Notes:

1. The Abitibi River Forest is implementing a 1 year contingency plan (2012-2013). The FMP (2012-2122) is scheduled to be finalized for implementation in 2013.

- 2. The Big Pic Forest was scheduled to implement Phase II in 2012 but has been delayed to 2013.
- 3. The Pic River Forest (965) is a new management unit resulting from the amalgamation of the Black River (370) and Pic River Ojibway (851) Forests (2013-2023 FMP).
- 4. The Whiskey Jack Crown unit had a 3 year contingency plan (2009-2012) and is implementing another 2-year contingency plan (2012-2014) bridging to the approval of the new FMP (2012-2022).
- 5. The Whitefeather Forest Declaration Order (MNR-74) was approved on April 18, 2009 and was designated as a management unit in 2010. The first FMP for the Whitefeather Forest was approved in 2012. The SFL will be issued prior to implementation.

Forest Management Plan Renewal Schedules

The renewal schedules are organized by the scheduled plan renewal year (i.e. scheduled year of implementation) and includes the applicable lead MNR District and MNR Region.

New plans are normally scheduled to be implemented in April of the applicable plan renewal year. For those planning processes being initiated this year, an "Invitation to Participate" notice will normally be issued between January and May (approximately two years in advance of the scheduled plan renewal year).
