Revamped E-Learning

The Pay Equity Commission is proud to announce the launch of our newly revamped E-Learning tool available in English and French. This interactive online tool allows users 24/7 free access to obtain information and training on the Pay Equity Act and process. The E-Learning is comprised of 15 training modules and a build-your-own interactive job comparison tool. Employers can use this tool to go through the required pay equity steps using their own data to help in achieving pay equity.
