Lights, camera, and action! A reminder to enter the It's Your Job student video contest

The Ministry of Labour will continue to accept entries for the 2018/19 It's Your Job video contest until **March 4, 2019**. All Ontario secondary school students are eligible to participate.

Encourage your students to develop an original video that can be used on social media to illustrate the importance of working safely on the job.

If you need ideas, the optional theme for this year is "The business case for health and safety." Inspire your students to show how workplace health and safety can improve the bottom-line for businesses and make it easier for businesses to grow and prosper.

Students and their schools can win cash prizes, as well as provincial and national recognition. The first place video in the national contest will premiere at the North American Occupational Safety and Health (NAOSH) Week launch ceremony on May 6, 2019.

Visit the [contest page](#) to learn more about the contest and prizes and [check out our winners](#) from previous years for some inspiration.
