WN #1: The Licensee has failed to comply with O.Reg 79/10, s. 13. Every licensee of a long-term care home shall ensure that every resident bedroom occupied by more than one resident has sufficient privacy curtains to provide privacy. O. Reg. 79/10, s. 13.

Findings/Faits saillants :

1. On December 09, 2011, a fire in a washroom light fixture in an ensuite washroom on the 6th floor, resulted in the activation of the fire suppression system sprinklers. Water from the sprinkler system infiltrated areas on the 1st through 6th floors of the long term care home. Remediation of the affected surfaces necessitated the temporary relocation of 74 residents.
2. On December 18, 2011, program and lounge areas on floors 2, 3, 4, 5, and 6 were converted into temporary bedrooms for the residents for a period of approximately 6 to 8 weeks (pending fire safety approval of this arrangement).
3. At the time of inspection on December 20, 2011, it was identified that sufficient privacy curtains to provide privacy to each resident in the shared occupancy temporary bedrooms were not provided. A number of portable privacy screens were available in some of the shared rooms.
4. On December 22, 2011, it was identified through a telephone conversation with the Administrator that privacy curtains were not in place for every resident.
