Special Provisions for English Language Learners

THE STUDENT

is an English language learner as defined by *English Language Learners: ESL and ELD Programs and Services: Policies and Procedures for Elementary and Secondary Schools, Kindergarten to Grade 12* (2007).

MAKE SPECIAL PROVISION DECISIONS

- prior to the test;
- for each student individually and
- in consultation with the student and parents or the adult student, and with the appropriate teaching staff.

Section 2.9.3 of *English Language Learners* states: “English language learners should take the Ontario Secondary School Literacy Test when they have acquired the level of proficiency in English required for success.”

Time and Setting (adjustments to environment)

Additional time, to a maximum of double the allotted time

Periodic supervised breaks

Individual or small-group setting or individual study carrel

- Breaks are not considered part of the time allotted for the test.

Return of Materials

- Return all Student Answer Sheets in the **Student Answer Sheet Return Envelope**.
- Place all student materials that contain an issue in the **Issues Envelope** and document the issue on the outside of the envelope.

Notes

- English language learners who have special education needs and an IEP are entitled to permitted accommodations listed under “Students with Special Education Needs” in this guide.
- All booklets must be completed by the end of the administration.
- Time to read the instructions, for supervised breaks and to answer the questionnaire is not considered part of the time allotted for the student to complete the test.
- The audio version of the test is available only to English language learners who have special education needs and an IEP that indicates the audio accommodation.

Documentation

- Record special provisions in the SDC system.
- A copy of the information letter from the principal to the parents or adult student outlining the special provisions must be kept on file at the school for one year.

Deferrals

THE STUDENT*

is working toward an OSSD but will not participate in the test, because

- he or she is an English language learner and has not yet acquired a level of proficiency in English sufficient to participate;
- the student has been identified as exceptional by an Identification, Placement and Review Committee and would not be able to participate in the test even if all accommodations were provided;
- the student has not yet acquired the reading and writing skills appropriate for Grade 9 or
- the student has a temporary condition owing to illness or injury (e.g., a broken arm) or is new to the school, and appropriate accommodations cannot be provided.

*Deferrals must be registered in the SDC system.

MAKE DEFERRAL DECISIONS

- prior to the test;
- for each student individually and
- in consultation with the student and parents or the adult student, and with the appropriate teaching staff.

Notes

- Participation may be deferred only until the next administration. If a deferral is required again, the process must be followed again.
- There is no limit to the number of deferrals for a student, but he or she must be advised that a deferral will result in fewer opportunities to take the test.
- A deferral is not considered an opportunity to write. An opportunity to write the test means the student has “put pen to paper.”
- A student, at the principal’s discretion, may enrol in the OSSLC before he or she has had a second opportunity to write the test.
- Test materials will not be shipped for deferred students.
- If an adult student or parent disagrees with the principal’s decision, he or she may appeal to the supervisory officer for a final decision.

Documentation

- Record deferrals in the SDC system.
- A letter from the principal and all other documentation related to the decision to grant a deferral must be kept on file at the school for one year.

Exemptions

Notes

- If an adult student wishes to write the test, or the parents want their son or daughter to write, the student must be allowed to write.
- If the learning expectations for the student are revised and the student begins to work toward an OSSD, he or she must meet the literacy requirement in order to receive a diploma.
- Test materials will not be shipped for exempted students.

Documentation

- Record exemptions in the SDC system.
 - A signed consent letter must be kept on file in the school for one year.
-
