Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.)
The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 19. Duty to protect
Specifically failed to comply with the following subsections:

s. 19. (1) Every licensee of a long-term care home shall protect residents from abuse by anyone and shall ensure that residents are not neglected by the licensee or staff. 2007, c. 8, s. 19 (1).

Findings/Faits saillants :

[LTCHA 2007, S.O. 2007, c. 8, s. 19(1)] The licensee of a long term care home did not ensure that residents are protected from abuse by anyone.

A resident was emotionally abused by a worker in the home.

A resident was cared for by a health care aide in 2012 during which time they became stressed, intimidated and fearful. The actions leading to the resident's fear and stress during the course of a month included the lack of acknowledgment they received from the worker. The worker appeared to the resident as angry, unfriendly, uncaring, bossy, loud and rough. The resident was hesitant to say anything to the worker or other staff for fear of retaliation. The resident reported their concerns to family members who in turn reported them to management staff in 2012.

The home management staff conducted an internal investigation of the allegations and confirmed that abuse did occur.

WN #2: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 24. Reporting certain matters to Director

Specifically failed to comply with the following subsections:

s. 24. (1) A person who has reasonable grounds to suspect that any of the following has occurred or may occur shall immediately report the suspicion and the information upon which it is based to the Director:

- 1. Improper or incompetent treatment or care of a resident that resulted in harm or a risk of harm to the resident.**
- 2. Abuse of a resident by anyone or neglect of a resident by the licensee or staff that resulted in harm or a risk of harm to the resident.**
- 3. Unlawful conduct that resulted in harm or a risk of harm to a resident.**
- 4. Misuse or misappropriation of a resident's money.**
- 5. Misuse or misappropriation of funding provided to a licensee under this Act or the Local Health System Integration Act, 2006. 2007, c. 8, ss. 24 (1), 195 (2).**
