Com'r. of Crown Lands Office,
York, 1*st December*, 1831.

THE following summary of the Rules established by HIS MAJESTY'S GOVERNMENT for regulating the disposal of Lands, is published for the information of persons desirous of settling in Upper Canada:—

Once in every year, or oftener, the Commissioner of Crown Lands will draw up his report of the Land which it may be expedient to offer for sale by Public Auction within the ensuing year, and the upset price per Acre at which he would recommend it to be offered; the Land so offered having been previously surveyed and valued.

The Land will be laid out in Lots of one hundred Acres each, and plans pre-

pared for public inspection; which plans may be inspected in the Office of the Surveyor General, or in that of his Deputies. The Commissioner of Crown Lands will give public notice in the Upper Canada Gazette, and such Newspapers as may be circulating in the Province, of the time and place for the sale of Land in each District, and of the upset price at which the Lands are proposed to be offered.—The Lots will be sold to the highest bidder, and if no offer be made at the upset price, the Land will be reserved for future sale in a similar manner by Auction.

The purchase money will be required to be paid down at the time of sale, or by four instalments with interest; the first instalment at the time of the sale, and the second, third and fourth instalments at the interval of a year.

Any further conditions respecting these sales, will be found in the printed Advertisements giving notice of them.

To indigent Settlers who may be unable to avail themselves of these opportunities of purchase, Lands will be assigned by private sale, in certain specified Townships, at an estimated value, and the first payment will be accepted at the end of three years, without interest, and the remainder of the purchase money to be paid in three equal instalments, interest to commence after three years from the purchase.

Free Grants are not made to any but U. E. Loyalists, or such persons as have served His Majesty in the Navy or Regular Army. Persons of either of these classes will forward their applications for Land, accompanied by official documents in support of their claims, as heretofore, to the Civil Secretary of the Lieutenant Governor, and will receive answers to them on applying to the Clerk of the Executive Council, and their Location Tickets from the Surveyor General.

A SELECTION
OF
PSALMS AND HYMNS
FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL
THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC,
TOGETHER WITH A NUMBER OF CHANTS,
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN,
Organist of St James' Church, York, Upper Canada.
PUBLISHED BY ROBERT STANTON,
KING'S PRINTER.

IT is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hymns, on the opposite page. The number of Tunes will be about sixty, including the Chants.

It is proposed to print at the same time a separate Volume in 18mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and *Niagara Gleaner*, are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

THE co-partnership heretofore existing between the subscribers, under the firm of "Bicket and Bowman," is this day dissolved by Mutual consent.

☞ THE notice from the office of the Commissioner of Crown Lands, dated 1st December 1831, relating to the disposal of Lands, having been inadvertently inserted in the Gazette, together with that dated 27th May 1833, containing the present arrangements for disposing of the Waste Lands of the Crown in Upper Canada.—All persons interested are requested to observe that the latter notice of 27th May 1833, is that which is now acted upon.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those

places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

A SELECTION
OF
PSALMS AND HYMNS

FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC.
TOGETHER WITH A NUMBER OF CHANTS,
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN,
Organist of St. James' Church, York, Upper Canada.
PUBLISHED BY ROBERT STANTON,
KING'S PRINTER.

IT is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hyms, on the opposite page. The number of Tunes will be about sixty, including the Chants.

It is proposed to print at the same time a separate Volume in 12mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and *Niagara Gleaner,* are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

BANK NOTICE.—DISCOUNT DAY, *Wednesday of every Week.*—Notes offered for Discount, must be put under cover to the Cashier, and left at the Bank the day before.

☞ THE notice from the office of the Commissioner of Crown Lands, dated 1st December 1831, relating to the disposal of Lands, having been inadvertently inserted in the Gazette, together with that dated 27th May 1833, containing the present arrangements for disposing of the Waste Lands of the Crown in Upper Canada.—All persons interested are requested to observe that the latter notice of 27th May 1833, is that which is now acted upon.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter post-paid, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

A SELECTION
OF
PSALMS AND HYMNS

FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC.
TOGETHER WITH A NUMBER OF CHANTS.
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN,
Organist of St. James' Church, York, Upper Canada.
PUBLISHED BY ROBERT STANTON,
KING'S PRINTER.

IT is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hymns, on the opposite page. The number of Tunes will be about sixty, including the Chants.

It is proposed to print at the same time a separate Volume in 12mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and *Niagara Gleaner*, are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows; In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with In-

terest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid,* of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

UPPER CANADA COLLEGE.

THE present terms of £25 Currency per annum, for Board and Tuition, at the COLLEGE BOARDING HOUSE, having been found inadequate to the expenses of the establishment, it is ordered that from and after the 1st of January, 1834, the terms shall be £30 C'y per annum, for each Boarder.

*** The College Boarding House has lately undergone material alterations in its interior arrangements: it is also under new domestic management, and the Master of the Preparatory School resides in the house for the especial purpose of superintending the conduct of the Boarders out of College hours.

The dues for Tuition are £2 per College Quarter, for Pupils in the College; and £1 5s. for those in the Preparatory School, with an additional five shillings per quarter in each case for the incidental expenses of pens, ink, fuel, &c. The necessary books and materials are furnished by the College at the expense of the Pupils.

The College Quarters are ordered as follows:

1st. Qr.—From the close of the Christmas Vacation (about the 1st week in January) to the 20th March.

2nd Qr.—From 20th March to 3rd June.

3rd Qr.—From 3rd June to commencement of Summer Vacation (about 12th August.)

4th Qr.—From close of Summer Vacation (about the end of September) to the beginning of the Christmas Vacation.

N. B. At whatever period of any of the above quarters a Pupil may be entered or withdrawn, his dues for Tuition are payable for the whole of that quarter.

It is particularly requested that notice be given either at the time, or previously if convenient, of the removal of any Scholar from the Institution.

THE VACATIONS ARE:

At Christmas—From the Saturday preceding Christmas day to the Monday fortnight following.

At Whitsuntide—A week.

In the Summer—From the Friday on or next before the 12th August, to the Thursday six weeks following.

A SELECTION
OF
PSALMS AND HYMNS
FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL
THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC.
TOGETHER WITH A NUMBER OF CHANTS.
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN,
Organist of St James' Church, York, Upper Canada.
PUBLISHED BY ROBERT STANTON,
KING'S PRINTER.

It is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hyms, on the opposite page. The number of Tunes will be about sixty, including the Chants.

It is proposed to print at the same time a separate Volume in 18mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and *Niagara Gleaner,* are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

Land Agency Office,
AT BRANTFORD.

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid,* of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first

and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

UPPER CANADA COLLEGE.

THE present terms of £25 Currency per annum, for Board and Tuition, at the COLLEGE BOARDING HOUSE, having been found inadequate to the expenses of the establishment, it is ordered that from and after the 1st of January, 1834, the terms shall be £30 Cy per annum, for each Boarder.

*** The College Boarding House has lately undergone material alterations in its interior arrangements: it is also under new domestic management, and the Master of the Preparatory School resides in the house for the especial purpose of superintending the conduct of the Boarders out of College hours.

The dues for Tuition are £2 per College Quarter, for Pupils in the College; and £1 5*s*. for those in the Preparatory School, with an additional five shillings per quarter in each case for the incidental expenses of pens, ink, fuel, &c. The necessary books and materials are furnished by the College at the expense of the Pupils.

The College Quarters are ordered as follows:

1st. Qr.—From the close of the Christmas Vacation (about the 1st week in January) to the 20th March.

2nd Qr.—From 20th March to 3rd June.

3rd Qr.—From 3rd June to commencement of Summer Vacation (about 12th August.)

4th Qr.—From close of Summer Vacation (about the end of September) to the beginning of the Christmas Vacation.

N. B. At whatever period of any of the above quarters a Pupil may be entered or withdrawn, his dues for Tuition are payable for the whole of that quarter.

It is particularly requested that notice be given either at the time, or previously if convenient, of the removal of any Scholar from the Institution.

THE VACATIONS ARE:

At Christmas—From the Saturday preceding Christmas day to the Monday fortnight following.

At Whitsuntide—A week.

In the Summer—From the Friday on or next before the 12th August, to the Thursday six weeks following.

☞ The business of the College will recommence after the approaching Summer Vacation, on Thursday the 26th September.

☞ Editors of Papers who have heretofore inserted notices from the College, are requested to give the above three weekly insertions: accounts to be forwarded to the Gazette Office, York.

A SELECTION
OF
PSALMS AND HYMNS
FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL
THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC.
TOGETHER WITH A NUMBER OF CHANTS.
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN.
Organist of St. James' Church, York, Up -ada.
PUBLISHED BY ROBERT STA
KING'S PRINTER.

It is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hymns, on the opposite page. The number of Tunes will be about sixty, including the Cha us.

It is proposed to print at the same time a separate Volume in 18mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and Niagara Gleaner, are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

PARCHMENT DEEDS, with and without Bar of Dower, for sale at the Gazette Office.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those

places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Priagle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

A SELECTION
OF
PSALMS AND HYMNS
FOR EVERY SUNDAY AND PRINCIPAL FESTIVAL
THROUGHOUT THE YEAR,
FOR THE USE OF CONGREGATIONS
IN THIS DIOCESE,
Selected and arranged under the authority and direction of
THE HON. AND RIGHT REVEREND
THE LORD BISHOP OF QUEBEC.
TOGETHER WITH A NUMBER OF CHANTS.
THE WHOLE OF THE MUSIC SET AND ADAPTED BY
W. WARREN.
Organist of St. James' Church, York, Upper Canada.
PUBLISHED BY ROBERT STANTON,
KING'S PRINTER.

It is in contemplation to publish in Octavo a Selection of Psalms and Hymns, as described above, on a plan whereby the Music of the Tunes will appear on one page, and the words of four suitable Psalms or Hymns, on the opposite page. The number of Tunes will be about sixty, including the Chants.

It is proposed to print at the same time a separate Volume in 12mo., containing the words only of this Selection, unaccompanied by the Music, but with the same Index as that which will be added to the larger work, pointing out the Psalms and Tunes intended to be sung on every Sunday, &c. throughout the year. The price of the former work will be about Five Shillings, and that of the latter about Two Shillings.

The want of a publication of this kind has long been felt by many Congregations in this Diocese; and as it is believed that the Work now proposed will much assist those persons who wish to join in this most interesting and delightful part of Public Worship, it is hoped that it will receive general support.

As the Work originates in the desire of His Lordship the Bishop to promote the practice of Psalmody throughout his Diocese, and as it will not be a source of emolument to any individual, the price will necessarily depend upon the number of copies printed;—it is therefore requested that all those persons who feel disposed to assist this undertaking will give in their names to the nearest Clergyman in their neighborhood, with the number of copies of each Work which they are disposed to take.

The U. C. Herald, Kingston Chronicle, Hallowell Free Press, Cornwall Observer, St. Thomas Journal, and Niagara Gleaner, are requested to give the above two insertions: accounts to be rendered to Gazette Office, York. 10

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Land Agency Office,

AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Land Agency Office,

AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post paid,* of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Commissioner of Crown Lands Office,
York, 6th September, 1833. 15

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid,* of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Land Agency Office,
AT BRANTFORD.

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid,* of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

Except in the case of U. E. These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

CLERGY RESERVES.

York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those

places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Insulment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

YORK, UPPER CANADA, NOVEMBER 19, 1833.

By Authority.

York, Tuesday, November 19, 1833.

This day, at three o'clock, HIS EXCELLENCY the LIEUTENANT GOVERNOR proceeded in the usual State, from the Government House to the Chamber of the HONORABLE the LEGISLATIVE COUNCIL, where being arrived and seated on the THRONE, the Gentleman Usher of the Black Rod was sent with a Message from HIS EXCELLENCY to the HOUSE of ASSEMBLY, commanding their attendance.—The Members present being come up accordingly, HIS EXCELLENCY was pleased to open the Session of the Legislature with the following

SPEECH:

Honorable Gentlemen of the Legislative Council; and,
Gentlemen of the House of Assembly:

I feel assured that I have every reason to congratulate you on the favorable prospects of the several Districts with whose interests you are particularly connected; and on the progressive advances which the Province is making in all that constitutes a flourishing community.

Although the recent Emigration has not proved so extensive as you were led to anticipate from the number of Settlers located last year, yet the Country cannot but derive essential benefit from the property invested by the Emigrants of this season, which far exceeds the capital transferred to the Province during any corresponding period.

The information you have acquired of the statistical changes rapidly taking place, and of the energy displayed by the inhabitants of several Districts in profiting by Lakes and Rivers to improve their communications, enables you to judge correctly of the capacity and actual resources of the Colony; and I am persuaded that you will concur with me in the opinion, that were they sufficiently known and appreciated, the Parent State would be encouraged to regard this fertile Country as an asylum for a large portion of her present redundant population, and to adopt an extensive system of Emigration; which, with prudent regulations, could not fail to ameliorate the condition of the labouring classes, promote the welfare of the Province, and increase her own commercial prosperity.

I shall transmit to you the Report I have received from the Arbitrators appointed under the British Act of the 3rd of George the 4th, to ascertain the proportion of Duties which Upper Canada is entitled to claim. You will perceive from the award of the majority of the Arbitrators, that it has been determined that one-third of the Duties levied in Lower Canada on Goods introduced by sea, shall be paid to this Province for the four years from the first of July, one thousand eight hundred and thirty-two.

Gentlemen of the House of Assembly:

I have directed the Accounts of the current year, and Estimates, to be prepared for your examination; and, also, in compliance with an address, last Session, the detailed Accounts of the Casual and Territorial Revenue from the first of January, one thousand eight hundred and thirty-one, the period to which they were last completed, for your information.

Honorable Gentlemen, and Gentlemen:

The important subject of public Education, which has in several Sessions occupied much of your attention, demands your early notice and consideration; particularly the questions which relate to the revision of the system of Township Schools—the application of the proceeds of sales of School Lands for the support of superior District Schools,—and the requisite extension of the Royal Charter under which the University is at present established. With respect to these points, and to the immediate course which you may suggest to ensure the opening of the University, sanctioned by a Charter framed on more comprehensive principles than that which has been granted, there can be no doubt that as the Province is fully prepared to reap the benefits which were intended to be conferred on it by the establishment of King's College, His Majesty will readily give effect to any measure proposed by you regarding its future government, and the appropriation of School Lands, that may tend to promote the purposes of the Institution; or add to the advantages which the Colony, under the blessing of Providence enjoys, by facilitating the diffusion of Education among all classes.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesday in November next: when such other arrangements as may be made by the Government will be announced.

Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

Land Agency Office,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

VOL. VIII. YORK UPPER CANADA, THURSDAY NOVEMBER 28, 1833. NO. 28.

By Authority.

To His Excellency Sir John Colborne, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

May it please Your Excellency:

We, His Majesty's most Dutiful and Loyal Subjects, the Legislative Council of the Province of Upper Canada, in Provincial Parliament assembled, beg leave to offer our respectful thanks for Your Excellency's Speech from the Throne.

In the assurance we feel of the progressive advances of the Province in all that constitutes a flourishing community, and of the favorable prospects of its several Districts, we have cause for much congratulation; and although the recent Emigration has not proved so extensive as we were led to expect, yet the great excess of capital transferred to the Province above that of any corresponding period, and invested by the Emigrants of this season, cannot fail to produce essential benefit.

Our information of the statistical changes rapidly taking place, and of the energy displayed by the inhabitants of the Province in profiting by her Lakes and Rivers, to improve their communications, enables us to appreciate the resources of the Colony; and we concur with Your Excellency in believing that were they sufficiently known, the Parent State would be encouraged to regard this fertile country as an asylum for a large portion of her redundant population, which by an extensive system of Emigration under proper management might be rendered the means of increasing her own commercial prosperity; of promoting the welfare of the Province; and ameliorating the condition of her laboring classes.

We shall receive with satisfaction the report of the Arbitrators appointed under the British Act 3d Geo. 4th, to ascertain the proportion of duties which Upper Canada is entitled to claim; and shall not fail to give it our best consideration.

Upon the important subject of Education, we shall take an early occasion to deliberate; especially on the necessity of extending the Royal Charter establishing an University; on the application of the proceeds of sales of School Lands for the support of superior District Schools; and on the revision of the system of Township Schools.

In pursuing these subjects—in considering what course we can best suggest to ensure the immediate opening of the University of King's College, under any modification that may be judged necessary, and in proposing measures for the future government and appropriation of School Lands, we shall be accompanied by the grateful assurance that His Majesty will readily give effect to any system that can tend to facilitate the diffusion of Education among all classes, and add to the advantages which, under the blessing of Divine Providence, this Colony now enjoys.

JOHN B. ROBINSON,
Speaker.

Legislative Council Chamber,
21st day of November, 1833.

REPLY.

Gentlemen:

I return you my thanks for this Address, and for your assurances that you will take into consideration the subjects to which I have directed your attention.

To His Excellency Sir John Colborne, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

May it please Your Excellency,

We, His Majesty's dutiful and loyal Subjects, the Commons of Upper Canada, in Provincial Parliament assembled, humbly thank Your Excellency for the gracious Speech with which Your Excellency was pleased to open the present Session of the Legislature, and assure Your Excellency that we have great pleasure in receiving Your Excellency's congratulations on the favorable prospects of the several Districts, with whose interests we are particularly connected, and on the progressive advances which the Province is making in all that constitutes a flourishing community.

Although the recent Emigration has not proved so extensive as we were led to anticipate, from the number of Settlers located last year, yet the Country cannot but derive essential benefit from the property invested by the Emigrants of this season, which it is gratifying to learn from Your Excellency far exceeds the capital transferred to the Province during any corresponding period.

The information we possess of the statistical changes rapidly taking place, and of the energy displayed by the inhabitants of several Districts in the improvement of their interior water communications, enables us to judge of the extensive resources of the Colony, and we concur with Your Excellency, that were they sufficiently known and appreciated, the Parent State would be encouraged to regard this fertile Country as an asylum for a large portion of her present redundant population, and to adopt an extensive system of Emigration, which, with prudent regulations, could not fail to ameliorate the condition of the laboring classes, promote the welfare of the Province, and increase her own commercial prosperity.

We will thankfully receive from Your Excellency the Report of the Arbitrators appointed under the British Act of the 3rd Geo. 4th, to ascertain the proportion of duties to which Upper Canada is entitled, and we regard as a certain and pleasing indication of the prosperity of the Colony, Your Excellency's intimation, that a majority of the Arbitrators have determined that one-third of the Revenue collected in Lower Canada upon importations by sea, shall be paid to this Province for the four years from the first of July 1832.

We beg to assure Your Excellency that when the Accounts for the current year and the Estimates shall be laid before us for examination, we shall not fail to bestow upon them our particular attention—and we will thankfully receive from Your Excellency (in compliance with an Address of last Session) the Detailed Accounts of the Casual and Territorial Revenue, from the 1st January 1831.

The important subject of public Education, which has in several Sessions occupied much of our attention, shall not fail to receive our early and most anxious consideration, particularly the means by which an improved system of Township School Education may be best promoted, and also the application of sales of School Lands to that object, as well as the endowment and support of free Grammar Schools in the several Districts. The requisite extension of the Royal Charter of King's College, shall, as heretofore, receive our most deliberate consideration, and we cannot but express the pleasure we derive from Your Excellency's assurance, that His Majesty will readily give effect to any measures proposed by the Legislature, regarding its future Government, and the appropriation of School Lands, to promote

the purposes of the Institution.

ARCHD. McLEAN,
SPEAKER,
Commons House of Assembly,
23rd November, 1833.

REPLY:

GENTLEMEN,

I thank you for this Address, and for the assurance given by you that the subjects to which I have directed your attention will receive your early and anxious consideration.

Land Agency Office,
AT BRANTFORD.

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchese of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount, Esquire, Delaware.

Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that I will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,

VOL. VIII. YORK UPPER CANADA, THURSDAY DECE[illegible]1833. NO. 53.

By Authority.

Government House,
9th December, 1833.

His Excellency the Lieutenant Governor, has been pleased to grant a Licence to practice Physic, Surgery and Midwifery, within this Province, to Edward J. Bulteel, Esquire, Member of the Royal College of Surgeons of London.

Government House,
9th December, 1833.

His Excellency the Lieutenant Governor, has been pleased to grant a Licence to practice Physic, Surgery and Midwifery, within this Province, to Robert Hornby, M. D. of the University of Edinburg, Licentiate of the Royal College of Surgeons of London, and Extraordinary Member of the Royal Medical Society of Edinburg.

Executive Council Office,
York, 7th December 1833.

By direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

In conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.

Western District,—Henry John Jones, Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue [illegible] viz:—Ten per cent to be paid [illegible] of Sale, and the remainder [illegible] Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All applications from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and, in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

Land Agency Office,

AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

VOL. VIII. YORK UPPER CANADA, THURSDAY DECEMBER 19, 1833. NO. 31.

By Authority.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter

to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

NOT OFFICIAL.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viv:—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

VOL. VIII. YORK UPPER CANADA, THURSDAY DECEMBER 26, 1833. NO. 32.

By Authority.

GOVERNMENT HOUSE,
19th December, 1833.

HIS EXCELLENCY the LIEUTENANT GOVERNOR, has been pleased, by Licence dated the 11th November 1833, to authorize George Augustus Latham, M. D. of the University of Edinburg, to practice Physic, Surgery and Midwifery, within this Province,

GOVERNMENT HOUSE,
19th December, 1833.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has been pleased to appoint George Duggan, Junr. Gentleman, to be a Public Notary within this Province.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY, the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council.

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that

such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

NOT OFFICIAL.

Land Agency Office,

AT BRANTFORD.

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viz:—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 2, 1834. NO. 38.

By Authority.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the

Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viz:—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 9, 1834. NO. 34.

By Authority.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the

Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viz:—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 16, 1834. NO. 35.

By Authority.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the

Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds. Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viv:—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 23, 1834. NO. 38.

By Authority.

GOVERNMENT HOUSE,
8th January, 1834.

HIS EXCELLENCY THE LIEUTENANT GOVERNOR, has been pleased to grant a Licence to practice Physic, Surgery and Midwifery, within this Province, to James Miller, Gentleman.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and

that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 30, 1834. NO. 27.

By Authority.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chathsm, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.
