Agriculture Youth Green Jobs Initiative

Posted on [May 10, 2016](#) by [Evan Elford](#)

Agriculture and Agri-Food Canada has announced funding under the [Agriculture Youth Green Jobs Initiative](#).

The [Agricultural Youth Green Jobs Initiative](#) will help fund internships for post-secondary graduates working in the agriculture industry. These internships would include activities or projects that benefit the environment. Please note that this is not a summer employment program.

Funding is available through the following two streams:

1. [Green Farms Stream](#): Farm operators could receive up to a maximum of \$10,000 per intern to implement projects that are environmentally beneficial.
2. [Green Internships Stream](#): Employers in the agricultural sector but not directly on farm could receive up to a maximum of \$16,000 per intern to undertake environmental activities, services or research that will benefit the agriculture sector.
