Hops IPM Training this Friday

Posted on [April 7, 2016](#) by [Evan Elford](#)

Just a reminder that a Hops IPM training session will be held this Friday, April 8th from 1 to 3:30 pm at the Woodstock-OMAFRA Resource Centre. Anyone interested in attending is asked to pre-register, as there are limited spots available in the venue. To register, call the Agriculture Information Contact Centre at 1-877-424-1300, or the OHGA. See below for a full description.

Hops Scouting and Integrated Pest Management Training

Woodstock OMAFRA Resource Centre – Large Boardroom

Unit1—401 Lakeview Dr., Woodstock, ON

Friday, April 8, 2016

1:00 – 3:30 pm

Melanie Filotas, Specialty Crops IPM Specialist, OMAFRA

Hops have a large complex of pests that can affect yield and quality. These require careful monitoring and management to keep pest populations below economically damaging levels, but identification and management can be a challenge. This 2 1/2 hour indoor workshop will provide hop growers, scouts and industry members with an overview of integrated...
