1. The licensee failed to comply with O.Reg 53(4) (a)(b)(c) when the plans of care for resident #001, #003 and #004 all demonstrating aggressive behaviours, did not identify triggers. Strategies were not developed and implemented to respond to the behaviours, actions were not taken to respond to the needs of the residents, including assessments and reassessments.

Log# O-000423-12

An incident of aggression between resident #001 and resident #002 was reported to MOHLTC.

RPN, PCA, Physician and management staff have verified that resident #001 exhibits aggressive behaviour towards co-residents.

The progress notes reviewed for the period of three months indicate numerous incidents where resident #001 was aggressive towards co residents.

RAI-MDS assessment for resident #001 indicates an increase in the aggressive behaviour scale.

Implemented Interventions for resident #001 include medication changes and redirection from staff. Clinical health record indicates that resident #001 continued to exhibit aggressive behaviour following interventions.

The plan of care reviewed did not identify the demonstrated aggressive behaviour or behavioural triggers for resident #001. Strategies were not developed and implemented to respond to the identified behaviours. Assessments and reassessments were not completed.

2. Log# O-000062-12 Inspection# 2012\_031194\_0033

A critical incident report was submitted to MOHLTC reporting a physical altercation between two cognitively impaired residents.

RN, has stated that resident #003 is very territorial with regards to personal space

Recreational staff stated that resident #003 is very protective of personal space specifically towards male residents.

Resident #003 was observed in a physical altercation with co-resident. No injuries

An altercation between resident # 003 and resident # 004, resulted in injury.

Resident #003 was observed in a physical altercation with co-resident. No injuries.

Resident #003 plan of care was reviewed and does not identify the behaviour or aggression when the personal space is invaded . There were no strategies developed to respond to this identified behaviour on the plan of care.

RN, PSW and recreational staff confirm resident #004 was exhibiting wandering/pacing and aggressive behaviour.

Resident #004 plan of care was reviewed and did not identify the wandering/pacing behaviour. There were no triggers listed or strategies developed to respond to this identified behaviour.
