Growing Forward 2

from **idea** to **success**

Find out if **Growing Forward 2** can help fund your **food safety project:**

- Are you interested in making food safety **improvements** to your produce farm?
- Can you **clearly explain** how it will improve food safety?
- Can you describe the **benefits** to your business that will result from making these food safety improvements?

Grow profits. Expand markets. Manage risks.

Let's talk about how you could be eligible.
