Inspection Summary/Résumé de l'inspection

The purpose of this inspection was to conduct a Critical Incident inspection.

During the course of the inspection, the inspector(s) spoke with the acting Administrator and Director of Care regarding the submission of critical incident related to an injury sustained by a resident during a transfer. (H-001141-11)

During the course of the inspection, the inspector(s) reviewed the home's investigative documents, transfer and lift policies and procedures, staff educational attendance records and the resident's care documents.

The following Inspection Protocols were used during this inspection:

Personal Support Services

Findings of Non-Compliance were found during this inspection.

NON-COMPLIANCE / NON-RESPECT DES EXIGENCES

WAO – Work and Activity Order	WAO – Ordres : travaux et activités
Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)	Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.
The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.	Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 6. Plan of care

Specifically failed to comply with the following subsections:

s. 6. (7) The licensee shall ensure that the care set out in the plan of care is provided to the resident as specified in the plan. 2007, c. 8, s. 6 (7).

Findings/Faits saillants :

A personal care worker caring for a resident in 2011 did not follow the resident's plan of care. The resident's plan of care describes the resident as "high risk" for falls and that they need to be transferred by two people when they are being transferred. The worker did not follow the directive and transferred the resident by themselves. As a result, the resident was injured and was transferred to hospital. The management of the home conducted an investigation immediately and took follow-up action.

Issued on this 21st day of November, 2011
