
Organic Pork Production in Ontario

Posted on [July 16, 2022](#) by [ONOrganic](#)

Consumer demand for organic pork is rising. Some pork producers may wish to capture part of this market.

It is estimated that there are about 45 certified organic pork producers in Ontario with a total annual production of approximately 24,000 market hogs. Certified organic hogs produced in Ontario are marketed to processors in Ontario, Quebec and the U.S. Current information shows that, in Ontario, certified organic pork operations range in size from 5 to 300+ sows for farrow-to-finish operations.
