

ONTARIO POWER AUTHORITY

# A Progress Report on Renewable Energy Standard Offer Program

August 2007

## Introduction

This is the Renewable Energy Standard Offer Program (“RESOP”) Monthly Report for August 2007. The monthly report includes:

- Summary of RESOP projects
- Break-down of projects by energy source for the month of August and year to date
- Statistics on RESOP contracts executed, offered and in-progress (to-date)
- Projects reaching Commercial Operation for 2007

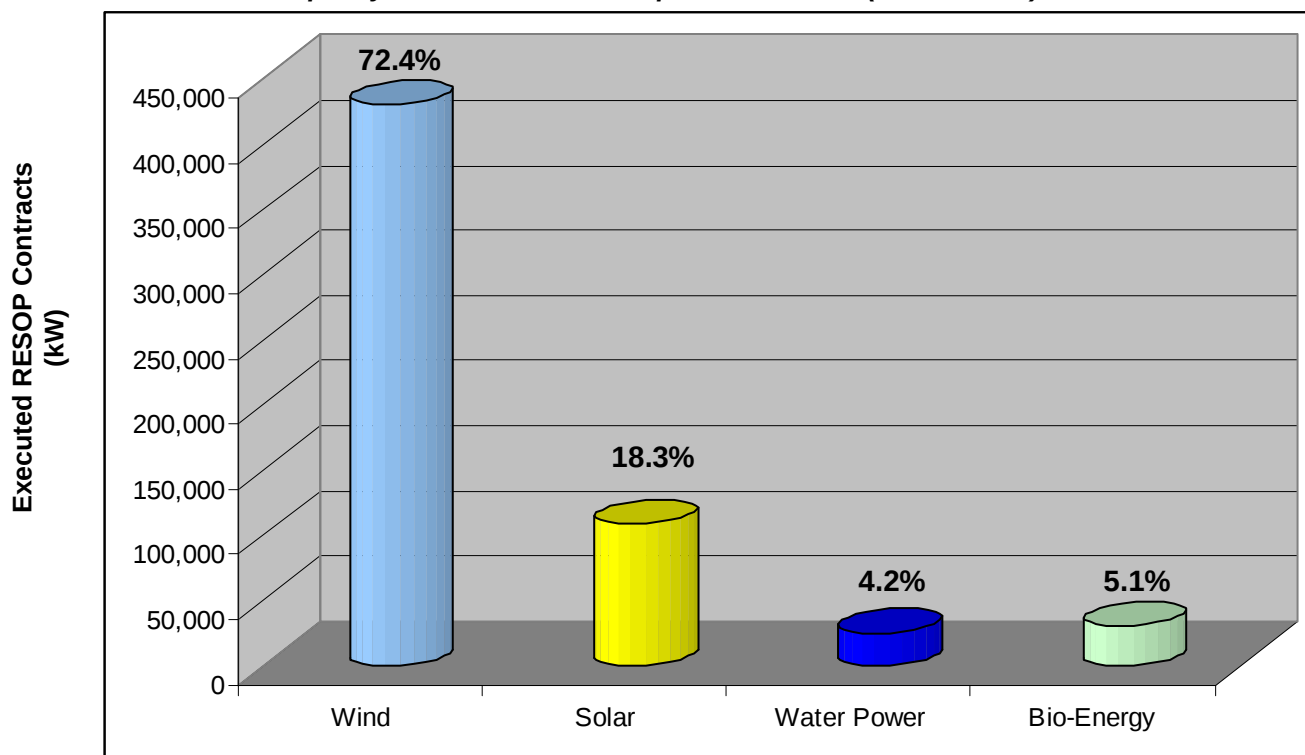

Additional information on the OPA’s RESOP is provided in the following pages of this report and on the OPA web site at [www.powerauthority.on.ca/SOP/](http://www.powerauthority.on.ca/SOP/).

## Summary of RESOP Contracts Executed by Month

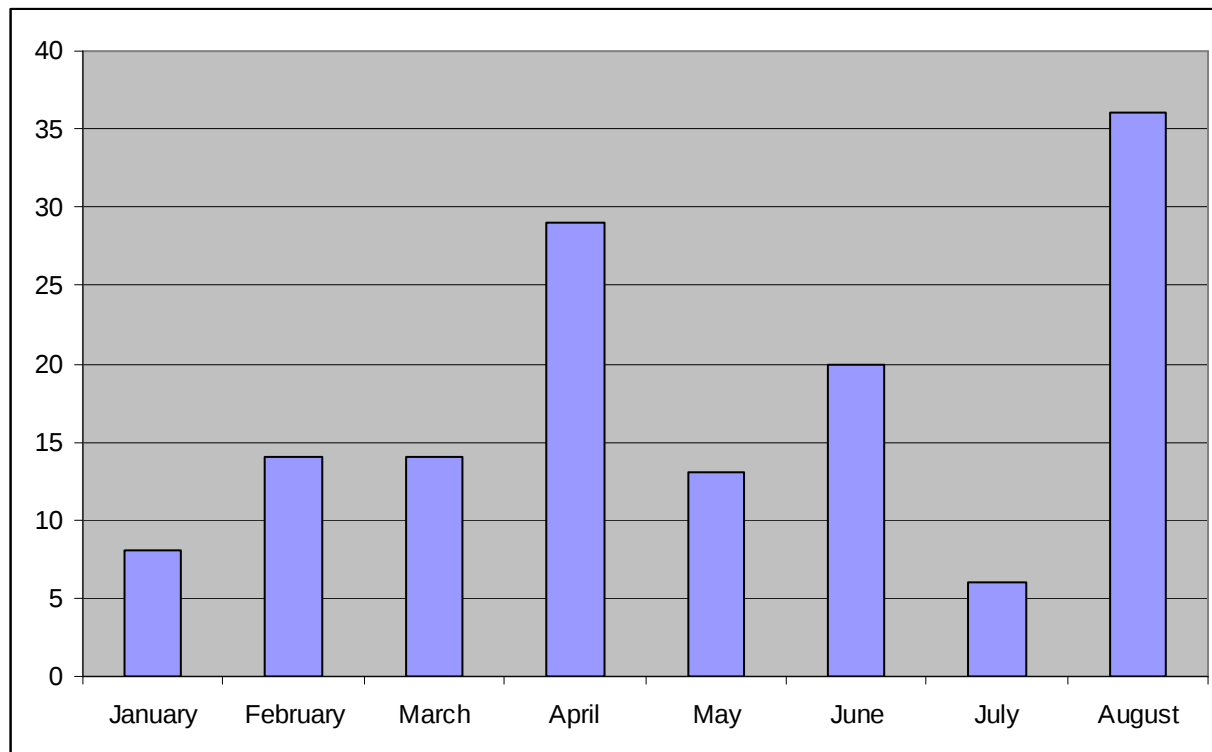

**Table 1: Contracts Executed by Month (rounded to nearest kW)**

|                     | Wind      |                | Solar PV  |                | Water Power |               | Bio-Energy |               | Total      |                |
|---------------------|-----------|----------------|-----------|----------------|-------------|---------------|------------|---------------|------------|----------------|
|                     | #         | Capacity       | #         | Capacity       | #           | Capacity      | #          | Capacity      | #          | Capacity       |
| January             | 4         | 30,600         | 3         | 23             | 1           | 1,500         | 0          | 0             | 8          | 32,123         |
| February            | 10        | 99,900         | 0         | 0              | 1           | 950           | 3          | 10,251        | 14         | 111,101        |
| March               | 6         | 49,460         | 6         | 40,006         | 2           | 18,180        | 0          | 0             | 14         | 107,646        |
| April               | 8         | 68,650         | 18        | 10,125         | 0           | 0             | 3          | 12,660        | 29         | 91,435         |
| May                 | 5         | 49,600         | 5         | 9,142          | 2           | 3,200         | 1          | 4,625         | 13         | 66,567         |
| June                | 9         | 89,600         | 9         | 29,235         | 2           | 200           | 0          | 0             | 20         | 119,035        |
| July                | 0         | 0              | 5         | 68             | 1           | 250           | 0          | 0             | 6          | 318            |
| August              | 6         | 42,902         | 26        | 20,008         | 1           | 709           | 3          | 2,843         | 36         | 66,462         |
| <b>Year to date</b> | <b>48</b> | <b>430,712</b> | <b>72</b> | <b>108,607</b> | <b>10</b>   | <b>24,989</b> | <b>10</b>  | <b>30,379</b> | <b>140</b> | <b>594,687</b> |

**Chart 1: Total Capacity of RESOP Contracts per Fuel Source (Year to Date)**

**Chart 2: Total Number of Contracts Executed by Month**

In the month of August, the OPA executed 36 RESOP Contracts, bringing the total to 140 executed RESOP Contracts. There are another 104 applications in process.

## Break-down of Projects by Energy Source for Month of August

Contracts executed for the month of August are detailed in the following tables:

**Table 2: Solar PV Contracts Executed in Month of August '07**

| Project Name                            | Project City       | Proponent Name                     | Gross Capacity (kW) |
|-----------------------------------------|--------------------|------------------------------------|---------------------|
| Q241 Ross                               | Milford            | Don Ross                           | 2                   |
| Kevin and Marta Queen (solar)           | Keewatin           | Kevin Queen                        | 4                   |
| WISE, 133 Grace                         | Toronto            | Stephan Gustajtis                  | 5                   |
| WISE, 86 Pinewood                       | Toronto            | Arun Mukherjee                     | 2                   |
| WISE, 31 Pinewood                       | Toronto            | Sheila Goldberg                    | 2                   |
| 29 Bernard Avenue                       | Toronto            | Ann Marie Keating                  | 2                   |

| Forest Wind Farm                | Forest             | Forest Wind Power Inc.                | 9,900               |
| Royal Road 1 Wind Power Project | near Milford/Athol | Canadian Hydro Developers, Inc.       | 9,000               |
| Royal Road 2 Wind Power Project | near Milford/Athol | Canadian Hydro Developers, Inc.       | 9,000               |

## Break-down of Projects by Energy Source Year-to-Date

Contracts executed to date are detailed in the following tables:

**Table 4: Wind Contracts Executed to Date**

| Project Name                            | Project City | Proponent Name                      | Gross Capacity (kW) |
|-----------------------------------------|--------------|-------------------------------------|---------------------|
| Ashton Ridge Golf Course Wind Farm      | Grand Valley | Grand Valley Wind Farms Inc.        | 9,000               |
| Ashton Ridge Wind Farm F                | Grand Valley | Grand Valley Wind Farms Inc.        | 9,900               |
| Bisnett Line Wind Farm                  | Chatham-Kent | Gengrowth LP 1                      | 10,000              |
| Byng Wind Farm                          | Byng         | AIM PowerGen Corporation            | 9,900               |
| Conestogo Highlands Wind Farm Project 1 | Drayton      | Invenergy Wind Canada LLC           | 9,000               |
| Conestogo Highlands Wind Farm Project 2 | Drayton      | Invenergy Wind Canada LLC           | 9,000               |
| Cruikshank Wind Farm                    | Tiverton     | Cruikshank Wind Farm Ltd.           | 9,900               |
| Cultus Wind Farm                        | Clear Creek  | AIM PowerGen Corporation            | 9,900               |
| Exhibition Place Windturbine            | Toronto      | Toronto Hydro Energy Services Inc.  | 750                 |
| Ferndale Wind Farm                      | Lion's Head  | Sky Generation Inc.                 | 1,800               |
| Forest Wind Farm                        | Forest       | Forest Wind Power Inc.              | 9,900               |
| Frogmore Wind Farm                      | Clear Creek  | AIM PowerGen Corporation            | 9,900               |
| Front Line Wind Farm                    | Chatham-Kent | Gengrowth LP 1                      | 10,000              |
| Gracey Wind Farm                        | Lakeshore    | Gengrowth LP 1                      | 10,000              |
| Grand Valley Wind Farm II A             | Shelburne    | Grand Valley Wind Farms Inc.        | 9,900               |
| Kevin and Marta Queen                   | Keewatin     | Kevin Queen                         | 2                   |
| Lakehead 1                              | Thunder Bay  | Ventus Energy Lakehead Windpower LP | 9,000               |
| Lakehead 10 Wind Park                   | Thunder Bay  | Ventus Energy Lakehead Windpower LP | 10,000              |
| Lakehead 2 Wind Park                    | Thunder Bay  | Ventus Energy Lakehead Windpower LP | 10,000              |
| Lakehead 3 Wind Park                    | Thunder Bay  | Ventus Energy Lakehead Windpower LP | 10,000              |
| Lakehead 4 Wind Park                    | Thunder Bay  | Ventus Energy Lakehead Windpower LP | 10,000              |

| Project Name                       | Project LDC                      | Project Source | Gross Capacity (kW) | Actual Commercial Operation Date |
|------------------------------------|----------------------------------|----------------|---------------------|----------------------------------|
| High Falls                         | Lakeland Power Distribution Ltd. | Water Power    | 1,500               | 29/01/2007                       |
| Britannia Landfill Gas Utilization | Enersource Hydro Mississauga     | Bio-Energy     | 5,625               | 27/03/2007                       |

## A Progress Report on Renewable Energy Standard Offer Program

|                                         |                                         |             |       |            |
|-----------------------------------------|-----------------------------------------|-------------|-------|------------|
| Port Albert Wind Farm                   | Hydro One Networks Inc.                 | Wind        | 660   | 20/04/2007 |
| Ferndale Wind Farm                      | Hydro One Networks Inc.                 | Wind        | 1,800 | 08/05/2007 |
| Miller PV 190 Collingwood Kingston      | Utilities Kingston                      | Solar PV    | 1     | 09/05/2007 |
| Misema Hydroelectric Plant              | Hydro One Networks Inc.                 | Water Power | 3,100 | 10/05/2007 |
| Classic Power - Aurora                  | Powerstream Inc.                        | Bio-Energy  | 1,060 | 15/05/2007 |
| Waterloo Landfill Gas Power Plant       | Kitchener Wilmot Hydro Inc.             | Bio-Energy  | 4,625 | 18/05/2007 |
| Louis #1                                | Hydro One Networks Inc.                 | Solar PV    | 3     | 24/05/2007 |
| Watts Up                                | Hydro One Networks Inc.                 | Solar PV    | 9     | 13/06/2007 |
| Halton Landfill Biogas Generation       | Milton Hydro                            | Bio-Energy  | 2,126 | 18/06/2007 |
| Hone Heke Hydro                         | Burlington Hydro                        | Solar PV    | 4     | 21/06/2007 |
| ARISE Technologies Alpha One            | Waterloo North Hydro                    | Solar PV    | 8     | 26/06/2007 |
| Cumberland Photovoltaic Project         | Enersource Hydro Mississauga            | Solar PV    | 3     | 30/06/2007 |
| Ron Klages Power                        | Hydro One Networks Inc.                 | Water       | 80    | 06/07/2007 |
| Pinkerton Power (Joyrun Farms Inc)      | Hydro One Networks Inc.                 | Water       | 100   | 19/07/2007 |
| Sudbury Landfill Gas Generation Project | Greater Sudbury Hydro Inc.              | LandFill    | 1,600 | 30/07/2007 |
| Queen's University Goodwin PVA          | Utilities Kingston                      | SolarPV     | 20    | 8/1/2007   |
| Gregory Steele                          | Toronto Hydro Electric System           | SolarPV     | 3     | 8/2/2008   |
| Smokey Creek Farm Solar System          | Hydro One Networks Inc.                 | SolarPV     | 10    | 8/10/2007  |
| Wilson's Mill                           | Centre Wellington Hydro Ltd.            | Water       | 250   | 8/17/2007  |
| Region of Waterloo EMS Building 20kW PV | Cambridge and North Dumfries Hydro Inc. | SolarPV     | 20    | 8/21/2007  |

## Projects with an Option Agreement

Projects that have an executed Option Agreement are listed below:

**Table 10: Option Agreements Executed in '07**

| Project Name   | Project City | Proponent Name      | Gross Capacity (kW) |
|----------------|--------------|---------------------|---------------------|
| Ferndale V82's | Lion's Head  | Sky Generation Inc. | 3,300               |
