, will be kept for distribution.

The Superintendant has obtained a list of all the public boarding houses in York, with the rates of payment for board and lodging, which list will be preserved in the Office for the information of Emigrants who may intend to remain in York for a short time. But as few of that class of Emigrants for whose benefit the Committee are acting can be expected to board themselves at their houses, it has appeared to the Committee that Tavern-keepers who have large yards might at a small expense, and with a fair prospect of remuneration to themselves, prepare sheds for the shelter and accommodation of Emigrants, and their families and luggage. And the Committee would invite the consideration of Tavern-keepers and others to this subject, and they do it the rather from having observed the great amount of suffering which was experienced last year by many hundreds of Emigrants who were exposed day and night without any shelter, and who it is believed would gladly have paid a little for the kind of accommodation which the Committee are here recommending Tavern-keepers to prepare.

If any should act on this suggestion, and prepare sheds for Emigrants, the Committee will be happy to be informed of it, for directing Emigrants to such quarters.

The Committee will also be happy to hear from Gentlemen in any part of the Province contiguous to York, of any want that may exist of laborers, servants or mechanics, for the information of Emigrants, letters on this subject addressed to the "Emigrant Committee York," will be attended to.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

2 PETER ROBINSON.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

CLERGY RESERVES.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served in His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will farward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

Executive Council Office,
York, 15th September, 1832.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless Nathaniel Sternes, or his Heirs, do make good any claim they may have to Lot number Five, in the First Concession and Broken Front, in the Township of Hawkesbury West, in the District of Ottawa, containing about two hundred and fifty acres, within six months from this date, the same will be otherwise disposed of.

JOHN BEIKIE,
18 *Acting C. E. C.*

Executive Council Office,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
2 *Acting C. E. C.*

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each; and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless Nathaniel Sternes, or his Heirs, do make good any claim they may have to Lot number Five, in the First Concession and Broken Front, in the Township of Hawkesbury West, in the District of Ottawa, containing about two hundred and fifty acres, within six months from this date, the same will be otherwise disposed of.

JOHN BEIKIE,

Executive Council Office,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
2 *Acting C. E. C.*

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

For the information of Emigrants proceeding up the Ottawa or Grand River.

CROWN LANDS in the recently Surveyed Townships of *Ross, Pembroke*, and *Westmeath*, in the *Bathurst District*, may be obtained by indigent Settlers, on condition of actual residence, on the following terms, viz :—

Fifty Acres will be allotted to each head of a family, upon condition of paying at the rate of five shillings currency per acre; the first payment of three pounds, two shillings and sixpence, to be made at the expiration of three years from the date of the Location, and the remainder in three years, by Annual Instalments of three pounds, two shillings and sixpence each, with Interest, to commence from the expiration of three years.

The Government will incur the expense of building a small Log House for the temporary accommodation of such Settlers, on their respective Locations, but will make no advances in Provisions or Utensils; and the Settlers must depend entirely upon their own resources for bringing their lands into cultivation.

The Government Agent, Mr. John McNaughton, Deputy Surveyor, will be stationed at Bytown, and will show to Settlers as they arrive the Lots open for Location, and afford them any information they may require.

Settlers with means will have opportunities of purchasing at the Public Sales, due notice of which will be given in the Newspapers published within the Province, and in Hand-bills transmitted to the different Emigrant Societies.

For further particulars apply to the Commissioner of Crown Lands.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means, who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

VOL. VII. YORK UPPER CANADA, THURSDAY NOVEMBER 1, 1832. NO. 24.

By Authority.

York, Wednesday, 31st October, 1832.

This day at three o'clock, His Excellency the Lieutenant Governor proceeded in the usual State, from the Government House to the Chamber of the Honorable the Legislative Council, where being arrived and seated on the Throne, the Gentleman Usher of the Black Rod was sent with a Message from His Excellency to the House of Assembly, commanding their attendance. The Members present being come up accordingly, His Excellency was pleased to open the Session of the Legislature with the following

SPEECH:

Honorable Gentlemen of the Legislative Council: and Gentlemen of the House of Assembly:

The continued Emigration, unprecedented as regards the industry and capital transferred to this Country from the Parent State, is, by its beneficial influence, forcing the Province rapidly forward, and opening to you the fairest prospects. Your deliberations, therefore, cannot but render this Session of peculiar importance to the general interests of the Colony.

You will learn with satisfaction, that the population has increased not less than a fourth since the reports forwarded for your information last Session; that the Emigrants, with few exceptions, are fully occupied in the Districts in which they are established; and that the extensive Agricultural improvements and actual cultivation, promise support and employment for our Countrymen, whom the current of events may induce to fix their abode in this part of the Empire.

In directing your attention to these favourable results, you will find that, under existing circumstances, no subject is more closely connected with the immediate prosperity of the Colony, or requires an earlier consideration than the anticipated progressive increase in the number of Emigrants that will, from this Season, annually flow into the Canadas.

The Rideau Canal has been completed, by the exertions and perseverance of the Officer who had charge of that great National Work. The chief advantages of the Navigation cannot be attained while the unfinished Works on the River Ottawa obstruct the passage into the Saint Lawrence: but with reference to the degree of improvement which the Colony has reached, and the interests of the Parent State, it must be obvious to you who are acquainted with the Districts intersected by the Rideau and adjoining Lakes, and with the avenues to internal Commerce, recently opened, that the expenditure incurred in thus accelerating the developement of your resources, will produce in every respect a profitable return.

The Arbitrators appointed to adjust the claims, on the part of Upper Canada, to a proportion of the Duties levied at Quebec, not having agreed on any satisfactory arrangement, a third Arbitrator will be nominated by the King, in conformity to the British Act passed in the third year of His late Majesty's Reign.

I am happy to be enabled to inform you, that the Disease, which, by the dispensation of Divine Providence, has so widely prevailed, has nearly disappeared in every District of this Province. At the time when the disease first extended its ravages to the Eastern Districts, the Executive Government adopted such active measures as the exigency demanded: and I feel confident that you will approve of the responsibility assumed, and the arrangements made at that distressing period, for the preservation of the public health.

Gentlemen of the House of Assembly:

The Annual Accounts and Estimates shall be laid before you; and I trust you will make the necessary provision for the service of the ensuing year, and for the Salaries and Claims of the several Departments not sanctioned last Session.

I have ordered detailed accounts to be transmitted to you, of the sums placed, by my direction, at the disposal of the Magistrates, on the urgent occasion to which I have alluded: you will, I have no doubt, provide for the re-payment of the amount advanced.

Honorable Gentlemen, and Gentlemen:

His Majesty having acceded to a request of the House of Assembly, in respect to the appropriation of the sums arising from the sale of Land, formerly set apart for the support of Grammar Schools, and not alienated by the authority of His Majesty's Government; the Accounts of the Board under whose control the School Reserves have been hitherto placed, will be delivered over to the King's Receiver General, at the close of the year. In this instance

of consideration of the King, in complying with the prayer of the Address of the House of Assembly, you will perceive the solicitude of His Majesty to promote the wishes of the Province.

It will be for you to decide upon the practical mode of applying to the intended object, the School Funds; and whether it may not be more desirable to appoint a Commission to carry into effect the measures of the Legislature, in regard to the distribution of the proceeds of these Lands, than to dispose of them by annual vote. Whatever course you may deem it expedient to pursue, it will be gratifying to me to concur in such enactment as may appear best calculated to secure the interests of the People.

PROCLAMATION.

UPPER CANADA.

WILLIAM the FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—

It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

For the information of Emigrants proceeding up the Ottawa or Grand River.

CROWN LANDS in the recently Surveyed Townships of *Ross, Pembroke*, and *Westmeath*, in the *Bathurst District*, may be obtained by indigent Settlers, on condition of actual residence, on the following terms, viz:—

Fifty Acres will be allotted to each head of a family, upon condition of paying at the rate of five shillings currency per acre; the first payment of three pounds, two shillings and sixpence, to be made at the expiration of three years from the date of the Location, and the remainder in three years, by Annual Instalments of three pounds, two shillings and sixpence each, with Interest, to commence from the expiration of three years.

The Government will incur the expense of building a small Log House for the temporary accommodation of such Settlers, on their respective Locations, but will make no advances in Provisions or Utensils; and the Settlers must depend entirely upon their own resources for bringing their lands into cultivation.

The Government Agent, Mr. John McNaughton, Deputy Surveyor, will be stationed at Bytown, and will show to Settlers as they arrive the Lots open for Location, and afford them any information they may require.

Settlers with means will have opportunities of purchasing at the Public Sales, due notice of which will be given in the Newspapers published within the Province, and in Hand-bills transmitted to the different Emigrant Societies.

For further particulars apply to the Commissioner of Crown Lands.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

PETER ROBINSON.

For the information of Settlers arriving at York, Upper Canada.

CAPTAIN FITZGIBBON has been appointed by His Excellency the Lieutenant Governor to provide conveyances for Settlers, who wish to be employed, from York to the Townships on Lake Simcoe, where they will be received by Mr. Hewson, who is opening a Road from Kempenfeldt Bay to the Township of Sunnidale.

Emigrants of this season, with means who are desirous of locating themselves in the Western part of the Province, can proceed by water to the head of Lake Ontario, and from thence can readily find conveyance to the Township of Carradoc, where they will be received by Mr. Mount, Deputy Surveyor, who will place each head of a family on 50 or 100 Acres of Land lately Surveyed, from the North-West corner of Carradoc to Lake Huron, at the average price for which Land sells in that part; the first payment to be made at the expiration of three years from the date of the Location, and the remainder in three years, by annual instalments, with Interest, to commence from the expiration of three years.

The Lands are of the first quality, well watered, and in healthy situations.

A Road will be opened from Carradoc, on which Settlers will find employment.

All further information will be immediately afforded to Emigrants on application at the Commissioner of Crown Lands Office, York, or at the Surveyor General's Office, York. PETER ROBINSON.

Com'r. of Crown Lands Office, York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

VOL. VII. YORK UPPER CANADA, THURSDAY NOVEMBER 29, 1832. NO. 28.

By Authority.

To His Excellency SIR JOHN COLBORNE, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY,

We, His Majesty's dutiful and Loyal Subjects, the Legislative Council of the Province of Upper Canada, in Provincial Parliament assembled, beg leave to offer our respectful thanks for your Excellency's Speech from the Throne.

We concur with your Excellency in appreciating the beneficial influence arising from the capital and industry transferred to this Province, by the continued emigration from the Parent State, which by opening the fairest prospects to the Province, and increasing its general interests, will give peculiar importance to the deliberations of the present Session.

We learn, with much satisfaction, that so great an increase of the population as one-fourth has taken place since the reports forwarded last Session, and that the occupation furnished to Emigrants, together with the extensive agricultural improvements and actual cultivation, afford promise of support and employment to such of our countrymen as have been induced to fix upon this part of the Empire for their future abode.

We feel with your Excellency the great importance of directing our attention to the consideration of the anticipated progressive increase of the emigrants that will annually flow to the Canadas, as a subject closely connected with the immediate prosperity of the Colony.

We highly appreciate the exertions and perseverence of the officer who had in charge that great national work, the Rideau Canal, the chief advantage of which cannot be attained while the unfinished improvements of the Ottawa obstruct the passage to the St. Lawrence.

The expenditure thus incurred by the Parent State, we trust will afford a profitable return, as it must no doubt develope the resources of the Colony, and open new avenues to its internal commerce through the Districts and adjoining Lakes which are intersected by it.

We regret that a difference of opinion on the subject of the proportion of duties to be assigned by the arbitrators to Upper Canada, for the next four years, should have occurred, which rendered necessary the delay occasioned by the interposition of His Majesty, in the appointment of a third arbitrator.

The restoration of hope and confidence, caused by the almost total disappearance of the dreadful disease with which the Inhabitants of this Province were afflicted, calls for our humble gratitude to Divine Providence; the active measures adopted by the Executive Government, at the distressing period of its commencement, merit our entire approbation as the best means which the exigency afforded of arresting its ravages and preserving the public health.

The consideration of the King, in complying with the wishes of the House of Assembly, on the subject of the appropriation of the sums arising from the sale of land formerly set apart for the support of Grammar Schools, and not alienated by the authority of His Majesty's Government, affords another proof of His Royal solicitude to promote the wishes of the Province.

We trust that some measure respecting the distribution of those funds, otherwise than by annual vote, will be devised; and that such provision will be made for applying them to their intended object, and securing the interests of the people, as will meet with the full concurrence of your Excellency.

JOHN B. ROBINSON,
SPEAKER.

Legislative Council Chamber,
3d, November, 1832.

To His Excellency SIR JOHN COLBORNE, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY,

We, His Majesty's most dutiful and Loyal Subjects, the Commons of Upper Canada, in Provincial Parliament assembled, in thanking your Excellency for the gracious Speech with which you have been pleased to open the present Session of the Legislature, receive with the highest satisfaction the congratulations of your Excellency upon the vast accession of industry and capital which the continued emigration of our fellow subjects from the Parent State is daily adding to our resources, and whose intelligence and sterling British principles are calculated to have so beneficial an influence upon the future prospects of this Colony; and we hope that, with these gratifying prospects before us, our exertions for the public welfare will bear some proportion to the importance of that trust which our Constituents have reposed in us.

It affords us much gratification to learn from your Excellency that, the population has increased in so unprecedented a manner since the reports forwarded for our information last Session; that the Emigrants, with few exceptions, are fully occupied in the Districts in which they are established, and that the extensive agricultural improvements and actual cultivation promise support and employment for our countrymen, whom the current of events may induce to fix their abode in this part of the Empire. We are fully convinced that no subject is more closely connected with the immediate prosperity of the Colony, than the progressive increase to be anticipated in the number of Emigrants that will henceforth flow annually into the Canadas, and we can assure your Excellency, that we shall at all times be ready to give our best consideration to any measures which your Excellency may recommend for facilitating their arrival among us.

We are happy to learn from your Excellency that the Rideau Canal has been completed, and we are fully sensible that it is owing to the great exertions, unwearied attention, and perseverance of the able and distinguished officer who constructed this national work, that a structure of such magnitude has been completed in so short a period.

We fully concur in the opinion expressed by your Excellency, that the chief advantages of the navigation of the Rideau Canal cannot be attained, while the unfinished works on the Ottawa obstruct the passage into the Saint Lawrence; and, that with reference to the degree of improvement which the Colony has reached, and the interests of the Parent State, that the expenditure incurred in accelerating the developement of our resources, will be productive of great national benefit.

Not being informed of the reasons which have prevented the arbitrator, appointed to adjust the claims on the part of Upper Canada to a proportion of the duties levied at Quebec, agreeing to any satisfactory arrangement, we are unable to express any opinion upon the justice of the pretensions urged by either party; but, although the provisions of the Canada Trade Act, which were framed for our protection, are under existing circumstances, as effectual for that purpose as could be devised; we nevertheless feel the strongest assurance, that from the absence of any clear principles, upon which any arrangement can be made, and the conflicting opinions which must always

exist upon a subject fraught with so much difficulty, the acquisition by this Province of a Port of Entry from the Sea, where our Revenue of Customs may be collected by our own Officers, and our Foreign Trade carried on unshackled by the enactments of the Legislature of a Sister Colony, is the only method by which Upper Canada can obtain the full advantage of her own commerce.

It affords us much satisfaction to be informed by your Excellency, that the disease, which, by the dispensation of Divine Providence, has so widely prevailed, has nearly disappeared in every District of this Province, and we feel thankful that the Almighty has, of His infinite mercy and goodness, been graciously pleased to stay His avenging arm.

Upon the sudden breaking out of any pestilence, previously unknown, and consequently not provided against, it of necessity becomes the duty of the Executive Government to take such energetic measures, as shall appear to be best calculated for the protection of the people against its ravages, and we entertain the fullest assurance, that when we shall be informed of the arrangements made by your Excellency, for the preservation of the public health, they will be found such as to demand the entire approbation of this House.

When the Annual Accounts and Estimates shall be laid before us, we will make the necessary provision for the public service. And we shall examine the detailed Accounts which your Excellency may be pleased to transmit to us of the sums placed, by your Excellency's direction, at the disposal of the Magistrates, on the urgent occasion to which your Excellency has alluded, with every disposition to provide for the repayment of the amount advanced.

It is with sentiments of the most lively gratitude, that we perceive the solicitude of our Most Gracious Sovereign to promote the wishes of the Province, in acceding to the request of His faithful Commons, relative to the appropriation of the Lands formerly set apart for the support of Grammar Schools, and we fully concur with your Excellency in the propriety of the accounts of the Funds arising therefrom being placed in the hands of the King's Receiver General, who is the proper depository of all public moneys.

The practical mode of applying the School Funds to the intended object is a matter of deep importance, and we are aware of the solicitude with which the public will view our deliberations upon a matter in which their dearest interests are so essentially concerned, and it is gratifying to us to receive the assurance of your Excellency's concurrence in such enactments as may appear best calculated to secure the interests of the people.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
2 *Acting C. E. C.*

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of those classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and no offer be made at the upset price, the land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

VOL. VII. YORK UPPER CANADA, THURSDAY DECEMBER 27, 1832. NO. 32.

By Authority.

GOVERNMENT HOUSE,
York, 15th December, 1832.

THE KING has been graciously pleased to appoint JOHN BEIKIE Esq. Clerk of the Executive Council for the affairs of this Province, vice John Small Esq. deceased.

GOVERNMENT HOUSE,
21st December, 1832.

HIS EXCELLENCY THE LIEUTENANT GOVERNOR, has been pleased to grant a License to William Harley, Gentleman, to practice the art of Land Surveying in this Province.

Com'r. of Crown Lands Office, York, 1st December, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but payment will be accepted at the end of U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

29 PETER ROBINSON.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His Majesty's Government for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies.

The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered. The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but payment will be accepted at the end of U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

Com'r. of Crown Lands Office,
York, 1st December, 1831.

THE following summary of the Rules established by His MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans prepared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies. The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered.—The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.
