NOT OFFICIAL.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor.

Brantford, 20th July, 1833. 11

VOL. VIII. YORK UPPER CANADA, THURSDAY FEBRUARY 6, 1834. NO. 36.

By Authority.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

VOL. VIII. YORK UPPER CANADA, THURSDAY JANUARY 30, 1834. NO. 37.

By Authority.

Executive Council Office, York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

NOT OFFICIAL.

Land Agency Office,

AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, o. be No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.

VOL. VIII. YORK UPPER CANADA, THURSDAY FEBRUARY 6, 1834. NO. 38.

By Authority.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The condition of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborougeh.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

NOT OFFICIAL.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.

Comm'r. of Crown Lands Office,
York, 4th February, 1834. 38

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructious recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 3rd *February*, 1834.

NOTICE is hereby given, by order of HIS EXCELLENCY THE LIEUTENANT GOVERNOR IN COUNCIL, that unless James Landon, or his Heirs, do make good any claim they may have to Lot number seven, south side of First-Street, otherwise called Second Range, in the Town of Johnstown, in the District of Johnstown, within six months from this date, the said Lot will be otherwise disposed of.

JOHN BEIKIE,
39-ni. *Clerk Executive Council.*

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Land Agency Office,
AT BRANTFORD,

THE Subscriber begs leave to inform the public that he is about to open a Land Agency Office at Brantford, in the Gore District, in connection with his profession as a Surveyor; and from his long experience in the practice of Surveying, Conveyancing &c. he trusts that he will be able in some measure to facilitate the prosperity of this Section of the Country by attention to the above business.

There are many respectable Emigrants daily arriving from Europe, who prefer purchasing improved farms, and wild lands in the neighborhood of the old settlements, to settling in the back Townships which have been recently surveyed, who would undoubtedly avail themselves of the advantage of such an office, as there they could at once learn what Farms and Wild Lands were for sale.

All persons having improved farms for sale will find it to their advantage to inform the Subscriber by Letter *post-paid*, of the No. of the lot, Concession, Township, District, &c. the quantity of improvement; the kind of soil, timber, buildings, springs, or Streams of Water, which may be on their respective premises and the lowest price, as well as the terms of payment &c. and if Wild Lands, the distance from a Settlement as well as the description of the Lot &c. to enable the Subscriber to afford correct information to the applicants.

Persons living in other Districts or in the Lower Province, who may have lands for sale in this part of the Country will find it to their advantage to furnish the Subscriber with power to sell and make Conveyances for them.

His charges will be as reasonable as that of any other professional person in the Country, and in proportion to the nature, extent of the business done, or on such terms as may be agreed upon.

All who may intrust the agency of their business to him may rely on the strictest attention being paid to it—and all monies which may come into his hands for the sale of lands will be remitted without delay.

Surveying, Drafting Plans, Conveyancing in all forms, Wills, articles of Agreement, Bonds, Powers of Attorney &c. executed as usual with neatness and despatch.

LEWIS BURWELL.
Deputy Provincial Surveyor,
Brantford, 20th July, 1833. 11

Since publishing the above advertisement the subscriber has concluded on making the following charges for all cash business that may be entrusted to him, which will include the necessary correspondence and conveyancing, viv :—For Sales effected to the amount of £50 or under 5 per cent—from 50 to £200 4 per cent—from 200 to £400 3 per cent, and all over £400 2½ per cent. If a survey of the premises is required, a separate charge will be made. No advertisement will be published without the *written* request of the Seller.

☞ From the numerous applications which have been made to the subscriber for Improved Farms since the publishing of his advertisement, he would recommend all such as have good Improved Farms for Sale, to furnish him with the necessary information respecting them.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar motive of intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—

GREETING:

WHEREAS it hath been humbly represented to us that it would greatly facilitate and promote the ends of Commerce, and the welfare and prosperity of our loving Subjects, if the Harbour of Port Stanley, on the shores of Lake Erie, in the County of Middlesex, in the London District, at the mouth of the River commonly called Kettle Creek, were declared a Port of Entry and Clearance.

THEREFORE, KNOW YE, that by and with the advice and consent of the Executive Council of our Province of Upper Canada, and in pursuance of the authority of an Act passed in the Parliament of Great Britain in the sixth year of the reign of His late Majesty King George the Fourth, entitled "An Act to regulate the Trade of the British Possessions abroad," We have thought fit to appoint, and do hereby appoint the said Harbour of Port Stanley, by the name of "*Port Stanley*," to be a Port of Entry and Clearance, for the entry of Goods brought or imported into this Province from any adjoining foreign Country.

WILLIAM the FOURTH, by the Grace of GOD of the United Kingdom of Great Britain and Ireland, King defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come:

GREETING:

WHEREAS by an Act of the Parliament of this Province, passed in the First year of Our reign, entitled, "An Act to erect the County of Prince Edward into a separate District," it is amongst other things enacted, that so soon as the Governor, Lieutenant Governor, or Person Administering the Government of this Province for the time being, shall be satisfied that a good and sufficient Gaol and Court House has been erected therein, for securing Prisoners and for accommodating such Courts as shall or may be held within the said County, it shall and may be lawful to and for the Governor, Lieutenant Governor, or Person Administering the Government of the said Province for the time being, by and with the advice of His Majesty's Executive Council in this Province, to declare by Proclamation the said County of Prince Edward a separate and distinct District, by such name as he shall think fit.

And Whereas it appears to us satisfactorily, that the provisions of the said in part recited Act, in respect to such Gaol and Court House, have been fully complied with.

NOW KNOW YE, that We taking the premises into Our Royal consideration, and in pursuance of the provisions of the said Act, and by and with the advice of Our Executive Council in the said Province, do hereby declare and proclaim it to be Our Royal will and pleasure, that the said County of Prince Edward shall, from the day of the date of this Our Royal Proclamation, be a separate and distinct District, and shall henceforth be called or known by the name of the DISTRICT OF PRINCE EDWARD.

Executive Council Office, York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE, *Clerk Executive Council*

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the

Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

TORONTO, UPPER CANADA, THURSDAY, MARCH 6, 1834.

BY AUTHORITY.

City of Toronto, U. C. March 6, 1834.

At Four o'clock this day, His Excellency the Lieutenant Governor, being seated on the Throne in the Legislative Council Chamber, and the House of Assembly being present, His Excellency was pleased to prorogue the present Session with the following

SPEECH:

Honorable Gentlemen of the Legislative Council, and—

Gentlemen of the House of Assembly:

I have much satisfaction in observing the many valuable measures in which you have concurred, and I am confident that they will contribute to promote the best interests of the Province.

The Bills enacted to establish the independence of the judicial office, in conformity with the proposals conveyed to you by the command of His Majesty; and to amend the law respecting real property, secure to the community essential benefits.

I trusted, however, that before the close of this Session, you would have decided on some practical mode of applying the funds arising from Lands set apart for the purposes of Education, and placed under the control of the Legislature.

Gentlemen of the House of Assembly:

I thank you in the name of His Majesty for the Supplies granted for the service of the year; and the provision made for carrying on Public Works of improvement.

Honorable Gentlemen, and Gentlemen,

The attention you have constantly directed to the improvement of the communications of the Province, has stimulated industry in every District; but no measure appears more calculated to exercise an immediate favorable influence over the prosperity of the Canadas, than that which you have sanctioned, to effect a safe and continuous navigation from Lake Huron to the Lower Province.

The circumstances under which this grand project will be undertaken, are, in every respect, propitious.

In eight years the population of the Province has doubled: the quantity of Land brought into cultivation, during the same period, corresponds with this rapid increase.

The Imports by the St. Lawrence are increasing at the rate of one-third annually, and the Capital expended in the construction of Canals, Harbours and Piers, in many instances, already yields a direct return.

I take leave of you, persuaded that your exertions in your several Counties will greatly tend to advance the interests and prosperity of the Colony.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE

Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of

U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, excep. that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

EXECUTIVE COUNCIL OFFICE,

An Act to provide for the summary punishment of Petty Trespasses, and other offences.

[Passed 6th March, 1834.]

WHEREAS it is expedient that a summary power of punishing persons for common assaults and batteries, petty trespasses, and other offences mentioned in this Act, should be provided under the limitations hereinafter expressed: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That if any person shall assault or beat any other person, it shall be lawful for any Justice of the Peace, upon complaint of the party aggrieved, to hear and determine such offence, and the offender upon conviction thereof before him, shall forfeit and pay such sum of money, not exceeding Five Pounds, as to such Justice shall seem meet.

2. Provided always, and be it further enacted by the authority aforesaid, That in case the Justice shall find the assault or battery complained of to have been accompanied by any attempt to commit Felony, or shall be of opinion that the same is, from any other circumstance, a fit subject for a prosecution by indictment, he shall abstain from adjudicating thereupon, and shall deal with the case in all respects in the same manner as such Justice would have done if this Act had not been passed.

3. And be it further enacted by the authority aforesaid, That if any person shall wilfully or maliciously commit any damage, injury or spoil, to or upon any real or personal property whatsoever, either of a public or private nature, the committing of which damage, injury or spoil, is not made Felony by any Law in force in this Province, nor made punishable either as a Felony or otherwise by the provisions of any Act of the Parliament of this Province in relation to such particular offence, every such person, being convicted thereof before a Justice of the Peace, shall forfeit and pay such sum of money as shall appear to the Justice to be a reasonable compensation for the damage, injury or spoil, so committed, not exceeding the sum of Five Pounds; which sum of money shall, in case of private property, be paid to the party aggrieved, except when such party shall have been examined in proof of the offence; and in such case, and in all other cases of convictions under the provisions of this Act, the penalties imposed shall be applied in the manner hereinafter specified: *Provided always*, that nothing herein contained shall extend to any case where the party trespassing acted under a fair and reasonable supposition that he had a right to do the act complained of.

4. And be it further enacted by the authority aforesaid, That every punishment and forfeiture by this Act imposed on any person maliciously committing any trespass, shall equally apply and be enforced whether the trespass shall be committed from malice conceived against the owner of the property in respect of which it shall be committed, or otherwise.

5. And be it further enacted by the authority aforesaid, That for the more effectual apprehension of all offenders against this Act, any person found committing any such trespass as aforesaid, may be apprehended without a Warrant by any Peace Officer, or the owner of the property injured, or the servant or any person authorised by him, and forthwith taken to the nearest Justice of the Peace, to be dealt with according to Law.

6. And be it further enacted by the authority aforesaid, That if any person shall wilfully disturb, interrupt or disquiet any assemblage of people, met for religious worship, by profane discourse, by rude and indecent behaviour, or by making a noise either within the place of worship or so near it as to disturb the order and solemnity of the meeting, such person shall, upon conviction thereof before any Justice of the Peace, on the oath of one or more credible witness or witnesses, forfeit and pay such a sum of money not exceeding the sum of five pounds, as the said Justice shall think fit.

7. And be it further enacted by the authority aforesaid, That in default of payment of any fine imposed under the authority of this Act, together with the costs attending the same, within the period specified for the payment thereof at the time of conviction, by the Justice of the Peace before whom such conviction may have taken place, it shall and may be lawful for such Justice of the Peace to issue his Warrant, directed to any Constable, to levy the amount of such fine and costs within a certain time to be in the said Warrant expressed, and in case no distress sufficient to satisfy the amount shall be found, it shall and may be lawful for him to commit the offender to the common Gaol of the District wherein the offence was committed, for any term not exceeding one month, unless the fine and costs shall be sooner paid.

8. And be it further enacted by the authority aforesaid, That the prosecution for every offence punishable under this Act shall be commenced within three calendar months after the commission of the offence, and not otherwise, and the evidence of the party aggrieved shall be admitted in proof of the offence, and also the evidence of any inhabitant of the County, District Riding, or Division, in which the offence shall have been committed, notwithstanding any forfeiture or penalty incurred by the offence, may be payable to the general rate of such County, District, Riding or Division.

9. And for the more effectual prosecution of all offences punishable under this Act: Be it further enacted by the authority aforesaid, That when any person shall be charged on the oath of one or more credible

witness or witnesses before any Justice of the Peace, with any offence against this Act, the Justice may summon the person charged to appear at a time and place to be named in such summons, and if he shall not appear accordingly, then (upon proof of the due service of the summons upon such person, by delivering the same to him personally) the Justice may either proceed to hear and determine the case exparte, or issue his Warrant for apprehending such person and bringing him before himself or some other Justice of the Peace; or the Justice before whom the charge shall be made, may, if he shall so think fit, without any previous summons, issue such Warrant, and the Justice before whom the person charged shall appear or be brought, shall proceed to hear and determine the case.

10. And be it further enacted by the authority aforesaid, That if any Justice, upon hearing any complaint for offences against this Act, shall deem such alleged offence not to be proved, or shall find the Act complained of to have been justified, or to be of so trifling a nature as not to deserve punishment, and shall accordingly dismiss the complaint, such Justice shall, at the request of the party against whom the same shall be preferred, make out and deliver to him a Certificate under his hand, stating the fact of such dismissal; and in such case, the Justice shall order the party preferring such complaint to pay the costs of the party against whom the same shall have been preferred: and if such costs shall not be paid immediately upon dismissal, or within such period as such Justice shall at the time of such dismissal appoint, it shall be lawful for him to issue his Warrant to levy the amount of such costs within a certain time to be in the said Warrant expressed; and in case no distress sufficient to satisfy the amount of such Warrant shall be found, to commit the party by whom such costs shall be so ordered to be paid as aforesaid, to the common Gaol of the County, District, Riding or Division where such offence shall be alleged to have been committed, there to be imprisoned for any term not exceeding ten days, unless such costs shall be sooner paid.

11. And be it further enacted by the authority aforesaid, That the Justice by whom such Certificate as aforesaid shall be given, shall draw up the same in the following form, or in words to the like effect, videlicit:—

"Be it Remembered, That on the—— "day of——, in the year of our Lord—— "at——, in the County of——, [or District, Riding or Division, as the case may "be,] A. B. of——, was brought before "me, C. F., whereof "the amount can be made at the time afore- "said, then that the said E. F., be [or on "or before the——day of ——next] im- "prisoned in the common Gaol of the said "County of——, [or District, &c.] for the "space of——days, unless the same shall "be sooner paid.

"Given under my hand, the day and "year first above mentioned."

12. And be it further enacted by the authority aforesaid, That if any person against whom any complaint shall have been preferred for any offence against this Act shall have obtained such Certificate as aforesaid, or having been convicted shall have paid the whole amount adjudged to be paid under such conviction, or shall have suffered the imprisonment awarded for the non-payment thereof, in every such case, such person shall be released from all further or other proceedings, civil or criminal, for the same offence: *Provided always, nevertheless*, that nothing herein contained shall be construed to prevent any action for damages, wherein the party shall not have proceeded under the provisions of this Act.

13. And be it further enacted by the authority aforesaid, That if any person shall aid, abet, counsel, or procure the commission of any offence punishable under this Act, such person shall, on being convicted before a Justice of the Peace, on the oath of one or more credible witness or witnesses, of having so aided, abetted, counselled, or procured the commission of any such offence as aforesaid, be liable to the same forfeiture and punishment to which the principal offender is by this Act liable.

14. And be it further enacted by the authority aforesaid, That when any person shall be summarily convicted before a Justice of the Peace of any offence against this Act, it shall be lawful for the Justice if he shall so think fit, to discharge the offender from his conviction, upon his making such satisfaction to the party aggrieved, for damages and costs, or either of them, as shall be ascertained by the Justice.

15. And be it further enacted by the authority aforesaid, That the Justice before whom any person shall be convicted of any offence against this Act, may cause the conviction to be drawn up in the following form of words, or in any other form of words to the same effect as the case shall require, videlicit:

"Be it Remembered, That on the—— "day of——, in the year of our Lord—— "at——, in the County of——, [or Dis- "trict, Riding or Division, as the case "may be,] A. B., of——, is convicted "before me, C. An Act to afford relief to persons confined on Mesne Process.

[Passed 6th March, 1834.]

WHEREAS in many cases arrests are made upon mesne process of persons not having the power of procuring bail, who are thereby kept in close confinement, and being destitute of the means of support it is expedient to afford relief. *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the passing of this Act, it shall and may be lawful for any person or persons arrested on Mesne Process issued from His Majesty's Court of King's Bench or from any of the District Courts of this Province, being in actual and close custody, to make an affidavit before any person having authority to administer the same, that he, she, or they, is or are in close custody, is or are unable to procure bail, and is or are not worth the sum of Five Pounds, and upon the production of such affidavit to the Court from whence the Writ issued, in Term time, or to any Judge thereof, in Vacation, it shall and may be lawful for such Court or Judge of such Court to make an order upon the Plaintiff or Plaintiffs in any such Suit or Action, to pay to the Defendant the weekly allowance in the same manner as if the Defendant were in custody upon final process, and upon due service of a copy of such order upon the Plaintiff or his Attorney, and in the default of the payment of such weekly allowance, such Court respectively, in Term time, or any Judge thereof in Vacation, shall issue an order to the Sheriff of the District in which such Defendant shall be in custody, to discharge such Defendant upon filing common bail.

2. Provided always and be it further enacted by the authority aforesaid, that nothing in this Act contained shall extend to prevent any such Plaintiff or Plaintiffs from proceeding to final judgment and execution in the same manner as if the party had entered special bail, and as if this Act had not been passed; and provided also, that the Plaintiff shall be at liberty to tender interrogatories to the Defendant in like manner as if he were charged in execution, and such Defendant shall not be discharged for want of the payment of the weekly allowance, unless he shall answer such interrogatories to the satisfaction of the said Court, or to any Judge thereof in vacation.

3. And be it further enacted by the authority aforesaid, That any sum or sums of money paid by the Plaintiff or Plaintiffs in any Suit or Action towards the weekly allowance directed to be paid under the provisions of this Act, shall be taxed as part of the costs of the Suit, and be allowed to the Plaintiff in his bill, to be taxed by the proper Officer.

4. And be it further enacted by the authority aforesaid, That the Defendant shall not be entitled to a weekly allowance under this Act, for any time during which the Plaintiff shall be delayed in his proceeding in consequence of any indulgence granted to the Defendant by rule of Court or order of a Judge; nor shall any order be made for such weekly allowance unless the Defendant shall make an affidavit to be filed among the papers in the cause that he does not believe the demand of the Plaintiff to be just, and that for that cause and no other he resists payment of the same, and refuses to confess judgment for the sum sworn to.

5. And whereas it is expedient to afford further relief in respect to destitute persons arrested for small sums: Be it therefore further enacted by the authority aforesaid, that when the sum sworn to shall not exceed Ten Pounds, it shall and may be lawful for the Defendant at the expiration of thirty days after having been committed to prison, to apply to the Court from whence the Process issued, in Term time, or to a Judge thereof in Vacation, setting forth an affidavit that he is not worth the sum for which he has been arrested, and that he hath not directly or indirectly, sold or otherwise disposed of any goods, debts, moneys, or other personal estates, in order to defraud his Creditors, or any of them, and that if upon the return of a summons or of a rule to shew cause, which may be thereupon issued, and upon answers to any interrogatories which the Plaintiff shall be at liberty to file, no good cause shall appear to the contrary, the Court or Judge shall discharge such Defendant from imprisonment upon his filing common appearance, and the Plaintiff may proceed in his action as in non-bailable actions where the Defendant has appeared. 43

An Act to extend the limits assigned to the respective Gaols in this Province, and to afford to Plaintiffs the means in some cases of more effectually compelling the payment of Debts due to them by Defendants in Execution.

[Passed March 6th, 1834.]

WHEREAS it is expedient to extend the limits of the several Gaols throughout this Province: *Be it therefore enacted*, by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That the limits to the respective District Gaols, situate in any Town in this Province, shall be co-extensive with the limits of the several Towns in which such Gaols respectively are situate, any law to the contrary thereof in any wise notwithstanding.

2. And be it further enacted by the authority aforesaid, That the limits to those District Gaols which are not situate in any Town, shall and may be extended by the Magistrates of the District in Quarter Sessions assembled, to the distance of half a mile on each side of the several Gaols so situated.

3. And be it further enacted by the authority aforesaid, that such extension of Gaol limits hereby established or authorised to be made, shall not in any manner affect or make void any of the securities already given for the enjoyment of the present Gaol limits, but the same shall continue in force and extend to the said newly assigned limits.

4. *And whereas* it is expedient to afford to Plaintiffs more effectual means of compelling Defendants to a just application of their effects, in satisfaction of their debts, than are now provided by law: Be it therefore further enacted by the authority aforesaid, That whenever the Plaintiff in any action shall have reason to believe that the Defendant, being a Debtor in execution, and admitted to the limits before or after the passing of this Act, hath the means at his disposal or within his control of satisfying the debt for which he is in execution, or a considerable portion thereof, it shall be competent to him to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, or to the District Court, or a Judge thereof in like manner, when such execution shall have issued from a District Court, shewing his grounds for such belief upon affidavit, and if upon the return of any summons or rule to shew cause that may thereupon issue, which summons or rule shall be served personally upon the Debtor, it shall appear to the satisfaction of the Court or Judge, that the Debtor has the means at his disposal or within his control of satisfying the debt, or a considerable portion thereof, or that he had such means at the time of the service upon him of any notice by the Plaintiff of an intended application under this Act, it shall be competent to such Court or Judge, upon a view of the facts disclosed, and upon a consideration of any other matters which such Court or Judge thereof may require to have stated upon affidavit, in relation to such application, either by way of answers by either party to such interrogatories as the other party may desire, or the Court may direct, to be filed, or otherwise to make an order or rule upon the Sheriff, directing him to apprehend the Defendant, and keep him in custody within the walls of the Gaol of his District, and such Defendant shall, when committed upon such order, remain imprisoned in execution, in the same manner as if he had not before obtained the benefit of the limits.

5. Provided always, nevertheless, and be it further enacted by the authority aforesaid, That it shall, nevertheless, be competent to the Defendant, after he shall have been so imprisoned in close custody under this Act, to apply to the Court from which the Execution issued, or to a Judge thereof in vacation, for a Rule or Summons upon the Plaintiff, to shew cause why he should not be allowed the benefit of the Limits, upon giving the security required by law; which application shall be supported by affidavit, shewing that such Defendant has made or tendered just and reasonable satisfaction to the Plaintiff in respect to the grounds upon which he was taken from the Limits and committed to close custody; and that the Court, or Judge, upon the return of such rule or order served on the Plaintiff, or his Attorney, or otherwise, as under the circumstances such Court or Judge shall direct, or shall deem sufficient, may make a rule or order, allowing to the Defendant the benefit of the Limits, upon his giving the security required by law, if it shall appear reasonable and just so to do, under all the circumstances of the case.

6. Provided always, and be it further enacted by the authority aforesaid, That upon the occasion of such an application as last herein mentioned, the Court or Judge may require information upon affidavit, or by way of answers to interrogatories, in the same manner as herein directed in respect to any application to be made for depriving a Defendant of the benefit of the Limits: *And provided also*, that after such second admission, or any future admission of a Defendant to the limits under the authority of this Act, similar proceedings may be adopted by reason of any new facts discovered for again depriving the Defendant of the benefit of the Limits, or for again admitting him to the Limits, as the case may require.

7. And be it further enacted by the authority aforesaid, That when a Defendant in Execution, and upon the Limits, shall refuse or neglect upon demand made by the Plaintiff or his Attorney, either verbally or in writing, to deliver to him within such time as shall appear reasonable under the circumstances, to the Court or Judge to whom application shall be made under this Act, an account or schedule in writing under the hand of such Defendant, and verified by his oath, of all his real and personal estate, debts and effects of every description, such refusal or neglect if not accounted for to the satisfaction of the Court or Judge, may in their or his discretion be taken as sufficient ground for making a Rule or Order as in this Act mentioned, for committing such Defendant to close custody within the gaol as aforesaid. 43

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a

Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

In conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

2. Provided always, and be it further enacted by the authority aforesaid, That in case the Justice shall find the assault or battery complained of to have been accompanied by any attempt to commit Felony, or shall be of opinion that the same is, from any other circumstance, a fit subject for a prosecution by indictment, he shall abstain from adjudicating thereupon, and shall deal with the case in all respects in the same manner as such Justice would have done if this Act had not been passed.

3. And be it further enacted by the authority aforesaid, That if any person shall wilfully or maliciously commit any damage, injury or spoil, to or upon any real or personal property whatsoever, either of a public or private nature, the committing of which damage, injury or spoil, is not made Felony by any Law in force in this Province, nor made punishable either as a Felony or otherwise by the provisions of any Act of the Parliament of this Province in relation to such particular offence, every such person, being convicted thereof before a Justice of the Peace, shall forfeit and pay such sum of money as shall appear to the Justice to be a reasonable compensation for the damage, injury or spoil, so committed, not exceeding the sum of Five Pounds; which sum of money shall, in case of private property, be paid to the party aggrieved, except when such party shall have been examined in proof of the offence; and in such case, and in all other cases of convictions under the provisions of this Act, the penalties imposed shall be applied in the manner hereinafter specified: *Provided always*, that nothing herein contained shall extend to any case where the party trespassing acted under a fair and reasonable supposition that he had a right to do the act complained of.

And be it further enacted by the authority aforesaid, That every punishment and forfeiture by this Act imposed on any person maliciously committing any trespass, shall equally apply and be enforced whether the trespass shall be committed from malice conceived against the owner of the property in respect of which it shall be committed, or otherwise.

5. And be it further enacted by the authority aforesaid, That for the more effectual apprehension of all offenders against this Act, any person found committing any such trespass as aforesaid, may be apprehended without a Warrant by any Peace Officer, or the owner of the property injured, or the servant or any person authorised by him, and forthwith taken to the nearest Justice of the Peace, to be dealt with according to Law.

6. An Act to extend the limits assigned to the respective Gaols in this Province, and to afford to Plaintiffs the means in some cases of more effectually compelling the payment of Debts due to them by Defendants in Execution.

[Passed March 6th, 1834.]

WHEREAS it is expedient to extend the limits of the several Gaols throughout this Province: *Be it therefore enacted*, by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That the limits to the respective District Gaols, situate in any Town in this Province, shall be co-extensive with the limits of the several Towns in which such Gaols respectively are situate, any law to the contrary thereof in any wise notwithstanding.

2. And be it further enacted by the authority aforesaid, That the limits to those District Gaols which are not situate in any Town, shall and may be extended by the Magistrates of the District in Quarter Sessions assembled, to the distance of half a mile on each side of the several Gaols so situated.

3. And be it further enacted by the authority aforesaid, that such extension of Gaol limits hereby established or authorised to be made, shall not in any manner affect or make void any of the securities already given for the enjoyment of the present Gaol limits, but the same shall continue in force and extend to the said newly assigned limits.

4. *And whereas* it is expedient to afford to Plaintiffs more effectual means of compelling Defendants to a just application of their effects, in satisfaction of their debts, than are now provided by law: Be it therefore further enacted by the authority aforesaid, That whenever the Plaintiff in any action shall have reason to believe that the Defendant, being a Debtor in execution, and admitted to the limits before or after the passing of this Act, hath the means at his disposal or within his control of satisfying the debt for which he is in execution, or a considerable portion thereof, it shall be competent to him to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, or to the District Court, or a Judge thereof in like manner, when such execution shall have issued from a District Court, shewing his grounds for such belief upon affidavit, and if upon the return of any summons or rule to shew cause that may thereupon issue, which summons or rule shall be served personally upon the Debtor, it shall appear to the satisfaction of the Court or Judge, that the Debtor has the means at his disposal or within his control of satisfying the debt, or a considerable portion thereof, or that he had such means at the time of the service upon him of any notice by the Plaintiff of an intended application under this Act, it shall be competent to such Court or Judge, upon a view of the facts disclosed, and upon a consideration of any other matters which such Court or Judge thereof may require to have stated upon affidavit, in relation to such application, either by way of answers by either party to such interrogatories as the other party may desire, or the Court may direct, to be filed, or otherwise to make an order or rule upon the Sheriff, directing him to apprehend the Defendant, and keep him in custody within the walls of the Gaol of his District, and such Defendant shall, when committed upon such order, remain imprisoned in execution, in the same manner as if he had not before obtained the benefit of the limits.

5. Provided always, nevertheless, and be it further enacted by the authority aforesaid, That it shall, nevertheless, be competent to the Defendant, after he shall have been so imprisoned in close custody under this Act, to apply to the Court from which the Execution issued, or to a Judge thereof in vacation, for a Rule or Summons upon the Plaintiff, to shew cause why he should not be allowed the benefit of the Limits, upon giving the security required by law; which application shall be supported by affidavit, shewing that such Defendant has made or tendered just and reasonable satisfaction to the Plaintiff in respect to the grounds upon which he was taken from the Limits and committed to close custody; and that the Court, or Judge, upon the return of such rule or order served on the Plaintiff, or his Attorney, or otherwise, as under the circumstances such Court or Judge shall direct, or shall deem sufficient, may make a rule or order, allowing to the Defendant the benefit of the Limits, upon his giving the security required by law, if it shall appear reasonable and just so to do, under all the circumstances of the case.

6. Provided always, and be it further enacted by the authority aforesaid, That upon the occasion of such an application as last herein mentioned, the Court or Judge may require information upon affidavit, or by way of answers to interrogatories, in the same manner as herein directed in respect to any application to be made for depriving a Defendant of the benefit of the Limits: *And provided also*, that after such second admission, or any future admission of a Defendant to the limits under the authority of this Act, similar proceedings may be adopted by reason of any new facts discovered for again depriving the Defendant of the benefit of the Limits, or for again admitting him to the Limits, as the case may require.

7. And be it further enacted by the authority aforesaid, That when a Defendant in Execution, and upon the Limits, shall refuse or neglect upon demand made by the Plaintiff or his Attorney, either verbally or in writing, to deliver to him within such time as shall appear reasonable under the circumstances, to the Court or Judge to whom application shall be made under this Act, an account or schedule in writing under the hand of such Defendant, and verified by his oath, of all his real and personal estate, debts and effects of every description, such refusal or neglect if not accounted for to the satisfaction of the Court or Judge, may in their or his discretion be taken as sufficient ground for making a Rule or Order as in this Act mentioned, for committing such Defendant to close custody within the gaol as aforesaid. 43

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called

U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question,

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November 1st, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

2. And be it further enacted by the authority aforesaid, That every Assessor shall subscribe the Assessment List by him taken, and shall make oath before the Clerk of the Peace, or some Justice of the Peace of the District, (who is hereby authorised to administer the same) that the same has been faithfully taken, by attendance at the usual place of residence of the several householders or heads of families therein named, and contains a true and correct statement of the number of inhabitants in the Township, place or places, for which the same shall have been taken, according to the best of his knowledge and belief, and shall transmit the same, so verified, to the Clerk of the Peace of the District, on or before the first General Quarter Sessions holden in each District after the first day of April in each year.

3. And be it further enacted by the authority aforesaid, That the said Assessors shall, in separate columns, return the number, sex and age, of persons insane, deaf or dumb, within the Township for which they may have been appointed Assessors.

4. And be it further enacted by the authority aforesaid, That if any person shall wilfully forswear himself under the provisions of this Act, he shall be guilty of wilful and corrupt perjury.

5. And be it further enacted by the authority aforesaid, That from and after the passing of this Act, the second clause of an Act passed in the forty-sixth year of the reign of His late Majesty George the Third, entitled, "An Act to alter and amend an Act passed in the thirty-third year of His present Majesty's Reign, entitled, 'An Act to provide for the nomination and appointment of Parish and Town Officers, and also to repeal certain parts of an Act passed in the thirty-third year of His present Majesty's Reign, entitled, 'An Act to authorise and direct the levying and collecting of Assessments and Rates in every District in this Province, and to provide for the payment of wages to the Members of the House of Assembly," be, and the same is hereby repealed.

2. And be it further enacted by the authority aforesaid, That the limits to those District Gaols which are not situate in any Town, shall and may be extended by the Magistrates of the District in Quarter Sessions assembled, to the distance of half a mile on each side of the several Gaols so situated.

4. *And whereas* it is expedient to afford to Plaintiffs more effectual means of compelling Defendants to a just application of their effects, in satisfaction of their debts, than are now provided by law: Be it therefore further enacted by the authority aforesaid, That whenever the Plaintiff in any action shall have reason to believe that the Defendant, being a Debtor in execution, and admitted to the limits before or after the passing of this Act, hath the means at his disposal or within his control of satisfying the debt for which he is in execution, or a considerable portion thereof, it shall be competent to him to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, or to the District Court, or a Judge thereof in like manner, when such execution shall have issued from a District Court, shewing his grounds for such belief upon affidavit, and if upon the return of any summons or rule to shew cause that may thereupon issue, which summons or rule shall be served personally upon the Debtor, it shall appear to the satisfaction of the Court or Judge, that the Debtor has the means at his disposal or within his control of satisfying the debt, or a considerable portion thereof, or that he had such means at the time of the service upon him of any notice by the Plaintiff of an intended application under this Act, it shall be competent to such Court or Judge, upon a view of the facts disclosed, and upon a consideration of any other matters which such Court or Judge thereof may require to have stated upon affidavit, in relation to such application, either by way of answers by either party to such interrogatories as the other party may desire, or the Court may direct, to be filed, or otherwise to make an order or rule upon the Sheriff, directing him to apprehend the Defendant, and keep him in custody within the walls of the Gaol of his District, and such Defendant shall, when committed upon such order, remain imprisoned in execution, in the same manner as if he had not before obtained the benefit of the limits.

5. Provided always, nevertheless, and be it further enacted by the authority aforesaid, That it shall, nevertheless, be competent to the Defendant, after he shall have been so imprisoned in close custody under this Act, to apply to the Court from which the Execution issued, or to a Judge thereof in vacation, for a Rule or Summons upon the Plaintiff, to shew cause why he should not be allowed the benefit of the Limits, upon giving the security required by law; which application shall be supported by affidavit, shewing that such Defendant has made or tendered just and reasonable satisfaction to the Plaintiff in respect to the grounds upon which he was taken from the Limits and committed to close custody; and that the Court, or Judge, upon the return of such rule or order served on the Plaintiff, or his Attorney, or otherwise, as under the circumstances such Court or Judge shall direct, or shall deem sufficient, may make a rule or order, allowing to the Defendant the benefit of the Limits, upon his giving the security required by law, if it shall appear reasonable and just so to do, under all the circumstances of the case.

6. Provided always, and be it further enacted by the authority aforesaid, That upon the occasion of such an application as last herein mentioned, the Court or Judge may require information upon affidavit, or by way of answers to interrogatories, in the same manner as herein directed in respect to any application to be made for depriving a Defendant of the benefit of the Limits: *And provided also*, that after such second admission, or any future admission of a Defendant to the limits under the authority of this Act, similar proceedings may be adopted by reason of any new facts discovered for again depriving the Defendant of the benefit of the Limits, or for again admitting him to the Limits, as the case may require.

7. And be it further enacted by the authority aforesaid, That when a Defendant in Execution, and upon the Limits, shall refuse or neglect upon demand made by the Plaintiff or his Attorney, either verbally or in writing, to deliver to him within such time as shall appear reasonable under the circumstances, to the Court or Judge to whom application shall be made under this Act, an account or schedule in writing under the hand of such Defendant, and verified by his oath, of all his real and personal estate, debts and effects of every description, such refusal or neglect if not accounted for to the satisfaction of the Court or Judge, may in their or his discretion be taken as sufficient ground for making a Rule or Order as in this Act mentioned, for committing such Defendant to close custody within the gaol as aforesaid. 43

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London Dis[illegible]—Roswell Mount Esquire, D[illegible]e.
Western D[illegible]—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.
Commissioner of Crown Lands Office, York, 27th May, 1833. 3

4. Provided always, and be it further enacted by the authority aforesaid, That if it shall appear to the Magistrates before whom any person shall be prosecuted under this Act, that such person did not intend to violate the provisions of this Act, then no penalty shall in such case be imposed.

5. And be it further enacted by the authority aforesaid, That no information or complaint shall be received under this Act, if more than six calendar months shall have elapsed from the time the offence was committed.

10. And be it further enacted by the authority aforesaid, That the interest growing due upon the said Debentures shall and may be demandable in half-yearly periods, computing from the date thereof, and shall and may be paid on demand by or through the Receiver General of this Province for the time being, whose duty it shall be to deposit at the place specified in the said Debentures, the half-yearly interest which may from time to time become due and payable thereon; and that the Governor, Lieutenant Governor, or person administering the Government of this Province, shall, after the thirtieth day of June and the thirty-first day of December in each year, issue Warrants to the Receiver General for the payment of the amount of interest that shall have been advanced.

12. And be it further enacted by the authority aforesaid, That at any time after the said Debentures, or any of them, shall respectively become due, according to the terms thereof, it shall and may be lawful for the Governor, Lieutenant Governor or person administering the Government of this Province, to order and direct His Majesty's Receiver General for the time being, to pay off, cancel, and discharge the same, in London, according to the terms of the said loan; and if the said Debentures shall not be presented at the place named by the said Receiver General in London, within six months after the same may become due and payable, the interest shall cease, and be no further payable in respect of the time which may elapse between the expiration of the said six months and their presentment for payment.

An Act to regulate Line Fences and Water Courses, and to repeal so much of an Act passed in the thirty-third year of the reign of His late Majesty King George the Third, entitled "An Act to provide for the nomination and appointment of Parish and Town Officers within this Province," as relates to the office of Fence Viewers being discharged by Overseers of Highways and Roads.

(Passed 6th March, 1834.)

WHEREAS much difficulty and inconvenience are experienced and many disputes arise from the want of some Provincial enactment, by which each party interested in the making or repairing any division or Line Fence, may be compelled to make or repair, or pay for making and repairing a fair and just proportion of such Fence: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province;" and by the authority of the same, That it shall and may be lawful for the Inhabitant Householders of each and every Township in this Province, at their annual Town Meeting for the election of Township Officers, to choose from among the Inhabitants of the said Township, in the same manner as by Law other Township Officers are chosen, not less than three or more than eighteen fit and discreet persons to serve the office of Fence Viewers, who shall perform the duties hereinafter prescribed to Fence Viewers, and who shall take the same oath of office, and in the same manner which persons chosen to other Township Officers, are or may be by law recquired to do, and be liable to the same penalties for neglect or refusal to take said oath of office, to which persons chosen to other Township Offices, and neglecting or refusing to take the oath of office, are or may be by law liable.

2. And be it further enacted by the authority aforesaid, That each of the parties occupying adjoining tracts of land, shall keep up, make and repair a fair and just proportion of the division or Line Fence between their several tracts of land; and that where there shall be a dispute between the parties, as to the commencement or extent of the part of the said division or Line Fence which either party may claim or refuse to make or repair, it shall and may be lawful for either party to submit the same to the determination and award of three Fence Viewers, which Fence Viewers are hereby authorised and required, upon being duly notified by either party in such case, to attend at the time and place stated in such notice, and after being satisfied that the other party or parties in the case have been duly notified to appear at the time and place, to proceed to examine the premises; and such Fence Viewers, or any two of them, shall determine any and every dispute in the matter aforesaid, between the said parties, and the award and determination of such Fence Viewers, or any two of them, on the matters aforesaid, shall be binding on the parties as far as concerns the making or repairing of such division or Line Fence, and from thenceforth the occupier or occupiers of the said tracts or parcels of land shall respectively make and repair, and keep in repair, that part of such division or Line Fence which shall have been assigned in such award or determination to the occupier or occupiers of such tract or parcel of land, which determination and award shall be made in writing, and signed by such Fence Viewers, or a majority of them, and filed in the Town Clerk's Office, and a copy of the same made out and given to each of the parties: *Provided always, nevertheless*, that when by reason of any material change of circumstances in respect to the improvement and occupation of adjacent lots or parcels of land, an award which has been made under this Act shall cease in the opinion of either of the parties to be equitable between them, it shall be in the power of either to obtain another award of Fence Viewers by the same mode of proceeding as is hereinbefore directed, and that if the Fence Viewers who shall have been called upon to make such subsequent award, shall find no reason for making an alteration, the whole cost of such reference shall be borne by the party at whose instance it shall have been made.

3. And be it further enacted by the authority aforesaid, That if any person or persons who may be in the occupation of any tract or parcel of land shall neglect or refuse to make or repair (as the case may be) an equal or just proportion of the division or Line Fence between such tract or parcel of land and the adjoining tract or parcel of land, for a period of thirty days after being required by a demand in writing by the person or persons occupying such adjoining tract or parcel of land, or after the award of the Fence Viewers as aforesaid, to make or repair such equal or just proportion of the division or Line Fence; or if the party making such demand shall for such period neglect or refuse to make or repair an equal or just proportion of the division or Line Fence, it shall and may be lawful for either of the said parties, after first completing his own proportion of such Fence, to make or repair in a substantial manner, and of good sound materials, the whole or any part of the said division or Line Fence which ought to have been by the other party made or repaired, and to recover in the manner hereinafter mentioned, of the person or persons who may have neglected or refused in manner aforesaid to make or repair such proportion of the division or Line Fence, the just and full value of such proportion, not exceeding the sum of two shillings and six pence per rod, to be ascertained and determined in the manner hereinafter provided: *Provided always*, that any Fence coming within the meaning and intent of the resolution resolving what shall be considered to be a lawful Fence for that year, entered into by the inhabitant householders at their annual Township Meeting, shall be considered by all Fence Viewers to be a lawful Fence; and when the householders as aforesaid shall neglect or refuse to decide by such resolution what shall be a lawful Fence, then, and in that case, it shall be lawful for such Fence Viewers, when called upon, to exercise their own judgment, and decide what they consider to be a lawful Fence.

4. And be it further enacted by the authority aforesaid, That it shall and may be lawful for any Commissioner of the Court of Requests for the division in which such Fence may be situated, and he is hereby required, upon the demand of any person or persons, to issue a Summons under his hand and seal, directed to three Fence Viewers (by their proper names) of the Township in which such Fence is situated, requiring them to attend on the day and at the hour therein mentioned, and at a place therein mentioned, to view such Fence, and to appraise the same; also, to issue his Summons to the person or persons so having neglected or refused to make or repair such proportion of the division or Line Fence, who shall thenceforth be considered as the Defendant or Defendants in the case, requiring him or them to appear, at the same time and place, to shew cause why the person or persons claiming payment as aforesaid, who shall thenceforth be considered as the Plaintiff or Plaintiffs in the case, should not recover the the same.

5. And be it further enacted by the authority aforesaid, That such Fence Viewers, upon being personally served at least eight days previously with such Summons at the time and place therein mentioned, and after having duly examined the Fence and received evidence, which, if required by either party, or if the said Fence Viewers shall think it expedient, shall be given under oath, they, or any two of them, shall determine whether the said Plaintiff is entitled to recover any, and if any, what sum, from the said Defendant or Defendants, under the provisions of this Act; and in all cases where the commencement or extent of the part of such Division or Line Fence which each party should make or repair, has not been determined by the award of Fence Viewers as aforesaid, the said Fence Viewers, or any two of them, shall determine the same, which determination shall be final and binding on the occupiers of the said tracts or parcels of land, and have the same effect as if it had been made by three Fence Viewers in the manner aforesaid, and shall report their determination upon the matters afore-aid in writing, under their hands, to the said Commissioner of the Court of Requests by whom the said Summons shall have been issued, and shall also, in all cases where they determine that the said Plaintiff is entitled to recover any thing from the said Defendant or Defendants, state what distance of Fence they have determined that the said Defendant or Defendants should have made or repaired.

6. And be it further enacted by the authority aforesaid, That the said Fence Viewers, if they shall be required by either party, before they shall have made a report as aforesaid of their determination to the said Commissioner of the Court of Requests, shall give to such party requiring the same a true copy of their said determination.

7. And be it further enacted by the authority aforesaid, That if either of the said parties shall desire to procure the attendance of any person to give evidence before such Fence Viewers, it shall and may be lawful for the Commissioner of the Court of Requests by whom any Summons shall have been issued as aforesaid to such Fence Viewers, to issue, upon the application of either of the said parties, a Summons to any person to attend as a witness before the said Fence Viewers at the time and place mentioned in the said Summons to the Fence Viewers, and that the said Fence Viewers, when met as aforesaid at the time and place mentioned in the Summons, shall be, and are hereby authorised, whenever it shall be desired by either party, or they shall think it proper, to administer an oath to any person, except the parties or persons interested, whose evidence they shall wish to take, which oath shall be in the following form:—

"You do solemnly swear that you will true answer make to such questions as may be asked of you by either of the Fence Viewers now here assembled, touching the matters which they are now to examine and determine —So HELP YOU GOD."

And if any person giving evidence as aforesaid under oath, shall be guilty of false swearing, he shall be deemed guilty of perjury, and upon conviction thereof shall be liable to the same punishment and disabilities that persons convicted of Perjury in other cases are now by law liable.

8. And be it further enacted by the authority aforesaid, That the Commissioner of the Court of Requests, to whom the determination of the Fence Viewers shall be returned as aforesaid, shall cause the same to be copied into a book kept for that purpose by the Court of Requests for the division to which he belongs, and thereupon the said Court of Requests shall issue an execution against the goods and chattels of the said Defendant or Defendants in the same manner as if the party to whom it is due had received a Judgment in the Court of Request for the sum which the said Fence Viewers shall have determined as aforesaid he was entitled to receive, and also (if the said sum amounts to more than Two Pounds but not otherwise) for the costs he may have necessarily incurred in the recovery thereof, and when such sum shall not amount as aforesaid to more than Two Pounds then the other party shall be entitled to an Execution from said Court of Request against the goods and chattels of the Plaintiff or Plaintiffs, for the costs he may necessarily have been put to in opposing the Plaintiffs claim, the amount of the said Costs in either case to be determined by the said Court of Requests,: *Provided that* when the said sum shall amount to more than two shillings and sixpence per Rod for the length of fence which such Fence Viewers shall have determined such Defendant or Defendants ought to have made or repaired, the said Plaintiff shall be entitled to recover and have execution for only the sum of two shillings and sixpence per Rod as aforesaid and his costs: *Provided also* that no such writ of execution shall be issued until after the expiration of forty days from the time of such determination.

9. And be it further enacted by the authority aforesaid, That all and every of such Fence Viewers shall be entitled to receive the sum of five shillings for every day they are necessarily engaged in discharging the duties imposed upon them by this Act, and so in proportion for any time less than one day, and no more, and that every witness who shall be summoned and attend as aforesaid before such Fence Viewers shall be entitled to receive two shillings and sixpence per day, and every commissioner of the Court of Requests and Bailiff shall be entitled to receive for any Service performed under this Act the same fees which they are respectively entitled to receive for similar services in the Court of Requests.

10. And be it further enacted by the authority aforesaid That any Fence Viewers legally holding the office of Fence Viewers who shall neglect or refuse to perform the duties of his office shall forfeit for every negleet to any person who may sue for the same, a sum not exceeding forty shillings with Costs of Suit, to be recovered upon information and complaint before any one of the Justices of the Peace for the District in which such Fence Viewer was chosen, and to be levied by distress under a Warrant issued by such Justice.

11. And be it further enacted by the authority aforesaid, That when any party shall cease to improve his land or shall lay his enclosure before under improvement, in common, he shall not have a right to take away any part of the Partition Fence that to him belongs adjoining to the next enclosure that is improved or occupied: *Provided* the party occupying the lands adjoining the same will allow and pay therefor so much as the Fence Viewers, or a majority of them, shall in writing determine to be the reasonable value thereof; and whenever any lands which have laid unimproved and in common shall be afterwards enclosed or improved, the occupier or occupiers thereof shall pay for their fair or just proportion of the division or Line Fence, standing upon the divisional line between the same land and the land of the enclosure of any other occupant or proprietor, the value thereof to be ascertained and set forth in writing by three Fence Viewers in case the parties shall not agree among themselves, and the amount of said value to be recovered according to the proportions so estimated in the same manner and form as hereinbefore provided respecting the making and keeping in repair division or Line Fences.

12. Provided always, and be it further enacted by the authority aforesaid, That in no case shall any person be authorised to take away any part of the Partition Fence that to him belongs, adjoining to the next enclosure that is improved or occupied, unless the party occupying the lands adjoining the same refuse to pay for the same as aforesaid, nor without first giving due notice to such party for at least twelve months previously to the removal of the same.

13. And be it further enacted by the authority aforesaid, That when a water Fence, or a fence running into the water, is necessary to be made, the same shall be done in equal parts, unless by the parties otherwise agreed; and in case either party shall refuse or neglect to make or maintain the share to such party belonging, similar proceedings shall or may be had as in other cases of the like kind respecting Fences out of the water, in this Act mentioned.

14. And be it further enacted by the authority aforesaid, That when Lands belonging to or occupied by different persons, and subject to be fenced and bounded upon or divided from each other by any brook, pond or creek, which of itself is not a sufficient Fence, in such case, if the parties disagree, the same may be submitted to three Fence Viewers, as heretofore provided in cases of disagreement, and if in the opinion of such Fence Viewers, such brook, river, pond or creek is not of itself a sufficient Fence, and that it is impracticable to fence at the true boundary line, they shall judge and determine how or on which side thereof the fence shall be set up and maintained, or whether partly on one side and partly on the other side, as to them shall appear just, and reduce such their determination to writing, as heretofore provided in other cases; and if either of the parties shall refuse or neglect to make up and maintain the part of the Fence, to such party belonging, according to the Fence Viewers determination, in writing as aforesaid, the same may be done and performed as is in this Act before provided in other cases, and the delinquent party shall be subject to the same costs and charges, and to be recovered in like manner.

15. And be it further enacted by the authority aforesaid, That in all cases when any party shall desire to have a Lane between his Land and any adjoining tract or parcel of Land, and shall make the Fence on one side of the said Lane on his own Land, he shall not be obliged to make or repair, or pay for making or repairing any part of the Fence on the other side of such Lane, any thing herein contained to the contrary in anywise notwithstanding.

16. *And whereas* it is expedient to provide for the opening of Water Courses in this Province: Be it therefore enacted by the authority aforesaid, That in all cases, when it shall be the joint interest of parties resident within this Province to open a Ditch or Water Course, for the purpose of letting off surplus water from swamps or sunken miry Lands, in order to enable the owners or occupiers of such swampy or sunken Land to cultivate or improve the same, it shall be the duty of such several parties to open a just and fair share of such Ditch or Water Course, in proportion to the several interests that such parties may have in the same; and in cases where a dispute shall or may arise, as to the part, width, depth or extent, that any party so interested ought to open or make, the same may be referred to three Fence Viewers, in the same way and manner as is heretofore by this Act provided, in cases of disputes between parties relative to Line or or Division Fences; and it shall be the duty of such Fence Viewers, to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, as in the opinion of such Fence Viewers shall be a just and equitable proportion, having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course, and the Fence Viewers shall at the same time decide what length of time shall be allowed to each of the parties to open his or her share of such Ditch, and the determination or award of such Fence Viewers shall be made in the same form, and signed and executed in the same manner, and have the same effect in regard to Ditches or Water Courses, as is provided by this Act in regard to Line or Division Fences.

17. And be it further enacted by the authority aforesaid, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of Land is not sufficiently interested in the opening of such Ditch to make him a party, and at the same time that it is necessary that such Ditch should be continued across his Land by the other party or parties, at their own expense, they may award the same in manner and form aforesaid, and upon such award, such party or parties may lawfully, and without molestation, open such Ditch or Water Course across such Land as aforesaid, at their own expense.

18. And be it further enacted by the authority aforesaid, That if any party shall neglect or refuse to open or make and keep open his share or proportion allotted or awarded to him by such Fence Viewers as aforesaid, within the time allowed by such Fence Viewers, either of the other parties may, after first completing his own share or proportion allotted to him in manner aforesaid, open the share or proportion allotted to such party neglecting or refusing to open the same, and such party so opening such other parties share, shall be entitled to recover the value thereof from the party so neglecting or refusing to open his share or proportion, in the same way and manner and form as is in this Act provided relative to Line and Division Fences.

19. And be it further enacted by the authority aforesaid, That all fines levied under the provisions of this Act shall be by the Justice or Justices of the Peace by whom the same may be imposed and collected, paid over to the Overseer or Overseers of Highways in the Division wherein such fine or fines shall have been levied, and such Overseer or Overseers are hereby authorized and required to expend the same in the same manner as other monies coming to their hands to be expended on the Highways, and shall render an account thereof within three months after expenditure thereof, to the Justices in Quarter Sessions assembled.

20. And be it further enacted by the authority aforesaid, That this Act shall be and continue in force for four years, and from thence to the end of the next ensuing Session of Parliament, and no longer.

21. And be it further enacted by the authority aforesaid, That so much of the fifth clause of an Act of the Parliament of this Province, passed in the thirty-third year of the reign of King George the Third, entitled "An Act to provide for the nomination and appointment of Parish and Town Officers within this Province," as provides that persons chosen to be Overseers of Highways and Roads shall also serve the office of Fence Viewers, shall be

An Act to attach certain Townships in the District of Newcastle to the Counties of Northumberland and Durham, respectively.

[Passed 6th March, 1834.]

WHEREAS there are several Townships in the District of Newcastle which are not attached to or included within any County of the same: *And whereas* there are many Inhabitants settled in those Townships and it is therefore desirable to annex the same to some adjoining County: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America and to make further provision for the Government of the said Province," and by the authority of the same, That the Townships of Ennismore, Harvey, Douro, Dummer, Belmont, Burleigh, and Methuen, be annexed to and form part of the County of Northumberland, and that the Townships of Verulam, Fenelon, and Elden, be annexed to and form part of the County of Durham. 45

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE, *Clerk Executive Council*

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locatious already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that pe l. That the order was intended to affi . U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

VOL. VIII. TORONTO, THURSDAY APRIL 10, 1834. NO. 47.

By Authority.

An Act to amend the Law respecting Real Property, and to render the proceedings for recovering possession thereof in certain cases, less difficult and expensive.

[Passed 6th March, 1834.]

WHEREAS it is expedient to amend the Law relating to real Estates, by making certain alterations in the Law of Inheritance, and respecting the conveyance of Real Property by Devise and by Deed, and in regard to Dower, and the limitation of actions and suits relating to real Property, and for simplifying the remedies for trying the rights thereto: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of Quebec in North America,' and to make further provision for the Government of the said Province;" and by the authority of the same, That in every case descent shall be traced from the purchaser; and to the intent that the pedigree may never be carried farther back than the circumstances of the case and the nature of the Title shall require, the person last entitled to the land shall for the purposes of this Act be considered to have been the purchaser thereof unless it shall be proved that he inherited the same, in which case, the person from whom he inherited the same, shall be considered to have been the purchaser, unless it shall be proved that he inherited the same; and in like manner, the last person from whom the land shall be proved to have been inherited shall in every case be considered to have been the Purchaser, unless it shall be proved that he inherited the same.

2 And be it further enacted by the authority aforesaid, That when any Land shall have been devised by any Testator, who shall die after the first day of July, one thousand eight hundred and thirty-four to the heir or to the person who shall be the heir of such Testator, such heir shall be considered to have acquired the Land as a Devisee and not by descent; and when any Land shall have been limited by any assurance, executed after the said first day of July, one thousand eight hundred and thirty four, to the person, or to the heirs of the person who shall thereby have conveyed the same Land, such person shall be considered to have acquired the same as a purchaser, by virtue of such assurance, and shall not be considered to be entitled thereto, as of his former estate or part thereof.

3 And be it further enacted by the authority aforesaid, That when any person shall have acquired any land by purchase, under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, contained in an assurance, executed after the said first day of July, one thousand eight hundred and thirty four, or under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, or under any limitation having the same effect, contained in a Will of any Testator who shall depart this life after the said first day of July, one thousand eight hundred and thirty-four, then and in any such cases such land shall descend, and the descent thereof shall be traced, as if the Ancestor named in such limitation had been the purchaser of such land.

4. And be it further enacted by the authority aforesaid, That no Brother or Sister shall be considered to inherit immediately from his or her Brother or Sister, but every descent from a Brother or Sister shall be traced through the Parent.

5. And be it further enacted by the authority aforesaid, That every lineal Ancestor shall be capable of being heir to any of his issue, and in every case where there shall be no issue of the purchaser, his nearest lineal ancestor shall be his heir in preference to any person who would have been entitled to inherit either by tracing his descent through such lineal ancestor, or in consequence of there being no descendant of such lineal ancestor so that the Father shall be preferred to a Brother or Sister, and a more remote lineal ancestor to any of his issue, other than a nearer lineal ancestor or his issue.

6. And be it further enacted and declared by the authority aforesaid, That none of the maternal ancestors of the person from whom the descent is to be traced, nor any of their descendants shall be capable of inheriting until all his paternal ancestors and their descendants shall have failed, and also that no female paternal ancestor of such person, nor any of her descendants shall be capable of inheriting until all his male paternal ancestors and their descendants shall have failed, and that no female maternal ancestor of such person nor any of her descendants, shall be capable of inheriting until all his male maternal ancestors and their descendants shall have failed.

7. And be it further enacted and declared, That where there shall be a failure of male paternal ancestors of the person from whom the descent is to be traced, and their descendants, the mother of his more remote male paternal ancestor, or her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male paternal ancestor or her descendants; and when there shall be a failure of male paternal ancestors of such person and their descendants, the mother of his more remote male maternal ancestor and her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male maternal ancestor and her descendants.

8. And be it further enacted by the authority aforesaid, That any person related to the person from whom the descent is to be traced by the half blood, shall be capable of being his heir; and the place in which any such relation by the half blood shall stand in the order of inheritence so as to be entitled to inherit, shall be next after any relation in the same degree of the whole blood and his issue, where the common ancestor shall be a male, and next after the common ancestor when such common ancestor shall be a female, so that the brother of the half blood on the part of the father, shall inherit next after the sisters of the whole blood on the part of the father and their issue, and the brother of the half blood on the part of the mother, shall inherit next after the mother.

9. And be it further enacted by the authority aforesaid, That when the person from whom the descent of any land is to be traced shall have had any relation who having been attainted, shall have died before such descent shall have taken place, then such attainder shall not prevent any person from inheriting such land who would have been capable of inheriting the same by tracing his descent through such relation if he had not been attainted, unless such Land shall have escheated in consequence of such attainder, before the first day of July, one thousand eight hundred and thirty four.

10. And be it further enacted by the authority aforesaid, That after the passing of this Act proof of entry by the heir after the death of the ancestor shall in no case be necessary in order to prove title in such heir, or in any person claiming by or through him.

11. And be it further enacted by the authority aforesaid, That this Act shall not extend to any descent which shall take place on the death of any person who shall die before the first day of July, one thousand eight hundred and thirty-four.

12. And be it further enacted by the authority aforesaid, That where any assurance executed before the said first day of July one thousand eight hundred and thirty-four, or the Will of any person who shall die before that day, shall contain any limitation or gift to the heir or heirs of any person under which the person or persons answering the description of heir shall be entitled to an estate by purchase, then the person or persons who would have answered such description of heir, if this Act had not been made, shall become entitled by virtue of such limitation or gift whether the person named as ancestor shall or shall not be living on or after the said first day of July one thousand eight hundred and thirty four.

13. And be it further enacted by the authority aforesaid, That where a Husband shall die beneficially entitled to any land for an interest which shall not entitle his Widow to dower out of the same at Law, and such interest, whether wholly equitable, or partly legal and partly equitable, shall be an estate of inheritance in possession, or equal to an estate of inheritance in possession, (other than an estate in joint tenancy,) then his Widow shall be entitled in equity to dower out of the same land.

14. And be it further enacted by the authority aforesaid, That when a Husband shall have been entitled to a right of entry or action in any land, and his Widow would be entitled to dower out of the same if he had recovered possession thereof, she shall be entitled to dower out of the same, although her Husband shall not have recovered possession thereof: *Provided* that such dower be sued for or obtained within the period during which such right of entry or action might be enforced.

15. And be it further enacted by the authority aforesaid, That no Widow shall hereafter be entitled to dower ad ostium ecclesiæ, or dower ex assensu patris.

16. And be it further enacted by the authority aforesaid, That after the first day of July, one thousand eight hundred and thirty-four, no person shall make an entry or distress, or bring an action to recover any Land or Rent but within twenty years next after the time at which the right to make such entry or distress, or to bring such action shall have first accrued to some person through whom he claims; or if such right shall not have accrued to any person through whom he claims, then within twenty years next after the time at which the right to make such entry or distress, or to bring such action, shall have first accrued to the person making or bringing the same.

17. And be it further enacted by the authority aforesaid, That in the construction of this Act, the right to make an entry or distress, or bring an action to recover any Land or Rent, shall be deemed to have first accrued at such time as hereinafter is mentioned, that is to say, when the person claiming such Land or Rent, or some person through whom he claims shall, in respect of the Estate or Interest claimed, have been in possession or in the receipt of the profits of such Land, or in receipt of such Rent, and shall, while entitled thereto, have been dispossessed or have discontinued such possession or receipt, then such right shall be deemed to have first accrued at the time of such dispossession or discontinuance of possession, or at the last time at which any such profits or Rent were or was so received; and when the person claiming such Land or Rent shall claim the Estate or Interest of some deceased person who shall have continued in such possession or receipt, in respect of the same Estate or Interest, until the time of his death, and shall have been the last person entitled to such Estate or Interest who shall have been in such possession or receipt, then such right shall be deemed to have first accrued at the time of such death; and when the person claiming such Land or Rent shall claim in respect of an Estate or Interest in possession, granted, appointed, or otherwise assured by any Instrument other than a Will, to him or some person through whom he claims, by a person being in respect of the same Estate or Interest in the possession ceipt of the profits of the Land or in receipt of the Rent, and no person entitled under such Instrument shall have been in possession or receipt, then such right shall be deemed to have first accrued at the time at which the person claiming as aforesaid, or the person through whom he claims, became entitled to such possession or receipt by virtue of such Instrument; and when the Estate or Interest claimed shall have been an Estate or Interest in reversion or remainder, or other future Estate or Interest, and no person shall have obtained the possession or receipt of the profits of such Land, or the receipt of such Rent, in respect of such Estate or Interest, then such right shall be deemed to have first accrued at the time at which such Estate or Interest became an Estate or Interest in possession; and when the person claiming such Land or Rent, or the person through whom he claims shall have become entitled, by reason of any forfeiture or breach of condition, then such right shall be deemed to have first accrued when such forfeiture was incurred or such condition broken: *Provided always*, that until the person deriving title to Land in this Province as the Grantee of the Crown, or his Heirs or Assigns, or some or one of them, by themselves, their Servants or Agents, shall have taken actual possession of the Land granted, by residing thereupon or by cultivating some portion thereof, the lapse of twenty years shall not bar the right of such Grantee, or any person claiming by, under or through him, to bring an action for the recovery of such Lands, unless it can be shewn that such Grantee or person claiming by, under or through him, while entitled to the Land, had knowledge of the same being in the actual possession of some other person not claiming to hold by, from or under the Grantee of the Crown, (such possession having been taken while the said Lot was in a state of nature,) in which case, the right to bring such action shall be deemed to have accrued from the time that such knowledge was obtained: *Provided also*, that when any right to make an entry or distress, or to bring an action to recover any Land or Rent, by reason of any forfeiture or breach of condition, shall have first accrued in respect of any Estate or Interest in reversion or remainder, and the Land or Rent shall not have been recovered by virtue of such right; the right to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued in respect of such Estate or Interest, at the time when the same shall have become an Estate or Interest in possession, as if no such forfeiture or breach of condition had happened: *Provided also*, that a right to make an entry or distress, or to bring an action to recover any Land or Rent, shall be deemed to have first accrued in respect of an Estate or Interest in reversion, at the time at which the same shall have become an Estate or Interest in possession, by the determination of any Estate or Estates, in respect of which such Land shall have been held or the profits thereof, or such Rent shall have been received, notwithstanding the person claiming such Land, or some person through whom he claims shall, at any time previously to the creation of the Estate or Estates which shall have determined, have been in possession or receipt of the profits of such Land, or in receipt of such Rent.

18. And be it further enacted by the authority aforesaid, That for the purposes of this Act, an Administrator claiming the Estate or Interest of the deceased person, of whose chattels he shall be appointed Administrator, shall be deemed to claim as if there had been no interval of time between the death of such deceased person and the grant of the Letters of Administration.

19. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent, as Tenant at Will, the right of the person entitled subject thereto, or of the person through whom he claims, to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued either at the determination of such tenancy or at the expiration of one year next after the commencement of such tenancy, at which time such tenancy shall be deemed to have determined: *Provided always*, that no Mortgagor, or Cestui que Trust shall be deemed to be a Tenant at Will, within the meaning of this clause, to his Mortgagee or Trustee.

20. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent as Tenant, from year to year or other period, without any Lease in writing, the right of the person entitled, subject thereto, or of the person through whom he claims to make an entry or distress, or to bring an action to recover such Land or Rent, shall be deemed to have first accrued, at the determination of the first of such years or other periods, or at the last time when any Rent payable in respect of such tenancy shall have been received, (which shall last happen.)

21. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent by virtue of a Lease in writing, by which a Rent amounting to the yearly sum of Twenty Shillings or upwards shall be reserved, and the Rent reserved by such Lease shall have been received by some person wrongfully claiming to be entitled to such Land or Rent in reversion, immediately expectant on the determination of such Lease, and no payment in respect of the Rent reserved by such Lease shall afterwards have been made to the person rightfully entitled thereto, the right of the person entitled to such Land or Rent, subject to such Lease, or of the person through whom he claims to make an entry or distress, or to bring an action after the determination of such Lease, shall be deemed to have first accrued at the time at which the Rent reserved by such Lease was first so received by the person wrongfully claiming as aforesaid, and no such right shall be deemed to have first accrued upon the determination of such Lease to the person rightfully entitled.

22. And be it further enacted by the authority aforesaid, That no person shall be deemed to have been in possession of any Land within the meaning of this Act, merely by reason of having made an entry thereon.

23. And be it further enacted by the authority aforesaid, That no continual or other claim upon or near any Land shall preserve any right of making an entry or distress, or of bringing an action.

24. And be it further enacted by the authority aforesaid, That when any one or more of several persons entitled to any Land or Rent, as Co-parceners, Joint Tenants, or Tenants in Common, shall have been in possession or receipt of the entirety, or more than his or their undivided share or shares of such Land, or of the profits thereof, or of such Rent for his or their own benefit, or for the benefit of any person or persons other than the person or persons entitled to the other share or shares of the same Land or Rent, such possession or receipt shall not be deemed to have been the possession or receipt of or by such last mentioned person or persons, or any of them.

25. And be it further enacted by the authority aforesaid, That when a younger brother or other relation of the person entitled as heir to the possession, or receipt of the profits of any Land, or to the receipt of any Rent, shall enter into the possession or receipt thereof, such possession or receipt shall not be deemed to be the possession or receipt of or by the person entitled as heir.

26. *Provided always*—And be it further enacted by the authority aforesaid, That when any acknowledgment of the Title of the person entitled to any Land or Rent shall have been given to him or his Agent in writing, signed by the person in possession or in receipt of the profits of such Land, or in receipt of such Rent, then such possession or receipt, of or by the person by whom such acknowledgment shall have been given, shall be deemed according to the meaning of this Act to have been the possession or receipt of, or by the person to whom or to whose Agent such acknowledgment shall have been given at the time of giving the same, and the right of such last mentioned person, or any person claiming through him to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued at, and not before the time at which such acknowledgment or the last of such acknowledgments, if more than one was given.

27. *Provided also*—And be it further enacted by the authority aforesaid, That when no such acknowledgment as aforesaid shall have been given before the passing of this Act, and the possession or receipt of the profits of the Land, or the receipt of the Rent, shall not at the time of the passing of this Act have been adverse to the right or title of the person claiming to be entitled thereto, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Interest, at any time within five years next after the passing of this Act.

28. *Provided always*—And be it further enacted by the authority aforesaid, That if at the time at which the right of any person to make an entry or distress, or bring an action to recover any Land or Rent shall have first accrued as aforesaid, such person shall have been under any of the disabilities hereinafter mentioned, that is to say—infancy, coverture, idiotcy, lunacy, unsoundness of mind, or absence from this Province, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Rent at any time within ten years next after the time at which the person to whom such right shall have first accrued as aforesaid, shall have ceased to be under any such disability, or shall have died, (which shall have first happened.)

29. *Provided nevertheless*—And be it further enacted by the authority aforesaid, That no entry, distress, or action, shall be made or brought by any person who at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, shall be under any of the disabilities hereinbefore mentioned, or by any person claiming through him, but within forty years next after the time at which such right shall have first accrued, although the person under disability at such time may have remained under one or more of such disabilities during the whole of such forty years; or although the term of ten years from the time at which he shall have ceased to be under any such disability, or have died, shall not have expired.

30. *Provided always*—And be it further enacted by the authority aforesaid, That when any person shall be under any of the disabilities hereinbefore mentioned, at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, and shall depart this life without having ceased to be under any such disability, no time to make an entry or distress, or to bring an action to recover such Land or Rent beyond the said period of twenty years next after the right of such person to make an entry or distress, or to bring an action to recover such Land or Rent shall have first accrued, or the said period of ten years next after the time at which such person shall have died, shall be allowed by reason of any disability of any other person.

31. And be it further enacted by the authority aforesaid, That when the right of any person to make an entry or distress, or bring an action to recover any Land or Rent to which he may have been entitled for an Estate or Interest in possession, shall have been barred by the determination of the period hereinbefore limited, which shall be applicable in such case, and such person shall at any time during the said period have been entitled to any other estate, interest, right, or possibility, in reversion, remainder or otherwise, in or to the same Land or Rent; no entry, distress or action shall be made or brought by such person, or any person claiming through him, to recover such Land or Rent in respect of such other Estate, interest, right or possibility, unless in the mean time such Land or Rent shall have been recovered by some person entitled to an Estate, interest or right, which shall have been limited or taken effect after or in defeasance of such Estate or interest in possession.

32. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no person claiming any Land or Rent in Equity shall bring any suit to recover the same but within the period during which, by virtue of the provisions hereinbefore contained he might have made an entry or distress, or brought an action to recover the same respectively, if he had been entitled at Law to such Estate, interest or right, in or to the same, as he shall claim therein in Equity.

33. *Provided always*—And be it further enacted by the authority aforesaid, That when any Land or Rent shall be vested in a Trustee upon any express trust, the right of the Cestui que Trust, or any person claiming through him to bring a suit against the Trustee, or any person claiming through him to recover such Land or Rent, shall be deemed to have first accrued, according to the meaning of this Act, at and not before the time at which such Land or Rent shall have been conveyed to a purchaser for a valuable consideration, and shall then be deemed to have accrued only as against such purchaser, and any person claiming through him.

34. And be it further enacted by the authority aforesaid, That in every case of a concealed fraud, the right of any person to bring a suit in Equity, for the recovery of any Land or Rent, of which he, or any person through whom he claims, may have been deprived by such fraud, shall be deemed to have first accrued at, and not before the time at which such fraud shall or with reasonable diligence might have been first known or discovered: *Provided*, that nothing in this clause contained shall enable any owner of Lands or Rents to have a suit in Equity for the recovery of such Lands or Rents, or for setting aside any conveyance of such Lands or Rents, on account of fraud against any bona fide purchaser for valuable consideration, who has not assisted in the commission of such fraud, and who, at the time that he made the purchase did not know, and had no reason to believe that any such fraud had been committed.

35. *Provided always*—And be it further enacted by the authority aforesaid, That nothing in this Act contained shall be deemed to interfere with any Rule or Jurisdiction of Courts of Equity in refusing relief on the ground of acquiescence or otherwise, to any person whose right to bring a suit may not be barred by virtue of this Act.

36. And be it further enacted by the authority aforesaid, That when a Mortgagee shall have obtained the possession or receipt of the profits of any Land, or the receipt of any Rent comprised in his Mortgage, the Mortgagor, or any person claiming through him, shall not bring a suit to redeem the Mortgage but within twenty years next after the time at which the Mortgagee obtained such possession or receipt, unless in the mean time an acknowledgment of the title of the Mortgagor, or of his right of redemption, shall have been

given to the Mortgagor, or some person claiming his Estate, or to the Agent of such Mortgagor or person, in writing, signed by the Mortgagee or the person claiming through him; and in such case, no such suit shall be brought but within twenty years next after the time at which such acknowledgment, or the last of such acknowledgments, if more than one was given; and when there shall be more than one Mortgagor, or more than one person claiming through the Mortgagor or Mortgagors, such acknowledgment, if given to any of such Mortgagors or persons, or his or their Agent, shall be as effectual as if the same had been given to all such Mortgagors or persons; but when there shall be more than one Mortgagee, or more than one person claiming the Estate or Interest of the Mortgagee or Mortgagees, such acknowledgment, signed by one or more of such Mortgagees or persons, shall be effectual only as against the party or parties signing as aforesaid, and the person or persons claiming any part of the Mortgage money, or Land or Rent, by, from or under him or them, and any person or persons entitled to any Estate or Estates, Interest or Interests, to take effect after or in default of his or their Estate or Estates, Interest or Interests, and shall not operate to give to the Mortgagor or Mortgagors a right to redeem the Mortgage as against the person or persons entitled to any other undivided or divided part of the money or Land or Rent; and when such of the Mortgagees or persons aforesaid as shall have given such acknowledgment shall be entitled to a divided part of the Land or Rent comprised in the Mortgage, or some Estate or Interest therein, and not to any ascertained part of the Mortgage money, the Mortgagor or Mortgagors shall be entitled to redeem the same divided part of the Land or Rent, on payment, with interest, of the part of the Mortgage money which shall bear the same proportion to the whole of the Mortgage money as the value of such divided part of the Land or Rent shall bear to the value of the whole of the Land or Rent comprised in the Mortgage.

37. And be it further enacted by the authority aforesaid, That at the determination of the period limited by this Act to any person for making an entry or distress, or bringing an action or suit, the right and title of such person to the Land or Rent, for the recovery whereof such entry, distress, action or suit, respectively might have been made or brought within such period, shall be extinguished.

38. And be it further enacted by the authority aforesaid, That the receipt of the Rent payable by any Tenant from year to year, or other Lessee, shall, as against such Lessee, or any person claiming under him, but subject to the Lease, be deemed to be the receipt of the profits of the Land for the purposes of this Act.

39. And be it further enacted by the authority aforesaid, That no writ of right patent, writ of right quia dominus remisit curiam, writ of right close, writ of right de rationabili parte, writ of right upon disclaimer, writ of right of ward, writ of Cessavit, quod permittat, formedon in descender, remainder, or in reverter, writ of Assize of novel disseisin, nuisance, or mort d'ancestor, writ of entry sur desseisin in the quibus, in the per, in the per and cui, or in the post, writ of entry sur intrusion, writ of entry sur alienation, dum fuit non compos mentis, dum fuit infra etatem, dum fuit in prisona, ad communem legem, in casu proviso, in consimili casu, cui in vita, sur cui in vita, cui ante divortium, or sur cui ante divortium, writ of entry sur abatement, writ of entry quare ejecit infra terminum, or ad terminum qui praeteriit, or causa matrimonii prælocuti, writ of aiel, besaiel, tresaiel, cosinage, or nuper obiit, writ of waste, writ of partition, except such as is or shall be authorised by any Statute of this Province; writ of disceit, writ of quod ei deforceat, writ of covenant real, writ of warrantia chartae, writ of curia claudenda, and no other action, real or mixed, except a writ of dower, or writ of dower unde nihil habet, or an ejectment; and no plaint in the nature of any such writ or action, except a plaint for dower, shall be brought after the first day of July, one thousand eight hundred and thirty-five.

40. *Provided always*—And be it further enacted by the authority aforesaid, That when on the said first day of July, one thousand eight hundred and thirty-five, any person who shall not have a right of entry to any Land, shall be entitled to maintain any such writ or action as aforesaid, in respect of such Land, such writ or action may be brought at any time before the first day of January, one thousand eight hundred and thirty-six, in case the same might have been brought if this Act had not been made, notwithstanding the period of twenty years hereinbefore limited shall have expired.

41. *Provided also*—And be it further enacted by the authority aforesaid, That when on the said first day of January, one thousand eight hundred and thirty-six, any person whose right of entry to any Land shall have been taken away, by any descent cast, discontinuance or warranty, might maintain any such writ or action as aforesaid, in respect of such Land, such writ or action may be brought after the said first day of January, one thousand eight hundred and thirty-six, but only within the period during which, by virtue of the provisions of this Act, an entry might have been made upon the same Land, by the person bringing such writ or action, if his right of entry had not been so taken away.

42. And be it further enacted by the authority aforesaid, That no descent cast, discontinuance or warranty, which may happen or be made after the said first day of July, one thousand eight hundred and thirty-four, shall toll or defeat any right of entry or action for the recovery of Land.

43. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no action or suit or other proceeding shall be brought to recover any sum of money secured by any Mortgage, Judgment or Lien, or otherwise, charged upon or payable out of any Land or Rent at Law or in Equity, or any Legacy, but within twenty years next after a present right to receive the same shall have accrued to some person capable of giving a discharge for or release of the same, unless in the mean time some part of the principal money, or some interest thereon shall have been paid, or some acknowledgment of the right thereto shall have been given in writing, signed by the person by whom the same shall be payable, or his Agent, to the person entitled thereto, or his Agent, and in such case no such action or suit or proceeding shall be brought, but within twenty years after such payment or acknowledgment, or the last of such payments or acknowledgments, if more than one was given: *Provided always*, that in respect to persons now entitled to an equity of redemption or to any legacy, the right to bring an action or to pursue a remedy for the same shall not be deemed to be extinguished or barred by lapse of time until the expiration of five years from the time that an equitable jurisdiction shall be established in this Province, and in the exercise of its powers: *Provided* that shall happen within ten years from the passing of this Act.

44. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no arrears of dower, nor any damages on account of such arrears, shall be recovered or obtained by any action or suit for a longer period than six years next before the commencement of such action or suit.

45. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no arrears of Rent or of Interest, in respect of any sum of money charged upon or payable out of any Land or Rent, or in respect of any Legacy, or any damages in respect of such arrears of Rent or Interest, shall be recovered by any distress, action or suit, but within six years next after the same respectively shall have become due, or next after an acknowledgment of the same in writing shall have been given to the person entitled thereto, or his Agent, signed by the person by whom the same was payable, or his Agent: *Provided nevertheless*, that where any prior Mortgagee or other Incumbrancer shall have been in possession of any Land, or in the receipt of the profits thereof, within one year next before an action or suit shall be brought by any person entitled to a subsequent mortgage or other incumbrance on the same Land, the person entitled to such subsequent mortgage or incumbrance may recover in such action or suit the arrears of interest which shall have become due during the whole time that such prior Mortgagor or Incumbrancer was in such possession or receipt as aforesaid, although such time may have exceeded the said term of six years.

46. And be it further enacted by the authority aforesaid, That any Corporation aggregate in this Province, capable of taking and conveying Land, shall be deemed to have been and shall be deemed to be capable of taking and conveying Land by deed of bargain and sale, in like manner as any person in his natural capacity, subject nevertheless to any general limitations or restrictions as to holding or conveying Real Estate, which may be applicable to such Corporation.

47. And be it further enacted by the authority aforesaid, That after the passing of this Act, a deed of bargain and sale of Land in this Province shall not be held to require enrollment or to require registration to supply the place of enrollment, for the mere purpose of rendering such bargain and sale a valid and effectual conveyance for passing the Land thereby intended to be bargained and sold: *Provided always, nevertheless*, that the necessity of registering such deed of bargain and sale in the Register of the County in which the Land is situated, in order to guard against a subsequent purchaser of the same Lands obtaining title by prior registry, shall continue as before the passing of this Act.

48. And be it further enacted by the authority aforesaid, That whenever by any Letters Patent, Assurance or Will, made and executed after the first day of July, one thousand eight hundred and thirty-four, Land shall be granted, conveyed or devised to two or more persons other than Executors or Trustees, in fee simple, or for any less Estate, it shall be considered that such persons take as Tenants in Common, and not as Joint Tenants, unless an intention sufficiently appears on the face of such Letters Patent, Assurance or Will, that they shall take as Joint Tenants.

49. And be it further enacted by the authority aforesaid, That when the Will of any person who shall die after the passing of this Act shall contain a devise, in any form of words, of all such real Estate as the Testator shall die seized or possessed of, or of any part or proportion thereof, such Will shall be valid and effectual to pass any Land that may have been or may be acquired by the Devisor after the making of such Will, in the same manner as if the title thereto had been acquired before the making thereof.

50. And be it further enacted by the authority aforesaid, That whenever Land is or shall be devised in a Will made by any person who shall die after the passing of this Act, it shall be considered that the Devisor intended to devise all such Estate as he was seized of in the same Land, whether fee simple or otherwise, unless it shall appear on the face of such Will that he intended to devise only an Estate for life, or other Estate less than he was seized of at the time of making the Will containing such devise.

51. *And whereas* by the adoption in this Province of the Law of England, it is made necessary that a Will of Real Estate shall be executed in the presence of three Witnesses, which provision there is reason to believe operates in many instances injuriously in this Province, by reason that Lands are held in small portions by persons of all conditions and degrees of intelligence, many of whom, not aware of this positive provision of the Law, are only careful to provide two Witnesses, as is customary with respect to Sealed Instruments in general, and in all such cases the intension of the Testator fail of their effect, frequently to the great injury of families: *Whereas*, on the other hand, it is doubtful whether any intended fraud is in fact prevented by requiring an attestation by three Witnesses: Be it therefore enacted by the authority aforesaid, That any Will affecting Land executed after the passing of this Act, in the presence of and attested by two or more Witnesses, shall have the same validity and effect as if executed in the presence of and attested by three Witnesses, any former Law to the contrary notwithstanding; and that it shall be sufficient if such Witnesses subscribe their names in presence of each other, although their names may not be subscribed in presence of the Testator.

52. *And whereas* Plaintiffs in Actions of Ejectment brought against persons who are merely intruders, are subject to be defeated in the recovery of Land to which they have just claim, as purchasers or heirs, on account of some want of technical form in their title, or some imperfection not affecting the merits of their case, and of which it is desirable that mere strangers to the title, having no claim or color of legal claim to the possession, should not be encouraged or permitted to take advantage: Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for the Lessor of the Plaintiff, or his Attorney, in any Action of Ejectment hereafter to be brought, to serve a notice upon the Defendant in such Ejectment, in these words:—

"Take notice, that I claim the premises for "which this action is brought, as the bona fide "purchaser thereof, from A. B.——or as Heir-"at-Law of A. B. of——, (or otherwise as the "case may be,) and that you will be required "to shew upon the trial of this cause, what "legal right you have to the possession of the "premises,"

or a notice in any other form of words to the same effect, and that if upon the trial of such Ejectment to be afterwards had, the evidence of title given by the Lessor of the Plaintiff shall shew to the satisfaction of the Court and Jury that he is entitled in justice to be regarded as the proprietor of the Land, or is entitled to the immediate possession thereof for any term of years, but that he cannot shew a perfect legal title by reason of some want of legal form in any Instrument produced, or by reason of the defective registration of any Will or Instrument produced, or from any cause not within the power of the Lessor of the Plaintiff to remedy by using due diligence, it shall be competent to the Jury, under the direction of the Court, to find a verdict for the Plaintiff, unless the Defendant or his Counsel, upon being required by the other party so to do, shall give such evidence of title as shall shew that he is the person legally entitled, or does bona fide claim to be the person legally entitled to the Land, by reason of the defect in the title of the Lessor of the Plaintiff, or that he holds or does bona fide claim to hold under the person so entitled: *Provided always, nevertheless*, that when a verdict shall be rendered under the authority of this provision, it shall be indorsed as given under this Act, and it shall be stated in the postea, and entry of the judgment to have been so given, and in any action which may thereafter be brought for the mesne profits, such judgment in ejectment shall not be evidence to entitle the Plaintiff to recover.

53. *And whereas* the wrong committed by Tenants, in holding over vexatiously and without color of right, after their term has expired, requires a more speedy and less expensive remedy than is now provided by Law:—Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for any Landlord, or the Agent of any Landlord, whose Tenant shall, after the expiration of his term, (whether the same was created by writing or parol,) wrongfully refuse, upon demand made in writing, to go out of possession of the Land demised to him, to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, setting forth on Affidavit the terms of the demise, if by parol, and annexing a copy of the Instrument containing such demise, if the same were in writing, and also a copy of the demand made for the delivering up possession, and stating also the refusal of the Tenant to go out of possession, and the reason given for such refusal, (if any were given,) adding such explanation in regard to the ground of refusal as the truth of the case may require; and if upon such Affidavit it shall appear to the Court or Judge, that such Tenant does wrongfully hold over, without color of right, it shall be lawful for such Court or Judge to order a Writ to issue in the name of the King, and tested in the name of the Chief Justice or senior Puisne Judge of such Court, on the day that the same shall actually issue, directed to such person as the Court or Judge shall appoint, and commanding him to issue his Precept to the Sheriff of the District in which the Land is situated, for the summoning of a Jury of twelve men to come before the Commissioner at a day and place by such Commissioner to be named, to inquire and say upon their oaths whether such person complained of was Tenant to the Complainant for a term which has expired, and whether he does wrongfully refuse to go out of possession, having no right or color of right to continue in possession, or how otherwise; which Writ shall be made returnable whensoever the same shall be duly executed before any one of the Judges of the said Court; and that notice in writing of the time and place of holding such inquisition shall be served upon the Tenant, or left at his place of abode, at least three days before the day appointed, to which notice shall be annexed a copy of the Affidavit on which the Writ was obtained, and of the papers attached thereto, and that the Commissioner shall have power to administer an Oath to the persons summoned on such Jury, well and truly to try, and a true verdict to give upon the matters and things in the said Writ contained, according to the evidence; and shall also have power to administer an Oath to the Witnesses produced by either party; and that the Jurors shall, under their hands, either with or without their Seals, indorse their finding upon the back of the Writ, or return the same upon a paper attached thereto by such Commissioner, and if it shall appear to the Court, or any Judge thereof, upon the return of the said Writ made by the said Commissioner, and upon a consideration of all the evidence, which shall also be certified and returned by such Commissioner, to be filed with such commission and the proceedings thereupon in the Office of the Clerk of the Crown and Pleas, that the case is clearly one coming within the true intent and meaning of this Act, then it shall be lawful for such Court or Judge to issue a Precept to the Sheriff, in the King's name, commanding him forthwith to place the Landlord in possession of the premises in question.

54. And be it further enacted by the authority aforesaid, That when such Precept shall have been made by a Judge, the Court shall have power, on motion before the end of the second term after such Precept shall have been issued, to examine into the proceedings, and, if they shall find cause, to set aside the same, and to issue their Precept to the Sheriff, if it be necessary, commanding him to restore the Tenant to his possession, in order that the question of right, if any appear, may be tried as heretofore by Ejectment.

55. And be it further enacted by the authority aforesaid, That the Judges of the Court of King's Bench, in term time or in vacation, shall have power to devise, and from time to time to alter and amend the form of the Writ, Inquisition and Return, and of the Precepts to be issued under the authority of this Act, and to make such orders respecting costs as to them may seem just, and to issue a Writ to the Sheriff, commanding him to levy such costs of the goods and chattels, or to issue an Attachment for the non-payment thereof against the Landlord or Tenant, or person described as Landlord or Tenant, as to them shall seem just.

56. And be it further enacted by the authority aforesaid, That before any Commissioner shall hold an Inquisition under this Act, he shall take the following Oath before some one of the Justices of the Peace in and for the District in which the Inquisition shall be holden, which Oath shall be indorsed on the said Writ, that is to say:—

"I, A. B. do solemnly swear, that I will "impartially, and to the best of my judgment "discharge my duty as Commissioner under "this Writ.—So help me God."

57. And be it further enacted by the authority aforesaid, That if any Witness sworn and examined before a Commissioner holding an Inquisition under this Act shall wilfully swear falsely, he shall, on conviction thereof, be liable to the penalties of wilful and corrupt perjury and that if any person upon being required by notice from such Commissioner to attend as a Witness upon the Inquisition, shall refuse or wilfully omit to attend, he shall be liable to be committed upon the Warrant of such Commissioner to the Common Gaol of the District for a time not exceeding one calendar month.

58. And be it further enacted by the authority aforesaid, That the remedy afforded under this Act shall not be construed to take away or interfere with any other remedy, action or right of action, which a landlord might have or bring, under the Laws in force before the passing of this Act.

59. And be it further enacted by the authority aforesaid, That the words and expressions in this Act mentioned, which in their ordinary signification have a more confined or a different meaning, shall in this Act, except where the nature of the provision or the context of the Act shall exclude such construction, be interpreted as follows, that is to say, the word "Land" shall extend to Messuages, and all other hereditaments whether corporeal or incorporeal and to money to be laid out in the purchase of Land, (and to chattels and other personal property transmissible to heirs,) and also to any share of the same hereditaments and properties or any of them, and to any Estate of inheritance, or Estate for any life or lives, or other Estate transmissable to heirs and to any possibility, right or title of entry or action, and any other interest capable of being inherited, and whether the same Estates, possibilities, rights, titles and interests, or any of them, shall be in possession, reversion, remainder, or contingency; and the words "the purchaser" shall mean the person who last acquired the Land otherwise than by descent or than by any partition, by the effect of which the Land shall have become part of or descendible, in the same manner as other Land acquired by descent; and the word "descent" shall mean the title to inherit Land by reason of consanguinity, as well where the heir shall be an ancestor or collateral relation, as where he shall

be a child or other issue; and the expression "descendants" of any ancestor, shall extend to all persons who must trace their descent through such ancestor; and the expression "the person last entitled to the Land" shall extend to the last person who had a right thereto, whether he did or did not obtain the possession or the receipt of the rents and profits thereof; and the word "Assurance" shall mean any Deed or Instrument (other than a Will) by which any Land shall be conveyed or transferred at Law or in Equity; and the word "Rent" shall extend to all annuities and periodical sums of money charged upon or payable out of any Land; and the "person through whom another person is said to claim," shall mean any person by, through, or under, or by the Act of whom the person so claiming became entitled to the Estate or Interest claimed as heir, issue, in tail, tenant by the courtesy of England, tenant in dower, successor, special or general occupant, executor, administrator, legatee, husband, assignee, appointee, devisee, or otherwise; and every word importing the singular number only, shall extend and be applied to several persons or things, as well as one person, or thing; and every word importing the masculine gender only, shall extend and be applied to a female, as well as a male.

60. And be it further enacted by the authority aforesaid, That this Act shall not have operation retrospectively, so as by force of any of its provisions to render any title valid, which in regard to any particular Estate has been adjudged, or may in any suit now depending be adjudged invalid, on account of any defect imperfection, matter or thing which is by this Act altered, supplied or remedied; but that in every such case the Law, in regard to any such defect, imperfection, matter or thing, shall as applied to such title, be deemed and taken to be as if this Act had not been passed. 47

An Act to regulate Line Fences and Water Courses, and to repeal so much of an Act passed in the thirty-third year of the reign of His late Majesty King George the Third, entitled "An Act to provide for the nomination and appointment of Parish and Town Officers within this Province." as relates to the office of Fence Viewers being discharged by Overseers of Highways and Roads.

(Passed 6th March, 1834.)

WHEREAS much difficulty and inconvenience are experienced and many disputes arise from the want of some Provincial enactment, by which each party interested in the making or repairing any division or Line Fence, may be compelled to make or repair, or pay for making and repairing a fair and just proportion of such Fence: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province;" and by the authority of the same, That it shall and may be lawful for the Inhabitant Householders of each and every Township in this Province, at their annual Town Meeting for the election of Township Officers, to choose from among the Inhabitants of the said Township, in the same manner as by Law other Township Officers are chosen, not less than three or more than eighteen fit and discreet persons to serve the office of Fence Viewers, who shall perform the duties hereinafter prescribed to Fence Viewers, and who shall take the same oath of office, and in the same manner which persons chosen to other Township Officers, are or may be by law recquired to do, and be liable to the same penalties for neglect or refusal to take said oath of office, to which persons chosen to other Township Offices, and neglecting or refusing to take the oath of office, are or may be by law liable.

2. And be it further enacted by the authority aforesaid, That each of the parties occupying adjoining tracts of land, shall keep up, make and repair a fair and just proportion of the division or Line Fence between their several tracts of land; and that where there shall be a dispute between the parties, as to the commencement or extent of the part of the said division or Line Fence which either party may claim or refuse to make or repair, it shall and may be lawful for either party to submit the same to the determination and award of three Fence Viewers, which Fence Viewers are hereby authorised and required, upon being duly notified by either party in such case, to attend at the time and place stated in such notice, and after being satisfied that the other party or parties in the case have been duly notified to appear at the time and place, to proceed to examine the premises; and such Fence Viewers, or any two of them, shall determine any and every dispute in the matter aforesaid, between the said parties, and the award and determination of such Fence Viewers, or any two of them, on the matters aforesaid, shall be binding on the parties as far as concerns the making or repairing of such division or Line Fence, and from thenceforth the occupier or occupiers of the said tracts or parcels of land shall respectively make and repair, and keep in repair, that part of such division or Line Fence which shall have been assigned in such award or determination to the occupier or occupiers of such tract or parcel of land, which determination and award shall be made in writing, and signed by such Fence Viewers, or a majority of them, and filed in the Town Clerk's Office, and a copy of the same made out and given to each of the parties: *Provided always, nevertheless*, that when by reason of any material change of circumstances in respect to the improvement and occupation of adjacent lots or parcels of land, an award which has been made under this Act shall cease in the opinion of either of the parties to be equitable between them, it shall be in the power of either to obtain another award of Fence Viewers by the same mode of proceeding as is hereinbefore directed, and that if the Fence Viewers who shall have been called upon to make such subsequent award, shall find no reason for making an alteration, the whole cost of such reference shall be borne by the party at whose instance it shall have been made.

3. And be it further enacted by the authority aforesaid, That if any person or persons who may be in the occupation of any tract or parcel of land shall neglect or refuse to make or repair (as the case may be) an equal or just proportion of the division or Line Fence between such tract or parcel of land and the adjoining tract or parcel of land, for a period of thirty days after being required by a demand in writing by the person or persons occupying such adjoining tract or parcel of land, or after the award of the Fence Viewers as aforesaid, to make or repair such equal or just proportion of the division or Line Fence; or if the party making such demand shall for such period neglect or refuse to make or repair an equal or just proportion of the division or Line Fence, it shall and may be lawful for either of the said parties, after first completing his own proportion of such Fence, to make or repair in a substantial manner, and of good sound materials, the whole or any part of the said division or Line Fence which ought to have been by the other party made or repaired, and to recover in the manner hereinafter mentioned, of the person or persons who may have neglected or refused in manner aforesaid to make or repair such proportion of the division or Line Fence, the just and full value of such proportion, not exceeding the sum of two shillings and six pence per rod, to be ascertained and determined in the manner hereinafter provided: *Provided always*, that any Fence coming within the meaning and intent of the resolution resolving what shall be considered to be a lawful Fence for that year, entered into by the inhabitant householders at their annual Township Meeting, shall be considered by all Fence Viewers to be a lawful Fence; and when the householders as aforesaid shall neglect or refuse to decide by such resolution what shall be a lawful Fence, then, and in that case, it shall be lawful for such Fence Viewers, when called upon, to exercise their own judgment, and decide what they consider to be a lawful Fence.

4. And be it further enacted by the authority aforesaid, That it shall and may be lawful for any Commissioner of the Court of Requests for the division in which such Fence may be situated, and he is hereby required, upon the demand of any person or persons, to issue a Summons under his hand and seal, directed to three Fence Viewers (by their proper names) of the Township in which such Fence is situated, requiring them to attend on the day and at the hour therein mentioned, and at a place therein mentioned, to view such Fence, and to appraise the same; also, to issue his Summons to the person or persons so having neglected or refused to make or repair such proportion of the division or Line Fence, who shall thenceforth be considered as the Defendant or Defendants in the case, requiring him or them to appear, at the same time and place, to shew cause why the person or persons claiming payment as aforesaid, who shall thenceforth be considered as the Plaintiff or Plaintiffs in the case, should not recover the the same.

5. And be it further enacted by the authority aforesaid, That such Fence Viewers, upon being personally served at least eight days previously with such Summons at the time and place therein mentioned, and after having duly examined the Fence and received evidence, which, if required by either party, or if the said Fence Viewers shall think it expedient, shall be given under oath, they, or any two of them, shall determine whether the said Plaintiff is entitled to recover any, and if any, what sum, from the said Defendant or Defendants, under the provisions of this Act; and in all cases where the commencement or extent of the part of such Division or Line Fence which each party should make or repair, has not been determined by the award of Fence Viewers as aforesaid, the said Fence Viewers, or any two of them, shall determine the same, which determination shall be final and binding on the occupiers of the said tracts or parcels of land, and have the same effect as if it had been made by three Fence Viewers in the manner aforesaid, and shall report their determination upon the matters aforesaid in writing, under their hands, to the said Commissioner of the Court of Requests by whom the said Summons shall have been issued, and shall also, in all cases where they determine that the said Plaintiff is entitled to recover any thing from the said Defendant or Defendants, state what distance of Fence they have determined that the said Defendant or Defendants should have made or repaired.

6. And be it further enacted by the authority aforesaid, That the said Fence Viewers, if they shall be required by either party, before they shall have made a report as aforesaid of their determination to the said Commissioner of the Court of Requests, shall give to such party requiring the same a true copy of their said determination.

7. And be it further enacted by the authority aforesaid, That if either of the said parties shall desire to procure the attendance of any person to give evidence before such Fence Viewers, it shall and may be lawful for the Commissioner of the Court of Requests by whom any Summons shall have been issued as aforesaid to such Fence Viewers, to issue, upon the application of either of the said parties, a Summons to any person to attend as a witness before the said Fence Viewers at the time and place mentioned in the said Summons to the Fence Viewers, and that the said Fence Viewers, when met as aforesaid at the time and place mentioned in the Summons, shall be, and are hereby authorised, whenever it shall be desired by either party, or they shall think it proper, to administer an oath to

any person, except the parties or persons interested, whose evidence they shall wish to take, which oath shall be in the following form:—

"You do solemnly swear that you will true answer make to such questions as may be asked of you by either of the Fence Viewers now here assembled, touching the matters which they are now to examine and determine—So HELP YOU GOD."

And if any person giving evidence as aforesaid under oath, shall be guilty of false swearing, he shall be deemed guilty of perjury, and upon conviction thereof shall be liable to the same punishment and disabilities that persons convicted of Perjury in other cases are now by law liable.

8. And be it further enacted by the authority aforesaid, That the Commissioner of the Court of Requests, to whom the determination of the Fence Viewers shall be returned as aforesaid, shall cause the same to be copied into a book kept for that purpose by the Court of Requests for the division to which he belongs, and thereupon the said Court of Requests shall issue an execution against the goods and chattels of the said Defendant or Defendants in the same manner as if the party to whom it is due had received a Judgment in the Court of Request for the sum which the said Fence Viewers shall have determined as aforesaid he was entitled to receive, and also (if the said sum amounts to more than Two Pounds but not otherwise) for the costs he may have necessarily incurred in the recovery thereof, and when such sum shall not amount as aforesaid to more than Two Pounds then the other party shall be entitled to an Execution from said Court of Request against the goods and chattels of the Plaintiff or Plantiffs, for the costs he may necessarily have been put to in opposing the Plaintiffs claim, the amount of the said Costs in either case to be determined by the said Court of Requests.: *Provided that* when the said sum shall amount to more than two shillings and sixpence per Rod for the length of fence which such Fence Viewers shall have determined such Defendant or Defendants ought to have made or repaired, the said Plaintiff shall be entitled to recover and have execution for only the sum of two shillings and sixpence per Rod as aforesaid and his costs: *Provided also* that no such writ of execution shall be issued until after the expiration of forty days from the time of such determination.

9. And be it further enacted by the authority aforesaid, That all and every of such Fence Viewers shall be entitled to receive the sum of five shillings for every day they are necessarily engaged in discharging the duties imposed upon them by this Act, and so in proportion for any time less than one day, and no more, and that every witness who shall be summoned and attend as aforesaid before such Fence Viewers shall be entitled to receive two shillings and sixpence per day, and every commissioner of the Court of Requests and Bailiff shall be entitled to receive for any Service performed under this Act the same fees which they are respectively entitled to receive for similar services in the Court of Requests.

10. And be it further enacted by the authority aforesaid That any Fence Viewers legally holding the office of Fence Viewers who shall neglect or refuse to perform the duties of his office shall forfeit for every neglect to any person who may sue for the same, a sum not exceeding forty shillings with Costs of Suit, to be recovered upon information and complaint before any one of the Justices of the Peace for the District in which such Fence Viewer was chosen, and to be levied by distress under a Warrant issued by such Justice.

11. And be it further enacted by the authority aforesaid, That when any party shall cease to improve his land or shall lay his enclosure before under improvement, in common, he shall not have a right to take away any part of the Partition Fence that to him belongs adjoining to the next enclosure that is improved or occupied: *Provided* the party occupying the lands adjoining the same will allow and pay therefor so much as the Fence Viewers, or a majority of them, shall in writing determine to be the reasonable value thereof; and whenever any lands which have laid unimproved and in common shall be afterwards enclosed or improved, the occupier or occupiers thereof shall pay for their fair or just proportion of the division or Line Fence, standing upon the divisional line between the same land and the land of the enclosure of any other occupant or proprietor, the value thereof to be ascertained and set forth in writing by three Fence Viewers in case the parties shall not agree among themselves, and the amount of said value to be recovered according to the proportions so estimated in the same manner and form as hereinbefore provided respecting the [illegible] and keeping in repair division or Line [illegible].

12. Provided always, and be it further enacted by the authority aforesaid, That in no case shall any person be authorised to take away any part of the Partition Fence that to him belongs, adjoining to the next enclosure that is improved or occupied, unless the party occupying the lands adjoining the same refuse to pay for the same as aforesaid, nor without first giving due notice to such party for at least twelve months previously to the removal of the same.

13. And be it further enacted by the authority aforesaid, That when a water Fence, or a fence running into the water, is necessary to be made, the same shall be done in equal parts, unless by the parties otherwise agreed; and in case either party shall refuse or neglect to make or maintain the share to such party belonging, similar proceedings shall or may be had as in other cases of the like kind respecting Fences out of the water, in this Act mentioned.

14. And be it further enacted by the authority aforesaid, That when Lands belonging to or occupied by different persons, and subject to be fenced and bounded upon or divided from each other by any brook, pond or creek, which of itself is not a sufficient Fence, in such case, if the parties disagree, the same may be submitted to three Fence Viewers, as heretofore provided in cases of disagreement, and if in the opinion of such Fence Viewers, such brook, river, pond or creek is not of itself a sufficient Fence, and that it is impracticable to fence at the true boundary line, they shall judge and determine how or on which side thereof the fence shall be set up and maintained, or whether partly on one side and partly on the other side, as to them shall appear just, and reduce such their determination to writing, as heretofore provided in other cases; and if either of the parties shall refuse or neglect to make up and maintain the part of the Fence, to such party belonging, according to the Fence Viewers determination, in writing as aforesaid, the same may be done and performed as is in this Act before provided in other cases, and the delinquent party shall be subject to the same costs and charges, and to be recovered in like manner.

15. And be it further enacted by the authority aforesaid, That in all cases when any party shall desire to have a Lane between his Land and any adjoining tract or parcel of Land, and shall make the Fence on one side of the said Lane on his own Land, he shall not be obliged to make or repair, or pay for making or repairing any part of the Fence on the other side of such Lane, any thing herein contained to the contrary in anywise notwithstanding.

16. *And whereas* it is expedient to provide for the opening of Water Courses in this Province: Be it therefore enacted by the authority aforesaid, That in all cases, when it shall be the joint interest of parties resident within this Province to open a Ditch or Water Course, for the purpose of letting off surplus water from swamps or sunken miry Lands, in order to enable the owners or occupiers of such swampy or sunken Land to cultivate or improve the same, it shall be the duty of such several parties to open a just and fair share of such Ditch or Water Course, in proportion to the several interests that such parties may have in the same; and in cases where a dispute shall or may arise, as to the part, width, depth or extent, that any party so interested ought to open or make, the same may be referred to three Fence Viewers, in the same way and manner as is heretofore by this Act provided, in cases of disputes between parties relative to Line or Division Fences; and it shall be the duty of such Fence Viewers, to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, as in the opinion of such Fence Viewers shall be a just and equitable proportion, having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course, and the Fence Viewers shall at the same time decide what length of time shall be allowed to each of the parties to open his or her share of such Ditch, and the determination or award of such Fence Viewers shall be made in the same form, and signed and executed in the same manner, and have the same effect in regard to Ditches or Water Courses, as is provided by this Act in regard to Line or Division Fences.

17. And be it further enacted by the authority aforesaid, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of Land is not sufficiently interested in the opening of such Ditch to make him a party, and at the same time that it is necessary that such Ditch should be continued across his Land by the other party or parties, at their own expense, they may award the same in manner and form aforesaid, and upon such award, such party or parties may lawfully, and without molestation, open such Ditch or Water Course across such Land as aforesaid, at their own expense.

18. And be it further enacted by the authority aforesaid, That if any party shall neglect or refuse to open or make and keep open his share or proportion allotted or awarded to him by such Fence Viewers as aforesaid, within the time allowed by such Fence Viewers, either of the other parties may, after first completing his own share or proportion allotted to him in manner aforesaid, open the share or proportion allotted to such party neglecting or refusing to open the same, and such party so opening such other parties share, shall be entitled to recover the value thereof from the party so neglecting or refusing to open his share or proportion, in the same way and manner and form as is in this Act provided relative to Line and Division Fences.

19. And be it further enacted by the authority aforesaid, That all fines levied under the provisions of this Act shall be by the Justice or Justices of the Peace by whom the same may be imposed and collected, paid over to the Overseer or Overseers of Highways in the Division wherein such fine or fines shall have been levied, and such Overseer or Overseers are here-

by authorized and required to expend the same in the same manner as other monies coming to their hands to be expended on the Highways, and shall render an account thereof within three months after expenditure thereof, to the Justices in Quarter Sessions assembled.

GOVERNMENT HOUSE,
7th April, 1834.

HIS EXCELLENCY THE LIEUTENANT GOVERNOR, has been pleased to appoint William Kingsmill, Esq. Collector of Customs at Port Hope, in the Newcastle District.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders. JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That i does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Pe-

terborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

VOL. VIII. TORONTO, THURSDAY APRIL 17, 1834. NO. 48.

By Authority.

An Act to amend the Law respecting Real Property, and to render the proceedings for recovering possession thereof in certain cases, less difficult and expensive.

[Passed 6th March, 1834]

WHEREAS it is expedient to amend the Law relating to real Estates, by making certain alterations in the Law of Inheritance, and respecting the conveyance of Real Property by Devise and by Deed, and in regard to Dower, and the limitation of actions and suits relating to real Property, and for simplifying the remedies for trying the rights thereto: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of Quebec in North America, and to make further provision for the Government of the said Province;" and by the authority of the same, That in every case descent shall be traced from the purchaser; and to the intent that the pedigree may never be carried farther back than the circumstances of the case and the nature of the Title shall require, the person last entitled to the land shall for the purposes of this Act be considered to have been the purchaser thereof unless it shall be proved that he inherited the same, in which case, the person from whom he inherited the same, shall be considered to have been the purchaser, unless it shall be proved that he inherited the same; and in like manner, the last person from whom the land shall be proved to have been inherited shall in every case be considered to have been the Purchaser, unless it shall be proved that he inherited the same.

2 And be it further enacted by the authority aforesaid, That when any Land shall have been devised by any Testator, who shall die after the first day of July, one thousand eight hundred and thirty-four to the heir or to the person who shall be the heir of such Testator, such heir shall be considered to have acquired the Land as a Devisee and not by descent; and when any Land shall have been limited by any assurance, executed after the said first day of July, one thousand eight hundred and thirty four, to the person, or to the heirs of the person who shall thereby have conveyed the same Land, such person shall be considered to have acquired the same as a purchaser, by virtue of such assurance, and shall not be considered to be entitled thereto, as of his former estate or part thereof.

3 And be it further enacted by the authority aforesaid, That when any person shall have acquired any land by purchase, under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, contained in an assurance, executed after the said first day of July, one thousand eight hundred and thirty four, or under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, or under any limitation having the same effect, contained in a Will of any Testator who shall depart this life after the said first day of July, one thousand eight hundred and thirty-four, then and in any such cases such land shall descend, and the descent thereof shall be traced, as if the Ancestor named in such limitation had been the purchaser of such land.

4. And be it further enacted by the authority aforesaid, That no Brother or Sister shall be considered to inherit immediately from his or her Brother or Sister, but every descent from a Brother or Sister shall be traced through the Parent.

5. And be it further enacted by the authority aforesaid, That every lineal Ancestor shall be capable of being heir to any of his issue, and in every case where there shall be no issue of the purchaser, his nearest lineal ancestor shall be his heir in preference to any person who would have been entitled to inherit either by tracing his descent through such lineal ancestor, or in consequence of there being no descendant of such lineal ancestor so that the Father shall be preferred to a Brother or Sister, and a more remote lineal ancestor to any of his issue, other than a nearer lineal ancestor or his issue.

6. And be it further enacted and declared by the authority aforesaid, That none of the maternal ancestors of the person from whom the descent is to be traced, nor any of their descendants shall be capable of inheriting untill all his paternal ancestors and their descendants shall have failed, and also that no female paternal ancestor of such person, nor any of her descendants shall be capable of inheriting until all his male paternal ancestors and their decendants shall have failed, and that no female maternal ancestor of such person nor any of her descendants, shall be capable of inheriting until all his male maternal ancestors and their descendants shall have failed.

7. And be it further enacted and declared, That where there shall be a failure of male paternal ancestors of the person from whom the descent is to be traced, and their descendants, the mother of his more remote male paternal ancestor, or her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male paternal ancestor or her descendants; and when there shall be a failure of male paternal ancestors of such person and their descendants, the mother of his more remote male maternal ancestor and her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male maternal ancestor and her descendants.

8. And be it further enacted by the authority aforesaid, That any person related to the person from whom the descent is to be traced by the half blood, shall be capable of being his heir; and the place in which any such relation by the half blood shall stand in the order of inheritence so as to be entitled to inherit, shall be next after any relation in the same degree of the whole blood and his issue, where the common ancestor shall be a male, and next after the common ancestor when such common ancestor shall be a female, so that the brother of the half blood on the part of the father, shall inherit next after the sisters of the whole blood on the part of the father and their issue, and the brother of the half blood on the part of the mother, shall inherit next after the mother.

9. And be it further enacted by the authority aforesaid, That when the person from whom the descent of any land is to be traced shall have had any relation who having been attainted, shall have died before such descent shall have taken place, then such attainder shall not prevent any person from inheriting such land who would have been capable of inheriting the same by tracing his descent through such relation if he had not been attainted, unless such Land shall have escheated in consequence of such attainder, before the first day of July, one thousand eight hundred and thirty four.

10. And be it further enacted by the authority aforesaid, That after the passing of this Act proof of entry by the heir after the death of the ancestor shall in no case be necessary in order to prove title in such heir, or in any person claiming by or through him.

11. And be it further enacted by the authority aforesaid, That this Act shall not extend to any descent which shall take place on the death of any person who shall die before the first day of July, one thousand eight hundred and thirty-four.

12. And be it further enacted by the authority aforesaid, That where any assurance executed before the said first day of July one thousand eight hundred and thirty-four, or the Will of any person who shall die before that day, shall contain any limitation or gift to the heir or heirs of any person under which the person or persons answering the description of heir shall be entitled to an estate by purchase, then the person or persons who would have answered such description of heir, if this Act had not been made, shall become entitled by virtue of such limitation or gift whether the person named as ancestor shall or shall not be living on or after the said first day of July one thousand eight hundred and thirty four.

13. And be it further enacted by the authority aforesaid, That where a Husband shall die beneficially entitled to any land for an interest which shall not entitle his Widow to dower out of the same at Law, and such interest, whether wholly equitable, or partly legal and partly equitable, shall be an estate of inheritance in possession, or equal to an estate of inheritance in possession, (other than an estate in joint tenancy,) then his Widow shall be entitled in equity to dower out of the same land

14. And be it further enacted by the authority aforesaid, That when a Husband shall have been entitled to a right of entry or action in any land, and his Widow would be entitled to dower out of the same if he had recovered possession thereof, she shall be entitled to dower out of the same, although her Husband shall not have recovered possession thereof: *Provided* that such dower be sued for or obtained within the period during which such right of entry or action might be enforced.

15. And be it further enacted by the authority aforesaid, That no Widow shall hereafter be entitled to dower ad ostium ecclesiæ, or dower ex assensu patris.

16. And be it further enacted by the authority aforesaid, That after the first day of July, one thousand eight hundred and thirty-four, no person shall make an entry or distress, or bring an action to recover any Land or Rent but within twenty years next after the time at which the right to make such entry or distress, or to bring such action shall have first accrued to some person through whom he claims; or if such right shall not have accrued to any person through whom he claims, then within twenty years next after the time at which the right to make such entry or distress, or to bring such action, shall have first accrued to the person making or bringing the same.

17. And be it further enacted by the authority aforesaid, That in the construction of this Act, the right to make an entry or distress, or bring an action to recover any Land or Rent, shall be deemed to have first accrued at such time as hereinafter is mentioned, that is to say, when the person claiming such Land or Rent, or some person through whom he claims shall, in respect of the Estate or Interest claimed, have been in possession or in the receipt of the profits of such Land, or in receipt of such Rent, and shall, while entitled thereto, have been dispossessed or have discontinued such possession or receipt, then such right shall be deemed to have first accrued at the time of such dispossession or discontinuance of possession, or at the last time at which any such profits or Rent were or was so received; and when the person claiming such Land or Rent shall claim the Estate or Interest of some deceased person who shall have continued in such possession or receipt, in respect of the same Estate or Interest, until the time of his death, and shall have been the last person entitled to such Estate or Interest who shall have been in such possession or receipt, then such right shall be deemed to have first accrued at the time of such death; and when the person claiming such Land or Rent shall claim in respect of an Estate or Interest in possession, granted, appointed, or otherwise assured by any Instrument other than a Will, to him or some person through whom he claims, by a person being in respect of the same Estate or Interest in the possession or receipt of the profits of the Land or in receipt of the Rent, and no person entitled under such Instrument shall have been in possession or receipt, then such right shall be deemed to have first accrued at the time at which the person claiming as aforesaid, or the person through whom he claims, became entitled to such possession or receipt by virtue of such Instrument; and when the Estate or Interest claimed shall have been an Estate or Interest in reversion or remainder, or other future Estate or Interest, and no person shall have obtained the possession or receipt of the profits of such Land, or the receipt of such Rent, in respect of such Estate or Interest, then such right shall be deemed to have first accrued at the time at which such Estate or Interest became an Estate or Interest in possession; and when the person claiming such Land or Rent, or the person through whom he claims shall have become entitled, by reason of any forfeiture or breach of condition, then such right shall be deemed to have first accrued when such forfeiture was incurred or such condition broken: *Provided always*, that until the person deriving title to Land in this Province as the Grantee of the Crown, or his Heirs or Assigns, or some or one of them, by themselves, their Servants or Agents, shall have taken actual possession of the Land granted, by residing thereupon or by cultivating some portion thereof, the lapse of twenty years shall not bar the right of such Grantee, or any person claiming by, under or through him, to bring an action for the recovery of such Lands, unless it can be shewn that such Grantee or person claiming by, under or through him, while entitled to the Land, had knowledge of the same being in the actual possession of some other person not claiming to hold by, from or under the Grantee of the Crown, (such possession having been taken while the said Lot was in a state of nature,) in which case, the right to bring such action shall be deemed to have accrued from the time that such knowledge was obtained: *Provided also*, that when any right to make an entry or distress, or to bring an action to recover any Land or Rent, by reason of any forfeiture or breach of condition, shall have first accrued in respect of any Estate or Interest in reversion or remainder, and the Land or Rent shall not have been recovered by virtue of such right; the right to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued in respect of such Estate or Interest, at the time when the same shall have become an Estate or Interest in possession, as if no such forfeiture or breach of condition had happened: *Provided also*, that a right to make an entry or distress, or to bring an action to recover any Land or Rent, shall be deemed to have first accrued in respect of an Estate or Interest in reversion, at the time at which the same shall have become an Estate or Interest in possession, by the determination of any Estate or Estates, in respect of which such Land shall have been held or the profits thereof, or such Rent shall have been received, notwithstanding the person claiming such Land, or some person through whom he claims shall, at any time previously to the creation of the Estate or Estates which shall have determined, have been in possession or receipt of the profits of such Land, or in receipt of such Rent.

18. And be it further enacted by the authority aforesaid, That for the purposes of this Act, an Administrator claiming the Estate or Interest of the deceased person, of whose chattels he shall be appointed Administrator, shall be deemed to claim as if there had been no interval of time between the death of such deceased person and the grant of the Letters of Administration.

19. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent, as Tenant at Will, the right of the person entitled subject thereto, or of the person through whom he claims, to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued either at the determination of such tenancy or at the expiration of one year next after the commencement of such tenancy, at which time such tenancy shall be deemed to have determined: *Provided always*, that no Mortgagor, or Cestui que Trust shall be deemed to be a Tenant at Will, within the meaning of this clause, to his Mortgagee or Trustee.

20. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent as Tenant, from year to year or other period, without any Lease in writing, the right of the person entitled, subject thereto, or of the person through whom he claims to make an entry or distress, or to bring an action to recover such Land or Rent, shall be deemed to have first accrued, at the determination of the first of such years or other periods, or at the last time when any Rent payable in respect of such tenancy shall have been received, (which shall last happen.)

21. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent by virtue of a Lease in writing, by which a Rent amounting to the yearly sum of Twenty Shillings or upwards shall be reserved, and the Rent reserved by such Lease shall have been received by some person wrongfully claiming to be entitled to such Land or Rent in reversion, immediately expectant on the determination of such Lease, and no payment in respect of the Rent reserved by such Lease shall afterwards have been made to the person rightfully entitled thereto, the right of the person entitled to such Land or Rent, subject to such Lease, or of the person through whom he claims to make an entry or distress, or to bring an action after the determination of such Lease, shall be deemed to have first accrued at the time at which the Rent reserved by such Lease was first so received by the person wrongfully claiming as aforesaid, and no such right shall be deemed to have first accrued upon the determination of such Lease to the person rightfully entitled.

22. And be it further enacted by the authority aforesaid, That no person shall be deemed to have been in possession of any Land within the meaning of this Act, merely by reason of having made an entry thereon.

23. And be it further enacted by the authority aforesaid, That no continual or other claim upon or near any Land shall preserve any right of making an entry or distress, or of bringing an action.

24. And be it further enacted by the authority aforesaid, That when any one or more of several persons entitled to any Land or Rent, as Co-parceners, Joint Tenants, or Tenants in Common, shall have been in possession or receipt of the entirety, or more than his or their undivided share or shares of such Land, or of the profits thereof, or of such Rent for his or their own benefit, or for the benefit of any person or persons other than the person or persons entitled to the other share or shares of the same Land or Rent, such possession or receipt shall not be deemed to have been the possession or receipt of or by such last mentioned person or persons, or any of them.

25. And be it further enacted by the authority aforesaid, That when a younger brother or other relation of the person entitled as heir to the possession, or receipt of the profits of any Land, or to the receipt of any Rent, shall enter into the possession or receipt thereof, such possession or receipt shall not be deemed to be the possession or receipt of or by the person entitled as heir.

26. *Provided always*—And be it further enacted by the authority aforesaid, That when any acknowledgment of the Title of the person entitled to any Land or Rent shall have been given to him or his Agent in writing, signed by the person in possession or in receipt of the profits of such Land, or in receipt of such Rent, then such possession or receipt, of or by the person by whom such acknowledgment shall have been given, shall be deemed according to the meaning of this Act to have been the possession or receipt of, or by the person to whom or to whose Agent such acknowledgment shall have been given at the time of giving the same, and the right of such last mentioned person, or any person claiming through him to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued at, and not before the time at which such acknowledgment or the last of such acknowledgments, if more than one was given.

27. *Provided also*—And be it further enacted by the authority aforesaid, That when no such acknowledgment as aforesaid shall have been given before the passing of this Act, and the possession or receipt of the profits of the Land, or the receipt of the Rent, shall not at the time of the passing of this Act have been adverse to the right or title of the person claiming to be entitled thereto, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Interest, at any time within five years next after the passing of this Act.

28. *Provided always*—And be it further enacted by the authority aforesaid, That if at the time at which the right of any person to make an entry or distress, or bring an action to recover any Land or Rent shall have first accrued as aforesaid, such person shall have been under any of the disabilities hereinafter mentioned, that is to say—infancy, coverture, idiotcy, lunacy, unsoundness of mind, or absence from this Province, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Rent at any time within ten years next after the time at which the person to whom such right shall have first accrued as aforesaid, shall have ceased to be under any such disability, or shall have died, (which shall have first happened.)

29. *Provided nevertheless*— And be it further enacted by the authority aforesaid, That no entry, distress, or action, shall be made or brought by any person who at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, shall be under any of the disabilities hereinbefore mentioned, or by any person claiming through him, but within forty years next after the time at which such right shall have first accrued, although the person under disability at such time may have remained under one or more of such disabilities during the whole of such forty years; or although the term of ten years from the time at which he shall have ceased to be under any such disability, or have died, shall not have expired.

30. *Provided always*—And be it further enacted by the authority aforesaid, That when any person shall be under any of the disabilities hereinbefore mentioned, at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, and shall depart this life without having ceased to be under any such disability, no time to make an entry or distress, or to bring an action to recover such Land or Rent beyond the said period of twenty years next after the right of such person to make an entry or distress, or to bring an action to recover such Land or Rent shall have first accrued, or the said period of ten years next after the time at which such person shall have died, shall be allowed by reason of any disability of any other person.

31. And be it further enacted by the authority aforesaid, That when the right of any person to make an entry or distress, or bring an action to recover any Land or Rent to which he may have been entitled for an Estate or Interest in possession, shall have been barred by the determination of the period hereinbefore limited, which shall be applicable in such case, and such person shall at any time during the said period have been entitled to any other estate, interest, right, or possibility, in reversion, remainder or otherwise, in or to the same Land or Rent; no entry, distress or action shall be made or brought by such person, or any person claiming through him, to recover such Land or Rent in respect of such other Estate, interest, right or possibility, unless in the mean time such Land or Rent shall have been recovered by some person entitled to an Estate, interest or right, which shall have been limited or taken effect after or in defeasance of such Estate or interest in possession.

32. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no person claiming any Land or Rent in Equity shall bring any suit to recover the same but within the period during which, by virtue of the provisions hereinbefore contained he might have made an entry or distress, or brought an action to recover the same respectively, if he had been entitled at Law to such Estate, interest or right, in or to the same, as he shall claim therein in Equity.

33. *Provided always*—And be it further enacted by the authority aforesaid, That when any Land or Rent shall be vested in a Trustee upon any express trust, the right of the Cestui que Trust, or any person claiming through him to bring a suit against the Trustee, or any person claiming through him to recover such Land or Rent, shall be deemed to have first accrued, according to the meaning of this Act, at and not before the time at which such Land or Rent shall have been conveyed to a purchaser for a valuable consideration, and shall then be deemed to have accrued only as against such purchaser, and any person claiming through him.

34. And be it further enacted by the authority aforesaid, That in every case of a concealed fraud, the right of any person to bring a suit in Equity, for the recovery of any Land or Rent, of which he, or any person through whom he claims, may have been deprived by such fraud, shall be deemed to have first accrued at, and not before the time at which such fraud shall or with reasonable diligence might have been first known or discovered: *Provided*, that nothing in this clause contained shall enable any owner of Lands or Rents to have a suit in Equity for the recovery of such Lands or Rents, or for setting aside any conveyance of such Lands or Rents, on account of fraud against any bona fide purchaser for valuable consideration, who has not assisted in the commission of such fraud, and who, at the time that he made the purchase did not know, and had no reason to believe that any such fraud had been committed.

35. *Provided always*—And be it further enacted by the authority aforesaid, That nothing in this Act contained shall be deemed to interfere with any Rule or Jurisdiction of Courts of Equity in refusing relief on the ground of acquiescence or otherwise, to any person whose right to bring a suit may not be barred by virtue of this Act.

36. And be it further enacted by the authority aforesaid, That when a Mortgagee shall have obtained the possession or receipt of the profits of any Land, or the receipt of any Rent comprised in his Mortgage, the Mortgagor, or any person claiming through him, shall not bring a suit to redeem the Mortgage but within twenty years next after the time at which the Mortgagee obtained such possession or receipt, unless in the mean time an acknowledgment of the title of the Mortgagor, or of his right of redemption, shall have been

given to the Mortgagor, or some person claiming his Estate, or to the Agent of such Mortgagor or person, in writing, signed by the Mortgagee or the person claiming through him; and in such case, no such suit shall be brought but within twenty years next after the time at which such acknowledgment, or the last of such acknowledgments, if more than one was given; and when there shall be more than one Mortgagor, or more than one person claiming through the Mortgagor or Mortgagors, such acknowledgment, if given to any of such Mortgagors or persons, or his or their Agent, shall be as effectual as if the same had been given to all such Mortgagors or persons; but when there shall be more than one Mortgagee, or more than one person claiming the Estate or Interest of the Mortgagee or Mortgagees, such acknowledgment, signed by one or more of such Mortgagees or persons, shall be effectual only as against the party or parties signing as aforesaid, and the person or persons claiming any part of the Mortgage money, or Land or Rent, by, from or under him or them, and any person or persons entitled to any Estate or Estates, Interest or Interests, to take effect after or in defeasance of his or their Estate or Estates, Interest or Interests, and shall not operate to give to the Mortgagor or Mortgagors a right to redeem the Mortgage as against the person or persons entitled to any other undivided or divided part of the money or Land or Rent; and when such of the Mortgagees or persons aforesaid as shall have given such acknowledgment shall be entitled to a divided part of the Land or Rent comprised in the Mortgage, or some Estate or Interest therein, and not to any ascertained part of the Mortgage money, the Mortgagor or Mortgagors shall be entitled to redeem the same divided part of the Land or Rent, on payment, with interest, of the part of the Mortgage money which shall bear the same proportion to the whole of the Mortgage money as the value of such divided part of the Land or Rent shall bear to the value of the whole of the Land or Rent comprised in the Mortgage.

37. And be it further enacted by the authority aforesaid, That at the determination of the period limited by this Act to any person for making an entry or distress, or bringing an action or suit, the right and title of such person to the Land or Rent, for the recovery whereof such entry, distress, action or suit, respectively might have been made or brought within such period, shall be extinguished.

38. And be it further enacted by the authority aforesaid, That the receipt of the Rent payable by any Tenant from year to year, or other Lessee, shall, as against such Lessee, or any person claiming under him, but subject to the Lease, be deemed to be the receipt of the profits of the Land for the purposes of this Act.

39. And be it further enacted by the authority aforesaid, That no writ of right patent, writ of right quia dominus remisit curiam, writ of right close, writ of right de rationabili parte, writ of right upon disclaimer, writ of right of ward, writ of Cessavit, quod permittat, formedon in descender, remainder, or in reverter, writ of Assize of novel disseisin, nuisance, or mort d'ancestor, writ of entry sur desseisin in the quibus, in the per, in the per and cui, or in the post, writ of entry sur intrusion, writ of entry sur alienation, dum fuit non compos mentis, dum fuit infra etatem, dum fuit in prisona, ad communem legem, in casu proviso, in consimili casu, cui in vita, sur cui in vita, cui ante divortium, or sur cui ante divortium, writ of entry sur abatement, writ of entry quare ejecit infra terminum, or ad terminum qui præteriit, or causa matrimonii prælocuti, writ of aiel, besaiel, tresaiel, cosinage, or nuper obiit, writ of waste, writ of partition, except such as is or shall be authorised by any Statute of this Province; writ of disceit, writ of quod ei deforceat, writ of covenant real, writ of warrantia chartae, writ of curia claudenda, and no other action, real or mixed, except a writ of dower, or writ of dower unde nihil habet, or an ejectment; and no plaint in the nature of any such writ, or action, except a plaint for dower, shall be brought after the first day of July, one thousand eight hundred and thirty-five.

40. *Provided always*—And be it further enacted by the authority aforesaid, That when on the said first day of July, one thousand eight hundred and thirty-five, any person who shall not have a right of entry to any Land, shall be entitled to maintain any such writ or action as aforesaid, in respect of such Land, such writ or action may be brought at any time before the first day of January, one thousand eight hundred and thirty-six, in case the same might have been brought if this Act had not been made, notwithstanding the period of twenty years hereinbefore limited shall have expired.

41. *Provided also*—And be it further enacted by the authority aforesaid, That when on the said first day of January, one thousand eight hundred and thirty-six, any person whose right of entry to any Land shall have been taken away, by any descent cast, discontinuance or warranty, might maintain any such writ or action as aforesaid, in respect of such Land, such writ or action may be brought after the said first day of January, one thousand eight hundred and thirty-six, but only within the period during which, by virtue of the provisions of this Act, an entry might have been made upon the same Land, by the person bringing such writ or action, if his right of entry had not been so taken away.

42. And be it further enacted by the authority aforesaid, That no descent cast, discontinuance or warranty, which may happen or be made after the said first day of July, one thousand eight hundred and thirty-four, shall toll or defeat any right of entry or action for the recovery of Land.

43. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no action or suit or other proceeding shall be brought to recover any sum of money secured by any Mortgage, Judgment or Lien, or otherwise, charged upon or payable out of any Land or Rent at Law or in Equity, or any Legacy, but within twenty years next after a present right to receive the same shall have accrued to some person capable of giving a discharge for or release of the same, unless in the mean time some part of the principal money, or some interest thereon shall have been paid, or some acknowledgment of the right thereto shall have been given in writing, signed by the person by whom the same shall be payable, or his Agent, to the person entitled thereto, or his Agent, and in such case no such action or suit or proceeding shall be brought, but within twenty years after such payment or acknowledgment, or the last of such payments or acknowledgments, if more than one was given: *Provided always*, that in respect to persons now entitled to an equity of redemption or to any legacy, the right to bring an action or to pursue a remedy for the same shall not be deemed to be extinguished or barred by lapse of time until the expiration of five years from the time that an equitable jurisdiction shall be established in this Province, and in the exercise of its powers: *Provided* that shall happen within ten years from the passing of this Act.

44. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no arrears of dower, nor any damages on account of such arrears, shall be recovered or obtained by any action or suit for a longer period than six years next before the commencement of such action or suit.

45. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no arrears of Rent or of Interest, in respect of any sum of money charged upon or payable out of any Land or Rent, or in respect of any Legacy, or any damages in respect of such arrears of Rent or Interest, shall be recovered by any distress, action or suit, but within six years next after the same respectively shall have become due, or next after an acknowledgment of the same in writing shall have been given to the person entitled thereto, or his Agent, signed by the person by whom the same was payable, or his Agent: *Provided nevertheless*, that where any prior Mortgagee or other Incumbrancer shall have been in possession of any Land, or in the receipt of the profits thereof, within one year next before an action or suit shall be brought by any person entitled to a subsequent mortgage or other incumbrance on the same Land, the person entitled to such subsequent mortgage or incumbrance may recover in such action or suit the arrears of interest which shall have become due during the whole time that such prior Mortgagor or Incumbrancer was in such possession or receipt as aforesaid, although such time may have exceeded the said term of six years.

46. And be it further enacted by the authority aforesaid, That any Corporation aggregate in this Province, capable of taking and conveying Land, shall be deemed to have been and shall be deemed to be capable of taking and conveying Land by deed of bargain and sale, in like manner as any person in his natural capacity, subject nevertheless to any general limitations or restrictions as to holding or conveying Real Estate, which may be applicable to such Corporation.

47. And be it further enacted by the authority aforesaid, That after the passing of this Act, a deed of bargain and sale of Land in this Province shall not be held to require enrollment or to require registration to supply the place of enrollment, for the mere purpose of rendering such bargain and sale a valid and effectual conveyance for passing the Land thereby intended to be bargained and sold: *Provided always, nevertheless*, that the necessity of registering such deed of bargain and sale in the Register of the County in which the Land is situated, in order to guard against a subsequent purchaser of the same Lands obtaining title by prior registry, shall continue as before the passing of this Act.

48. And be it further enacted by the authority aforesaid, That whenever by any Letters Patent, Assurance or Will, made and executed hundred and thirty-four, Land shall be granted, conveyed or devised to two or more persons other than Executors or Trustees, in fee simple, or for any less Estate, it shall be considered that such persons take as Tenants in Common, and not as Joint Tenants, unless an intention sufficiently appears on the face of such Letters Patent, Assurance or Will, that they shall take as Joint Tenants.

49. And be it further enacted by the authority aforesaid, That when the Will of any person who shall die after the passing of this Act shall contain a devise, in any form of words, of all such real Estate as the Testator shall die seized or possessed of, or of any part or proportion thereof, such Will shall be valid and effectual to pass any Land that may have been or may be acquired by the Devisor after the making of such Will, in the same manner as if the title thereto had been acquired before the making thereof.

50. And be it further enacted by the authority aforesaid, That whenever Land is or shall be devised in a Will made by any person who shall die after the passing of this Act, it shall be considered that the Devisor intended to devise all such Estate as he was seized of in the same Land, whether fee simple or otherwise, unless it shall appear on the face of such Will that he intended to devise only an Estate for life, or other Estate less than he was seized of at the time of making the Will containing such devise.

51. *And whereas* by the adoption in this Province of the Law of England, it is made necessary that a Will of Real Estate shall be executed in the presence of three Witnesses, which provision there is reason to believe operates in many instances injuriously in this Province, by reason that Lands are held in small portions by persons of all conditions and degrees of intelligence, many of whom, not aware of this positive provision of the Law, are only careful to provide two Witnesses, as is customary with respect to Sealed Instruments in general, and in all such cases the intensions of the Testator fail of their effect, frequently to the great injury of families:—*Whereas*, on the other hand, it is doubtful whether any intended fraud is in fact prevented by requiring an attestation by three Witnesses: Be it therefore enacted by the authority aforesaid, That any Will affecting Land executed after the passing of this Act, in the presence of and attested by two or more Witnesses, shall have the same validity and effect as if executed in the presence of and attested by three Witnesses, any former Law to the contrary notwithstanding; and that it shall be sufficient if such Witnesses subscribe their names in presence of each other, although their names may not be subscribed in presence of the Testator.

52. *And whereas* Plaintiffs in Actions of Ejectment brought against persons who are merely intruders, are subject to be defeated in the recovery of Land to which they have just claim, as purchasers or heirs, on account of some want of technical form in their title, or some imperfection not affecting the merits of their case, and of which it is desirable that mere strangers to the title, having no claim or color of legal claim to the possession, should not be encouraged or permitted to take advantage: Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for the Lessor of the Plaintiff, or his Attorney, in any Action of Ejectment hereafter to be brought, to serve a notice upon the Defendant in such Ejectment, in these words:—

"Take notice, that I claim the premises for "which this action is brought, as the bona fide "purchaser thereof, from A. B.——or as Heir- "at-Law of A. B. of——, (or otherwise as the "case may be,) and that you will be required "to shew upon the trial of this cause, what "legal right you have to the possession of the "premises,"

or a notice in any other form of words to the same effect, and that if upon the trial of such Ejectment to be afterwards had, the evidence of title given by the Lessor of the Plaintiff shall shew to the satisfaction of the Court and Jury that he is entitled in justice to be regarded as the proprietor of the Land, or is entitled to the immediate possession thereof for any term of years, but that he cannot shew a perfect legal title by reason of some want of legal form in any Instrument produced, or by reason of the defective registration of any Will or Instrument produced, or from any cause not within the power of the Lessor of the Plaintiff to remedy by using due diligence, it shall be competent to the Jury, under the direction of the Court, to find a verdict for the Plaintiff, unless the Defendant or his Counsel, upon being required by the other party so to do, shall give such evidence of title as shall shew that he is the person legally entitled, or does bona fide claim to be the person legally entitled to the Land, by reason of the defect in the title of the Lessor of the Plaintiff, or that he holds or does bona fide claim to hold under the person so entitled: *Provided always, nevertheless*, that when a verdict shall be rendered under the authority of this provision, it shall be indorsed as given under this Act, and it shall be stated in the postea, and entry of the judgment to have been so given, and in any action which may thereafter be brought for the mesne profits, such judgment in ejectment shall not be evidence to entitle the Plaintiff to recover.

53. *And whereas* the wrong committed by Tenants, in holding over vexatiously and without color of right, after their term has expired, requires a more speedy and less expensive remedy than is now provided by Law:—Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for any Landlord, or the Agent of any Landlord, whose Tenant shall, after the expiration of his term, (whether the same was created by writing or parol,) wrongfully refuse, upon demand made in writing, to go out of possession of the Land demised to him, to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, setting forth on Affidavit the terms of the demise, if by parol, and annexing a copy of the Instrument containing such demise, if the same were in writing, and also a copy of the demand made for the delivering up possession, and stating also the refusal of the Tenant to go out of possession, and the reason given for such refusal, (if any were given,) adding such explanation in regard to the ground of refusal as the truth of the case may require; and if upon such Affidavit it shall appear to the Court or Judge, that such Tenant does wrongfully hold over, without color of right, it shall be lawful for such Court or Judge to order a Writ to issue in the name of the King, and tested in the name of the Chief Justice or senior Puisne Judge of such Court, on the day that the same shall actually issue, directed to such person as the Court or Judge shall appoint, and commanding him to issue his Precept to the Sheriff of the District in which the Land is situated, for the summoning of a Jury of twelve men to come before the Commissioner at a day and place by such Commissioner to be named, to inquire and say upon their oaths whether such person complained of was Tenant to the Complainant for a term which has expired, and whether he does wrongfully refuse to go out of possession, having no right or color of right to continue in possession, or how otherwise; which Writ shall be made returnable whensoever the same shall be duly executed before any one of the Judges of the said Court; and that notice in writing of the time and place of holding such inquisition shall be served upon the Tenant, or left at his place of abode, at least three days before the day appointed, to which notice shall be annexed a copy of the Affidavit on which the Writ was obtained, and of the papers attached thereto, and that the Commissioner shall have power to administer an Oath to the persons summoned on such Jury, well and truly to try, and a true verdict to give upon the matters and things in the said Writ contained, according to the evidence; and shall also have power to administer an Oath to the Witnesses produced by either party; and that the Jurors shall, under their hands, either with or without their Seals, indorse their finding upon the back of the Writ, or return the same upon a paper attached thereto by such Commissioner, and if it shall appear to the Court, or any Judge thereof, upon the return of the said Writ made by the said Commissioner, and upon a consideration of all the evidence, which Commissioner, to be filed with such commission and the proceedings thereupon in the Office of the Clerk of the Crown and Pleas, that the case is clearly one coming within the true intent and meaning of this Act, then it shall be lawful for such Court or Judge to shall be lawful for such Court or Judge to issue a Precept to the Sheriff, in the King's name, commanding him forthwith to place the Landlord in possession of the premises in question.

54. And be it further enacted by the authority aforesaid, That when such Precept shall have been made by a Judge, the Court shall have power, on motion before the end of the second term after such Precept shall have been issued, to examine into the proceedings, and, if they shall find cause, to set aside the same, and to issue their Precept to the Sheriff, if it be necessary, commanding him to restore the Tenant to his possession, in order that the question of right, if any appear, may be tried as heretofore by Ejectment.

55. And be it further enacted by the authority aforesaid, That the Judges of the Court of King's Bench, in term time or in vacation, shall have power to devise, and from time to time to alter and amend the form of the Writ, Inquisition and Return, and of the Precepts to be issued under the authority of this Act, and to make such orders respecting costs as to them may seem just, and to issue a Writ to the Sheriff, commanding him to levy such costs of the goods and chattels, or to issue an Attachment for the non-payment thereof against the Landlord or Tenant, or person described as Landlord or Tenant, as to them shall seem just.

56. And be it further enacted by the authority aforesaid, That before any Commissioner shall hold an Inquisition under this Act, he shall take the following Oath before some one of the Justices of the Peace in and for the District in which the Inquisition shall be holden, which Oath shall be indorsed on the said Writ, that is to say:—

"I A. B. do solemnly swear, that I will "impartially, and to the best of my judgment "discharge my duty as Commissioner under "this Writ.—So help me God."

57. And be it further enacted by the authority aforesaid, That if any Witness sworn and examined before a Commissioner holding an Inquisition under this Act shall wilfully swear falsely, he shall, on conviction thereof, be liable to the penalties of wilful and corrupt perjury and that if any person upon being required by notice from such Commissioner to attend as a Witness upon the Inquisition, shall refuse or wilfully omit to attend, he shall be liable to be committed upon the Warrant of such Commissioner to the Common Gaol of the District for a time not exceeding one calendar month.

58. And be it further enacted by the authority aforesaid, That the remedy afforded under this Act shall not be construed to take away or interfere with any other remedy, action or right of action, which a landlord might have or bring, under the Laws in force before the passing of this Act.

59. And be it further enacted by the authority aforesaid, That the words and expressions in this Act mentioned, which in their ordinary signification have a more confined or a different meaning, shall in this Act, except where the nature of the provision or the context of the Act shall exclude such construction, be interpreted as follows, that is to say, the word "Land" shall extend to Messuages, and all other hereditaments whether corporeal or incorporeal and to money to be laid out in the purchase of Land, (and to chattels and other personal property transmissable to heirs,) and also to any share of the same hereditaments and properties or any of them, and to any Estate of inheritance, or Estate for any life or lives, or other Estate transmissable to heirs and to any possibility, right or title of entry or action, and any other interest capable of being inherited, and whether the same Estates, possibilities, rights, titles and interests, or any of them, shall be in possession, reversion, remainder, or contingency; and the words "the purchaser" shall mean the person who last acquired the Land otherwise than by descent or than by any partition, by the effect of which the Land shall have become part of or descendible, in the same manner as other Land acquired by descent; and the word "descent" shall mean the title to inherit Land by reason of consanguinity, as well where the heir shall be an ancestor or collateral relation, as where he shall

be a child or other issue; and the expression "descendants" of any ancestor, shall extend to all persons who must trace their descent through such ancestor; and the expression "the person last entitled to the Land" shall extend to the last person who had a right thereto, whether he did or did not obtain the possession or the receipt of the rents and profits thereof; and the word "Assurance" shall mean any Deed or Instrument (other than a Will) by which any Land shall be conveyed or transferred at Law or in Equity; and the word "Rent" shall extend to all annuities and periodical sums of money charged upon or payable out of any Land; and the "person through whom another person is said to claim," shall mean any person by, through, or under, or by the Act of whom the person so claiming became entitled to the Estate or Interest claimed as heir, issue, in tail, tenant by the courtesy of England, tenant in dower, successor, special or general occupant, executor, administrator, legatee, husband, assignee, appointee, devisee, or otherwise; and every word importing the singular number only, shall extend and be applied to several persons or things, as well as one person, or thing; and every word importing the masculine gender only, shall extend and be applied to a female, as well as a male.

60. And be it further enacted by the authority aforesaid, That this Act shall not have operation retrospectively, so as by force of any of its provisions to render any title valid, which in regard to any particular Estate has been adjudged, or may in any suit now depending be adjudged invalid, on account of any defect imperfection, matter or thing which is by this Act altered, supplied or remedied; but that in every such case the Law, in regard to any such defect, imperfection, matter or thing, shall as applied to such title, be deemed and taken to be as if this Act had not been passed. 47

An Act to regulate Line Fences and Water Courses, and to repeal so much of an Act passed in the thirty-third year of the reign of His late Majesty King George the Third, entitled "An Act to provide for the nomination and appointment of Parish and Town Officers within this Province," as relates to the office of Fence Viewers being discharged by Overseers of Highways and Roads.

(Passed 6th March, 1834.)

WHEREAS much difficulty and inconvenience are experienced and many disputes arise from the want of some Provincial enactment, by which each party interested in the making or repairing any division or Line Fence, may be compelled to make or repair, or pay for making and repairing a fair and just proportion of such Fence: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province;'" and by the authority of the same, That it shall and may be lawful for the Inhabitant Householders of each and every Township in this Province, at their annual Town Meeting for the election of Township Officers, to choose from among the Inhabitants of the said Township, in the same manner as by Law other Township Officers are chosen, not less than three or more than eighteen fit and discreet persons to serve the office of Fence Viewers, who shall perform the duties hereinafter prescribed to Fence Viewers, and who shall take the same oath of office, and in the same manner which persons chosen to other Township Officers, are or may be by law required to do, and be liable to the same penalties for neglect or refusal to take said oath of office, to which persons chosen to other Township Offices, and neglecting or refusing to take the oath of office, are or may be by law liable.

2. And be it further enacted by the authority aforesaid, That each of the parties occupying adjoining tracts of land, shall keep up, make and repair a fair and just proportion of the division or Line Fence between their several tracts of land; and that where there shall be a dispute between the parties, as to the commencement or extent of the part of the said division or Line Fence which either party may claim or refuse to make or repair, it shall and may be lawful for either party to submit the same to the determination and award of three Fence Viewers, which Fence Viewers are hereby authorised and required, upon being duly called upon by either party in such case, to attend at the time and place stated in such notice, and after being satisfied that the other party or parties in the case have been duly notified to appear at the time and place, to proceed to examine the premises; and such Fence Viewers, or any two of them, shall determine any and every dispute in the matter aforesaid, between the said parties, and the award and determination of such Fence Viewers, or any two of them, on the matters aforesaid, shall be binding on the parties as far as concerns the making or repairing of such division or Line Fence, and from thenceforth the occupier or occupiers of the said tracts or parcels of land shall respectively make and repair, and keep in repair, that part of such division or Line Fence which shall have been assigned in such award or determination to the occupier or occupiers of such tract or parcel of land, which determination and award shall be made in writing, and signed by such Fence Viewers, or a majority of them, and filed in the Town Clerk's Office, and a copy of the same made out and given to each of the parties: *Provided always, nevertheless*, that when by reason of any material change of circumstances in respect to the improvement and occupation of adjacent lots or parcels of land, an award which has been made under this Act shall cease in the opinion of either of the parties to be equitable between them, it shall be in the power of either to obtain another award of Fence Viewers by the same mode of proceeding as is hereinbefore directed, and that if the Fence Viewers who shall have been called upon to make such subsequent award, shall find no reason for making an alteration, the whole cost of such reference shall be borne by the party at whose instance it shall have been made.

3. And be it further enacted by the authority aforesaid, That if any person or persons who may be in the occupation of any tract or parcel of land shall neglect or refuse to make or repair (as the case may be) an equal or just proportion of the division or Line Fence between such tract or parcel of land and the adjoining tract or parcel of land, for a period of thirty days after being required by a demand in writing by the person or persons occupying such adjoining tract or parcel of land, or after the award of the Fence Viewers as aforesaid, to make or repair such equal or just proportion of the division or Line Fence; or if the party making such demand shall for such period neglect or refuse to make or repair an equal or just proportion of the division or Line Fence, it shall and may be lawful for either of the said parties, after first completing his own proportion of such Fence, to make or repair in a substantial manner, and of good sound materials, the whole or any part of the said division or Line Fence which ought to have been by the other party made or repaired, and to recover in the manner hereinafter mentioned, of the person or persons who may have neglected or refused in manner aforesaid to make or repair such proportion of the division or Line Fence, the just and full value of such proportion, not exceeding the sum of two shillings and six pence per rod, to be ascertained and determined in the manner hereinafter provided: *Provided always*, that any Fence coming within the meaning and intent of the resolution resolving what shall be considered to be a lawful Fence for that year, entered into by the inhabitant householders at their annual Township Meeting, shall be considered by all Fence Viewers to be a lawful Fence; and when the householders as aforesaid shall neglect or refuse to decide by such resolution what shall be a lawful Fence, then, and in that case, it shall be lawful for such Fence Viewers, when called upon, to exercise their own judgment, and decide what they consider to be a lawful Fence.

4. And be it further enacted by the authority aforesaid, That it shall and may be lawful for any Commissioner of the Court of Requests for the division in which such Fence may be situated, and he is hereby required, upon the demand of any person or persons, to issue a Summons under his hand and seal, directed to three Fence Viewers (by their proper names) of the Township in which such Fence is situated, requiring them to attend on the day and at the hour therein mentioned, and at a place therein mentioned, to view such Fence, and to appraise the same; also, to issue his Summons to the person or persons so having neglected or refused to make or repair such proportion of the division or Line Fence, who shall thenceforth be considered as the Defendant or Defendants in the case, requiring him or them to appear, at the same time and place, to shew cause why the person or persons claiming payment as aforesaid, who shall thenceforth be considered as the Plaintiff or Plaintiffs in the case, should not recover the the same.

5. And be it further enacted by the authority aforesaid, That such Fence Viewers, upon being personally served at least eight days previously with such Summons at the time and place therein mentioned, and after having duly examined the Fence and received evidence, which, if required by either party, or if the said Fence Viewers shall think it expedient, shall be given under oath, they, or any two of them, shall determine whether the said Plaintiff is entitled to recover any, and if any, what sum, from the said Defendant or Defendants, under the provisions of this Act; and in all cases where the commencement or extent of the part of such Division or Line Fence which each party should make or repair, has not been determined by the award of Fence Viewers as aforesaid, the said Fence Viewers, or any two of them, shall determine the same, which determination shall be final and binding on the occupiers of the said tracts or parcels of land, and have the same effect as if it had been made by three Fence Viewers in the manner aforesaid, and shall report their determination upon the matters aforesaid in writing, under their hands, to the said Commissioner of the Court of Requests by whom the said Summons shall have been issued, and shall also, in all cases where they determine that the said Plaintiff is entitled to recover any thing from the said Defendant or Defendants, state what distance of Fence they have determined that the said Defendant or Defendants should have made or repaired.

6. And be it further enacted by the authority aforesaid, That the said Fence Viewers, if they shall be required by either party, before they shall have made a report as aforesaid of their determination to the said Commissioner of the Court of Requests, shall give to such party requiring the same a true copy of their said determination.

7. And be it further enacted by the authority aforesaid, That if either of the said parties shall desire to procure the attendance of any person to give evidence before such Fence Viewers, it shall and may be lawful for the Commissioner of the Court of Requests by whom any Summons shall have been issued as aforesaid to such Fence Viewers, to issue, upon the application of either of the said parties, a Summons to any person to attend as a witness before the said Fence Viewers at the time and place mentioned in the said Summons to the Fence Viewers, and that the said Fence Viewers, when met as aforesaid at the time and place mentioned in the Summons, shall be, and are hereby authorised, whenever it shall be desired by either party, or they shall think it proper, to administer an oath to any person, except the parties or persons interested, whose evidence they shall wish to take, which oath shall be in the following form:—

"You do solemnly swear that you will true answer make to such questions as may be asked of you by either of the Fence Viewers now here assembled, touching the matters which they are now to examine and determine.—So HELP YOU GOD."

And if any person giving evidence as aforesaid under oath, shall be guilty of false swearing, he shall be deemed guilty of perjury, and upon conviction thereof shall be liable to the same punishment and disabilities that persons convicted of Perjury in other cases are now by law liable.

8. And be it further enacted by the authority aforesaid, That the Commissioner of the Court of Requests, to whom the determination of the Fence Viewers shall be returned as aforesaid, shall cause the same to be copied into a book kept for that purpose by the Court of Requests for the division to which he belongs, and thereupon the said Court of Requests shall issue an execution against the goods and chattels of the said Defendant or Defendants in the same manner as if the party to whom it is due had received a Judgment in the Court of Request for the sum which the said Fence Viewers shall have determined as aforesaid he was entitled to receive, and also (if the said sum amounts to more than Two Pounds but not otherwise) for the costs he may have necessarily incurred in the recovery thereof, and when such sum shall not amount as aforesaid to more than Two Pounds then the other party shall be entitled to an Execution from said Court of Request against the goods and chattels of the Plaintiff or Plaintiffs, for the costs he may necessarily have been put to in opposing the Plaintiffs claim, the amount of the said Costs in either case to be determined by the said Court of Requests,: *Provided that* when the said sum shall amount to more than two shillings and sixpence per Rod for the length of fence which such Fence Viewers shall have determined such Defendant or Defendants ought to have made or repaired, the said Plaintiff shall be entitled to recover and have execution for only the sum of two shillings and sixpence per Rod as aforesaid and his costs: *Provided also* that no such writ of execution shall be issued until after the expiration of forty days from the time of such determination.

9. And be it further enacted by the authority aforesaid, That all and every of such Fence Viewers shall be entitled to receive the sum of five shillings for every day they are necessarily engaged in discharging the duties imposed upon them by this Act, and so in proportion for any time less than one day, and no more, and that every witness who shall be summoned and attend as aforesaid before such Fence Viewers shall be entitled to receive two shillings and sixpence per day, and every commissioner of the Court of Requests and Bailiff shall be entitled to receive for any Service performed under this Act the same fees which they are respectively entitled to receive for similar services in the Court of Requests.

10. And be it further enacted by the authority aforesaid That any Fence Viewers legally holding the office of Fence Viewers who shall neglect or refuse to perform the duties of his office shall forfeit for every neglect to any person who may sue for the same, a sum not exceeding forty shillings with Costs of Suit, to be recovered upon information and complaint before any one of the Justices of the Peace for the District in which such Fence Viewer was chosen, and to be levied by distress under a Warrant issued by such Justice.

11. And be it further enacted by the authority aforesaid, That when any party shall cease to improve his land or shall lay his enclosure before under improvement, in common, he shall not have a right to take away any part of the Partition Fence that to him belongs adjoining to the next enclosure that is improved or occupied: *Provided* the party occupying the lands adjoining the same will allow and pay therefor so much as the Fence Viewers, or a majority of them, shall in writing determine to be the reasonable value thereof; and whenever any lands which have laid unimproved and, in common shall be afterwards enclosed or improved, the occupier or occupiers thereof shall pay for their fair or just proportion of the division or Line Fence, standing upon the divisional line between the same land and the land of the enclosure of any other occupant or proprietor, the value thereof to be ascertained and set forth in writing by three Fence Viewers in case the parties shall not agree among themselves, and the amount of said value to be recovered according to the proportions so estimated in the same manner and form as hereinbefore provided respecting the making and keeping in repair division or Line Fences.

12. Provided always, and be it further enacted by the authority aforesaid, That in no case shall any person be authorised to take away any part of the Partition Fence that to him belongs, adjoining to the next enclosure that is improved or occupied, unless the party occupying the lands adjoining the same refuse to pay for the same as aforesaid, nor without first giving due notice to such party for at least twelve months previously to the removal of the same.

13. And be it further enacted by the authority aforesaid, That when a water Fence, or a fence running into the water, is necessary to be made, the same shall be done in equal parts, unless by the parties otherwise agreed; and in case either party shall refuse or neglect to make or maintain the share to such party belonging, similar proceedings shall or may be had as in other cases of the like kind respecting Fences out of the water, in this Act mentioned.

14. And be it further enacted by the authority aforesaid, That when Lands belonging to or occupied by different persons, and subject to be fenced and bounded upon or divided from each other by any brook, pond or creek, which of itself is not a sufficient Fence, in such case, if the parties disagree, the same may be submitted to three Fence Viewers, as heretofore provided in cases of disagreement, and if in the opinion of such Fence Viewers, such brook, river, pond or creek is not of itself a sufficient Fence, and that it is impracticable to fence at the true boundary line, they shall judge and determine how or on which side thereof the fence shall be set up and maintained, or whether partly on one side and partly on the other side, as to them shall appear just, and reduce such their determination to writing, as heretofore provided in other cases; and if either of the parties shall refuse or neglect to make up and maintain the part of the Fence, to such party belonging, according to the Fence Viewers determination, in writing as aforesaid, the same may be done and performed as is in this Act before provided in other cases, and the delinquent party shall be subject to the same costs and charges, and to be recovered in like manner.

15. And be it further enacted by the authority aforesaid, That in all cases when any party shall desire to have a Lane between his Land and any adjoining tract or parcel of Land, and shall make the Fence on one side of the said Lane on his own Land, he shall not be obliged to make or repair, or pay for making or repairing any part of the Fence on the other side of such Lane, any thing herein contained to the contrary in anywise notwithstanding.

16. *And whereas* it is expedient to provide for the opening of Water Courses in this Province: Be it therefore enacted by the authority aforesaid, That in all cases, when it shall be the joint interest of parties resident within this Province to open a Ditch or Water Course, for the purpose of letting off surplus water from swamps or sunken miry Lands, in order to enable the owners or occupiers of such swampy or sunken Land to cultivate or improve the same, it shall be the duty of such several parties to open a just and fair share of such Ditch or Water Course, in proportion to the several interests that such parties may have in the same; and in cases where a dispute shall or may arise, as to the part, width, depth or extent, that any party so interested ought to open or make, the same may be referred to three Fence Viewers, in the same way and manner as is heretofore by this Act provided, in cases of disputes between parties relative to Line or or Division Fences; and it shall be the duty of such Fence Viewers, to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, as in the opinion of such Fence Viewers shall be a just and equitable proportion, having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course, and the Fence Viewers shall at the same time decide what length of time shall be allowed to each of the parties to open his or her share of such Ditch, and the determination or award of such Fence Viewers shall be made in the same form, and signed and executed in the same manner, and have the same effect in regard to Ditches or Water Courses, as is provided by this Act in regard to Line or Division Fences.

17. And be it further enacted by the authority aforesaid, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of Land is not sufficiently interested in the opening of such Ditch to make him a party, and at the same time that it is necessary that such Ditch should be continued across his Land by the other party or parties, at their own expense, they may award the same in manner and form aforesaid, and upon such award, such party or parties may lawfully, and without molestation, open such Ditch or Water Course across such Land as aforesaid, at their own expense.

18. And be it further enacted by the authority aforesaid, That if any party shall neglect or refuse to open or make and keep open his share or proportion allotted or awarded to him by such Fence Viewers as aforesaid, within the time allowed by such Fence Viewers, either of the other parties may, after first completing his own share or proportion allotted to him in manner aforesaid, open the share or proportion allotted to such party neglecting or refusing to open the same, and such party so opening such other parties share, shall be entitled to recover the value thereof from the party so neglecting or refusing to open his share or proportion, in the same way and manner and form as is in this Act provided relative to Line and Division Fences.

19. And be it further enacted by the authority aforesaid, That all fines levied under the provisions of this Act shall be by the Justice or Justices of the Peace by whom the same may be imposed and collected, paid over to the Overseer or Overseers of Highways in the Division wherein such fine or fines shall have been levied,

and such Overseer or Overseers are hereby authorized and required to expend the same in the same manner as other monies coming to their hands to be expended on the Highways, and shall render an account thereof within three months after expenditure thereof, to the Justices in Quarter Sessions assembled.

20. And be it further enacted by the authority aforesaid, That this Act shall be and continue in force for four years, and from thence to the end of the next ensuing Session of Parliament, and no longer.

21. And be it further enacted by the authority aforesaid, That so much of the fifth clause of an Act of the Parliament of this Province, passed in the thirty-third year of the reign of King George the Third, entitled "An Act to provide for the nomination and appointment of Parish and Town Officers within this Province," as provides that persons chosen to be Overseers of Highways and Roads shall also serve the office of Fence Viewers, shall be and the same is hereby repealed; and that whatever duties that were before the passing of this Act directed to be performed by such Overseers of Highways and Roads, in relation to Fenc.. shall hereafter be performed by the persons chosen to be Fence Viewers under the authority of this Act. 46

UPPER CANADA.

J. COLBORNE,
LIEUTENANT GOVERNOR.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament at our City of Toronto, on the fifteenth day of April, instant, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS on the sixth day of March last, we thought fit to prorogue our Provincial Parliament to the fifteenth day of April, instant, at which time at our City of Toronto you were held and constrained to appear.

NOW KNOW YE, that we taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Saturday the Twenty-fourth day of May, next ensuing, you meet us in our Provincial Parliament at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed—WITNESS our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at Toronto, this ninth day of April, in the year of our Lord One Thousand Eight Hundred and Thirty-four, and in the Fourth year of our reign.

By Command of His Excellency.

D. CAMERON,
Secretary.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department. PETER ROBINSON.

An Act to amend the Law respecting Real Property, and to render the proceedings for recovering possession thereof in certain cases, less difficult and expensive.

[Passed 6th March, 1834.]

WHEREAS it is expedient to amend the Law relating to real Estates, by making certain alterations in the Law of Inheritance, and respecting the conveyance of Real Property by Devise and by Deed, and in regard to Dower, and the limitation of actions and suits relating to real Property, and for simplifying the remedies for trying the rights thereto: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled, 'An Act for making more effectual provision for the Government of Quebec in North America, and to make further provision for the Government of the said Province;" and by the authority of the same, That in every case descent shall be traced from the purchaser; and to the intent that the pedigree may never be carried farther back than the circumstances of the case and the nature of the Title shall require, the person last entitled to the land shall for the purposes of this Act be considered to have been the purchaser thereof unless it shall be proved that he inherited the same, in which case, the person from whom he inherited the same, shall be considered to have been the purchaser, unless it shall be proved that he inherited the same; and in like manner, the last person from whom the land shall be proved to have been inherited shall in every case be considered to have been the Purchaser, unless it shall be proved that he inherited the same.

2 And be it further enacted by the authority aforesaid, That when any Land shall have been devised by any Testator, who shall die after the first day of July, one thousand eight hundred and thirty-four to the heir or to the person who shall be the heir of such Testator, such heir shall be considered to have acquired the Land as a Devisee and not by descent; and when any Land shall have been limited by any assurance, executed after the said first day of July, one thousand eight hundred and thirty four, to the person, or to the heirs of the person who shall thereby have conveyed the same Land, such person shall be considered to have acquired the same as a purchaser, by virtue of such assurance, and shall not be considered to be entitled thereto, as of his former estate or part thereof.

3 And be it further enacted by the authority aforesaid, That when any person shall have acquired any land by purchase, under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, contained in an assurance, executed after the said first day of July, one thousand eight hundred and thirty four, or under a limitation to the heirs, or to the heirs of the body of any of his Ancestors, or under any limitation having the same effect, contained in a Will of any Testator who shall depart this life after the said first day of July, one thousand eight hundred and thirty-four, then and in any such cases such land shall descend, and the descent thereof shall be traced, as if the Ancestor named in such limitation had been the purchaser of such land.

4. And be it further enacted by the authority aforesaid, That no Brother or Sister shall be considered to inherit immediately from his or her Brother or Sister, but every descent from a Brother or Sister shall be traced through the Parent.

5. And be it further enacted by the authority aforesaid, That every lineal Ancestor shall be capable of being heir to any of his issue, and in every case where there shall be no issue of the purchaser, his nearest lineal ancestor shall be his heir in preference to any person who would have been entitled to inherit either by tracing his descent through such lineal ancestor, or in consequence of there being no descendant of such lineal ancestor so that the Father shall be preferred to a Brother or Sister, and a more remote lineal ancestor to any of his issue, other than a nearer lineal ancestor or his issue.

6. And be it further enacted and declared by the authority aforesaid, That none of the maternal ancestors of the person from whom the descent is to be traced, nor any of their descendants shall be capable of inheriting untill all his paternal ancestors and their descendants shall have failed, and also that no female paternal ancestor of such person, nor any of her descendants shall be capable of inheriting until all his male paternal ancestors and their decendants shall have failed, and that no female maternal ancestor of such person nor any of her descendants, shall be capable of inheriting until all his male maternal ancestors and their descendants shall have failed.

7. And be it further enacted and declared, That where there shall be a failure of male paternal ancestors of the person from whom the descent is to be traced, and their descendants, the mother of his more remote male paternal ancestor, or her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male paternal ancestor or her descendants; and when there shall be a failure of male paternal ancestors of such person and their descendants, the mother of his more remote male maternal ancestor and her descendants, shall be the heir or heirs of such person, in preference to the mother of a less remote male maternal ancestor and her descendants.

8. And be it further enacted by the authority aforesaid, That any person related to the person from whom the descent is to be traced by the half blood, shall be capable of being his heir; and the place in which any such relation by the half blood shall stand in the order of inheritence so as to be entitled to inherit, shall be next after any relation in the same degree of the whole blood and his issue, where the common ancestor shall be a male, and next after the common ancestor when such common ancestor shall be a female, so that the brother of the half blood on the part of the father, shall inherit next after the sisters of the whole blood on the part of the father and their issue, and the brother of the half blood on the part of the mother, shall inherit next after the mother.

9. And be it further enacted by the authority aforesaid, That when the person from whom the descent of any land is to be traced shall have had any relation who having been attainted, shall have died before such descent shall have taken place, then such attainder shall not prevent any person from inheriting such land who would have been capable of inheriting the same by tracing his descent through such relation if he had not been attainted, unless such Land shall have escheated in consequence of such attainder, before the first day of July, one thousand eight hundred and thhiy four.

10. And be it further enacted by the authority aforesaid, That after the passing of this Act proof of entry by the heir after the death of the ancestor shall in no case be necessary in order to prove title in such heir, or in any person claiming by or through him.

11. And be it further enacted by the authority aforesaid, That this Act shall not extend to any descent which shall take place on the death of any person who shall die before the first day of July, one thousand eight hundred and thirty-four.

12. And be it further enacted by the authority aforesaid, That where any assurance executed before the said first day of July one thousand eight hundred and thirty-four, or the Will of any person who shall die before that day, shall contain any limitation or gift to the heir or heirs of any person under which the person or persons answering the description of heir shall be entitled to an estate by purchase, then the person or persons who would have answered such description of heir, if this Act had not been made, shall become entitled by virtue of such limitation or gift whether the person named as ancestor shall or shall not be living on or after the said first day of July one thousand eight hundred and thirty four.

13. And be it further enacted by the authority aforesaid, That where a Husband shall die beneficially entitled to any land for an interest which shall not entitle his Widow to dower out of the same at Law, and such interest, whether wholly equitable, or partly legal and partly equitable, shall be an estate of inheritance in possession, or equal to an estate of inheritance in possesssion, (other than an estate in joint tenancy,) then his Widow shall be entitled in equity to dower out of the same land.

14. And be it further enacted by the authority aforesaid, That when a Husband shall have been entitled to a right of entry or action in any land, and his Widow would be entitled to dower out of the same if he had recovered possession thereof, she shall be entitled to dower out of the same, although her Husband shall not have recovered possession thereof: *Provided* that such dower be sued for or obtained within the period during which such right of entry or action might be enforced.

15. And be it further enacted by the authority aforesaid, That no Widow shall hereafter be entitled to dower ad ostium ecclesiæ, or dower ex assensu patris.

16. And be it further enacted by the authority aforesaid, That after the first day of July, one thousand eight hundred and thirty-four, no person shall make an entry or distress, or bring an action to recover any Land or Rent but within twenty years next after the time at which the right to make such entry or distress, or to bring such action shall have first accrued to some person through whom he claims; or if such right shall not have accrued to any person through whom he claims, then within twenty years next after the time at which the right to make such entry or distress, or to bring such action, shall have first accrued to the person making or bringing the same.

17. And be it further enacted by the authority aforesaid, That in the construction of this Act, the right to make an entry or distress, or bring an action to recover any Land or Rent, shall be deemed to have first accrued at such time as hereinafter is mentioned, that is to say, when the person claiming such Land or Rent, or some person through whom he claims shall, in respect of the Estate or Interest claimed, have been in possession or in the receipt of the profits of such Land, or in receipt of such Rent, and shall, while entitled thereto, have been dispossessed or have discontinued such possession or receipt, then such right shall be deemed to have first accrued at the time of such dispossession or discontinuance of possession, or at the last time at which any such profits or Rent were or was so received; and when the person claiming such Land or Rent shall claim the Estate or Interest of some deceased person who shall have continued in such possession or receipt, in respect of the same Estate or Interest, until the time of his death, and shall have been the last person entitled to such Estate or Interest who shall have been in such possession or receipt, then such right shall be deemed to have first accrued at the time of such death; and when the person claiming such Land or Rent shall claim in respect of an Estate or Interest in possession, granted, appointed, or otherwise assured by any Instrument other than a Will, to him or some person through whom he claims, by a person being in respect of the same Estate or Interest in the possession or receipt of the profits of the Land or in receipt of the Rent, and no person entitled under such Instrument shall have been in possession or receipt, then such right shall be deemed to have first accrued at the time at which the person claiming as aforesaid, or the person through whom he claims, became entitled to such possession or receipt by virtue of such Instrument; and when the Estate or Interest claimed shall have been an Estate or Interest in reversion or remainder, or other future Estate or Interest, and no person shall have obtained the possession or receipt of the profits of such Land, or the receipt of such Rent, in respect of such Estate or Interest, then such right shall be deemed to have first accrued at the time at which such Estate or Interest became an Estate or Interest in possession; and when the person claiming such Land or Rent, or the person through whom he claims shall have become entitled, by reason of any forfeiture or breach of condition, then such right shall be deemed to have first accrued when such forfeiture was incurred or such condition broken: *Provided always*, that until the person deriving title to Land in this Province as the Grantee of the Crown, or his Heirs or Assigns, or some or one of them, by themselves, their Servants or Agents, shall have taken actual possession of the Land granted, by residing thereupon or by cultivating some portion thereof, the lapse of twenty years shall not bar the right of such Grantee, or any person claiming by, under or through him, to bring an action for the recovery of such Lands, unless it can be shewn that such Grantee or person claiming by, under or through him, while entitled to the Land, had knowledge of the same being in the actual possession of some other person not claiming to hold by, from or under the Grantee of the Crown, (such possession having been taken while the said Lot was in a state of nature,) in which case, the right to bring such action shall be deemed to have accrued from the time that such knowledge was obtained: *Provided also*, that when any right to make an entry or distress, or to bring an action to recover any Land or Rent, by reason of any forfeiture or breach of condition, shall have first accrued in respect of any Estate or Interest in reversion or remainder, and the Land or Rent shall not have been recovered by virtue of such right; the right to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued in respect of such Estate or Interest, at the time when the same shall have become an Estate or Interest in possession, as if no such forfeiture or breach of condition had happened: *Provided also*, that a right to make an entry or distress, or to bring an action to recover any Land or Rent, shall be deemed to have first accrued in respect of an Estate or Interest in reversion, at the time at which the same shall have become an Estate or Interest in possession, by the determination of any Estate or Estates, in respect of which such Land shall have been held or the profits thereof, or such Rent shall have been received, notwithstanding the person claiming such Land, or some person through whom he claims shall, at any time previously to the creation of the Estate or Estates which shall have determined, have been in possession or receipt of the profits of such Land, or in receipt of such Rent.

18. And be it further enacted by the authority aforesaid, That for the purposes of this Act, an Administrator claiming the Estate or Interest of the deceased person, of whose chattels he shall be appointed Administrator, shall be deemed to claim as if there had been no interval of time between the death of such deceased person and the grant of the Letters of Administration.

19. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent, as Tenant at Will, the right of the person entitled subject thereto, or of the person through whom he claims, to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued either at the determination of such tenancy or at the expiration of one year next after the commencement of such tenancy, at which time such tenancy shall be deemed to have determined: *Provided always*, that no Mortgagor, or Cestui que Trust shall be deemed to be a Tenant at Will, within the meaning of this clause, to his Mortgagee or Trustee.

20. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent as Tenant, from year to year or other period, without any Lease in writing, the right of the person entitled, subject thereto, or of the person through whom he claims to make an entry or distress, or to bring an action to recover such Land or Rent, shall be deemed to have first accrued, at the determination of the first of such years or other periods, or at the last time when any Rent payable in respect of such tenancy shall have been received, (which shall last happen.)

21. And be it further enacted by the authority aforesaid, That when any person shall be in possession or in receipt of the profits of any Land, or in receipt of any Rent by virtue of a Lease in writing, by which a Rent amounting to the yearly sum of Twenty Shillings or upwards shall be reserved, and the Rent reserved by such Lease shall have been received by some person wrongfully claiming to be entitled to such Land or Rent in reversion, immediately expectant on the determination of such Lease, and no payment in respect of the Rent reserved by such Lease shall afterwards have been made to the person rightfully entitled thereto, the right of the person entitled to such Land or Rent, subject to such Lease, or of the person through whom he claims to make an entry or distress, or to bring an action after the determination of such Lease, shall be deemed to have first accrued at the time at which the Rent reserved by such Lease was first so received by the person wrongfully claiming as aforesaid, and no such right shall be deemed to have first accrued upon the determination of such Lease to the person rightfully entitled.

22. And be it further enacted by the authority aforesaid, That no person shall be deemed to have been in possession of any Land within the meaning of this Act, merely by reason of having made an entry thereon.

23. And be it further enacted by the authority aforesaid, That no continual or other claim upon or near any Land shall preserve any right of making an entry or distress, or of bringing an action.

24. And be it further enacted by the authority aforesaid, That when any one or more of several persons entitled to any Land or Rent, as Co-parceners, Joint Tenants, or Tenants in Common, shall have been in possession or receipt of the entirety, or more than his or their undivided share or shares of such Land, or of the profits thereof, or of such Rent for his or their own benefit, or for the benefit of any person or persons other than the person or persons entitled to the other share or shares of the same Land or Rent, such possession or receipt shall not be deemed to have been the possession or receipt of or by such last mentioned person or persons, or any of them.

25. And be it further enacted by the authority aforesaid, That when a younger brother or other relation of the person entitled as heir to the possession, or receipt of the profits of any Land, or to the receipt of any Rent, shall enter into the possession or receipt thereof, such possession or receipt shall not be deemed to be the possession or receipt of or by the person entitled as heir.

26. *Provided always*—And be it further enacted by the authority aforesaid, That when any acknowledgment of the Title of the person entitled to any Land or Rent shall have been given to him or his Agent in writing, signed by the person in possession or in receipt of the profits of such Land, or in receipt of such Rent, then such possession or receipt, of or by the person by whom such acknowledgment shall have been given, shall be deemed according to the meaning of this Act to have been the possession or receipt of, or by the person to whom or to whose Agent such acknowledgment shall have been given at the time of giving the same, and the right of such last mentioned person, or any person claiming through him to make an entry or distress, or bring an action to recover such Land or Rent, shall be deemed to have first accrued at, and not before the time at which such acknowledgment or the last of such acknowledgments, if more than one was given.

27. *Provided also*—And be it further enacted by the authority aforesaid, That when no such acknowledgment as aforesaid shall have been given before the passing of this Act, and the possession or receipt of the profits of the Land, or the receipt of the Rent, shall not at the time of the passing of this Act have been adverse to the right or title of the person claiming to be entitled thereto, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Interest, at any time within five years next after the passing of this Act.

28. *Provided always*—And be it further enacted by the authority aforesaid, That if at the time at which the right of any person to make an entry or distress, or bring an action to recover any Land or Rent shall have first accrued as aforesaid, such person shall have been under any of the disabilities hereinafter mentioned, that is to say—infancy, coverture, idiotcy, lunacy, unsoundness of mind, or absence from this Province, then such person or the person claiming through him may, notwithstanding the period of twenty years hereinbefore limited shall have expired, make an entry or distress, or bring an action to recover such Land or Rent at any time within ten years next after the time at which the person to whom such right shall have first accrued as aforesaid, shall have ceased to be under any such disability, or shall have died, (which shall have first happened.)

29. *Provided nevertheless*—And be it further enacted by the authority aforesaid, That no entry, distress, or action, shall be made or brought by any person who at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, shall be under any of the disabilities hereinbefore mentioned, or by any person claiming through him, but within forty years next after the time at which such right shall have first accrued, although the person under disability at such time may have remained under one or more of such disabilities during the whole of such forty years; or although the term of ten years from the time at which he shall have ceased to be under any such disability, or have died, shall not have expired.

30. *Provided always*—And be it further enacted by the authority aforesaid, That when any person shall be under any of the disabilities hereinbefore mentioned, at the time at which his right to make an entry or distress, or to bring an action to recover any Land or Rent shall have first accrued, and shall depart this life without having ceased to be under any such disability, no time to make an entry or distress, or to bring an action to recover such Land or Rent beyond the said period of twenty years next after the right of such person to make an entry or distress, or to bring an action to recover such Land or Rent shall have first accrued, or the said period of ten years next after the time at which such person shall have died, shall be allowed by reason of any disability of any other person.

31. And be it further enacted by the authority aforesaid, That when the right of any person to make an entry or distress, or bring an action to recover any Land or Rent to which he may have been entitled for an Estate or Interest in possession, shall have been barred by the determination of the period hereinbefore limited, which shall be applicable in such case, and such person shall at any time during the said period have been entitled to any other estate, interest, right, or possibility, in reversion, remainder or otherwise, in or to the same Land or Rent; no entry, distress or action shall be made or brought by such person, or any person claiming through him, to recover such Land or Rent in respect of such other Estate, interest, right or possibility, unless in the mean time such Land or Rent shall have been recovered by some person entitled to an Estate, interest or right, which shall have been limited or taken effect after or in defeasance of such Estate or interest in possession.

32. And be it further enacted by the authority aforesaid, That after the said first day of July, one thousand eight hundred and thirty-four, no person claiming any Land or Rent in Equity shall bring any suit to recover the same but within the period during which, by virtue of the provisions hereinbefore contained he might have made an entry or distress, or brought an action to recover the same respectively, if he had been entitled at Law to such Estate, interest or right, in or to the same, as he shall claim therein in Equity.

33. *Provided always*—And be it further enacted by the authority aforesaid, That when any Land or Rent shall be vested in a Trustee upon any express trust, the right of the Cestui que Trust, or any person claiming through him to bring a suit against the Trustee, or any person claiming through him to recover such Land or Rent, shall be deemed to have first accrued, according to the meaning of this Act, at and not before the time at which such Land or Rent shall have been conveyed to a purchaser for a valuable consideration, and shall then be deemed to have accrued only as against such purchaser, and any person claiming through him.

34. And be it further enacted by the authority aforesaid, That in every case of a concealed fraud, the right of any person to bring a suit in Equity, for the recovery of any Land or Rent, of which he, or any person through whom he claims, may have been deprived by such fraud, shall be deemed to have first accrued at, and not before the time at which such fraud shall or with reasonable diligence might have been first known or discovered: *Provided*, that nothing in this clause contained shall enable any owner of Lands or Rents to have a suit in Equity for the recovery of such Lands or Rents, or for se[t]ting aside any conveyance of such Lands [or] Rents, on account of fraud against any bona fide purchaser for valuable consideration, who has not assisted in the commission of such fraud, and who, at the time that he made the purchase did not know, and had no reason to believe that any such fraud had been committed.

35. *Provided always*—And be it further enacted by the authority aforesaid, That nothing in this Act contained shall be deemed to interfere with any Rule or Jurisdiction of Courts of Equity in refusing relief on the ground of acquiescence or otherwise, to any person whose right to bring a suit may not be barred by virtue of this Act.

36. And be it further enacted by the authority aforesaid, That when a Mortgagee shall have obtained the possession or receipt of the profits of any Land, or the receipt of any Rent comprised in his Mortgage, the Mortgagor, or any person claiming through him, shall not bring a suit to redeem the Mortgage but within twenty years next after the time at which the Mortgagee obtained such possession or receipt, unless in the mean time an acknowledgment of the title of the Mortgagor, or of his right of redemption, shall have been

given to the Mortgagor, or some person claiming his Estate, or to the Agent of such Mortgagor or person, in writing, signed by the Mortgagee or the person claiming through him; and in such case, no such suit shall be brought but within twenty years next after the time at which such acknowledgment, or the last of such acknowledgments, if more than one was given; and when there shall be more than one Mortgagor, or more than one person claiming through the Mortgagor or Mortgagors, such acknowledgment, if given to any of such Mortgagors or persons, or his or their Agent, shall be as effectual as if the same had been given to all such Mortgagors or persons; but when there shall be more than one Mortgagee, or more than one person claiming the Estate or Interest of the Mortgagee or Mortgagees, such acknowledgment, signed by one or more of such Mortgagees or persons, shall be effectual only as against the party or parties signing as aforesaid, and the person or persons claiming any part of the Mortgage money, or Land or Rent, by, from or under him or them, and any person or persons entitled to any Estate or Estates, Interest or Interests, to take effect after or in defeasance of his or their Estate or Estates, Interest or Interests, and shall not operate to give to the Mortgagor or Mortgagors a right to redeem the Mortgage as against the person or persons entitled to any other undivided or divided part of the money or Land or Rent; and when such of the Mortgagees or persons aforesaid as shall have given such acknowledgment shall be entitled to a divided part of the Land or Rent comprised in the Mortgage, or some Estate or Interest therein, and not to any ascertained part of the Mortgage money, the Mortgagor or Mortgagors shall be entitled to redeem the same divided part of the Land or Rent, on payment, with interest, of the part of the Mortgage money which shall bear the same proportion to the whole of the Mortgage money as the value of such divided part of the Land or Rent shall bear to the value of the whole of the Land or Rent comprised in the Mortgage.

37. And be it further enacted by the authority aforesaid, That at the determination of the period limited by this Act to any person for making an entry or distress, or bringing an action or suit, the right and title of such person to the Land or Rent, for the recovery whereof such entry, distress, action or suit, respectively might have been made or brought within such period, shall be extinguished.

38. And be it further enacted by the authority aforesaid, That the receipt of the Rent payable by any Tenant from year to year, or other Lessee, shall, as against such Lessee, or any person claiming under him, but subject to the Lease, be deemed to be the receipt of the profits of the Land for the purposes of this Act.

39. And be it further enacted by the authority aforesaid, That no writ of right patent, writ of right quia dominus remisit curiam, writ of right close, writ of right de rationabili parte, writ of right upon disclaimer, writ of right of ward, writ of Cessavit, quod permittat, formedon in descender, remainder, or in reverter, writ of Assize of novel disseisin, nuisance, or mort d'ancestor, writ of entry sur disseisin in the quibus, in the per, in the per and cui, or in the post, writ of entry sur intrusion, writ of entry sur alienation, dum fuit non compos mentis, dum fuit infra etatem, dum fuit in prisona, ad communem legem, in casu proviso, in consimili casu, cui in vita, sur cui in vita, cui ante divortium, or sur cui ante divortium, writ of entry sur abatement, writ of entry quare ejecit infra terminum, or ad terminum qui praeteriit, or causa matrimonii prælocuti, writ of aiel, besaiel, tresaiel, cosinage, or nuper obiit, writ of waste, writ of partition, except such as is or shall be authorised by any Statute of this Province; writ of disceit, writ of quod ei deforceat, writ of covenant real, writ of warrantia chartae, writ of curia claudenda, and no other action, real or mixed, except a writ of dower, or writ of dower unde nihil habet, or an ejectment; and no plaint in the nature of any such writ or action, except a plaint for dower, shall be brought after the first day of July, one thousand eight hundred and thirty-five.

And be it further enacted by the authority aforesaid, That whenever by any Letters Patent, Assurance or Will, made and executed after the first day of July, one thousand eight hundred and thirty-four, Land shall be granted, conveyed or devised to two or more persons other than Executors or Trustees, in fee simple, or for any less Estate, it shall be considered that such persons take as Tenants in Common, and not as Joint Tenants, unless an intention sufficiently appears on the face of such Letters Patent, Assurance or Will, that they shall take as Joint Tenants.

49. And be it further enacted by the authority aforesaid, That when the Will of any person who shall die after the passing of this Act shall contain a devise, in any form of words, of all such real Estate as the Testator shall die seized or possessed of, or of any part or proportion thereof, such Will shall be valid and effectual to pass any Land that may have been or may be acquired by the Devisor after the making of such Will, in the same manner as if the title thereto had been acquired before the making thereof.

50. And be it further enacted by the authority aforesaid, That whenever Land is or shall be devised in a Will made by any person who shall die after the passing of this Act, it shall be considered that the Devisor intended to devise all such Estate as he was seized of in the same Land, whether fee simple or otherwise, unless it shall appear on the face of such Will that he intended to devise only an Estate for life, or other Estate less than he was seized of at the time of making the Will containing such devise.

51. *And whereas* by the adoption in this Province of the Law of England, it is made necessary that a Will of Real Estate shall be executed in the presence of three Witnesses, which provision there is reason to believe operates in many instances injuriously in this Province, by reason that Lands are held in small portions by persons of all conditions and degrees of intelligence, many of whom, not aware of this positive provision of the Law, are only careful to provide two Witnesses, as is customary with respect to Sealed Instruments in general, and in all such cases the intensions of the Testator fail of their effect, frequently to the great injury of families:—*Whereas*, on the other hand, it is doubtful whether any intended fraud is in fact prevented by requiring an attestation by three Witnesses: Be it therefore enacted by the authority aforesaid, That any Will affecting Land executed after the passing of this Act, in the presence of and attested by two or more Witnesses, shall have the same validity and effect as if executed in the presence of and attested by three Witnesses, any former Law to the contrary notwithstanding; and that it shall be sufficient if such Witnesses subscribe their names in presence of each other, although their names may not be subscribed in presence of the Testator.

52. *And whereas* Plaintiffs in Actions of Ejectment brought against persons who are merely intruders, are subject to be defeated in the recovery of Land to which they have just claim, as purchasers or heirs, on account of some want of technical form in their title, or some imperfection not affecting the merits of their case, and of which it is desirable that mere strangers to the title, having no claim or color of legal claim to the possession, should not be encouraged or permitted to take advantage: Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for the Lessor of the Plaintiff, or his Attorney, in any Action of Ejectment hereafter to be brought, to serve a notice upon the Defendant in such Ejectment, in these words:—

"Take notice, that I claim the premises for "which this action is brought, as the bona fide "purchaser thereof, from A. B.——or as Heir- "at-Law of A. B. of——, (or otherwise as the "case may be,) and that you will be required "to shew upon the trial of this cause, what "legal right you have to the possession of the "premises,"

or a notice in any other form of words to the same effect, and that if upon the trial of such Ejectment to be afterwards had, the evidence of title given by the Lessor of the Plaintiff shall shew to the satisfaction of the Court and Jury that he is entitled in justice to be regarded as the proprietor of the Land, or is entitled to the immediate possession thereof for any term of years, but that he cannot shew a perfect legal title by reason of some want of legal form in any Instrument produced, or by reason of the defective registration of any Will or Instrument produced, or from any cause not within the power of the Lessor of the Plaintiff to remedy by using due diligence, it shall be competent to the Jury, under the direction of the Court, to find a verdict for the Plaintiff, unless the Defendant or his Counsel, upon being required by the other party so to do, shall give such evidence of title as shall shew that he is the person legally entitled, or does bona fide claim to be the person legally entitled to the Land, by reason of the defect in the title of the Lessor of the Plaintiff, or that he holds or does bona fide claim to hold under the person so entitled: *Provided always, nevertheless*, that when a verdict shall be rendered under the authority of this provision, it shall be indorsed as given under this Act, and it shall be stated in the postea, and entry of the judgment to have been so given, and in any action which may thereafter be brought for the mesne profits, such judgment in ejectment shall not be evidence to entitle the Plaintiff to recover.

53. *And whereas* the wrong committed by Tenants, in holding over vexatiously and without color of right, after their term has expired, requires a more speedy and less expensive remedy than is now provided by Law:—Be it therefore enacted by the authority aforesaid, That it shall and may be lawful for any Landlord, or the Agent of any Landlord, whose Tenant shall, after the expiration of his term, (whether the same was created by writing or parol,) wrongfully refuse, upon demand made in writing, to go out of possession of the Land demised to him, to apply to the Court of King's Bench in Term, or to a Judge thereof in vacation, setting forth on Affidavit the terms of the demise, if by parol, and annexing a copy of the Instrument containing such demise, if the same were in writing, and also a copy of the demand made for the delivering up possession, and stating also the refusal of the Tenant to go out of possession, and the reason given for such refusal, (if any were given,) adding such explanation in regard to the ground of refusal as the truth of the case may require; and if upon such Affidavit it shall appear to the Court or Judge, that such Tenant does wrongfully hold over, without color of right, it shall be lawful for such Court or Judge to order a Writ to issue in the name of the King, and tested in the name of the Chief Justice or senior Puisne Judge of such Court, on the day that the same shall actually issue, directed to such person as the Court or Judge shall appoint, and commanding him to issue his Precept to the Sheriff of the District in which the Land is situated, for the summoning of a Jury of twelve men to come before the Commissioner at a day and place by such Commissioner to be named, to inquire and say upon their oaths whether such person complained of was Tenant to the Complainant for a term which has expired, and whether he does wrongfully refuse to go out of possession, having no right or color of right to continue in possession, or how otherwise; which Writ shall be made returnable whensoever the same shall be duly executed before any one of the Judges of the said Court; and that notice in writing of the time and place of holding such inquisition shall be served upon the Tenant, or left at his place of abode, at least three days before the day appointed, to which notice shall be annexed a copy of the Affidavit on which the Writ was obtained, and of the papers attached thereto, and that the Commissioner shall have power to administer an Oath to the persons summoned on such Jury, well and truly to try, and a true verdict to give upon the matters and things in the said Writ contained, according to the evidence; and shall also have power to administer an Oath to the Witnesses produced by either party; and that the Jurors shall, under their hands, either with or without their Seals, indorse their finding upon a paper attached thereto by such Commissioner, and if it shall appear to the Court, or any Judge thereof, upon the return of the said Writ made by the said Commissioner, and upon a consideration of all the evidence, which shall also be certified and returned by such Commissioner, to be filed with such commission and the proceedings thereupon in the Office of the Clerk of the Crown and Pleas, that the case is clearly one coming within the true intent and meaning of this Act, then it shall be lawful for such Court or Judge to issue a Precept to the Sheriff, in the King's name, commanding him forthwith to place the Landlord in possession of the premises in question.

54. And be it further enacted by the authority aforesaid, That when such Precept shall have been made by a Judge, the Court shall have power, on motion before the end of the second term after such Precept shall have been issued, to examine into the proceedings, and, if they shall find cause, to set aside the same, and to issue their Precept to the Sheriff, if it be necessary, commanding him to restore the Tenant to his possession, in order that the question of right, if any appear, may be tried as heretofore by Ejectment.

55. And be it further enacted by the authority aforesaid, That the Judges of the Court of King's Bench, in term time or in vacation, shall have power to devise, and from time to time to alter and amend the form of the Writ, Inquisition and Return, and of the Precepts to be issued under the authority of this Act, and to make such orders respecting costs as to them may seem just, and to issue a Writ to the Sheriff, commanding him to levy such costs of the goods and chattels, or to issue an Attachment for the non-payment thereof against the Landlord or Tenant, or person described as Landlord or Tenant, as to them shall seem just.

56. And be it further enacted by the authority aforesaid, That before any Commissioner shall hold an Inquisition under this Act, he shall take the following Oath before some one of the Justices of the Peace in and for the District in which the Inquisition shall be holden, which Oath shall be indorsed on the said Writ, that is to say:—

"I, A. B. do solemnly swear, that I will "impartially, and to the best of my judgment "discharge my duty as Commissioner under "this Writ.—So help me God."

57. And be it further enacted by the authority aforesaid, That if any Witness sworn and examined before a Commissioner holding an Inquisition under this Act shall wilfully swear falsely, he shall, on conviction thereof, be liable to the penalties of wilful and corrupt perjury and that if any person upon being required by notice from such Commissioner to attend as a Witness upon the Inquisition, shall refuse or wilfully omit to attend, he shall be liable to be committed upon the Warrant of such Commissioner to the Common Gaol of the District for a time not exceeding one calendar month.

58. And be it further enacted by the authority aforesaid, That the remedy afforded under this Act shall not be construed to take away or interfere with any other remedy, action or right of action, which a landlord might have or bring, under the Laws in force before the passing of this Act.

59. And be it further enacted by the authority aforesaid, That the words and expressions in this Act mentioned, which in their ordinary signification have a more confined or a different meaning, shall in this Act, except where the nature of the provision or the context of the Act shall exclude such construction, be interpreted as follows, that is to say, the word "Land" shall extend to Messuages, and all other hereditaments whether corporeal or incorporeal and to money to be laid out in the purchase of Land, (and to chattels and other personal property transmissable to heirs,) and also to any share of the same hereditaments and properties or any of them, and to any Estate of inheritance, or Estate for any life or lives, or other Estate transmissable to heirs and to any possibility, right or title of entry or action, and any other interest capable of being inherited, and whether the same Estates, possibilities, rights, titles and interests, or any of them, shall be in possession, reversion, remainder, or contingency; and the words "the purchaser" shall mean the person who last acquired the Land otherwise than by descent or than by any partition, by the effect of which the Land shall have become part of or descendible, in the same manner as other Land acquired by descent; and the word "descent" shall mean the title to inherit Land by reason of consanguinity, as well where the heir shall be an ancestor or collateral relation, as where he shall

be a child or other issue; and the expression "descendants" of any ancestor, shall extend to all persons who must trace their descent through such ancestor; and the expression "the person last entitled to the Land" shall extend to the last person who had a right thereto, whether he did or did not obtain the possession or the receipt of the rents and profits thereof; and the word "Assurance" shall mean any Deed or Instrument (other than a Will) by which any Land shall be conveyed or transferred at Law or in Equity; and the word "Rent" shall extend to all annuities and periodical sums of money charged upon or payable out of any Land; and the "person through whom another person is said to claim," shall mean any person by, through, or under, or by the Act of whom the person so claiming became entitled to the Estate or Interest claimed as heir, issue, in tail, tenant by the courtesy of England, tenant in dower, successor, special or general occupant, executor, administrator, legatee, husband, assignee, appointee, devisee, or otherwise; and every word importing the singular number only, shall extend and be applied to several persons or things, as well as one person, or thing; and every word importing the masculine gender only, shall extend and be applied to a female, as well as a male.

60. And be it further enacted by the authority aforesaid, That this Act shall not have operation retrospectively, so as by force of any of its provisions to render any title valid, which in regard to any particular Estate has been adjudged, or may in any suit now depending be adjudged invalid, on account of any defect imperfection, matter or thing which is by this Act altered, supplied or remedied; but that in every such case the Law, in regard to any such defect, imperfection, matter or thing, shall as applied to such title, be deemed and taken to be as if this Act had not been passed. 47

UPPER CANADA.

J. COLBORNE,

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament at our City of Toronto, on the fifteenth day of April, instant, to be commenced, held, called and elected, and to every of you—

B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at Toronto, this ninth day of April, in the year of our Lord One Thousand Eight Hundred and Thirty-four, and in the Fourth year of our reign.

By Command of His Excellency.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders. JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrumental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

the mouth of the River aforesaid, half a mile each direction, East and West, along the shores of the said Lake.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed—WITNESS our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein at York, this Eighteenth day of February, in the year of our Lord One Thousand Eight Hundred and Thirty-four, and in the Fourth year of our Reign.

J. C.

By Command of HIS EXCELLENCY in Council.

ROBERT S. JAMESON, *Att'y. General.*
D. CAMERON, *Secretary,*

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—

GREETING:

WHEREAS it hath been humbly represented to us that it would greatly facilitate and promote the ends of Commerce, and the welfare and prosperity of our loving Subjects, if the Harbour of Port Stanley, on the shores of Lake Erie, in the County of Middlesex, in the London District, at the mouth of the River commonly called Kettle Creek, were declared a Port of Entry and Clearance.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of His Excellency the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His Excellency the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the condition of Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

Executive Council Office, }
York, 7th December 1833. }

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loy services.

A similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.

Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Land will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesday in November next; when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the Periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament at our City of Toronto, on the twenty-fourth day of May, instant, to be commenced, held, called and elected, and to every of you—

NOW KNOW YE, that we taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Monday the Thirtieth day of June, next ensuing, you meet us in our Provincial Parliament at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from

this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament at our City of Toronto, on the twenty-fourth day of May, instant, to be commenced, held, called and elected, and to every of you—

EXECUTIVE COUNCIL OFFICE, }
York, 7th December 1833. }

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

PETER ROBINSON,
38 *Commissioner of Crown Lands.*

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distiuction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

NOTICE.

THE Inhabitants of the second, third, and fourth concessions of the Township of Ameliasburgh, will petition the Legislature at its next Session, to establish the front angles of the lots in the third concession as the rear of the second, and the front of the fourth as the rear of the third, and likewise the front of the fifth as the rear of the fourth concessions.
