PREFACE

The 1989/90 Court Statistics Annual Report contains general information on the activities of the Supreme, District, Surrogate, Provincial Courts, Youth Courts and the Sheriff's offices on a three year comparative basis.

Some changes have been implemented in this report from last year's publication.

The charts which used to be included in our publications have been deleted, and in their place, on the first eighteen pages of the publication, we have submitted, an Ontario, Metropolitan Toronto, and Regional Summaries of Activity, which is also available on diskette, in a Lotus Spreadsheet format.

The court offices gather a great deal of detailed information, which because of volume, cannot possibly be included in this type of report. However, upon request to the Statistical Services Unit, data will be provided.
