Ontario's sport heritage

This year, the Ontario Heritage Trust celebrates Ontario's sport heritage. The theme – **Play. Endure. Inspire. In addition to its variety of regular sites, Doors Open Ontario 2015 also features community centres, sport fields, halls of fame and arenas!

About the Ontario Heritage Trust

The Ontario Heritage Trust is an agency of the Government of Ontario, established in 1967 to identify, preserve, protect and promote cultural and natural heritage across the province. Through creative programming and exciting events, the Trust brings Ontario's story to life.

The Trust launched Doors Open Ontario in 2002 to create access to, awareness of and excitement about our heritage. Communities celebrate their stories, strengthen local partnerships, increase volunteerism and stimulate tourism and economic development.
