3. [Explanatory notes](#)

Introduction

The 2017-18 Estimates set out details of the Operating and Capital spending requirements of Ministries and Legislative Offices for the year commencing April 1, 2017 and constitute the Government's formal request to the Legislature for approval of the expenditures involved. Once approved by the Legislature in the Supply Act, the Estimates become the legal spending authority for each Ministry/Office.

The services or programs which Ministries and Offices are responsible for delivering are each identified by a unique Vote number within the Estimates. Votes in turn are sub-divided into Items in order to distinguish between their different functions. This Vote/Item structure permits the Legislature to be more specific in appropriating funds to particular services. Within each Item, expenditures are shown by Standard Account, i.e. Salaries and wages, Employee benefits, Transportation and communication, Services, Transfer payments etc. (see explanatory notes below).

For comparative purposes, Estimates and Actual amounts for prior years are provided on (Ministry) Program Summary and Vote Summary pages. These amounts are restated to provide comparability where functional reorganizations and transfers, Supplementary Estimates or accounting changes have occurred.

Estimates for all Legislative Offices are presented on the modified cash basis of accounting.

Where it is necessary to seek the Legislature's approval for additional expenditures after the tabling of the Main Estimates, Supplementary Estimates may be tabled.

Summary

The Auditor General, who is an Officer of the Assembly, conducts independent audits of government programs, the financial statements of the Province and numerous agencies of the Crown, broader public-sector organizations, and reviews under the authority of the *Auditor General Act* and various other statutes and authorities. The results of these audits and reviews provide assurance, objective information and advice to the Legislative Assembly. In doing so, the Office of the Auditor General assists the Assembly in holding the government, its administrators, and grant recipients accountable for their stewardship of public funds and for the achievement of value-for-money in the delivery of services to the public.

Additionally, under the *Government Advertising Act, 2004*, the Auditor General is required to review specified types of advertising and certain printed matter proposed by government offices to determine whether they meet the standards required by that Act.

Under both Acts, the Auditor General reports the results of the work conducted each year directly to the Legislative Assembly.

As required by the *Fiscal Transparency and Accountability Act, 2004*, in an election year the Auditor General is also required to review and report on the reasonableness of a Pre-Election Report prepared by the Ministry of Finance.

Summary

The Ombudsman of Ontario is an Officer of the Provincial Legislature who is independent of government and political parties. The Ombudsman’s job is to ensure government accountability through effective oversight of the administration of government services. The Ombudsman's authority to investigate complaints is set out in the *Ombudsman Act*, legislation that allows the Ombudsman to report on findings annually, and through special reports issued throughout the year on systemic investigations conducted by the Special Ombudsman Response Team.

Individuals may contact the Office of the Ombudsman to lodge a complaint through multiple avenues. Complaints can be received in person, in writing, via toll-free telephone, email, internet or using a mobile web application. The Office provides extensive information about its operations and specific investigations in both English and French, on its website at www.ombudsman.on.ca.

Ombudsman Ontario Program - vote 2301

The Ombudsman investigates complaints about the administration of Ontario's provincial governmental organizations, as well as municipalities, universities and school boards. The Ombudsman makes recommendations to improve public policy, programs and services. The Ombudsman investigates both individual and systemic complaints brought forward by members of the public, Members of Provincial Parliament, and on his own initiative. The Ombudsman also investigates citizens' complaints about closed municipal meetings pursuant to the *Municipal Act*, where no municipal investigator is in place. The Ombudsman's services are free of charge.

In December of 2014, *The Public Sector and MPP Accountability and Transparency Act, 2014* - known familiarly as "*Bill 8*" - passed. This legislation expanded the Ombudsman’s jurisdiction to include the province’s 82 school boards and school authorities (as of September 1, 2015), 444 municipalities and 21 publicly funded universities (as of January 1, 2016). During the 2016-17 fiscal year, the Office of the Ombudsman received 21,328 complaints.

In 2015-16, the Ombudsman received approval from the Board of Internal Economy for an additional 57 FTEs to support its new jurisdiction, for a total of 143 FTEs. Recruitment continues to fill these positions.
