The 1984/85 Court Statistics Annual Report contains general information on the activities of the Supreme, District, Surrogate and Provincial Courts and the Sheriff's offices on a three year comparative basis. Where possible, charts have been included to provide a graphic view of the caseload in each court level, with tables showing the inflow and outflow of cases through the courts. The data included in this report have been updated wherever required, as some data may not have been available during the year when the quarterly reports were published.

The report is divided into the following sections:

COURT OF APPEAL

SUPREME COURT

- Criminal Cases
- Civil Cases

COUNTY/DISTRICT COURT

- Criminal Cases
- Civil Cases

SURROGATE COURT

SHERIFF OFFICES

PROVINCIAL COURT

- Criminal
- Provincial Offences
- Family

The court offices gather a great deal of detailed information, which because of volume, cannot possibly be included in a report of this kind. However, upon request to the Information Centre, data will be provided.

During the 1984/85 fiscal year, some major pieces of legislation were proclaimed which affected the courts dramatically.

The first piece of legislation is the Courts of Justice Act 1984, proclaimed January 1, 1985. As time is required to determine the impact of this Act on the Supreme and District Courts, only revisions in terminology were made to the statistical form submitted by the offices of the local Registrar and Sheriff. The major revision concerned "actions commenced" or "proceedings commenced", as is now the term. As the data prior to January 1, 1985 cannot be matched with the data after this date, the information for the January to March, 1985 quarter must be included in a separate table. See tables I.6 and I.4.

Another major piece of legislation proclaimed was the Young Offenders Act, which replaced the Juvenile Delinquents Act on April 1, 1984. As the Young Offenders Act only refers to federal statutes, the Provincial Offences Act was amended to include young offenders who violate provincial statutes. The Young Offenders Act is divided in two stages: stage one includes 12 to 15 year olds inclusive, effective April 1, 1984; stage two includes 16 and 17 year olds, effective April 1, 1985; In this report the table on Youth Court activity refers to the first stage, which is processed through the Provincial Court (Family Division). The data on matters under the Juvenile Delinquents Act which still had to be processed after April 1, 1984 were kept separate from the Youth Court data in order to highlight the impact of the Young Offenders Act. See Table VI.4 for the Youth Court Activity Summary.

Please contact the Information Centre if there are any questions and/or comments regarding any of the data in this report.
