North East LHIN

e-Bulletin

Week of September 19 2008, Volume 2, Number 18

Report back on the first task of the Surgical Optimization Steering Committee

While all surgical activity is being reviewed by the NE LHIN Surgical Optimization Steering Committee, the first task of the Committee was to review, analyse and report on a plan related to Cancer Care Ontario's (CCO) thoracic surgical oncology standards.

Post your events to the NE LHIN Website

Do you have a health-care related event taking place in your community that you would like posted to the NE LHIN website? The Calendar of Events found on our website page, Health Care in Your Community, is a place where NE LHIN website visitors can go to keep apprised of health care

events taking place in communities across the North East.

If you would like to post your event information, please visit www.ne.lhin.on.ca to submit your event electronically. Please note that information posted must be received in both English and French.

Subscribe to “Smart Connections” – Smart Systems for Health Agency's e-newsletter – for a chance to win an iPod Touch – North East LHIN is participating

Why read Smart Connections?

- Learn about e-Health projects in Ontario
- Discover how your colleagues are using SSHA products and services to improve patient care
- Keep up-to-date with SSHA progress and enhancements

SSHA, an agency of the Ontario Ministry of Health and Long-Term Care, is the enabling force behind a province-wide information technology infrastructure delivering e-Health solutions.
