Ministry of Health

Notice of decision of the Minister of Health under s. 74(6) of the *Personal Health Information Protection Act, 2004*:

Proposed amending regulation to support the consolidation of local health integration networks into Ontario Health atHome

Under subsection 74(6) of the *Personal Health Information Protection Act, 2004* (PHIPA), the Minister of Health may decide that the public consultation requirements under subsections 74(1) to (5) should not apply to the power of the Lieutenant Governor in Council to make a regulation under section 73 of PHIPA. The Minister is required to provide public notice of this decision and a statement of the reasons for the decision.

When proclaimed into force, the *Convenient Care at Home Act, 2023* would establish a Service Organization named Ontario Health atHome by amalgamating the province's 14 local health integration networks (LHINs), known as Home and Community Care Support Services organizations, and the LHINs would no longer exist. Ontario Health atHome would provide all the same services to patients and the public that the LHINs provide. Ontario Health atHome would also provide operational supports to health service providers and designated Ontario Health Teams funded by Ontario Health to provide home and community care services under the *Connecting Care Act, 2019* to enable the providers and Teams to deliver home and community care services to their patients.

To support proclamation of the *Convenient Care at Home Act, 2023*, the Government of Ontario is proposing to make consequential amendments to s. 3(8) O.Reg. 329/04 (GENERAL) under PHIPA, which currently refers to the LHINs. The proposed amendment would strike out "local health integration network" and substitute the organization replacing the LHINs: "the Service Organization continued under section 27.2 of the *Connecting Care Act, 2019*".

Upon coming into effect, this amendment would make Ontario Health atHome, like the LHINs are now, a health information custodian and a single health information custodian with respect to all its functions, and it would be deemed to be included in the list of types of custodians referred to in subsections 20 (2) and (3), clause 38 (1) (a) and subclause 39 (1) (d) (i) of the Act. This would enable Ontario Health atHome to continue providing home and community care services seamlessly to its own patients.

If approved, the proposed regulation would come into effect upon proclamation of the *Convenient Care at Home Act, 2023* that would amalgamate the LHINs into Ontario Health atHome.

I have determined that the foregoing proposed amendments are of a minor and technical nature and that the consultation requirements under subsections 74(1) to (5) should therefore not apply to them.

The Honourable Sylvia Jones
Minister of Health
