OHA - Annual North East/North Central Sub-Region Conference

Health Care System Navigation and Performance – Achieving Success for a Truly Strong North

April 14 – 16, 2010

Holiday Inn, 1696 Regent Street, Sudbury

Looking past how our health care system is designed, this conference will address how well established systems are performing. What are the productivity levels within various domains and the challenges, trends, innovations occurring within our province's health care system.

For additional registration information please call Michelle Evans at (416) 205-1367 or visit www.oha.com.

The Impact of Colonization on the Health of Aboriginal People

Thursday, April 15th

5:30 p.m. – 7:30 p.m.

Dr. Leroy Little Bear, Northern Ontario School of Medicine
Room 109, 935 Ramsey Lake Road, Sudbury
Join via videoconference, face-to-face, or webcast.

Participants will gain cultural sensitivity and learn how to best adjust their current practices to meet the needs of Aboriginal people. For more information please contact Denise Adams at denise.adams@normed.ca or 705-662-7256.

Small and Complex Continuing Care Hospitals (SCCH)

A few spaces remain for hospital staff to participate in Phase 1 of the SCCH Management Information Systems/ Human Resources Information Systems (MIS/HRIS) project being led by the Community Care Information Management (CCIM) program with support from the Ontario Ministry of Finance through the OntarioBuys Initiative and the Ministry of Health and Long-Term Care.

If you are a hospital that meets the following criteria, CCIM would like to hear from you as soon as possible:

- Have less than 100 patient beds
- Senior executive within the organization willing to sign a Letter of Commitment for the process
- OHRS compliant
- Can demonstrate the ability to implement the software solution within the agreed timeframe (December 31, 2010).

Spaces are available for a limited time only. For more information please contact the SCCH Project Support Centre at SCCH.MOH@ontario.ca.

eHealth Ontario announces the launch of French website

eHealth Ontario's corporate website is now available in both official languages. [The website](#) allows for the sharing of information on eHealth programs and services, provider solutions and news.
