PREFACE

The 1991/92 Court Statistics Annual Report contains general information on the activities of the Ontario Court (General Division) - Civil, Criminal, Sheriff, and Divisional courts - and The Ontario Court (Provincial Division) - Criminal, Youth, Provincial Offences and Family courts, on a three year comparative basis.

Some changes have been implemented in this report from last year's publication.

Pages 8-25 of the publication consist of a summary of the Province, Metropolitan Toronto and Regional court activities. The Annual Report is also available on diskette in Lotus spreadsheet format.

Information Planning & Court Statistics has more detailed information available, which, because of sheer volume, cannot be included in this report. This information is available upon request in writing.

Nota Bene :

The pending data in the tables for the Ontario Court (General Division) do not calculate arithmetically from the 1990/91 pending at end of year figures. The 1991/92 monthly data was manually verified at the local court office level. However, the pending figures for subsequent months were not adjusted accordingly to reflect the amendments made to the charges received and disposed figures. Pending data for the Ontario Court (Provincial Division) Family are not available for publication in this edition.
