Transition Smart – Farmers to Processors workshop

Posted on January 4, 2016 by Evan Elford

From the [Agri-food Management Institute](#) (AMI)

- February 20 and 27, 2016 at the Georgian College Barrie Campus
- March 12 and 13, 2016 in St. Jacobs

The focus for this [workshop](#) is connecting farmers with the tools to become processors, covering everything from operational planning, marketing, product development to pricing, distribution and sales. The workshop will focus on practical preparation tools that can be immediately implemented and identifying feasible value-added opportunities for your farming business.
