

Ontario Provides Additional Support for Farmers

Posted on [July 17, 2020](#) by [Betty Summerhayes, OMAFRA, Technology Transfer Specialist](#)

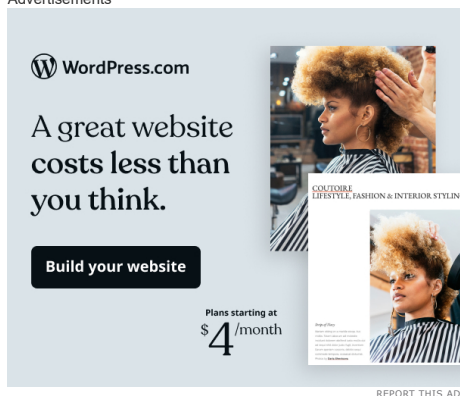

News Release July 16, 2020

Government Delivers Early on Expanded Risk Management Program

The Ontario government is expanding the Risk Management Program a year earlier than planned by \$50 million for a total of \$150 million annually. This funding supports farmers with unforeseen challenges such as fluctuating market prices, extreme weather events like flooding or drought, and disease.
