

ONTARIO SOCIAL ASSISTANCE

MONTHLY STATISTICAL REPORT

Ontario Works

Ontario Works provides financial and employment assistance to people who are in temporary financial need. Financial assistance includes income support to help with the costs of basic needs, like food, clothing and shelter, and health benefits for clients and their families. Employment assistance includes assistance to help clients find, prepare for and keep a job, such as workshops on resume writing and interviewing, job counselling, job-specific training and access to basic education, so clients can finish high school or improve their language skills.

Temporary Care Assistance provides support for children in financial need while in the temporary care of an adult who does not have a legal obligation to support the child. In April 2018, there were 6,138 TCA cases¹ receiving social assistance on behalf of 8,784 children.
