An Act to regulate the sale of Hay.

(Passed 6th June, 1834.)

BE IT ENACTED, by the Mayor, Aldermen and Commonalty of the City of Toronto, in Common Council assembled—

SECTION I.

That all Hay sold or delivered within this City, by the cart, waggon or sled load, shall be weighed by the weigh-master, in manner hereafter directed, at the expense of the seller, whenever it shall be demanded by the buyer before delivery, unless where an agreement shall have been previously made to the contrary, by the parties before witnesses. Any person who shall refuse to comply with this regulation, shall forfeit for each offence the sum of five shillings.

SECTION II.

There shall be such and so many proper and convenient machines or engines erected, and scales and weights provided for weighing carts, waggons, sleds, hay, and any other article, not likely to injure the said machines in weighing, at such place or places within this City, as the Common Council shall direct and appoint.

SECTION III.

Every person who shall be appointed weigh-master for the weighing of hay within this City shall, before he enters on the duties of that office, take an oath, well and faithfully to execute the duties of the said office, according to the best of his skill and understanding.

SECTION IV.

It shall be lawful for every person who shall be appointed Weigh-master of hay, to ask, demand, and take for every cart, waggon or sled load of hay to be weighed at any of the said machines, the sum of nine pence, if less than half a ton, and the sum of one shilling, if over half a ton, and no more, to be paid by the person who sells or delivers the same.

SECTION V.

It shall be lawful for any Weigh-master to weigh, at his hay-scales, any load of merchandize or other articles, for which he shall receive the following fees, to wit, for every waggon, cart or sled with its loading, whether it weigh one ton or under, one shilling and three pence, and for every ton above one, at and after the rate of one shilling per ton, and for any other article not in any waggon, cart or sled, at and after the rate of one shilling and three pence per ton.

SECTION VI.

It shall be the duty of every person who shall be appointed Weigh-master, to attend to the said machines from time to time, when and immediately after he shall be required by any person who shall apply to him, to have hay or any other articles weighed, so that such attendance be not required in the morning before sun rise, or in the evening after sun set; and provided further, that all waggons, carts, sleds or articles required to be weighed, shall not injure or endanger the machines or scales in weighing, and the Weigh-master shall weigh all such hay, waggons, carts, sleds, and other articles as shall be brought to him for that purpose, together with the waggons, carts or sleds in which the same shall be loaded, and shall furnish the person who shall apply to have such hay or other article weighed, with a weigh-note subscribed by such Weigh-master, setting forth the gross weight of such load, with the waggon, cart or sled, upon which the same is brought to market, and note the tare or weight of the waggon, cart, or sled, and also the day of the month and year the same is issued, together with the name of the owner of such hay or other article.

SECTION VII.

Every Weigh-master, at whose scales any load of hay shall have been weighed, and who shall have given a weigh-note as aforesaid, shall, after such hay has been unloaded, upon request of either the seller or purchaser of such load of hay, if made during the same day such weigh-note was given, re-weigh the same waggon, cart or and ascertain the true net weight of the sled, hay which has been thereon, and shall then insert in the weigh note given by him, and under the statement of the gross weight, the words "tare weighed," together with such weight in figures, and deduct the same from the first weight, and sign his name, for which he shall be entitled to receive six pence from the party applying to have such vehicle weighed.

SECTION VIII.

If any owner or seller of hay, after the same has been unloaded, shall neglect or refuse to have the tare ascertained as aforesaid, upon the request of the purchaser, made the same day, he shall be subject to a penalty of twenty shillings.

SECTION IX.

When any person shall apply to the Weigh-master to weigh his waggon, cart or sleigh, or other articles, not likely to injure the said machines in weighing, the said Weigh-master shall weigh the same, and shall enter the weight thereof in a book to be kept by him for that purpose, and shall mark, if requested, on some conspicuous part of such waggon, cart or sled, with a marking iron, the weight of the same, the owner paying therefor one shilling to the Weigh-master, in addition to the fee or compensation allowed for weighing hay as aforesaid.

SECTION X.

The said sums shall be paid if the Weigh-master require it, before such waggon, cart, sled, hay or other articles, which shall be weighed in any of the said machines shall be removed therefrom, and if any Weigh-master shall neglect or refuse to do or perform any of the duties required of him by this law, or shall demean himself partially or corruptly in the execution thereof, he shall forfeit and pay twenty shillings for every such offence, besides being answerable in damages at the suit of the party grieved.

SECTION XI.

If any person shall falsely and knowingly fabricate, alter, or make any weigh-note, or any indorsement thereon, or shall knowingly alter the same, with intent to defraud any purchaser or other person, or shall alter or pass any true weigh-note, as the weigh-note of any hay, merchandize, or other article for which the same weigh-note was not in fact given, with intent to deceive or defraud any person, such persons shall for each offence, respectively forfeit and pay the sum of two pounds ten shillings, besides being answerable in damages to the party grieved.

SECTION XII.

No weigh-note given for the weight of hay, shall be in force longer than one day; and any person who shall sell or offer for sale any hay which has been weighed more than one day previous to the sale thereof, or previous to such offer to sell, shall forfeit and pay the sum of twenty shillings.

SECTION XIII.

It is the duty of the Weigh-master in every case, when hay which is wet or improperly cured, or not sufficiently dry, or which from any other cause may be heavier than good and merchantable hay, shall be brought to him to be weighed, to indorse the same on the weigh-note accompanying such hay, together with the number of pounds which in his opinion should be deducted by reason aforesaid; and any Weigh-master who shall falsely indorse such weigh-note, in manner aforesaid, to the prejudice of the owner thereof, shall forfeit and pay the sum of ten shillings, which sum when recovered may, in the discretion of the Common Council, be paid to such owner.

SECTION XIV.

The weighers of hay shall respectively make due entries in books to be kept by them for that purpose, in the name of every person whose hay shall be weighed by them; the day of weighing the same, and the weight thereof; which books shall be open for inspection by any person at all reasonable times when required; and each weigher shall once in every three months make return to the Common Council, in writing under his hand, of the number of loads of hay weighed by him during such time, with the weight of each load, and the fee or compensation received therefor.

SECTION XV.

All hay brought to the City for sale, shall be conveyed to such places within the bounds thereof, as the Mayor from time to time by notice under his hand shall specify and direct; which places so designated as aforesaid, shall be and are hereby declared to be the public stands for the sale of hay; and the waggons, sleds or other carriages containing the same, shall be arranged in a line as close together as conveniently may be, so as to have, at suitable distances, openings for passengers; and any breach of this section, or any part of it, shall subject the offender to a penalty of five shillings for each offence.

An Act to establish a Board of Health.

[Passed 9th June, 1834.]

BE IT ENACTED, by the Mayor, Aldermen and Commonalty of the City of Toronto, in Common Council assembled:—

SECTION I.

That a Board of Health shall be annually appointed by the Common Council, to consist of the Mayor and four Members of the Council, which Board shall have authority to enforce the laws of this Province, providing against infectious and pestilential diseases, and for that purpose shall assemble at such time and place, and as often as they may judge necessary, to superintend and direct the execution of all such laws of this Province, and of the Common Council, as now are or hereafter may be passed, providing against the said diseases, or which relate to the public health of the City, to be by them exercised in such manner as in their judgment and discretion may best promote the important object for which the said Board is instituted; and any three Members of the said Board shall be a quorum to transact business.

SECTION II.

The said Board of Health shall make diligent inquiry with respect to all nuisances which may exist in the City, which they may deem obnoxious to the health and lives of its inhabitants, and shall have full power to order the removal of the same at their discretion, under a penalty of any sum, between five shillings and five pounds for every refusal of any person in complying with this order.

SECTION III

The said Board, during the existence of any epidemical disease, or upon a probable approach, shall have power, at the public expense, to open a Lazaretto or such other place or places as they shall deem proper, for the accommodation of the sick, and to make such rules and regulations for their admission, reception and treatment, as they may think proper, hereby authorising such Board to employ such and so many physicians and nurses, and to procure such nourishment, food and necessaries for the use of the sick so admitted, as well as for the use of the sick of this City, as they may deem just.

SECTION IV.

The said Board shall have power, in their discretion, to remove or order the removal of all persons and things within the said City, infected by, or tainted with, pestilential matter, to such place or places as may in their opinion best conduce to the preservation of the health of the City; and in order to enforce a prompt and punctual compliance with the said order, all offenders in the premises shall respectively be subject to a penalty of two pounds ten shillings for each offence: *And further*, it shall be the duty of the High Bailiff and of the City Inspector, to observe such instructions as may be given them respectively by the said Board, touching the duties enjoined upon them.

SECTION V.

It shall and may be lawful for the Board of Health, from time to time, and for such period, and at such time and place as they shall think fit, to require the keepers of all public houses, hotels, taverns, and boarding houses, to make reports of persons sick or deceased, and also to require all physicians to report the number of persons sick and attended by them, and the number of persons deceased who have been attended by them during the prevalence of any infectious disease or epidemic, and such other regulations as the Board may deem proper for the preservation of the public health, not inconsistent with the laws of this Province; and every person who shall neglect or refuse to comply with the provisions hereof, and the regulations so established, shall be subject to a penalty of two pounds ten shillings.

SECTION VI.

It shall be lawful for the said Board to direct some suitable person or persons by them to be authorised for the purpose, to enter in the day time and examine into any building of any kind, cellar, lot of ground, alley, sink, vault or privy, which they may have reason to believe are foul, damp, sunken or ill constructed, and may direct the cleansing, altering and amending the same, and the removal of all nuisances in and about the said premises; and the City Superintendent shall from time to time report to the Mayor, Aldermen or Board of Health, all such buildings, cellars, lots, alleys, sinks, vaults, or privies, public or private docks and slips, as may in his judgment require to be cleansed, altered or amended, for the security of the health of the City.

SECTION VII.

It shall be lawful for the said Board of Health to direct any stagnant waters to be drained off or removed from any lot, or out of any street; and if any owner or possessor of ground on which such stagnant water may be, shall omit to obey the directions of the Board, with regard to its removal or draining off, such offender shall pay a penalty of two pounds ten shillings. The said Board shall have authority at their election to enforce and put in execution the direction so given, at the expense of the offender, to be recovered as a penalty, provided it do not exceed five pounds.

SECTION VIII.

It shall be lawful for the said Board to prohibit the use of such vats, pits or pools of standing water, whether from tanners, skinners, dyers, or other persons, as they may deem dangerous to the public health; and if any orders given by them in the premises shall be disobeyed, the offender shall forfeit two pounds for each offence.

SECTION IX.

No person shall occupy or use any street, lane or alley, or any public square or avenue of the said City, or erect any booth or platform therein, for the purpose of laying, opening or exposing for sale any fish, provisions or goods of any kind, without the permission of the Common Council, under the penalty of five shillings for every day this provision shall be violated; but no single recovery shall exceed one pound five shillings.

SECTION X.

No person shall inter any corpse in any cemetery or other place in the said City, unless in vaults or graves at least six feet deep, and without removing, disturbing or exposing any other dead body or coffin, under the penalty of one pound five shillings.

SECTION XI.

Every butcher or other person, immediately after killing any beeves, calves, sheep, hogs or other cattle, shall destroy the offals, garbage, and other offensive and useless parts thereof, or convey the same into some place where the same shall not be injurious or offensive to the inhabitants, under the penalty of one pound five shillings for every offence.

SECTION XII.

No person shall cast or leave exposed the dead carcass of any horse, cow, hog, dog or other animal, in any street, lane, alley, yard or lot within this City, under the penalty of two pounds for every offence.

SECTION XIII.

Whenever any putrid or unsound beef, pork, fish, hides or skins of any kind, or any other putrid or unsound substance, shall be found in any part of the City, it shall be the duty of the City Superintendent and of the Police Constables to cause the same to be destroyed, or to be disposed of in such other manner as may be equally secure as it regards the public health; and if any person shall resist the City Superintendent or Constables, or either of them, in the execution of the duties hereby imposed, or shall disturb, hinder or molest them therein, such offender shall forfeit the penalty of two pounds ten shillings.

SECTION XIV.

No tub shall be removed from any privy, or necessary house within the City, except between the hours of eleven at night, and three in the morning, from the first day of May to the first day of October, under the penalty of two pounds ten shillings for each offence; nor shall any person, under the like penalty, empty, cast or lay the contents of any tub or privy in any slip or dock, or in any street, lane or alley, or on any public property.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborougeh.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the CROWN, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be

sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

SECTION XXXV.

In case the ice or snow shall be so congealed, that it cannot be removed without injury to the side-walks or pavement, the owner, occupant, or person having charge of any building, as aforesaid, shall, within the first four hours after every fall thereof, cause the side-walks opposite his, her, or their premises, to be strewed with ashes or sand, under a penalty of five shillings, to be paid by the owner or occupant, or person having charge thereof severally and respectively.

SECTION XXXVI.

In case the owner, occupant, or person having charge of any house, lot, building, or land, shall neglect to comply with any of the provisions of the previous sections of this Act, it shall be the duty of the Street Inspector of the Ward in which such premises are situate, to cause the same to be done.

Commissioner of Crown Lands Office,
Toronto, 9th June, 1834. s—5.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Dalton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—
At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the prev advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been

hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17th *December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr. John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter

to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON,
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders. JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17th *December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17*th December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Coun...

JOHN BEIKIE, *Acting C. E. C.*

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchase of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

PETER ROBINSON,
Commissioners of Crown Lands Office.
Toronto, July 10th 1834. c—9

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the pe-

riodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders. JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Crown Office,
16th *June*, 1834.

It is, however, so be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

PETER ROBINSON,
Commissioners of Crown Lands Office.
Toronto, July 10th 1834. c—9

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights

vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being o.. a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Crown Office,
16th June, 1834.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

PETER ROBINSON,
Commissioners of Crown Lands Office.
Toronto, July 10th 1834. c—9

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights

PETER ROBINSON,
Commissioners of Crown Lands Office.
Toronto, July 10th 1834. c—9

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Dtstrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights

vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Crown Office,

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Crown Office,
16th *June*, 1834.

NOTICE is hereby given, that the Courts of Oyer and Terminer, General Gaol Delivery, and of Assize and Nisi Prius, in and for the different Districts, will be as follows:—

By order of the Court,

CHARLES C. SMALL,

5 *Clerk of the Crown.*

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE, *Acting C. E. C.*

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborougeh.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question,

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

WELLAND CANAL.

AT a meeting of the Board of Directors of the Welland Canal, held at the Welland Canal Office, St. Catharines, on Thursday the fourth September, the President submitted the following correspondence which took place in consequence of a notice appearing in the U. C. Gazette, under date of July 19, of which the following is a copy:—

"Take notice, that an application will be made at the next Session of the Provincial Parliament, for an Act to impose a Tax of three pence per acre upon all cultivated, and two pence an acre upon all uncultivated lands in the Niagara, Western and London Districts, and one penny an acre upon all other lands in this Province; the proceeds to be applied to the support and maintenance of the Welland Canal. Grantham, July 19, 1834."

The above was not inserted in the Gazette until late in August. Its being dated from Grantham, induced the President to address a note to the Editor of the Government Official Gazette, stating in substance, that as he felt convinced there was not more than one individual in the Township of Grantham who possesses a hostile feeling to the Welland Canal, he was desirous of ascertaining who it could be, and requested the name of the author: to which the following reply was received:

Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however,

to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

ROBERT S. JAMESON,
Attorney General.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western Disrict.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

ROBERT S. JAMESON,
Attorney General.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

Executive Council Office,
York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Ticke[illegible] shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. GOVERNMENT HOUSE,
17*th December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esqire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.

Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

GOVERNMENT HOUSE,
17*th December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

IN conformity to Instructions recently received from His Majesty's Secretary of State for the Colonies, the following arrangements for disposing of the Waste Lands of the Crown in Upper Canada, are made known for the information of Emigrants and others.

Except in the case of U. E. Loyalists, and other persons entitled by the existing Regulations of the Government to Free Grants, no person can obtain any of the Waste Lands of the Crown otherwise than by purchasing at the Public Sales, made from time to time under the direction of the Commissioner of Crown Lands.

These sales will be made on the first and third Tuesday of each month, and will either be continued through the following day, or not, as circumstances may appear to the Agent to require.

They will be held at the following places:—

At Bytown—for the District of Bathurst.
Belleville—for the Midland District.
Peterborough—for the District of Newcastle.
York—for the Home District.
Hamilton—for the District of Gore.
London—for the District of London.
Chatham—for the Western District.

Besides these general periodical Sales, there may be occasional Sales by Auction in other Districts, of such Town Lots, or other Lots of Land, as may remain to be disposed of; and of these Sales ample notice will be given.

The conditions of every Sale by Public Auction will be as follows:—One-fourth of the Purchase money to be paid down; and the remainder in three equal Annual Instalments, with Interest at six per Cent on each Instalment, payable with the Instalment.

The Lands will be put up at an upset price, of which notice will be given at the time of Sale, and in the previous advertisements which will be published of the Lands intended to be put up at each Sale; and in case no offer shall be made at the upset price, the Land will be reserved for future sale, in a similar manner by Auction.

A Patent for the Lands will be issued free of charge upon the payment in full of the Purchase Money and Interest.

The regular periodical Sales will be held for the first time as follows: In Peterborough, York, and Hamilton, on the third Tuesday in June next; and in Bytown, Belleville, London, and Chatham, on the first Tuesday in July next; and they will continue to be held at all those places on the first and third Tuesday in each month, until after the first Tuesdays in November next: when such other arrangements as may be made by the Government will be announced.

Information can be obtained respecting the Lands to be disposed of in the several Districts, by applying to the following Gentlemen, Agents for the Commissioner of Crown Lands—viz:

In the Bathurst District,—Mr John McNaughton, D. S. Bytown.
Eastern District—James Pringle, Esq. Cornwall.
Newcastle District,—Alexander McDonell, Esquire, Peterborough.
London District,—Roswell Mount Esquire, Delaware.
Western District,—Henry John Jones Esquire, Chatham.

The Commissioner for Crown Lands, acting also as Agent for the Sale of Clergy Reserves, requests it to be noticed, that such Clergy Reserves as have not been hitherto occupied by authority, or Leased by the Government, will be disposed of, by Public Auction only, either at the periodical Sales of Crown Lands, or at occasional Sales to be duly advertised; and that the terms of payment for Clergy Reserves will continue to be as follows:—Ten per cent to be paid at the time of Sale, and the remainder in nine Annual Instalments of ten per cent each, with Interest on each Instalment, to be paid with the Instalment.

Such Clergy Reserves as have been leased, or occupied by the authority of the Government, must be applied for by letter to the Commissioner of Crown Lands, and when disposed of, will be sold by private Sale on the same terms of payment as those disposed of by Public Auction.

All application from Emigrants, or respecting Emigration, not immediately connected with the Sale of Public Lands, are to be addressed, to Anthony B. Hawke, Esquire, at York, he being specially appointed by the Government to act in that Department.

PETER ROBINSON.
Commissioner of Crown Lands Office,
York, 27th May, 1833. 3

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Steam Boat Rapid for sale.

PUBLIC NOTICE is hereby given that the Steam Boat *Rapid,* with her Furniture, &c. as she now lies, will be sold at Public Auction at Prescott, on Tuesday the 18th of November next, at 11 o'clock A. M. The Boat was built during the past season upon the Burden principle and was intended to navigate the Rapids of the St. Lawrence, but was found to draw too much water. The Engines are 60 horse power with extra Boiler, and are allowed by judges to be very superior in every respect. The Boat and Engines will be sold together or separate, and as the sale must take place without any reserve, persons desirous of purchasing will doubtless find it an object to attend the sale.

She is admirably calculated for the trade between Montreal and Quebec, and could be taken down without any difficulty.

One third of the purchase money will be required at the time of sale, approved endorsed notes will be received for the remainder,—payable in three, six & nine months, with Interest.

The Quebec Mercury, Montreal Gazette, Montreal Herald, Kingston Chronicle, Toronto Patriot, Upper Canada Gazette and Cobourg Reformer, will insert the above until the day of sale.

GOVERNMENT HOUSE,
10th November, 1834.

THE following extracts of a Circular Despatch, from the Secretary of State for the Colonies, is published for the information of Military Settlers.

(CIRCULAR.)

DOWNING STREET,
14th August, 1834.

SIR,

"I have the honor to transmit to you the enclosed copy of a letter, addressed by my directions to the Deputy Secretary at War, and of the reply, by which you will observe, that Free Grants of Land are no longer to be made to Discharged Soldiers. The single and temporary exception to this rule will be in the case of men of the Sappers and Miners, employed on the Rideau Canal, to whom a special expectation of Grants of Land appears to be held out in 1829, and who must, therefore, be allowed a twelvemonth in which to advance their claims, before they be finally barred in conformity with the general arrangement now adopted."

"I have the honor further to transmit to you the enclosed copy of the Regulations, which have been issued, respecting the privileges allowed to Officers of the Army and Navy in acquiring Land in the Colonies."

I have the honor to be, &c.
T. SPRING RICE.

INFORMATION,

FOR THE USE OF

MILITARY & NAVAL OFFICERS,

Proposing to Settle in the British Colonies.

COLONIAL OFFICE,
15th August, 1834.

1. ANNEXED is a Statement of the Regulations according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of Land; but, in buying Land, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole, ...	£300
Field Officers of 20 years' service and upwards, in the whole, ...	250
Field Officers of 15 or less years' service, in the whole, ...	200
Captains of 20 years' service and upwards, in the whole, ...	200
Captain's of 15 years' service or less, in the whole, ...	150
Subalterns of 20 years' service and upwards, in the whole, ...	150
Subalterns of 7 years' service or less, in the whole, ...	100

Regimental Staff Officers and Medical Officers of the Army and Navy, will be deemed to come within the benefit of this Rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service.—No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate: and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when

they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

PROCLAMATION.

UPPER CANADA.

By His Excellency Sir John Colborne, *K. C. B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

To all to whom these Presents shall come—

GREETING:

WHEREAS a Barn on the Premises of Lawrence Heyden, Esquire, in the first Concession of the Township of Whitby, in the Home District, was consumed by fire, on the morning of Sunday, the 12th day of October last, and there is reason to believe that the fire did not happen accidentally, but was the work of an Incendiary: And whereas a reward of £250 has been offered by the said Lawrence Heyden, for the discovery of the offender or offenders: NOW KNOW YE, that a

FREE PARDON

will be granted to any person, not being the actual Incendiary, or the immediate procurer, who will give such information as may lead to the apprehension and conviction of the person or persons guilty of the said crime; and a further reward of

ONE HUNDRED POUNDS,

will also be paid to the person so giving such information, upon the conviction of the Principal or Principals concerned in the said offence.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this Seventh day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the fifth year of His Majesty's reign.

J. COLBORNE.

By Command of His Excellency.

D. CAMERON,
Secretary.

M. The Boat was built during the past season upon the Burden principle and was intended to navigate the Rapids of the St. Lawrence, but was found to draw too much water. The Engines are 60 horse power with extra Boiler, and are allowed by judges to be very superior in every respect. The Boat and Engines will be sold together or separate, and as the sale must take place without any reserve, persons desirous of purchasing will doubtless find it an object to attend the sale.

She is admirably calculated for the trade between Montreal and Quebec, and could be taken down without any difficulty.

One third of the purchase money will be required at the time of sale, approved endorsed notes will be received for the remainder,—payable in three, six & nine months, with Interest.

By Order of the Committee.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-fifth day of November instant, to be commenced, held, called and elected, and to every of you:—

WHEREAS by our Proclamation bearing date the Eighteenth day of October, last, We thought fit to prorogue our Provincial Parliament to the Twenty-fifth day of November, instant, at which time, at our City of Toronto, you were held and constrained to appear.

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Monday the Twenty-second day of December, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at our City of Toronto, this Seventeenth day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the Fifth year of our Reign.

GOVERNMENT HOUSE, 10th November, 1834.

THE following extracts of a Circular Despatch, from the Secretary of State for the Colonies, is published for the information of Military Settlers.

(CIRCULAR)

DOWNING STREET,
14th August, 1834.

SIR,

"I have the honor to transmit to you the enclosed copy of a letter, addressed by my directions to the Deputy Secretary at War, and of the reply, by which you will observe, that Free Grants of Land are no longer to be made to Discharged Soldiers. The single and temporary exception to this rule will be in the case of men of the Sappers and Miners, employed on the Rideau Canal, to whom a special expectation of Grants of Land appears to be held out in 1829, and who must, therefore, be allowed a twelvemonth in which to advance their claims, before they be finally barred in conformity with the general arrangement now adopted."

"I have the honor further to transmit to you the enclosed copy of the Regulations, which have been issued, respecting the privileges allowed to Officers of the Army and Navy in acquiring Land in the Colonies."

I have the honor to be, &c.

T. SPRING RICE.

INFORMATION,
FOR THE USE OF
MILITARY & NAVAL OFFICERS.

Proposing to Settle in the British Colonies.

COLONIAL OFFICE,
15th August, 1834.

1. ANNEXED is a Statement of the Regulations according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of Land; but, in buying Land, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole,	£300
Field Officers of 20 years' service and upwards, in the whole,	250
Field Officers of 15 or less years' service, in the whole,	200
Captains of 20 years' service and upwards, in the whole,	200
Captain's of 15 years' service or less, in the whole,	150
Subalterns of 20 years' service and upwards, in the whole,	150
Subalterns of 7 years' service or less, in the whole,	100

Regimental Staff Officers and Medical Officers of the Army and Navy, will be deemed to come within the benefit of this Rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service.—No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate: and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the

subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

PROCLAMATION.

UPPER CANADA.

By His Excellency Sir John Colborne, *K. C. B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

To all to whom these Presents shall come—

GREETING:

WHEREAS a Barn on the Premises of Lawrence Heyden, Esquire, in the first Concession of the Township of Whitby, in the Home District, was consumed by fire, on the morning of Sunday, the 12th day of October last, and there is reason to believe that the fire did not happen accidentally, but was the work of an Incendiary: And whereas a reward of £250 has been offered by the said Lawrence Heyden, for the discovery of the offender or offenders: Now know ye, that a

FREE PARDON

will be granted to any person, not being the actual Incendiary, or the immediate procurer, who will give such information as may lead to the apprehension and conviction of the person or persons guilty of the said crime; and a further reward of

ONE HUNDRED POUNDS,

will also be paid to the person so giving such information, upon the conviction of the Principal or Principals concerned in the said offence.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this Seventh day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the fifth year of His Majesty's reign.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

PROCLAMATION.
UPPER CANADA.

J. COLBORNE.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-fifth day of November instant, to be commenced, held, called and elected, and to every of you:—

GREETING:

WHEREAS by our Proclamation bearing date the Eighteenth day of October, last, We thought fit to prorogue our Provincial Parliament to the Twenty-fifth day of November, instant, at which time, at our City of Toronto, you were held and constrained to appear.

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Monday the Twenty-second day of December, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—WITNESS, our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at our City of Toronto, this Seventeenth day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the Fifth year of our Reign. J. C.

By Command of His Excellency in Council.

ROBERT S. JAMESON,
Attorney General.

D. CAMERON, *Secretary.*

GOVERNMENT HOUSE,
10th November, 1834.

THE following extracts of a Circular Despatch, from the Secretary of State for the Colonies, is published for the information of Military Settlers.

(CIRCULAR)

DOWNING STREET,
14th August, 1834.

SIR, "I have the honor to transmit to you the enclosed copy of a letter, addressed by my directions to the Deputy Secretary at War, and of the reply, by which you will observe, that Free Grants of Land are no longer to be made to Discharged Soldiers. The single and temporary exception to this rule will be in the case of men of the Sappers and Miners, employed on the Rideau Canal, to whom a special expectation of Grants of Land appears to be held out in 1829, and who must, therefore, be allowed a twelvemonth in which to advance their claims, before they be finally barred in conformity with the general arrangement now adopted."

"I have the honor further to transmit to you the enclosed copy of the Regulations, which have been issued, respecting the privileges allowed to Officers of the Army and Navy in acquiring Land in the Colonies."

I have the honor to be, &c.

T. SPRING RICE.

INFORMATION,
FOR THE USE OF
MILITARY & NAVAL OFFICERS,
Proposing to Settle in the British Colonies.

COLONIAL OFFICE,
15th August, 1834.

1. ANNEXED is a Statement of the Regulations according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of Land; but, in buying Land, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole,	£300
Field Officers of 20 years' service and upwards, in the whole,	250
Field Officers of 15 or less years' service in the whole,	200
Captains of 20 years' service and upwards, in the whole,	200
Captain's of 15 years' service or less, in the whole,	150
Subalterns of 20 years' service and upwards, in the whole,	150
Subalterns of 7 years' service or less, in the whole,	100

Regimental Staff Officers and Medical Officers of the Army and Navy, will be deemed to come within the benefit of this Rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service.—No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate: and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lord Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same

advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

PROCLAMATION.

UPPER CANADA.

By His Excellency Sir John Colborne, *K. C. B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

To all to whom these Presents shall come—
GREETING:

WHEREAS a Barn on the Premises of Lawrence Heyden, Esquire, in the first Concession of the Township of Whitby, in the Home District, was consumed by fire, on the morning of Sunday, the 12th day of October last, and there is reason to believe that the fire did not happen accidentally, but was the work of an Incendiary: And whereas a reward of £250 has been offered by the said Lawrence Heyden, for the discovery of the offender or offenders: Now know ye, that a

will be granted to any person, not being the actual Incendiary, or the immediate procurer, who will give such information as may lead to the apprehension and conviction of the person or persons guilty of the said crime; and a further reward of

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this Seventh day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the fifth year of His Majesty's reign.

EXECUTIVE COUNCIL OFFICE, }
York, 7th December 1833. }

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power

to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

CLERGY RESERVES.

Com'r. of Crown Lands Office,
York, 1st February, 1832.

PROPOSALS for the purchase of Clergy Reserves having already been received at this Office for a greater quantity than are authorised to be sold during the ensuing year, the Commissioner is compelled, by his Instructions, to decline, for the present, receiving any more applications for the purchese of Clergy Reserves;—and to prevent disappointment, he requests that it may be distinctly understood, that applications received after this date can be of no benefit to the applicant, as to preference or otherwise.

J. COLBORNE.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-fifth day of November instant, to be commenced, held, called and elected, and to every of you:—

GREETING:

WHEREAS by our Proclamation bearing date the Eighteenth day of October, last, We thought fit to prorogue our Provincial Parliament to the Twenty-fifth day of November, instant, at which time, at our City of Toronto, you were held and constrained to appear.

NOW KNOW YE, that We taking into our Royal consideration the ense and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Monday the Twenty-second day of December, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

In testimony whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—Witness, our trusty and well beloved SIR JOHN COLBORNE, K. C. B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at our City of Toronto, this Seventeenth day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the Fifth year of our Reign. J. C.

By Command of His Excellency in Council.

Attorney General.

D. CAMERON, *Secretary.*

Government House,

THE following extracts of a Circular Despatch, from the Secretary of State for the Colonies, is published for the information of Military Settlers.

(CIRCULAR)

Downing Street,
14th August, 1834.

Sir,

"I have the honor to transmit to you the enclosed copy of a letter, addressed by my directions to the Deputy Secretary at War, and of the reply, by which you will observe, that Free Grants of Land are no longer to be made to Discharged Soldiers. The single and temporary exception to this rule will be in the case of men of the Sappers and Miners, employed on the Rideau Canal, to whom a special expectation of Grants of Land appears to be held out in 1829, and who must, therefore, be allowed a twelvemonth in which to advance their claims, before they be finally barred in conformity with the general arrangement now adopted."

"I have the honor further to transmit to you the enclosed copy of the Regulations, which have been issued, respecting the privileges allowed to Officers of the Army and Navy in acquiring Land in the Colonies."

I have the honor to be, &c.
T. SPRING RICE.

INFORMATION,
FOR THE USE OF
MILITARY & NAVAL OFFICERS,
Proposing to Settle in the British Colonies.

Colonial Office,
15th August, 1834.

1. Annexed is a Statement of the Regulations according to which, with such modifications as local circumstances may render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of Land; but, in buying Land, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole	£200
Field Officers of 20 years' service and upwards, in the whole	250
Field Officers of 15 or less years' service, in the whole	300
Captains of 20 years' service and upwards, in the whole	200
Captains of 15 years' service or less, in the whole	150
Subalterns of 20 years' service and upwards, in the whole	100
Subalterns of 7 years' service or less, in the whole	100

Regimental Staff Officers and Medical Officers of the Army and Navy, will be deemed to come within the benefit of this Rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service.—No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate: and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General

Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the R[illegible]s now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

PROCLAMATION.

UPPER CANADA.

By His Excellency Sir John Colborne, *K. C. B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

To all to whom these Presents shall come—

GREETING:

WHEREAS a Barn on the Premises of Lawrence Heyden, Esquire, in the first Concession of the Township of Whitby, in the Home District, was consumed by fire, on the morning of Sunday, the 12th day of October last, and there is reason to believe that the fire did not happen accidentally, but was the work of an Incendiary: And whereas a reward of £250 has been offered by the said Lawrence Heyden, for the discovery of the offender or offenders: Now know ye, that a

FREE PARDON

will be granted to any person, not being the actual Incendiary, or the immediate procurer, who will give such information as may lead to the apprehension and conviction of the person or persons guilty of the said crime; and a further reward of

ONE HUNDRED POUNDS,

will also be paid to the person so giving such information, upon the conviction of the Principal or Principals concerned in the said offence.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this Seventh day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the fifth year of His Majesty's reign.

EXECUTIVE COUNCIL OFFICE, }
York, 7th December 1833. }

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and

who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

NOTICE is hereby given, that an Adjourned Sessions of the Peace will be held at this Office on Monday, the fifth day of January next, at 11 o'clock in the forenoon, for the purpose of granting and renewing Tavern Licenses throughout the Home District, for the ensuing year.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

PROCLAMATION.

UPPER CANADA.

By His Excellency SIR JOHN COLBORNE, *K. C. B., Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

To all to whom these Presents shall come—

GREETING:

WHEREAS a Barn on the Premises of Lawrence Heyden, Esquire, in the first Concession of the Township of Whitby, in the Home District, was consumed by fire, on the morning of Sunday, the 12th day of October last, and there is reason to believe that the fire did not happen accidentally, but was the work of an Incendiary: And whereas a reward of £250 has been offered by the said Lawrence Heyden, for the discovery of the offender or offenders: NOW KNOW YE, that a

FREE PARDON

will be granted to any person, not being the actual Incendiary, or the immediate procurer, who will give such information as may lead to the apprehension and conviction of the person or persons guilty of the said crime; and a further reward of

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this Seventh day of November, in the year of our Lord one thousand eight hundred and thirty-four, and in the fifth year of His Majesty's reign.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the con-

ditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
10th November, 1834.

THE following extracts of a Circular Despatch, from the Secretary of State for the Colonies, is published for the information of Military Settlers.

(CIRCULAR.)

DOWNING STREET,
14th August, 1834.

SIR,

"I have the honor to transmit to you the enclosed copy of a letter, addressed by my directions to the Deputy Secretary at War, and of the reply, by which you will observe, that Free Grants of Land are no longer to be made to Discharged Soldiers. The single and temporary exception to this rule will be in the case of men of the Sappers and Miners, employed on the Rideau Canal, to whom a special expectation of Grants of Land appears to be held out in 1829, and who must, therefore, be allowed a twelvemonth in which to advance their claims, before they be finally barred in conformity with the general arrangement now adopted."

"I have the honor further to transmit to you the enclosed copy of the Regulations, which have been issued, respecting the privileges allowed to Officers of the Army and Navy in acquiring Land in the Colonies."

I have the honor to be, &c.
T. SPRING RICE.

INFORMATION,
FOR THE USE OF
MILITARY & NAVAL OFFICERS,
Proposing to Settle in the British Colonies.

COLONIAL OFFICE,
15th August, 1834.

1. ANNEXED is a Statement of the Regulations according to which, with such modifications as local circumstances may

render necessary, Lands belonging to the Crown are disposed of in the several British Colonies in North America, as well as a Statement of the Regulations in force in the Australian Colonies.

2. Under these Regulations Military and Naval Officers cannot receive free grants of Land; but, in buying Land, they are allowed a remission of the purchase money, according to the undermentioned scale:—

Field Officers of 25 years' service and upwards, in the whole,	£300
Field Officers of 20 years' service and upwards, in the w	250
Field Officers of 1 years' service, in the whole,	200
Captains of 20 years' service and upwards, in the whole,	200
Captain's of 15 years' service or less, in the whole,	150
Subalterns of 20 years' service and upwards, in the whole,	150
Subalterns of 7 years' service or less, in the whole,	100

Regimental Staff Officers and Medical Officers of the Army and Navy, will be deemed to come within the benefit of this Rule.

3. Officers of the Army or Navy, who propose to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, shewing that their emigration has been sanctioned, and stating exactly their rank and length of service.—No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, may be admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that their return of their rank and length of service is accurate: and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments connected with the Army, cannot be allowed any privileges on the subject of land. Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments connected with the Navy, must also be considered as not qualified for those privileges. Although members of these classes may have been admitted formerly, and under a different state of circumstances, they must now be excluded.

6. Gentlemen who have ceased to belong to His Majesty's Service cannot be allowed the advantages to which they were entitled while in the Army or Navy. It is not, however, proposed to affect by this rule Officers who desire to quit the service for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, that they do so with the view of emigrating; and such certificate, if produced to the Governor of any Colony, within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers still in His Majesty's Service.

Officers who have sold out within the last twelve months preceding the date of this memorandum, will be allowed the usual privileges, notwithstanding their want of the certificate required by these Regulations, if they present themselves to the Governor of the Colony within a year from the present date. And all Officers who have already been recommended by the General Commanding in Chief will be entitled to their privileges, without regard to any obstruction which might otherwise be offered by the Regulations now established.

7. Officers cannot be allowed advantages in the acquisition of land in any Colony, unless it be their intention to fix their residence in that Colony. In order to ensure the observance of this rule, it has been determined that the Titles to lands obtained by Officers who take advantage of the peculiar Regulations existing in their favour, shall be withholden for a period sufficient to prove that they have not repaired to the Colony for the mere purpose of gaining possession of a portion of land and then departing. Two years is the period for which it has been decided that the Titles shall be kept back: this delay will be sufficient for the salutary object in view, and will not constitute any serious inconvenience to the *bona fide* Settler.

8. By the annexed Regulations for the disposal of Crown lands, it will be observed that the general sales will take place periodically. But in order to prevent inconvenience to Officers who may arrive in the intervals between those sales, and be desirous at once to obtain an allotment, the Governors of the Colonies are authorized to allow Officers to acquire, at any time, on payment of the upset price, lands which have previously been offered for sale at some general sale, and not been bought.

Officers will thus be relieved from delay at the time of establishing themselves in the Colony. They will also be enabled by this arrangement, which will permit them to obtain their land at a fixed price, to choose such a quantity as shall be exactly equivalent to the amount of the remission to which they are entitled, instead of being liable to be called upon to pay a balance, which must be the case if they bid for lands at a sale by auction.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

Executive Council Office, }
York, 7th December 1833. }

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfort-

ably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-second day of December instant, to be commenced, held, called and elected, and to every of you:—

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Thursday the Fifteenth day of January, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, FOR THE ACTUAL DESPATCH OF PUBLIC BUSINESS, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at our City of Toronto, this Ninth day of December, in the year of our Lord one thousand eight hundred and thirty-four, and in the Fifth year of our Reign.

J. C.

By Command of His Excellency in Council.

S. P. JARVIS,
Clk. Crown in Chancery.

D. CAMERON, *Secretary.*

EXECUTIVE COUNCIL OFFICE, *York 24th May*, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk, Executive Council.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 6th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of those evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S.

Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30
