Subject: Introducing the INFOBulletin!

The Negotiations and Accountability Management Division of the Ministry of Health and Long-Term Care (the ministry) is introducing the INFOBulletin to keep you informed of the latest payment, policy or program changes. The INFOBulletin is the new look for the Bulletin and also replaces the Primary Health Care Fact Sheet.

We are also introducing a supporting Questions and Answers (Qs&As) sheet that has the same look as the INFOBulletin and references the corresponding bulletin by number. The Qs&As will only accompany an INFOBulletin when more detailed information is required on the practical application of the information provided in an INFOBulletin or to answer common questions regarding a change.

The INFOBulletin and the Qs&As will be posted on the internet in colour and printed in black and white when distributed by the ministry. See the following samples:

Past bulletins, INFOBulletins, and Qs&As are available for viewing on-line at the following ministry website:
