Re: Discontinuation of Printing and Distribution of Paper Claim Card and Laboratory Requisition Forms

As noted, effective April 30, 2012, the Ministry of Health and Long-Term Care (MOHLTC) will no longer print and distribute paper Claim Card and Laboratory Requisition forms to providers.

These forms are available online. Please follow the links below to view and print or fill and print the forms.

- [4420-84 Health Claim](#) - available via the Internet
- [4421-84 Reciprocal Claim](#) - available via the Internet
- [4422-84 Laboratory Requisition](#) - available via the Internet

It appears that some providers are stockpiling these forms, prior to the deadline date. The ministry will be reviewing all orders and will not be approving fulfillment of order volumes that exceed the respective provider's three year historical trend.

The intent of this initiative is to support the government priority of making the healthcare system more accountable and to align with the Ontario Public Service (OPS) Green Strategy to reduce the carbon footprint.

These forms can be accessed and printed in multiples or as a single form at:
