Inspection Summary/Sommaire d'inspection		

The purpose of this inspection was to conduct a complaint inspection related to the condition of the elevator and window mounted air conditioners throughout the Home.

During the course of the inspection, the inspector spoke with the Administrator, the Director of Care and the Environmental Services Manager.

During the course of the inspection, the inspector and the Environmental Services Manager (ESM) inspected all window mounted air conditioners in the Home. The ESM provided the inspector with a copy of the Home's "Schedule B – Uninsured Services" document.

The inspector used the elevator during the inspection. The ESM provided the inspector with a copy of the elevator's Technical Standards and Safety Authority (TSSA) current licence. The ESM provided the inspector with a copy of the TSSA's most recent inspection report for their inspection completed on March 11, 2010. The ESM provided the inspector with a copy of the elevator service company's general maintenance visit log and service actions/repairs and replacement log. The Administrator, DOC and ESM discussed the Home's recent move to restricting use of the elevator around mealtimes.

The following Inspection Protocol was used during this inspection:
Accommodation Services - Maintenance
