PREFACE

The 1979/80 Court Statistics Annual Report contains general rather than specific data, on the activities of the Supreme, County, Surrogate and Provincial Courts and the Sheriff's offices on a three year comparative basis. Where possible, charts have been included to provide a graphic view of the activities in each court level, and tables show the inflow and outflow of cases through the courts. The data included in this report have been updated wherever required, as some data had not been available during the year when the quarterly reports were printed.

Supreme, County and Surrogate Courts and Sheriff's Offices

The statistical form submitted by the local registrar's/county court clerk's offices was revised in November, 1979 to gather data on all motions filed in the court offices. Up to that date, the data on motions was originating notices of motion only, therefore, the data is not comparable between the two categories.

The statistical form submitted by the Sheriff's offices was revised in November, 1979 to provide more detailed information. As a result of the changes, the figures for some of the offices may not be comparable to last year's data.

Provincial Court (Criminal Division)

In the Provincial Court (Criminal Division), the term "charges" is used. The definition of "charges" is the number of "counts" of an offence laid against an individual.

In April, 1979 some revisions were made to the Daily Statistical Return submitted by the Criminal Division court offices. The court time of the judges and justices of the peace was divided into two categories: elapsed time (which excludes lunch hours and includes recesses), and net time (which excludes lunch hours and recesses). As a result of this change, it was discovered that the court time in the past years had not been reported consistently across the province. Therefore, 1979/80's data may not be comparable to previous years' data. The time the crown attorneys spent in court was affected by this revision as well. Many court offices reported net time for the crown attorneys rather than elapsed time. This resulted in a drop in court time for 1979/80 as compared to previous years.

In this year's annual report, the pending caseload for the Criminal Code of Canada and the Narcotics Control Act and Food and Drug Act only are included. The pending caseload for the other statutes may be obtained upon request.

Provincial Court (Family Division)

In this year's report, the table reporting the data on the Deserted Wives' and Children's Maintenance Act is not included, as 1977/78 is the last fiscal year this act was applicable.

For the reader's information, those court offices that are combined criminal and family courts offices are highlighted by an asterisk.

Your comments and/or questions regarding the presentation of this report or the data provided are welcomed.

- NOTES: (1) The Daily Statistical Form was revised April 1, 1979, reporting elapsed court time (which excludes lunch hours) and sitting court time (which excludes lunch hours and recesses). During 1977/78 and 1978/79, some offices included lunch hours in the elapsed court time.
- (2) Many court offices reported net time during 1979/80, rather than elapsed time.
- (3) Metro Toronto reported net court time for Judges, Justices of the Peace, and Crown Attorneys.
- (4) Effective Jan. 1/78, the court locations of Prescott and Kemptville are reported with Leeds and Grenville, not S.D.G.
- (5) Data for the court locations of Kenora and Red Lake are incomplete for the 1977/78 fiscal year.
- (6) Data is incomplete for the 1977/78 fiscal year.
