Legislative Assembly of Ontario

BOARD OF INTERNAL ECONOMY

INTRODUCTION

All policies established by the Board of Internal Economy and recorded as Minutes passed by the Board from 1996 to 1999 are contained in these two Volumes.

In Volume 1 the meetings are arranged in chronological order, divided by year.

A Table of Contents at the front of Volume 2 provides a detailed list of the contents that have been indexed by subject matter for easy reference.

The Board of Internal Economy met an average of 5¼ times per year. Speaker Allan McLean was Chair of the first five meetings of 1996. Speaker Chris Stockwell chaired the meetings from December 1996 through April 1999 and The Honourable Gary Carr, current Speaker, chaired the last two meetings of 1999.

The two Volumes provide an overview of the policies approved by the Board of Internal Economy for the administrative operations of the Ontario Legislative Assembly during the four-year period 1996 - 1999.
