LETTER OF TRANSMITTAL

31 January 2000

The Honourable James M. Flaherty
Attorney General for Ontario
720 Bay Street, 11th Floor
Toronto, Ontario
M5G 2K1

Dear Mr. Attorney:

The Judicial Appointments Advisory Committee has the honour of presenting to you this report on its activity for the period from 1 January 1999 to 31 December 1999, pursuant to section 43 of the *Courts of Justice Act*. It covers all significant matters related to the recommendation to the Attorney General of suitable candidates for judicial appointment to the Ontario Court of Justice.

Respectfully yours,

J. Douglas Grenkie, Q.C.
Chair

EXECUTIVE SUMMARY

1 January 1999 to 31 December 1999

The Judicial Appointments Advisory Committee was set up as a pilot project by the then Attorney General, the Honourable Ian Scott, in January 1989. Since then, the present Attorney General, the Honourable James M. Flaherty, and his predecessors, have appointed 165 judges based on Committee recommendations. Of these, 18 appointments were made between 1 January 1999 and 31 December 1999.

The highlights of Committee activity are as follows:

- G Appointments:** Each of the 18 appointments has been made from among candidates recommended by the Committee in accordance with the first criterion, being that of professional excellence, and then on the other criteria set out in this Report.
- G Legislation:** Amendments to the *Courts of Justice Act* that came into force on 28 February 1995 established the Judicial Appointments Advisory Committee and clothed it with legislative authority. These amendments set out in detail the composition, procedures, criteria for selection, and independent function of the Committee.
- G Confidentiality:** The Committee continues to request the Government to pass legislation exempting its confidential information so that it shall be protected by the exemption of the *Freedom of Information and Protection of Privacy Act*.
- G Procedure:** The Committee *continually* reviews its procedures and policies which are set forth in detail in this report.

Candidates will generally not be considered for an interview if they have any complaints registered with the Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered.

Candidates will generally not be considered for an interview if they have any outstanding Errors and Omissions claims registered with the Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered.

Members of the Committee would be prepared to consider the application of a candidate who is involved in a civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of the claim is such that it should not prevent the candidate from being considered for a judicial appointment.

The Committee must be informed of any outstanding civil judgments, arrears in family support payments, and any past or present proposals to creditors or assignments in bankruptcy.

Members of the Committee will not consider a candidate who has a criminal record.

INTRODUCTION

On 15 December 1988, the then Attorney General, the Honourable Ian Scott, announced in the Ontario Legislature the establishment of the Judicial Appointments Advisory Committee as a pilot project, and set out its mandate:

AFirst, to develop and recommend comprehensive, sound and useful criteria for selection of appointments to the judiciary, ensuring that the best candidates are considered; and second, to interview applicants selected by it or referred to it by the Attorney General and make recommendations.@

On February 28, 1995 the *Courts of Justice Act* established the Committee by legislation. All appointments to the Ontario Court of Justice must be made by the Attorney General from amongst a list of applicants recommended to him by the Committee, and chosen in accordance with its own process of criteria, policies and procedures.

In 1999, the Committee met 31 times to select candidates, carry out interviews, and to determine Committee policies and procedures. This included 8 selection/business meeting days and 23 interview days. Over 180 applicants have been interviewed and 67 have been recommended, from which the Attorney General has selected and appointed 18 judges. The total number of applicants to date is 1,926 of whom 549 (29%) are women.

PART I

ANALYSIS OF JUDICIAL APPOINTMENTS MADE

1.0 Judges Appointed: 1 January 1999 - 31 December 1999

During this period, there have been 18 judges appointed as a result of recommendations made by the Committee. Added to the 147 appointments previously made, this number makes a total of 165 judges appointed since the Committee began its work in 1989. However, with various transfers, etc., the current number is 152. The complement of the Ontario Court of Justice is 254 judges. Thus, 60% of all the present judges have been selected through the Committee process.

Of the 18 new appointments this calendar year, five were women, 11 came from private practice, five were formerly Crown counsel, one was a legal counsel with the Ontario Government and one was a legal officer with the judiciary. A list of these judges will be found in Appendix II.

The ages of appointees range from 38 to 56 years, and the average age was 47 years.

2.0 Overview of Appointments: 1 January 1989 - 31 December 1999

The reader will find a list of all judges appointed under the Committee process in Appendix III; the Appendix lists the names in alphabetical order together with location and date of appointment.

The demographics of these appointments are set out in the following tables which show the timing of the various appointments, the legal background of the appointees, and the numbers selected for appointment from under-represented groups.

[illegible]

The Committee continues to encourage applications from members of under-represented groups. Each advertisement for a judicial vacancy states that:

The provincial judiciary should reasonably reflect the diversity of the population it serves. Applications from members of minority groups are encouraged.

The advertisement appears in the *Ontario Reports*, which has a wide circulation amongst lawyers in the province.

In addition, advance notice of a judicial vacancy is provided to approximately 160 legal and non-legal associations, such as: the Canadian Bar Association - Ontario, the Advocacy Research Centre for the Handicapped (ARCH), the Aboriginal Legal Services of Toronto, the Canadian Association of Black Lawyers and the Metro Toronto Chinese & Southeast Asian Legal Clinic, with a request that the material be brought to the attention of their members. Committee members are prepared to attend any association meetings or groups, legal or non-legal, to discuss the appointment process and answer all questions concerning Committee procedures and criteria. Our desire is to make sure that the profession and public are fully informed about the process of judicial appointment.

PART II LEGISLATION

1.0 The Courts of Justice Statute Law Amendment Act

The amendments to the *Courts of Justice Act* were given Royal Assent in June 1994 and proclaimed on 28 February 1995. Section 43 deals with the Judicial Appointments Advisory Committee and it is included here in full, for ease of reference:

1. When a judicial vacancy occurs and the Attorney General asks the Committee to make a recommendation, it shall advertise the vacancy and review all applications.
 2. For every judicial vacancy with respect to which a recommendation is requested, the Committee shall give the Attorney General a ranked list of at least two candidates whom it recommends, with brief supporting reasons.
 3. The Committee shall conduct the advertising and review process in accordance with criteria established by the Committee, including assessment of the professional excellence, community awareness and personal characteristics of candidates and recognition of the desirability of reflecting the diversity of Ontario society in judicial appointments.
 4. The Committee may make recommendations from among candidates interviewed within the preceding year, if there is not enough time for a fresh advertising and review process.

Qualification

- (10) A candidate shall not be considered by the Committee unless he or she has been a member of the bar of one of the provinces or territories of Canada for at least ten years or, for an aggregate of at least ten years, has been a member of such a bar or served as a judge anywhere in Canada after being a member of such a bar.

Annual Report

- (13) The Committee shall submit to the Attorney General an annual report of its activities.

Tabling

- (14) The Attorney General shall submit the annual report to the Lieutenant Governor in Council and shall then table the report in the assembly.®

PART III CONFIDENTIALITY

1.0 Introduction:

The Judicial Appointments Advisory Committee has developed two fundamental principles on the issue of confidentiality of committee information. These are:

- (1) information about committee process should be, and is, completely open to any person whomsoever.
- (2) information about particular candidates should be completely confidential unless released by candidates themselves.

2.0 Information on process and procedures

The *Courts of Justice Act*, by virtue of the amendments made in 1995, sets out very clearly that the Committee is to have 13 members of which the majority shall be lay persons, i.e. neither judges nor lawyers. The appointing bodies are required to recognize that the Committee should reflect the diversity of Ontario's population and maintain linguistic duality, minority and gender balances.

The criteria for, and the manner of, selection of candidates are outlined in this Report.

Committee members individually speak to organizations and at legal conferences to publicize the process of appointments and believe that the process should be completely open and transparent.

3.0 Information on Persons who are applying for Appointment

By contrast to the preceding section, the Committee goes to great lengths to protect the privacy of the applicant. These measures include:

- (1) keeping most sensitive information stored in the private homes of members, or with the Secretary at a location other than Ministry property;
- (2) keeping applicants apart on interview days;
- (3) destroying or shredding notes as soon as possible after use;

- (4) advising references that their names will not be associated with their confidential comments;
- (5) maintaining strict non-access to our files, including government personnel not associated with the Committee;
- (6) holding all meetings and interviews in non-government locations.

4.0 Seeking Information:

The Committee has had one major application from a citizen seeking information about a successful candidate. This application commenced in 1993 and formally concluded in 1997 at which time the Ontario Court of Appeal, overruling the Divisional Court, held that private notes of the Committee members were not available to the public under the *Freedom of Information and Protection of Privacy Act* (FIPPA). Details of this litigation are to be found in our Annual Reports of 1996 and 1997.

5.0 What is to be done:

The Committee has requested and continues to request the Government to amend the *Freedom of Information and Protection of Privacy Act*. The Committee wants to exempt the confidential candidate information from the operation of that Act. There is a precedent for this to be found in S.O. 1994 c.12 under which all records of the *Ontario Judicial Council* are only to be disclosed if that *Council* approve such disclosure.

It should be noted that in 1993, the Committee was an *ad hoc* body, created by the Attorney General without any statutory or regulatory authority. This is no longer so since the coming into force of the *Courts of Justice Statutory Amendment Act* on February 28, 1995. Section 43 of that Act creates the Judicial Appointments Advisory Committee as a statutory entity.

It could be argued that the decision of the Court of Appeal may no longer apply to these changed circumstances. It is the Committee's intention to continue to pursue a clear statutory exemption of all confidential material obtained by the Committee and its members so that the privacy and confidentiality issues may be definitively set to rest.

PART IV

CRITERIA FOR APPOINTMENT

It is important that eligible members of the bar and the public be aware of the criteria used by the Committee in the selection of candidates for recommendation, and for convenience, those criteria are reiterated again in this Annual Report.

The current Summary Statement of the criteria is as follows:

1.0 Criteria for Evaluating Candidates

Professional Excellence

- G** A high level of professional achievement in the area(s) of legal work in which the candidate has been engaged. Experience in the field of law relevant to the division of the Ontario Court of Justice on which the applicant wishes to serve is desirable but not essential.
- G** Involvement in professional activities that keep one up to date with changes in the law and in the administration of justice.
- G** An interest in or some aptitude for the administrative aspects of a judge's role.
- G** Good writing and communications skills.

Community Awareness

- G** A commitment to public service.
- G** Awareness of and an interest in knowing more about the social problems that give rise to cases coming before the courts.
- G** Sensitivity to changes in social values relating to criminal and family matters.
- G** Interest in methods of dispute resolution alternatives to formal adjudication and in community resources available for participating in the disposition of cases.

Personal Characteristics

- G** An ability to listen.
- G** Respect for the essential dignity of all persons regardless of their circumstances.
- G** Politeness and consideration for others.
- G** Moral courage and high ethics.
- G** An ability to make decisions on a timely basis.
- G** Patience.
- G** Punctuality and good regular work habits.
- G** A reputation for integrity and fairness.
- G** Compassion and empathy.
- G** An absence of pomposity and authoritarian tendencies.

Demographics

- G** The provincial judiciary should be reasonably representative of the population it serves. This requires overcoming the under-representation in the judicial complement of women, visible, cultural, and racial minorities and persons with a disability.

PART V JUDICIAL APPOINTMENT PROCESS AND POLICIES

1.0 The Judicial Candidate Information Form:

1. All candidates must complete a typed Judicial Candidate Information Form which has been designed to elicit information that is not usually included in a standard *curriculum vitae*, such as the nature of the legal work and experience gained in various positions the candidates have held, including pre-law experience. Also, applicants are required to express their reasons for wanting to become a judge and provide an appraisal of their own qualifications for being a judge.

Candidates who send in their standard *curriculum vitae* and do not complete the Committee's form are not considered.

2. Candidates are required to provide 14 copies of the Judicial Candidate Information Form together with an authorized Security Release Form and an executed Release of Information Form in the first instance, and for subsequent applications, 14 copies of any letter requesting consideration.
3. A candidate must apply by application or letter for each and every advertised vacancy that is of interest. The Committee does not automatically consider applications on file. It is preferred that a candidate submit a new application after one year to reflect any changes in the application.
4. A Judicial Candidate Information Form is kept on file for one year. At the end of one year, a candidate is advised that his or her form is out of date and in order to maintain a current application, 14 copies of a new form should be submitted.
5. All responses to an advertisement to be considered for a judicial vacancy are acknowledged. However, due to the increased workload, it is no longer possible to continue the policy of advising candidates that they have not been selected for an interview. Instead, the acknowledgement letter states: *If you are selected for an interview, you will be contacted during the week of.....@* .
6. Candidates who are interviewed and/or candidates who have been interviewed on a previous occasion and who have requested to be considered for a particular advertised vacancy **are not** advised as to whether they have been included in the list submitted to the Attorney General. Also, the Committee no longer advises applicants when its work has been completed and a list of recommended candidates has been submitted to

the Attorney General. Candidates who have been interviewed within the previous twelve-month period may not necessarily be re-interviewed but will still be equally considered by the Committee in determining its list of recommendations, provided that he or she has applied to be considered for the vacancy advertised.

References:

1. The Committee requests that a candidate does not send or have submitted letters of support.
2. The Committee requires a candidate to provide the names, **complete addresses including Postal Codes, home telephone** and business telephone numbers of his or her named references. Care should be taken to provide the correct information before submitting the form. Since the members who check the references do so during evenings and weekends, it is essential that **home telephone** numbers be provided.
3. All named references receive a letter from the Committee advising them that a candidate has provided their names for reference purposes and that they may be contacted by a member of the Committee. They are advised that they do not have to write to the Committee. Attached to the letter is a list of current Committee members.
4. The Committee maintains strict confidentiality with respect to the information provided by named references and obtained by confidential inquiries.

2.0 Law Society and Other Outstanding Complaints and Claims

1. Complaints as to Practice: Candidates will generally not be considered for an interview if they have any complaints registered with the Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered.
2. Errors and Omissions Claims: Candidates will generally not be considered for an interview if they have any outstanding Errors and Omissions claims registered with the Law Society. The candidate is responsible for ensuring the removal of such complaints; however, if the Committee receives sufficient information as to the complaint being frivolous or lacking in foundation, then such a complaint will not be a bar to the candidate being considered.
3. Civil Claims or Judgments: Members of the Committee would be prepared to consider the application of a candidate who is involved in a civil claim or proceeding if, after receiving details of the proceeding, the members are of the opinion that the nature of

the claim is such that it should not prevent the candidate from being considered for a judicial appointment.

4. Other Financial Matters: The Committee must be informed of any outstanding civil judgments, arrears in family support payments, and any past or present proposals to creditors or assignments in bankruptcy.

3.0 Criminal Record

Members of the Committee will not consider a candidate who has a criminal record. It is the responsibility of the candidate to obtain a pardon.

4.0 Conflict of Interest Guidelines

1. Members of the Committee cannot apply to be considered for a judicial appointment for a period of two years from the date they cease to serve as a member of the Committee.
2. No current member of the Committee can act as a reference for a candidate seeking a provincial judicial appointment.
3. Members of the Committee who have a conflict or a perceived conflict in the nature of a potential bias or prejudice in regard to a candidate must declare such conflict and refrain from taking part in the entire process for that vacancy.

5.0 General

Re-Interviewing Candidates

The Committee does not maintain a pool of candidates who have previously been recommended but not appointed, or interviewed but not recommended.

It is no longer essential to re-interview a candidate who has been interviewed in the previous twelve months. An evaluation guideline is used to compare these individuals objectively. That candidate will be compared objectively and ranked along with all other persons interviewed for that vacancy so long as the candidate has requested in writing to be considered for that advertised vacancy. Nevertheless, the Committee may, in its discretion, re-interview a previously interviewed candidate, and, in fact, does so on a fairly frequent basis.

Communications and Marketing

The Committee

- < notified approximately 160 organizations that the Committee would be pleased to attend any meetings of any group to explain its mandate, criteria and procedures. This offer extends to both legal and non-legal organizations.
- < prepared a pamphlet entitled "Where Do Judges Come From?" for distribution to encourage applications and explain its procedures and process and the method of appointment of judges to the Ontario Court of Justice. This pamphlet was distributed by the Canadian Bar Association - Ontario to its members and is available to the public at various government offices and in languages other than English. Appendix I;
- < has appeared and spoken at various legal meetings and to associations;
- < has appeared and spoken at schools;
- < has taken action on published misconceptions such as editorials by forwarding letters to the Editor;
- < presented a legal program on the appointment process and procedures at the CBAO Institute in January, 1999.

Notice of Vacancies

When a vacancy in the complement of Provincial Court Judges occurs, the Chief Justice of the Ontario Court of Justice, after considering the judicial resources required throughout Ontario, determines the location of the vacancy to be filled and advises the Attorney General accordingly. The Attorney General then requests the Committee to commence its process to identify candidates suitable for judicial appointment in order to make recommendations to him.

Set out below is a step-by-step account of how the Committee arrives at its recommendations.

Advertising the Vacancy

All vacancies are advertised in the *Ontario Reports*. The copy must be provided three weeks prior to publication date. Three weeks is allowed for applications to be received. In addition to advertising, the Committee contacts approximately 160 legal and non-legal associations with advance notice of the vacancy with a request that they bring the copy of the advertisement to the attention of their members.

Review of Applications by Members

Each member is provided with a list of all candidates who respond to an advertisement plus copies of all new and updated Judicial Candidate Information Forms. Members carefully review and assess the application forms and list candidates whom they feel should proceed to the second stage of reference checks and confidential inquiries. This list is submitted to the administrator who compiles a master list of candidates who have been selected by three or more members for the purpose of making reference checks and confidential inquiries. If any member of the Committee ascertains that a possible qualified applicant for a judicial appointment has not been selected for reference checks and confidential inquiries, the member may request that the applicant's name be added to the list.

References and Confidential Inquiries

Each member is provided with a list of candidates who have been selected by three or more Committee members for the purposes of reference checks and confidential inquiries. These inquiries are made of the judiciary, lawyers, law associations, community and social service organizations, plus the named references provided by the candidate. Once the reference checks and confidential inquiries are completed, the Committee meets to discuss the information obtained and to select candidates to be interviewed.

This selection meeting takes place three to four weeks after the members have received the list of candidates to be considered. (Interviews take place approximately two weeks after the selection meeting.)

Interviews and Recommendations to The Attorney General

The number of candidates to be interviewed for a judicial vacancy will normally be a maximum of 16 over a two-day period. Each interview will last approximately 30 minutes. Following each interview, the Committee discusses the merits of the candidate interviewed. After the last interview for that particular vacancy, the Committee discusses the merits of the candidates interviewed, plus the merits of the candidates interviewed on a prior occasion within the year and who have applied to be considered for the current vacancy. A ranked list, together with the application form submitted by each ranked candidate, is then delivered to the Attorney General.

The letter containing the ranked list of candidates for the Attorney General is delivered to him when the requested Law Society and CPIC checks have been received and clearances obtained. These clearances are usually received approximately three weeks after the interviews have taken place.

It is at this point that the Committee's work is complete. A candidate is not notified whether

or not his or her name has been put forward in the ranked list to the Attorney General as this recommendation is personal and confidential for the Attorney General.

It should also be noted that the Committee has established a procedure to avoid delays in filling vacancies that occur unexpectedly, such as from sudden resignation, illness or death. In such cases, when so requested by the Attorney General, it may recommend candidates who have previously applied for the area of the judicial vacancy and who have been interviewed, without advertising the vacancy. This procedure will only apply to areas where there has been an advertised competition within a twelve month period. However, the policy of advertising is the procedure of preference and will only be departed from in limited circumstances.

6.0 Changes in Committee Membership

There were two changes in the membership of the Committee in 1999. Brian Greenspan, the nominee of the Law Society of Upper Canada, advised that he would be unable to continue to be a member of the Committee. William Trudell of Toronto became the nominee of the Law Society of Upper Canada on January 19, 1999. The Honourable Mr. Justice Robert Walmsley retired on December 5, 1999. The Honourable Madam Justice Annemarie Bonkalo was appointed by the Honourable Chief Justice Brian Lennox to replace Mr. Justice Walmsley.

7.0 Support Staff

Ann Kelly had been the Committee's Secretary and Administrative Officer since 1991. Her experience had proved invaluable in maintaining a high level of proficiency in all areas of the Committee's work. Ms. Kelly's personal dedication had provided the Committee with a priceless resource upon which to draw. Her insight and positive attitude enabled the Committee to proceed with its work in a pleasant environment. Unfortunately, Ms. Kelly died on August 8, 1999. An *Aln Memoriam* to her is included in this Annual Report.

On December 6, 1999, Priscilla Chu became the Committee Secretary and Administrative Officer. All the members of the Committee are looking forward to a close working relationship with her as they had experienced with Ms. Kelly.

The Committee also wishes to acknowledge the professionalism and commitment of Ms. Carol Chan. Her organizational skills, coupled with a congenial manner, have provided exemplary secretarial and clerical service to the Committee. In addition, the Committee wishes to thank Charlene Bartlett who continues to assist the Committee so ably.

Finally, the Committee would like to extend its appreciation to Mr. Charles Harnick, who was the Attorney General until June, 1999. On June 17, 1999, the Honourable James M. Flaherty became the Attorney General. The Committee extends its appreciation to the

Honourable James M. Flaherty for his continued support. It also wishes to acknowledge the co-operation that it has received from David Moran, Executive Assistant to the Attorney General, Warren Dunlop, Manager of Judicial Support Services of the Ministry, and Richard Tinsley and Marilyn MacDonald, at the Law Society of Upper Canada.

PART VI LOOKING TO THE FUTURE

1.0 Selection of Candidates

Both Attorneys General have indicated publicly and in their meetings with the Committee that trial experience is of utmost importance in their selection from our recommended list of names. However, although the Committee agrees that this criterion is important, it also believes that all its criteria must be applied in assessing the merits of each applicant. Accordingly, the Committee from time to time has recommended and will continue to recommend suitable individuals who are not trial lawyers but who have achieved a professional excellence in other areas of law. The Committee was, therefore, pleased that one of the judges selected in 1999 was from the corporate law field.

Since the Attorneys General have requested the Committee to provide a larger list of candidates from diverse backgrounds in order that they may have a wider discretion in making a particular appointment, the Committee has increased the number of interviews, which has resulted in a larger number of qualified candidates being recommended to the Attorneys General. Professional excellence remains of paramount importance to the Committee.

2.0 Outreach

The Committee has firmly accepted outreach as one of its roles, and will continue to invite candidates from the various under-represented sections of the legal community to seek appointment. It is looking for ways to communicate with all eligible candidates to encourage them to consider a public service through appointment to the Ontario Court of Justice.

Although there has been a steady increase in the number of students from traditionally under-represented communities entering the legal profession, the Committee recognizes that there are a number of barriers, both physical and societal, to be overcome before there will be a large enough pool to enable Ontario to reach its goal of a truly representative judiciary.

The following table shows the percentage of applications from women on an annual basis.

Year	Total of New Applications Received	Female Applicants	Percent of Female Applicants

The Committee believes that the profession, community groups and the public in general have a duty to encourage appropriate lawyers to submit applications.

In 1999, the Committee was unable to continue its policy of holding interviews outside of Toronto in order to learn more of communities to be served by a particular vacancy. However, the Committee hopes to resume this practice in 2000.

3.0 A Representative Committee

It is important to have representation on the Committee that is as diverse as possible. Subsection 43(3) of the amended Act establishes criteria for Committee members as follows:

In the appointment of members ..., the importance of reflecting, in the composition of the Committee as a whole, Ontario's linguistic duality and the diversity of its population and ensuring overall gender balance shall be recognized.®

In 1999, the Committee had representation from most areas in the province and consisted of nine men and four women. Although it may not be possible for the Committee to reflect all groups at all times, a good balance has certainly enriched its deliberations. It is important that this continue.

Although the Attorney General makes the majority of appointments to the Committee, it is equally important that the remaining members appointed by the Law Society of Upper Canada, the Chief Justice, The Canadian Bar Association - Ontario, the County and District Law Presidents' Association and the Ontario Judicial Council also continue to be reflective of the population of the Province of Ontario.

CONCLUSION

The Committee has established criteria and procedures that have resulted in a fair and impartial process for the appointment of judges to the Ontario Court of Justice, one that it hopes has assisted in removing any perception of unwarranted political bias or patronage in appointments to the judiciary. Also, the Committee has worked to ensure that the candidates recommended to the Attorney General possess all the required qualities set out in our criteria and are well regarded by their peers and community.

The Committee will continue its pursuit of excellence in recommending candidates for appointment as judges to the Ontario Court of Justice. The quality of the applicants whom it sees is impressive.

The majority of the Committee members are lay persons who work during the day and give extraordinarily of their time and patience to the workings of the Committee. Despite a heavy workload, Committee members work tirelessly to maintain a high level of interest in the process and derive a great deal of personal satisfaction in being part of this rewarding work.

All of which is respectfully submitted.

IN MEMORIAM

B ANN KELLY B

Slogging through the long and seemingly never-ending routines of JAAC work, it was always such a relief to talk to Ann. Because she ran the administrative side of the Committee's work so well, I didn't have to call her very often. But, whenever I rang her up about some problem, she was always cheerful and optimistic. The problem always got sorted out - thanks mostly to her good sense and ingenuity. And afterwards, we usually had a good laugh about it.

Peter Russell, Past Chair

I have grown to see Ann as a guardian angel. She helped us sort through many of life's complexities. Ann found pleasure in advancing the fortunes of others without regard to her own. As a person under her care, she oversaw my career and helped guide my decisions with a benevolent heart and invisible hand - well, almost invisible hand.

I have this re-occurring vision of Ann and I seated in my office dictating some letter on a critical issue that day. Suddenly, without notice, mid-sentence, Ann would raise her hand like some over-zealous stopping guard and instruct me that I didn't wish to express that particular thought. I was amazed how well she knew my mind - better than I (and she did). Weeks later, when I stopped by her desk inquiring after the letter for my signature, she would, without pause, simply respond, AOh, you needn't bother. I resolved that problem by telephone last week!@

Ann, we miss you. We owe you. The only compensation appropriate to you grows in the hope that we Atouch@ others as you Atouched me@.

Mr. Justice Lloyd M. Budzinski

Ann Kelly was uniquely suited to perform the delicate and sensitive function she performed as Secretary to the Judicial Appointments Advisory Committee. She empathized with each candidate, offering words of encouragement and support throughout the arduous and nerve-wracking process. She made the interview a little easier to endure by flashing that warm calming smile which became her trademark. More than a few judges have commented that, if it had not been for Ann's compassionate approach during the recruitment process, they would have given up their efforts. In that respect, many of us owe her our careers.

Mr. Justice Harvey P. Brownstone

The thing I miss most about this very special person, whose untimely death has affected so many, is not being able to pick up the phone and hear Ann's sparkling voice and infectious laugh. From her views on the latest volume of Margaret Thatcher's biography, to her dogs' behaviour, and the judicial appointment process at large, Ann Kelly always had something to say. And people listened. Her pets, too.

Last summer, I spoke with one of her doctors. He happened to be spending a few weeks at the summer camp where my family goes. He knew of my friendship with Ann. He remarked, 'I'm concerned about how hard Ann is working. She never stops. Would you say something to her. Maybe she'll listen to a judge.' Chagrined, I explained that it was actually the other way around ... This was the way it was with Princess Ann@.

I spoke to Ann the day before she died. We made plans to have lunch together on her first day back at work. She promised not to do too much work over her holidays. It was Larry Feldman who called me with the sad news. He remarked, 'She died doing what she loved.' I wonder how many people can say that.

Mr. Justice Eric (Rick) N. Libman

I have had the pleasure of knowing Ann for almost 25 years, from the time she started with Justices Hogg and Hoolihan, through her years with the Ministry of the Attorney General and finally, in her administrative stewardship of the Judicial Appointments Committee. She never changed - always professional and discreet, loyal and dedicated to her work, absolutely ethical, straight forward, warm and upbeat - a role model for her friends and colleagues.

It was at our dim sum lunches - an addiction we shared - that I came to admire Ann even more, as I was able to sense her deep love of family, keen understanding of people and compassion for others. Her insights were always interesting and original.

Her contribution to making Ontario's judicial appointments process a model for the country cannot be quantified. Those of us who went through this process owe Ann so much. While she spoke to us in realistic terms, we knew she cared and was pulling for us to do well. Her support was subtle, but real. It meant a lot to those of us who were not natural interviewees. I will always be grateful to Ann for tracking me down out-of-town the morning after my less-than-stalwart performance before the Committee. I know I was not the only beneficiary over the many years she served as Amother@ to us all.

She was one classy lady.

Rest in peace, Ann.

Mr. Justice Larry T. Feldman

Ann Kelly was a friend of mine and of my family.

She joined us at Hogg & Hoolihan as the firm began and took a very real part in the running of the practice. We were sad to lose her when she moved from Toronto.

Ann was a very special person, intelligent, hardworking, tactful and with a wonderful sense of fun.

She was of enormous help to the students who articulated with us from year to year. In fact, we relied heavily on her in making our selection of applicants.

I was delighted to be able to work with Ann years later when she lived in Orrville and came as secretary to the District Court Judge of Muskoka.

Ann loved life, her family, her friends and her many animals, both cats and dogs. We all enjoyed hearing stories of her extended animal family.

Ann made a great contribution to the Ontario Bar, probably more than any of us.

We miss her and think of her kindness, thoughtfulness and humour.

Mr. Justice Stanton Hogg

Ann was not just my colleague but a real pal and also a family member (I treated her like my aunt). She was a very nice, thoughtful, caring, considerate and professional lady. During the 9 years we worked together, we respected each other, shared feelings, exchanged ideas, discussed and solved problems. I learned a lot from her and I really enjoyed working with her. I still could not

believe that she is gone. Her sweet smile, hearty laughter, funny jokes and sense of humour will always be in my heart.

Carol Chan

I first met Ann Kelly in early 1991 when she applied to become the Secretary of the Judicial Appointments Advisory Committee. Ann appeared before a selection panel and won out over several other excellent candidates.

Committee members soon realized that we had struck gold, indeed, the mother lode, acquiring as we did, in one person, an experienced administrator, a valued colleague and a friend.

A special aspect of Ann's contribution was her extensive knowledge of the people in the justice system - Crown Attorneys, defence bar, private bar, ministry lawyers and staff, members of the Bench. She shared this with the Committee in a most helpful way.

Ann gave all our applicants encouragement and support and was most helpful to them in sorting out the paper work. A number of our present Bench have told me how much they appreciated her help.

We will miss her expertise, wise counsel and most especially her abiding friendship and good humour.

God bless Ann Kelly.

Mr. Justice Robert J.K. Walmsley, Past Chair

For me, she was the wonder of unexpected kindness - and whenever her name surfaced in conversation with other newly appointed colleagues - and it often did - invariably it was in the context of the same sort of unexpected kindness to them.

It was Ann Kelly who had summoned us to the interview. That alone would have been sufficient. I did not expect her to share the journey. And yet she did, quietly, unobtrusively, somehow knowing when and what measure of information would be most helpful as that journey took its course.

It was quite special. I never forgot it. And I will not forget her.

Madam Justice Heather Katarynych

Almost every morning, an early call, Ann would set out for me what should be done for the

Judicial Appointments Advisory Committee. She knew the correct decisions to be made and would guide myself and the Committee in that direction. A true confidante, she was reliable and devoted. Always happy, always working for us, we shall not forget her.

WHERE DO JUDGES COME FROM?

THE PROCESS OF APPOINTMENT OF ONTARIO PROVINCIAL JUDGES

"Judges ought to be more learned than witty; more reverend than plausible, and more advised than confident. Above all things, integrity is their portion and proper virtue."

*Lord Chancellor Bacon
Essays: Of Judicature (1597)*

JANUARY, 2000

The Judicial Appointments Advisory Committee of Ontario

A Brief History

In 1988, Attorney General Ian Scott announced a three year pilot project to try a different model of appointment for Provincial Court Judges. The Judicial Appointments Advisory Committee (JAAC) began its work under the chairmanship of Professor Peter Russell with a mandate: "First, to develop and recommend comprehensive sound and useful criteria for selection of appointments to the judiciary, ensuring that the best candidates are considered; and, second, to interview applicants selected by it or referred to it by the Attorney General and make recommendations."

Between 1990 and 1995, the size of the pilot committee grew from 9 to 13 persons and the committee worked at developing criteria and procedures which were reviewed, refined and eventually publicized. In 1992, under the chairmanship initially of Professor Emily Carasco and then Associate Chief Judge Robert Walmsley, the Committee issued a Final Report and prepared recommendations for draft legislation to ensure that judges in future will be appointed by a process independent of political considerations.

The JAAC was formally established on February 28, 1995 by proclamation of the Courts of Justice Act amendment passed in 1994.

The Committee began a programme of public information to tell interested people how the appointment system works.

The Judicial Appointments Advisory Committee is required to provide the Legislature with an Annual Report.

Confidentiality

The selection process including the application form is treated with total confidentiality.

Independence

The Committee is independent of the Ministry of the Attorney General and the Government.

WHO SHOULD APPLY?

To qualify for consideration applicants must have at least 10 years membership at the Bar in one of the provinces or territories of Canada. Applicants must have a sound knowledge of the law, an understanding of the social issues of the day and an appreciation for the cultural diversity of Ontario.

While court room experience is a distinct asset, the Committee also considers suitable candidates whose experience includes work with administrative tribunals, academia and in the social policy field.

Applications are encouraged from women, aboriginal peoples, francophones, persons with disabilities, and visible and ethnocultural minorities.

Applicants with errors and claims or complaints on file with the Law Society of Upper Canada or any other Society will not be considered until claims have been cleared.

PROCESS

Vacancies on the Bench are advertised in the **Ontario Reports** as the need arises. Candidates must submit 14 copies of a prescribed application form. These applications are reviewed by the Committee and a short list is prepared. The Judicial Appointments Advisory Committee meets to select candidates for interviews from the short list.

After reference checks, confidential inquiries and interviews, the Committee sends a ranked list of its recommendations to the Attorney General who is required to make the appointment from that list.

COMPOSITION OF THE COMMITTEE

The Legislation requires the composition of the Committee to reflect the diversity of Ontario's population, including gender, geography, racial and cultural minorities. In addition to seven (7) lay members who are appointed by the Attorney General, six (6) from the legal community are appointed by the Chief Justice of the Ontario Court of Justice, the Law Society of Upper Canada, Canadian Bar Association - Ontario and the County and District Law Presidents' Association respectively. All members serve for a term of three (3) years.
