Rural and Northern Physician Group Agreement (RNPGEA) (formerly Northern Group Funding Plan (NGFP) and Community Sponsored Contract (CSC) communities)

The RNPGEA provides a global payment to a group of physicians and ensures patients will receive a wide range of comprehensive primary care services in several northern communities. The RNPGEA provides several benefits for physicians including: guaranteed remuneration; overhead funding; specialized service incentives, including obstetrics, plus billings for evenings/weekends for these services; remoteness incentives; funding for 24 hour on-call or emergency department coverage; access to locums for up to 37 days leave per year; and maternity benefits for up to 17 weeks at 50% of salary.

Community Health Centres (CHC): Physicians who practice full-time at a CHCs may be eligible to apply for financial incentives through the Ministry's Underserved Area Program. Please contact the CHC representative directly to fully discuss practice in a CHC environment.

Northern Ontario Virtual Library (www.novl.ca) provides northern health care professionals with 24/7 virtual access to a selected suite of Ovid biomedical databases, full text journals and textbooks and MD Consult. Northern Ontario health professionals who do not have access to health information services locally should contact NOVLA for traditional library services, including document delivery, mediated literature searching, current awareness, reference and consultation.
