Inspection Report under
the Long-Term Care
Homes Act, 2007

Ministère de la Santé et des
Soins de longue durée

Rapport d'inspection
prévus le Loi de 2007 les
foyers de soins de longue

Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.
The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care
Specifically failed to comply with the following subsections:

s. 6. (10) The licensee shall ensure that the resident is reassessed and the plan of care reviewed and revised at least every six months and at any other time when,
(a) a goal in the plan is met;
(b) the resident's care needs change or care set out in the plan is no longer necessary; or
(c) care set out in the plan has not been effective. 2007, c. 8, s. 6 (10).

Findings/Faits saillants :

1. [LTCHA, c.8, s.6(10)(b)]

The plan of care for an identified resident was not revised when the resident's care needs changed related to responsive behaviours. An assessment by the Psychogeriatric Resource Consultant identified possible triggers for the behaviours with recommended interventions, however, the plan of care was not revised to include this information. PSW staff interviewed was also able to identify behavioural triggers and effective interventions which were also not included on the resident's plan of care related to responsive behaviours.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance with ensuring that the plan of care is reviewed and revised at least every six months and at any other time when the resident's care needs change or care set out in the plan is no longer necessary, to be implemented voluntarily.

Issued on this 26th day of March, 2012
