According to the Canadian Organic Trade Association (COTA), Canadians spent nearly \$8.14 billion on organic products in 2021.

Each year, COTA releases a report detailing trends in Canada's organic agriculture industry. The full [Canadian Organic Market Report](#) is available for purchase online from COTA. Similarly, the annual [Organic Agriculture by the Numbers](#) releases provide information on organic operators and acreage trends and are available for download.

COTA additionally releases free [Quick Facts About Organic in Canada](#) infographics for download that outline annual facts and figures obtained from their research. Use these resources to keep up to date with trends in organics and explore Canada's organics industry.
