President's Message

Since its incorporation in 1995, the Lower Thames Valley Conservation Foundation has raised over \$385,618 for natural and cultural heritage conservation programs in the Lower Thames Valley region. In 2005, the Foundation was instrumental in raising more than forty five thousand dollars. All of the money raised is used for the direct benefit of families living in the area defined by the jurisdiction of the Lower Thames Valley Conservation Authority. Fundraising is the result of the combined efforts of dozens of local citizens, businesses, service clubs and community groups working together to preserve and restore our fragile ecosystem for future generations.

The Foundation wishes to recognize some of the generous donors in 2005. Mrs.

A. Cobban of Mount Brydges donated money for projects at the Longwoods Road and Sharon Creek Conservation Areas. The McKinlay Funeral Home in Chatham, the John C. Badder Funeral Home in Thamesville, the Badder & Robinson Funeral Home in Bothwell, along with private donors, funded over 400 new trees in five memorial forests across our lower Thames River watershed. A partnership continued with the Tilbury and District Horticultural Society, promoting the reforestation of a local parkland through our memorial forest program. As a result of the generosity of The Walter J. Blackburn Foundation, The S.M. Blair Family Foundation and The George Lunan Foundation, reconstruction began on the Ska-Nah-Doht Iroquoian Village palisade and longhouses. A River and Creek Safety Program was delivered to 738 grade two students in watershed schools, with funding from 20 local service clubs. Educational resource materials were improved with monies raised at our annual Golf Tournament. Local residents and businesses adopted nature trails at Longwoods Road through our Interpretive Trail Sponsorship Program. Grants from the Federal Government's Human Resources and Skills Development Canada - Summer Career Placement Program provided opportunities for summer students to work on natural and cultural heritage projects. The Foundation also commends the efforts of the Friends of Sharon Creek for their preservation of the Sharon Creek Conservation Area.

At this conclusion to another successful year, once again I extend my deepest appreciation to the Foundation's Board of Directors and volunteers for their dedication and countless hours of service. To those staff members of the Lower Thames Valley Conservation Authority and our many "partners in conservation" who have worked so hard to support our environmental outreach activities across the watershed, I extend my most sincere gratitude. It is the commitment and outstanding effort of the people who live and work in this region that are turning tomorrow's goals into today's reality.

Peter Snow - President

In Memoriam

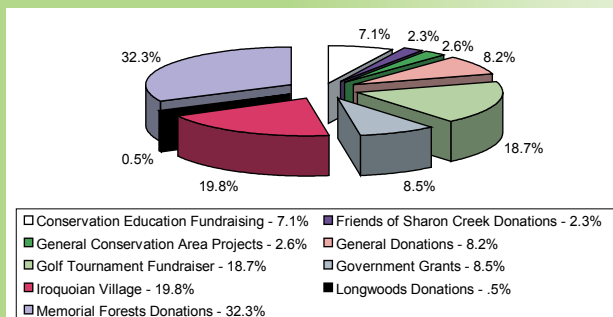

Director
Joseph C. Reilly passed away on September 5, 2005 in his 87th year. He was a volunteer Director on the Foundation for 11 years and will be sadly missed by the Directors, members and staff associated with the Lower Thames.

About the Foundation

The Conservation Foundation works in partnership with the Lower Thames Valley Conservation Authority (LTVCA), helping to raise funds to encourage wise management of our renewable natural resources. The Foundation was created in 1995 to cultivate and enhance all aspects of conservation, to provide present and future generations with a safe and healthy environment, which includes our natural and cultural heritage resources. The Lower Thames Valley Conservation Foundation is an independent non-profit, registered charity. Tax receipts are issued for all donations over \$10.00. Registered Charitable Number 898198171 RR0001

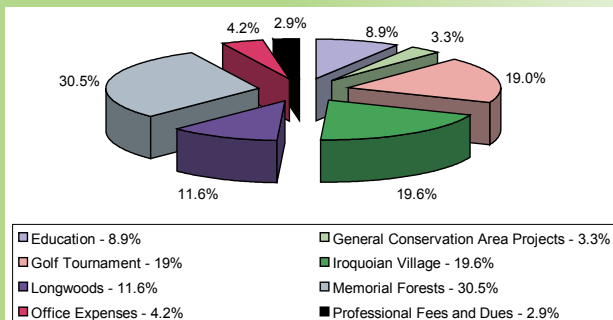

2005 Projects Supported

2005 Foundation Revenues \$45,426

*The Foundation facilitated the generation of **\$45,426** in 2005. **\$22,154** of this amount was applied towards conservation projects of the Lower Thames Valley Conservation Authority in that year. The excess of revenue over expenses for the year was \$8,745. Available upon request from the Foundation are the 2005 Financial Statements, which outline the revenues and expenditures in detail. Foundation Secretary/Treasurer **Keri Wilson** is recognized for her financial expertise with the budget.*

2005 Foundation Expenditures \$36,681

Through donations from local Funeral Homes and private individuals, the Lower Thames Valley Conservation Foundation continues to help reforest the lower Thames River watershed and region through its "growing" Memorial Forest Program.

Corporate sponsors have generously donated to the Foundation over the past year, in support of the Lower Thames Valley Conservation Authority's Conservation Education and Native Studies programs.

Supporting the
Lower Thames Valley
Conservation Authority and
Community Conservation
Partners...

Projects and Services
"Assisted" Through Our
Foundation and its Generous
Donors in 2005

- Internet access and e-mail at Longwoods Road Conservation Area Resource Centre for education and community relations programs
- Sponsorship of Lower Thames Valley Conservation Authority's website
- Support for fund-raising resource data base license
- Planting of 411 trees in five memorial forests in the lower Thames River watershed and region and assisting with three memorial forest dedication services
- Audiovisual and computer equipment for education and water management programs
- Birdfeeder station supplies at Longwoods Road Conservation Area
- Summer student employment grant support for Longwoods Road and C.M. Wilson Conservation Areas

Supporting Reforestation

MEMORIAL FOREST PROGRAM

memories live on

A focus of the Foundation over the years has been its memorial forest program with over 4,500 memorial trees planted. In 2005, \$14,680 in donations was received for trees, dedicated to loved ones, in five Foundation memorial forests.

The value of this memorial forest program has been reinforced, with less than two percent tree cover coupled with the demise of ash trees from the Emerald Ash Borer, in the lower Thames watershed. This program also helps support conservation lands and education programs of the Lower Thames Valley Conservation Authority. Recognized for their ongoing support of the memorial forest program are the **McKinlay Funeral Homes of Chatham, John C. Badder and Badder & Robinson Funeral Homes** of Thamesville and Bothwell, and the **Tilbury and District Horticultural Society**. Friends and families dedicate trees to loved ones who have passed away by contacting the Foundation, requesting a tree donation card and making a \$30 donation for each tree. Next of kin receive a certificate, and an invitation to an annual memorial forest service.

"Friends" Helping Out

The Foundation is appreciative of the hard work that is being done by local volunteer groups to help reforest our watershed and region. Of special mention are the **Friends of Sharon Creek** in Delaware, and the **Tilbury and District Horticultural Society**. The partnerships that have developed are valued and of benefit to local communities.

Some of the memorial forests are located in conservation areas. The Sharon Creek Memorial Forest is located in the Sharon Creek Conservation Area near Delaware. A volunteer group named the **"Friends of Sharon Creek"** support this conservation area by paying the annual taxes, and improving facilities. The Foundation offers its support to a variety of their projects such as accessing special funding for conservation activities.

Memorial Tree Dedications

On September 11, the eighth annual dedication service was held at the **McKinlay Woodlands**, located at the C.M. Wilson Conservation Area, south of Chatham. Over 1,500 friends and family members attended. Foundation Director **Peter Snow** offered greetings at the service. Over 320 memorial trees were dedicated in 2005 bringing the total of memorial trees now growing at McKinlay Woodlands to nearly 2,336.

On September 25, the fifth annual dedication service at the **Badder & Robinson Memorial Forest** near Bothwell, was held at the Mosa Forest. Over 250 people attended. Foundation Director **Glenn Stott** brought greetings to the service. Close to 115 trees were dedicated in 2005 bringing the total of memorial trees now growing in memory of loved ones at this memorial forest to over 800.

On October 2, the second annual dedication service was held at the **Tilbury Northside Memorial Forest**, located at the Tilbury Northside Park. Over 75 friends and family members attended. Foundation Director **Al McGregor** brought greetings from the Foundation. Twelve trees were dedicated in memory of loved ones in 2005 bringing the total of memorial trees now growing in memory of loved ones at this memorial forest to 31.

Projects and Services
"Assisted" Through Our
Foundation and Its Generous
Donors in 2005

- Contributions to the Sharon Creek Trust Fund
- Contributions to Museum Displays and the Reconstruction Projects of Ska-Nah-Doht Iroquoian Village
- Sponsorship of special public events - Annual Owl Hike and Taste of Fall at Longwoods Road Conservation Area
- Maintenance of Longwoods Road Conservation Area nature trails through the Interpretive Trail Signage Sponsorship Program
- Support of the Lower Thames Valley Conservation Authority's Education Programs - River and Creek Safety
- Organizing and hosting the Annual Lower Thames Heritage Charity Golf Tournament Fund-raiser
- Promotion of environmental stewardship across the Lower Thames Valley Conservation Authority watershed and region

Partners with "friends"

The Foundation continued its productive working relationship with a Delaware volunteer group call the "**Friends of Sharon Creek**" (**FOSC**). Conservation projects take on a grassroots approach and welcome community involvement. The work that this group does is invaluable, and the Foundation applauds its efforts. The "friends" organization works hand-in hand with the Foundation.

Sharon Creek Trust Fund

Under the umbrella of the Lower Thames Valley Conservation Foundation, money is growing in a separate "trust" fund for Sharon Creek Conservation Area. The goal of this "fund" is to eventually have enough money to pay the annual maintenance costs and property taxes so that future generations are guaranteed the preservation of this beautiful conservation area. The **FOSC** also make annual donations to this trust fund from their fund-raising projects. At year-end, \$16,041 was growing "in trust" for Sharon Creek Conservation Area.

Supporting Conservation

Over the past year, the Foundation invited service clubs, local businesses, charitable foundations and private citizens to become "partners in conservation" to support and improve conservation lands and facilities of the LTVCA. This is an opportunity for sponsors to have their name in publications and on signs, receive media attention, and to receive a tax receipt, all in recognition of their support. The Foundation applies for Government grants and corporate sponsorship on behalf of the Conservation Authority. This special funding hires summer students and helps to purchase equipment not covered through the LTVCA's budget, but needed to operate programs in the conservation areas. A trail sponsorship program at Longwoods Road Conservation Area raises money for the upkeep of the wheelchair accessible nature trails.

In 2005, the Foundation received a **\$4,000 donation from Mrs. Audrey Cobban of Mount Brydges** to be split between the Sharon Creek and Longwoods Road Conservation Areas. Mrs. Cobban wishes her donation to be used for capital development and / or summer student employment. The Foundation recognizes Mrs. Cobban's ongoing generosity and support of these local conservation lands and will ensure that her donation is used appropriately.

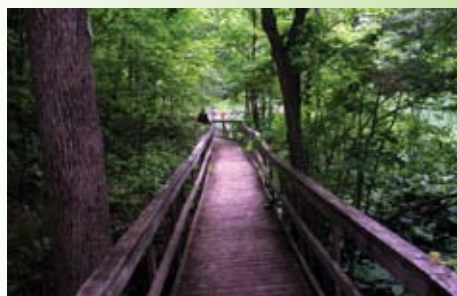

Government Grants

The Foundation recognizes the financial support they received for conservation projects, from private individuals, government programs and other charitable foundation grants. As a result of the Foundation's application to the **Federal Government's Human Resources and Skills Development Canada - Summer Career Placement Program (SCP)**, two summer students were hired with \$3,859 of special funding. One position was for Ska-Nah-Doht Iroquoian Village and the other student worked at the C.M. Wilson Conservation Area.

A summer day camp was popular at Longwoods in 2005. Youngsters enjoyed a visit to the Museum, an outdoor tour of Ska-Nah-Doht Iroquoian Village and nature activities. To coordinate the program, Erin Watson was hired on the SCP grant.

Nature Trail Sponsorship

The trail to the marsh is wheelchair accessible.

Groups sponsor the 6.5 km of nature trails at Longwoods Road Conservation Area. Two trails are wheelchair accessible. Donations are used to provide stone chips, repair boardwalks and stairs, and clear and prune trails. Sponsors are recognized on trail signs and receive tax receipts.

Our appreciation is extended to:
L. & M. Cowan - Mount Brydges, the Schofield Family - London and the Flegel Family - Mount Brydges.

Supporting Education

The Conservation and Ska-Nah-Doht Iroquoian Studies education programs at Longwoods Road Conservation Area, are unique to our watershed and benefit from "partners in conservation" to be preserved for all to enjoy. Annually, over 7,000 students participate in these programs. Donations from service clubs, the golf tournament, foundations, corporations, and individuals, help maintain trails, supply educational equipment, sponsor new programs and provide e-mail and internet access at Longwoods.

In 2005, local service club donations supported the River and Creek Safety Program: **Wheatley Royal Canadian Legion Ladies Auxiliary, Highgate/Orford Royal Canadian Legion, Delaware Royal Canadian Legion, Chatham Tartan Sertoma, Chatham Moose Lodge, Mount Brydges Royal Canadian Legion, Wheatley Lions, Merlin Corpus Christi Council, Chatham Rotary, Mount Brydges Lions, Wheatley Lioness, Melbourne Royal Canadian Legion, Mount Brydges Optimists, Ridgeway Kiwanis, Glencoe District Lions, Blenheim Royal Canadian Legion Ladies Auxiliary, Tilbury Lioness, Delaware Royal Canadian Legion Ladies Auxiliary, Mount Brydges Lioness, and West Lorne Optimists.** Mrs. E. Wittland of Mount Brydges sponsored birdseed for the feeders at the Longwoods Road Conservation Area Resource Centre with her \$200 donation. Of special mention are the Foundations that supported the capital restoration project for Ska-Nah-Doht Iroquoian Village - **The Walter J. Blackburn Foundation - \$5,000, The S.M. Blair Family Foundation - \$1,000 and The George Lunan Foundation - \$1,000.**

*The Foundation is applying to the Ontario Trillium Foundation for the restoration of 3 heritage log cabins at Longwoods. The application is in collaboration with the Upper Thames Military Re-enactment Society. Directors **Peter Snow, Anne Smith, and Glenn Stott** along with **John Lawrence** are continuing the research on this project that had been initiated by **Sherri Flegel**.*

Education Programs of the
Lower Thames Valley
Conservation Authority

Conservation Education

- **Conservation Area Field Trips**
Longwoods Road
Sharon Creek
C.M. Wilson
- **Classroom Outreach Programs**

Conservation Authority staff visited 31 classrooms (738 grade two students) to deliver a lesson on River and Creek Safety. The Foundation applied for program funding which was generously donated by 20 local service clubs.

Ska-Nah-Doht Iroquoian Village and Museum

- **Native Studies Programs**
Longwoods Road Conservation Area

Ska-Nah-Doht Iroquoian Village and Museum is located in Longwoods Road Conservation Area. Curriculum based native studies programs attract thousands of students, teachers and chaperones annually. In the summer months, tourists from around the world explore the longhouses inside the palisade.

Heritage Charity Golf Tournament

Supporting a wide variety of the Lower Thames Valley Conservation Authority's environmental and cultural heritage projects, \$4,842 was raised at the third annual Lower Thames Heritage Charity Golf Tournament, held September 17. Thirty one-hole sponsors, and 43 golfers enjoyed the Foundation's golf tournament. The Golf Committee is congratulated on all their hard work: **Dawn and Peter Snow, Glenn Stott, Al McGregor, Keri Wilson, Anne and Rick Smith, John Lawrence, Ron Watts and Andy Chisholm.** Special thanks to **Mr. Bill Boland of the Ontario West Insurance Brokers** for the \$10,000 hole-in-one sponsorship.
