PRICE BULLETIN #3893

TO: ALL STORE MANAGERS

Effective **Monday April 6, 2009** the retail price of the products on the attached list will be adjusted. A reduction to the duty of Wine products has necessitated these adjustments, along with revised quotations from suppliers, freight adjustments and currency exchange rates.

- **Shelf Labels are effective for the date of April 6, 2009 (not March 30, 2009) and include the changes stated in this price bulletin.** Shelf labels will be sent to stores the week of March 30, 2009.

*****Please note that any changes to product description, sugar code or bar code will result in a new shelf label printed even though there is not a retail change. Please ensure that these labels replace the existing label currently on shelf.***

NOTE: Please fax a copy of this Price Bulletin to any Agency Store you may service.
