Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.
The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care
Specifically failed to comply with the following subsections:

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

1. Previously issued as a WN November 2010 and as a VPC May 2011.

The licensee failed to ensure that care set out in the plan of care was provided to the resident as specified in the plan. [s. 6. (7)]

a) A specified resident was identified in the plan of care to require monitoring every 15 minutes. Interview with the Associate Director of Care and Registered staff confirm that the resident was to be on half hour monitoring related to the potential for elopement and aggressive behaviours directed at staff and co-residents. A documentation review was not effective in locating half hourly monitoring records for the resident in 2012 when he injured a co-resident. Interview with Personal Support Workers indicated that during the time of the incident the resident was not monitored half hourly or every 15 minutes as the plan of care directs.

Additional Required Actions:

CO # - 001 will be served on the licensee. Refer to the "Order(s) of the Inspector".

WN #2: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 19. Duty to protect
Specifically failed to comply with the following subsections:

s. 19. (1) Every licensee of a long-term care home shall protect residents from abuse by anyone and shall ensure that residents are not neglected by the licensee or staff. 2007, c. 8, s. 19 (1).

Findings/Faits saillants :

1. The licensee failed to ensure that a specified resident was protected from abuse by anyone. [s. 19. (1)]

a) A specified resident was injured by a co-resident in 2012, resulting in transfer to hospital.

b) The resident had known aggressive behaviours and the plan of care indicates that there was to be monitoring every 15 minutes. Interview with the Associate Director of Care and registered staff indicate that the resident was on half hourly monitoring. There is no documentation of half hour monitoring available during this inspection and a personal support worker responsible for the resident's care indicated that he had not been monitored in the previous half hour as she had been on a break.

c) A specified resident was known to interact with residents who may enter the room and was to be monitored every half hour and activity to be recorded on the Dementia Observation Sheet. The last recorded observation was approximately 30 minutes prior to being found with injuries as a result of an incident from a co-resident.

d) The frequency of monitoring for the specified residents was insufficient to protect a designated resident from being injured by a co-resident.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance ensuring that residents are protected from abuse by anyone, to be implemented voluntarily.
