A GUIDE TO PUBLIC ACCOUNTS

1. SCOPE OF THE PUBLIC ACCOUNTS

The 2011-2012 Public Accounts of the Province of Ontario comprise the **Annual Report and Consolidated Financial Statements** and three volumes:

Volume 1 contains ministry statements and detailed schedules of debt and other items. The ministry statements reflect the financial activities of the government's ministries on the accrual basis of accounting, providing a comparison of appropriations with actual spending. Ministry expenses include all expenses that are subject to appropriation approved by the Legislative Assembly, but exclude adjustments arising from consolidation of government organizations whose expenses are not appropriated.

Volume 2 contains the financial statements of Government Organizations and Business Enterprises that are part of the government's reporting entity and other miscellaneous financial statements.

Volume 3 contains the details of payments made by ministries to vendors and transfer payment recipients that are not deemed to be prohibited by the *Freedom of Information and Protection of Privacy Act*.
