PREFACE

The 1992/93 Court Statistics Annual Report contains general information on the activities of the Ontario Court of Justice (General Division) - Civil, Criminal, and Divisional courts, and Sheriff's offices - and The Ontario Court of Justice (Provincial Division) - Criminal, Youth, Provincial Offences and Family courts, on a three year comparative basis.

The first eighteen pages of the publication consist of a summary of Ontario and eight regional court activities. The Annual Report is also available on diskette in a Lotus spreadsheet format.

Information Planning & Court Statistics has more detailed information available, which, because of sheer volume, cannot be included in this report. This information is available upon request in writing.

Nota Bene :

Some minor variations may exist as historical data has been amended to reflect changes at the court level received after publication of the 1991/92 edition.
