What is the Live Safe! Work Smart! program?

The Live Safe! Work Smart! program is comprised of a quarterly e-newsletter, a dedicated [website](#), and a suite of hard copy resources that support educators in teaching students about occupational health and safety (i.e. health and safety in the workplace).

Passionate about workplace safety? Enter the It's Your Job student video contest!

The Ministry of Labour is accepting entries for the 2018-19 It's Your Job video contest. All Ontario secondary school students are eligible to participate. Get your students ready to develop an original video that can be used on social media to illustrate the importance of working safely on the job.

The optional theme for this year is “the business case for health and safety.” Encourage your students to show how workplace health and safety can improve the bottom-line for businesses and make it easier for businesses to grow and prosper.

Students and their schools can win cash prizes, as well as provincial and national recognition. The first place video in the national contest will premier at the North American Occupational Safety and Health (NAOSH) Week launch ceremony on May 6, 2019.

The deadline to submit videos is **March 4, 2019**. Visit the [contest page](#) to learn more about the contest and prizes.

See, share and show the top 2017-18 videos to your students! Check out our [winners](#) for some inspiration.
