Ministry of Health and
Long-Term Care

Inspection Report under
the Long-Term Care
Homes Act, 2007

Ministère de la Santé et des
Soins de longue durée

Rapport d'inspection
prévus le Loi de 2007 les
foyers de soins de longue

Non-compliance with requirements under the Long-Term Care Homes Act, 2007 (LTCHA) was found. (A requirement under the LTCHA includes the requirements contained in the items listed in the definition of "requirement under this Act" in subsection 2(1) of the LTCHA.)

The following constitutes written notification of non-compliance under paragraph 1 of section 152 of the LTCHA.

Le non-respect des exigences de la Loi de 2007 sur les foyers de soins de longue durée (LFSLD) a été constaté. (Une exigence de la loi comprend les exigences qui font partie des éléments énumérés dans la définition de « exigence prévue par la présente loi », au paragraphe 2(1) de la LFSLD.

Ce qui suit constitue un avis écrit de non-respect aux termes du paragraphe 1 de l'article 152 de la LFSLD.

WN #1: The Licensee has failed to comply with LTCHA, 2007 S.O. 2007, c.8, s. 29. Policy to minimize restraining of residents, etc.

Specifically failed to comply with the following subsections:

- s. 29. (1) Every licensee of a long-term care home,**
(a) shall ensure that there is a written policy to minimize the restraining of residents and to ensure that any restraining that is necessary is done in accordance with this Act and the regulations; and
(b) shall ensure that the policy is complied with. 2007, c. 8, s. 29 (1).

Findings/Faits saillants :

The licensee did not ensure that the policy to minimize restraining of residents is complied with. The home's policy "CN-R-05-5 Restraints" indicates: Staff apply the physical device in accordance with any manufacturer's instructions. The manufacturer's instructions provided by the Director of Care regarding positioning belts indicates they must not be too loose as to allow residents to slide under the belt. In 2011 an identified resident was found on the floor next to the bed; the wheelchair was positioned next to the resident and the reverse fastening seatbelt on the wheelchair was still fastened.

Additional Required Actions:

VPC - pursuant to the Long-Term Care Homes Act, 2007, S.O. 2007, c.8, s.152(2) the licensee is hereby requested to prepare a written plan of correction for achieving compliance to ensure that the policy to minimize restraining of residents is complied with, to be implemented voluntarily.

Issued on this 7th day of February, 2012
