MEMBERS OF THE BOARD OF INTERNAL ECONOMY

INDEX OF MINUTES

Legislative Assembly

INTRODUCTION

The Board of Internal Economy was constituted under the terms of The Legislative Assembly Act in 1974.

In August 1980 the Minutes and an Index to Decisions were published covering the initial years from 1974 to 1979.

The following is a complete set of Board of Internal Economy Minutes from 1980 to 1984. For easy reference included is an Index of the Minutes by subject.

The Board of Internal Economy met on an average of 13 times a year. Speaker Jack Stokes chaired the meetings from February 11, 1980 to April 7, 1981 and Speaker John Turner continued from May 4, 1981 to December 11, 1984.

During this five-year period the subjects which came before the Board ranged from caucus budgets, to Members' retirement allowances, to security procedures.

We hope these Volumes will be helpful in providing an overview of the development of administrative operations in the Ontario Legislative Assembly during the period 1980 - 1984.
