Memorandum to: Office of the Clerk
Legislative Assembly

Subject: **Tabling of 2022-23 Volume 1 Expenditure Estimates**

Today, Volume 1 of the 2022-23 Expenditure Estimates was tabled in the House.

We are providing a PDF copy of the 2022-23 Expenditure Estimates. The Estimates are also available online at <https://www.ontario.ca/estimates>. In addition, hard copies will be delivered to you today.

The Estimates represent the government's formal request to the Legislature for legal authority to incur expenditures during a fiscal year. Volume 1 provides a detailed public record of government ministries' and offices' budgets, in alignment with spending plans outlined in the 2022 Ontario Budget.

Volume 2 of the 2022-23 Estimates, for the legislative offices' budgets, is anticipated to be tabled later in the fiscal year.

Sincerely,

A handwritten signature in dark ink, consisting of a stylized, cursive script that begins with a large, sweeping 'P' and ends with a long, horizontal flourish.

Prabmeet Singh Sarkaria
President of the Treasury Board
