Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 51. Continence care and bowel management
Specifically failed to comply with the following subsections:

s. 51. (2) Every licensee of a long-term care home shall ensure that,

(a) each resident who is incontinent receives an assessment that includes identification of causal factors, patterns, type of incontinence and potential to restore function with specific interventions, and that where the condition or circumstances of the resident require, an assessment is conducted using a clinically appropriate assessment instrument that is specifically designed for assessment of incontinence;

(b) each resident who is incontinent has an individualized plan, as part of his or her plan of care, to promote and manage bowel and bladder continence based on the assessment and that the plan is implemented;

(c) each resident who is unable to toilet independently some or all of the time receives assistance from staff to manage and maintain continence;

(d) each resident who is incontinent and has been assessed as being potentially continent or continent some of the time receives the assistance and support from staff to become continent or continent some of the time;

(e) continence care products are not used as an alternative to providing assistance to a person to toilet;

(f) there are a range of continence care products available and accessible to residents and staff at all times, and in sufficient quantities for all required changes;

(g) residents who require continence care products have sufficient changes to remain clean, dry and comfortable; and

(h) residents are provided with a range of continence care products that,

(i) are based on their individual assessed needs,

(ii) properly fit the residents,

(iii) promote resident comfort, ease of use, dignity and good skin integrity,

(iv) promote continued independence wherever possible, and

(v) are appropriate for the time of day, and for the individual resident's type of incontinence. O. Reg. 79/10, s. 51 (2).

Findings/Faits saillants :

1. Inspector reviewed the plan of care for an incontinent resident. Inspector noted the care plan identified a specific toileting plan. Inspector observed this toileting plan was not implemented. The licensee failed to ensure that a resident who is incontinent and has an individualized plan to promote continence has that plan implemented. [O.Reg. 79/10, s.51 (2)(b)]
