Inspection Report under
the Long-Term Care
Homes Act, 2007

Ministère de la Santé et des
Soins de longue durée

Rapport d'inspection
prévus le Loi de 2007 les
foyers de soins de longue

Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care
Specifically failed to comply with the following subsections:

s. 6. (1) Every licensee of a long-term care home shall ensure that there is a written plan of care for each resident that sets out,
(a) the planned care for the resident;
(b) the goals the care is intended to achieve; and
(c) clear directions to staff and others who provide direct care to the resident. 2007, c. 8, s. 6 (1).

Findings/Faits saillants :

1. The written plan of care does not provide clear directions to staff and others who provide direct care for an identified resident. The mobility directions identified in the resident's written plan of care do not include the use of specific mobility devices. The written plan of care does not identify the level of assistance or supervision required by the resident to safely mobilize. The plan of care was reviewed with the nursing staff and they confirmed the lack of clear direction.

Issued on this 11th day of January, 2012
