New -- NE LHIN Integration Strategy Video Presentation

A walk-through video presentation on the NE LHIN Integration

Strategy has been posted to the [NE LHIN website](#). This

presentation is made available in an effort to meet the information

needs of our health service providers so that you can move forward

with implementing the Strategy.

Following the presentation, it is suggested that you submit your thoughts, comments and

questions directly on the video presentation page in order to share with other health

service providers. Answers to questions will be posted on this page as well.
